FIVE CENTS

THE JEWS IN OUR MIDST

By Merwin K. Hart

From Economic Council Letter No. 427

It is impossible to weigh the present situation in the U.S. without consideration of that part of our population who are of the Jewish faith, or are known as **JEWS**.

Merwin K. Hart

But especially in the last 40 years, certain of the more aggressive Jews have formed groups, one of whose chief aims is to mold the American Republic into something very different from what it has always been. These have been the chief elements in creating friction and even hatred among various groups in America. They have prated about "bias," "prejudice," "anti-Semitism," and "hatred," when, in fact, most of the hostility and "hatred" has been on the part of many fanatical Jewish leaders, whose intolerance toward either Jews or non-Jews who disagreed with them has been great indeed. They have not hesitated even to take America into situations which, if not checked, will involve us in war.

Rather curiously, some of the more aggressive Jewish leaders and organizations clearly make great efforts to prevent any discussion about Jews. They so resent even the mention of the word, Jews, by non-Jews, as to raise several questions—questions which effect all Americans.

To avoid facing the facts and speaking out plainly on this subject now would be a disservice to all America. It would be an act of cowardice!

Never in history has a country offered greater opportunity to the peoples of all countries including, if not especially, the Jews in the U.S. In fairness to all Americans, including Jews themselves, we propose to set forth certain facts and discuss them.

In the past 40 years Jews have become a mighty force in this land—a force out of all proportion to their alleged numbers. In recent years the American Jewish Committee furnished figures, which have been published in the **World Almanac** and elsewhere, to the effect that there are 5,200,000 Jews in the United States. In the **World Almanac** of 1943, the number of Jews (figures from the Jewish Statistical Bureau of the Synagogue Council of America) was stated to have been 4,770,000 in 1937. Thus, there was an admitted increase in the following 21 years of only 430,000, or less than ten per cent. The increase in the population of the U. S. as a whole during this 21 year period was thirty per cent. This suggests that the estimate of Jewish population for 1958 of 5,200,000 is at least questionable.

One of the best authorities in this country on immigration is the present Chairman of the House Committee on Un-American Activities, Representative Francis E. Walter of Pennsylvania. Mr. Walter stated in the **Reader's Digest** for May 1953 that there were then some three to five million aliens illegally in the U.S. The question arises as to the race or religion of these.

It is an interesting fact that on Nov. 8, 1943, an order was issued to the Immigration and Naturalization Service by the then U.S. Commissioner of Immigration and Naturalization, with the approval of Attorney General Biddle, to the effect that the statistics kept by that service on immigrants who had been admitted into the U.S. should no longer contain, as separate

Representative Francis E. Walter

items of racial classification, the categories which theretofore had been listed as Hebrew or Jewish.

This action followed a considerable agitation by Jewish organizations and individuals who protested the inclusion in immigrant visa applications of mention of the Hebrew or Jewish race. The reason given was that this was a required statement of the applicant's religion.

Therefore, it is in order to ask whether

Walter Reuther's Advice To His Comrades Is To Carry On The Fight For A Soviet U.S.

It takes quite a bit of nerve on the part of Walter Reuther to pose so amicably with the President of the United States at the White House on March 14, 1958. This same Reuther, who with his brother, Victor, on Jan. 21, 1934 wrote the letter from Moscow which is reprinted below. But nerve is something these Marxists have plenty of!

Eisenhower poses as a Republican although he was proposed as the Democratic candidate for President by Jacob Arvey at a dinner in Chicago in 1948. At the present time Reuther is regarded as the most probable future candidate for President on the Democratic ticket. Referring to the photo herein, just what is it that Ike and Reuther have in common that brings forth such happiness?

Surely Eisenhower knows by now all there is to know about the bloody strike

Reuther and Eisenhower in a jolly mood

Reuther and his goon squads have forced on the Kohler Company for the past five years. Street fighters were imported from Detroit direct to Wisconsin to intimidate or beat up peaceful Kohler workers and their families. They even killed a man, and tossed acid and paint into the homes of any

worker attempting to go to work to support his family. Reuther is Vice President of the AFL-CIO and is slowly and surely crowding Meany for the Presidency.

Reuther's union, the UAW, has spent approximately 12 million dollars in his avowed effort to destroy the Kohler Co., to this day he boasts that he is promoting the campaign to boycott Kohler plumbing supplies. Reuther's public relations representative, Don Rand, said; "It seems to me that it is almost sinful to have any labor dispute degenerate to the point this one has, where we actually have to wreck the Company. That's what we're doing, wrecking the Company."

It was Walter Reuther, just back from Moscow who introduced the sit down strike in the United States!

Walter Reuther is as powerful a man as

the figures compiled by the American Jewish Committee include only those persons who admitted that they were Jews. During the roughly 15 years following the issue of this order, several million people entered the U.S., many of them from Eastern and Central Europe.

Every 10 years, commencing in the year 1790, a census of all people living in America has been taken. In each census, among the questions asked has been the religious affiliation of each person. Therefore, it is of interest that in *The New York Times* of Dec. 13, 1957, was a statement that in the 1960 census the American people would not be asked their religion!

A sub-headline read: "Census Bureau Acts After Groups Protest Plan to Include Question on Preference." The *Times* news item contains this statement:

"Objectors to the inquiry had said that it would violate the separation of church and state, and would violate the privacy of conscience. The Census Bureau had maintained that the question would be useful to business, welfare, education, research, housing, and planning groups."

The *Times* article further stated:

"Explaining the retreat on religion, Robert W. Burgess, Director of the Bureau, said: 'The primary reason was recognition that at this time a considerable number of persons would be reluctant to answer such a question in the Census, where the reply is mandatory.'"

And the article closed with:

"The American Jewish Congress hailed yesterday the announcement by the Census Bureau. Dr. Israel Goldstein, president of the organization, termed it a 'far-reaching victory for traditional American freedoms.'"

Does the statement of the American Jewish Congress indicate what elements in the U.S. were pressing both for the ruling of 1943, and that of the Census Bureau in 1957? We know no other religious or ethnic group in the U.S. which seeks to conceal its numbers.

How many of the 3 to 5 million aliens illegally in the U.S. are Jews? A responsible authority stated to us recently that there are at least 8 million Jews in the U.S. Probably there are 10 to 12 million.

It is hard to escape the thought that in these two rulings a clever device was set up to deceive the American people, both as to how many had come in, and how many are here today.

Now, if it were not for this deception, and if prominent representatives of the Jewish people were not taking a leading, indeed, dominating, part in vital American policy, we would not need to be concerned. But prominent Jewish organizations and Jews are taking a very leading part in the making of several policies which threaten our involvement in foreign wars, and the complete destruction of our Constitutional form of Government here in the U.S.

It is apparent that left-wing Jews, working in close conjunction with communists, are largely responsible for the so-called integration decision of the Supreme Court of May 17, 1954. This is readily shown by high Jewish authority.

Thus Dr. John Slawson, Executive Vice President of the American Jewish Committee, said on page 631 of the *American Jewish Year Book*, Vol. 57, for 1956:

"Earlier, I said that the desegregation decision of the Supreme Court was one of the major events of the year effecting our work. This historic ruling is a significant high water mark in America's battle against discrimination on racial, religious, and ancestral grounds—a battle in which the American Jewish Committee has long been among those leading the assault.

"It was most fitting, therefore, that we were very closely involved with the Supreme Court decision. Not only were we active, along with other organizations, in the filing of an amicus brief, but we contributed materially to the social theory upon which the desegregation decision was based. The

Rabbi Israel (12-Front) Goldstein

In that way the Jews can hide the exact amount of their cohorts that have entered the U.S. (Its a very slick maneuver).

ruling, you know, gave great weight to sociological and psychological factors..."

It was, indeed, a "battle in which the American Jewish Committee has long been among those leading the assault." It was a battle in which the forces of communism, working alongside JEWS, won!

For the communists have been working at least as long as the Jews for this very end. As a result, the South has been torn with the threat of what still may prove to be civil war. Since the end of the ill-fated Reconstruction period in 1877, and down to 1954, great progress had been made by both Negroes and Whites in living side by side in the southern states. All this edifice of good will has now been largely destroyed. And in cities like Washington, New York, and Philadelphia, near chaos has been brought about by political attempts to enforce integration in public schools and apartments. This is due to the activities of such groups as the American (?) Jewish Committee and its militant ally the Anti-Defamation League of B'nai B'rith.

Closely akin to the segregation decision is the passage in 1957 of the so-called Civil Rights Law. The philosophy back of the Civil Rights Law is that Negroes have the right to say with whom they shall attend school, and whom they shall have as fellow-tenants in their apartment buildings—but that the whites have no such right. Many alien-minded Jews, this people who have received so much from America, boast in effect that they are the authors of this Law.

Indeed, the Anti-Defamation League, who are the shock troops of organized Jewry, had the audacity to make an "Award" to the Congress of the United States for passing the Civil Rights Law; and with great fanfare they invited the entire membership of Congress to a formal dinner at the Mayflower Hotel, Washington, on March 3, 1958, to accept this "Award." It is somewhat reassuring to real Americans that a rather small minority of the 531 Members of both Houses of Congress attended. The newspapers, including those controlled by Jews, were significantly silent about the affair.

We have already dwelt at some length on the part the Jewish groups have played in minimizing the Jewish population of the U.S. From the writings of various Jewish groups it is apparent that control of immigration is near the top of the list of Jewish aims!

It has been widely asserted that over 200 members of the House of Representatives have been recipients of campaign contributions from Jewish sources. Jewish groups have been in the forefront, but always secretly, of campaigns to defeat any

man in either House of Congress who, they thought, would not do their bidding. There is little doubt that Sen. Burton K. Wheeler of Montana—one of the ablest Americans in the Senate in recent years—was defeated for re-election in 1946 by a stealthy campaign which was aided, if not directed, from an apartment in the Waldorf Astoria Towers, N.Y.

In the same way the late Sen. Herman Welker of Idaho was defeated for re-election in 1956 by a campaign of stealth and falsehood and innuendo, which likewise emanated from the same source. Other men in both Houses have been similarly defeated.

Harold Stassen, the ardent internationalist office seeker, who has announced his candidacy for the Republican nomination for Governor of Pennsylvania, though he has hardly lived there at all, is said to have a campaign fund of \$750,000. Were does it come from?

Of course the Zionists, most but not all of whom are Jews, were at the bottom of our involvement in the setting up of the purely synthetic state of Israel. If keen American minds had sought diligently to find an action which would work greater harm to America they could not have done a better job. And there's not an Arab in the Middle East, or anywhere else for that matter, who does not know that ex-President Truman, under Zionist pressure, prevailed upon the UN in late Nov. of 1947, to reverse itself and adopt the Partition Resolution. So all Arabs blame the United States! And the Zionists got us into it!!

Of course the Zionists had had this aim for 40 years or more. But the U.S. and Britain, both under extreme Zionist influence, were responsible for bringing Israel into existence.

There are multitudes of Jews in the U.S. who are utterly opposed to Zionism and the state of Israel, and do not hesitate to say so. They have received rather poor backing from American non-Jews. So here, in the setting up and continued maintenance of Israel, important Jewish elements have influenced American foreign policy with the likelihood that before the question is settled, millions of non-Jewish Americans will be drafted to lay down their lives in a war to maintain the "independence" of that synthetic State.

America has been a Christian country from the start. There is so much historical evidence of this that it needs no proof. The Supreme Court in the case of "The Church of the Holy Trinity vs the United States" held in 1891, after a lengthy review of the record, that the U.S. "is a Christian nation." And this case was cited with approval by the Supreme Court as recently as 1930.

As we study documents like the American Jewish Committee Budget of 1953, a 280 page volume, (\$5.00 order from CEA,) we find that organization engaged in propaganda work in almost every cultural and religious field in the U.S. Though most Americans seem to be entirely ignorant of it, these left-wing Jews are seeking to remold the Christian religion and even the NEW TESTAMENT itself. They are seeking wherever possible to undermine Christianity, to weaken and dilute it—under the guise of "BROTHERHOOD." It's they who are trying to take Christ out of Christmas. It's they and their friends who have in many cases sought to prevent the singing of Christmas carols in the public schools, and to ban the setting up of Creches in various school yards. Some of these groups are almost as anti-Christian as the communists themselves, and indeed many of their members have communist or communist front records.

It is unfortunate that some Christians, have yielded to the blandishments of these overeager Jews and have been willing to make concessions, the effect of which has been to water down Christianity.

It is a striking commentary that some of these great Jewish propaganda organizations so control the Washington Admini-

stration that the Treasury Dept. allows deductibility before taxes of all sums contributed to them. This applies to the American Jewish Committee, the American Jewish Congress, and even the Anti-Defamation League! This last arm is the smearing arm of the groups generally.

The League conducts spying activities, of which there is much evidence. It publishes false statements. A single sample of these is found on pages 348 and 349 of "Cross Currents," a book published in 1956, by Arnold Forster and Benjamin Epstein (ADL officers), which purports to be a report of the ADL. The passage referred to relates in detail a conference between an Egyptian diplomat, Rahim, and an officer of the National Economic Council. The story is completely false. No such conference ever took place. Mr. Rahim and the officer in question have never even met down to this day.

Yet the organization responsible for this falsehood, is, like the American Jewish Committee and the American Jewish Congress, given tax deductibility. This means that a contributor in the top income bracket deprives the Government of 91% of tax income which the Government would otherwise receive from him—and non-contributing American taxpayers have to make up the 91% deficit in the total tax take.

The fact that such groups have deductibility while groups like the National Economic Council, which seek to preserve the American way of life, are refused deductibility of contributions, is a scandal of the first rank.

It would be of interest to know just why valuable real estate holdings in N.Y. City, and possibly elsewhere, which are owned and occupied by various Jewish and Zionist organizations are exempted from real estate taxes, thereby throwing a heavier burden on other taxpayers. Examples are Jewish Agency for Palestine, Jewish National Fund, National Committee for Labor Israel, United Jewish Appeal.

It should be clearly understood that the Jews are not a race. They are persons who profess the Jewish faith, or were born of parents or are off-spring of forebears who were of the Jewish faith. Modern Jews of pure Semitic ancestry are probably a minority. One of the largest groups of Jews, so far as ethnic background is concerned, is of mongoloid origin, descendants of the Khazars who for centuries occupied a large part of what is now Eastern Europe.

Not only should non-Jewish Americans concern themselves with the practices enumerated above, but so should uninformed American Jews. For unless the latter demand of these leading Jews a public explanation of actions which have no place in America, and obtain one, they will be held responsible for the consequences. All Americans should assist them to obtain such an explanation, and the leaders of Jewry should in their own interests be among the first to produce it.

These are some of the facts. The Jews are an important element among the American population. Unquestionably, they have been exercising more power than any other group. Many of their leaders are among an internationalist group which aims to set up a world government to which all Americans would be subject. And that world government would include Israel, and would be guided by the "ethics" of Israel!

The problem will be solved if all Americans, Jews and non-Jews alike, are willing to inform themselves about what is going on—and assert themselves. All they have to do is to make the facts public.

Middle-East Report

The writer of the following article is a pre-eminent linguist speaking Arabic, Greek and Latin as well as German, French, Spanish and Italian. He is a world traveler, exceptionally well-informed as to the International Jewish problem. His name is not published for obvious reasons—he might be assassinated; the source of vital information destroyed.

My Dear USA Friend:

The information herein is "from the horse's mouth." It will probably conflict with American newspaper publicity from the Middle East, for there is no longer a Free Press in America or other world national centers. International Jewry's propaganda dominates, except for publicity in this part of the world.

There is no real antagonism here in the Arab States toward the people of USA—only against its subverted governmental administration's attitude toward and favorable to the State of Israel in Palestine. The Arabs have no "fear of the Jews" and speak plainly in denunciation of Israel's wholesale murder of Arab refugees and illegal seizure of Arab territory.

I frequently contact personally Russian teachers here. They say to me positively that the Kremlin has ousted all Jewish leadership from high positions. There is no Jew left in the Communist Politbureau. The Soviets recognize Jews only in a religious sense, and as atheists fight Jewish organizations as such. They are denied the rights of a minority. Jewish organizations are suppressed. The Russian masses are anti-Jewish. The Polish people hate Jews with a burning hatred.

My friends and compatriots in Germany inform me that the brutal "reparations" plundering of Western Germany by Jewry is raising the people to dangerous emotional heights. I know the German people are much more emotional than are other northern nationalities. And if this Jewish plundering is not stopped soon there may be an explosion of popular fury which might result in calling for Soviet aid in freeing Western Germany from the Jewish Plague. The USA favoring of Jews is the source of deep anger, which is suppressed by the Jewish muzzling of the Nation's press.

The German people regard the Jewish "reparations" as a gigantic conspiracy. Jews who suffered no damage from Hitler's activities and anti-Jewish policy are receiving enormous sums. The Yiddish press in other countries are printing this: "Hitler losses to Jews MUST BE MAGNIFIED AS MUCH AS POSSIBLE." Jews from Eastern Europe who were not in Germany during the Hitler regime are receiving "damages" in the shape of money. Jewish refugees from Poland, Hungary, Russia and Rumania are living in the State of Israel in Palestine on funds from "German Reparations Payments." They call themselves "Hitler victims." The communist head of the Polish Government, Gomulka, is married to a Jewess. The son of the present President of West Germany is married to a Jewess. In Tel Aviv of the State of Israel a special profession has sprung up which fabricates false affidavits of certain Jews supporting damage claims of brother Jews.

Under financial pressure, German currency, marks, faces a collapse. The present West German Minister of Finance is

quoted as saying that "this reparation indemnification is leading to inflation of the German mark."

This article should be helpful to Americans in understanding why most Jewish publications have been unfriendly to Stalin brand of communism the last few years. The record shows that communism was set up in Russia in 1917 almost exclusively by Jews, 276 of whom left N.Y. financed by Jacob Schiff of Kuhn Loeb & Co. Undeniable facts are set out in the publication JEWISH ANTI-COMMUNISM (price \$.50 order from C.E.A.) The right-about-face of Jews as regards Russian communism began in 1948 when Israel was established and the Zionists decided headquarters for World Government would be in the new State.

The Russian people, like in all other countries, finally became aware they were being used by the Jewish conspiracy. Communism took over Russia 40 years ago and not one word against communism appeared in Jewish publications until recent years. Editor

They Mean It!

From the "JEWISH WORLD," London, Feb. 9, 1883:

"The dispersion of the Jews has rendered them a cosmopolitan people. They are the only cosmopolitan people, and in this capacity must act and are acting as a solvent of national and racial differences. The great ideal of Judaism is not that Jews shall be allowed to flock together one day in some hole-in-the-corner fashion, for, if not tribal, at any rate separatist objects but that the whole world shall be imbued with Jewish teachings, and that in a universal Brotherhood of Nations—a greater Judaism, in fact—all the separate races and religions shall disappear..."

the radical Dubinsky, of the ILGW. He is also a very close friend of Herbert Lehman, one of the most prominent Marxist International Bankers and darling of many Reds, Pinks and Red fronts.

This reminds us that the Protocols of The Learned Elders of Zion (order yours from CEA, for \$1.00) bring out that the plan is to set up World Government through the instruments of radical workers and Marxist capitalists. It is a well known fact the Marxists are slowly but surely promoting Reuther as a candidate for the Presidency just as soon as the country can be sufficiently conditioned.

Walter and Victor Reuther spent one and one half years in the Soviet Union, returning in October 1935. At that time communism in the Soviet Union was in full swing for 17 years.

The following letter was written to Melvin and Gladys Bishop and published in the Saturday Evening Post, Aug. 14, 1948. This letter is only one of more than a score of different pieces of evidence as to what the Reuthers are cleverly trying to hide by posing as so-called anti-communists.

At the present time Reuther is busy spending 12 million dollars of the workers hard earned money to wreck the Kohler Co. If the American people are lulled to sleep, and this man is allowed to run for the Presidency, what is there to stop him from using the U.S. Treasury and the Army to wreck every manufacturer that does not bend to his orders?

REUTHER'S LETTER FROM RUSSIA

January 21, 1934

Dear Mel and Glad:

Your letter of December 5 arrived here last week from Germany and was read with more than usual interest by Wal and I. It seemed ages since we have heard from you, so you might well imagine with what joy we welcomed news from Detroit. It is precisely because you are equally anxious, I know, to receive word from the "workers' fatherland" that I am taking this first opportunity to answer you.

What you have written concerning the strikes and the general labor unrest in Detroit, plus what we have learned from other sources, makes us long for the moment to be back with you in the front lines of the struggle. However, the daily inspiration that is ours as we work side by side with our Russian comrades in our factory, the thought that we will forever end the exploitation of man by man, the thought that what we are building will be for the benefit and enjoyment of the working class, not only of Russia but of the entire world, is the compensation we receive for our temporary absence from the struggle in the United States. And let no one tell you that we are not on the road to socialism in the Soviet Union. Let no one say that the workers of the Union of Soviet Socialist Republics are not on the road to security, enlightenment and happiness.

Mel and you know Wal and I were always strong for the Soviet Union. You know we were always ready to defend it against the lies of the reactionaries... Here the workers, through their militant leadership, the proletarian dictatorship, have not sold out to the owning class like the S.P. in Germany and like the Labor Party in England. Here they have against all odds, against famine, against internal strife and civil war, against capitalist invasion and isolation, our comrades here have maintained power, they have won over the masses, they have transformed the Soviet Union into one of the great industrial nations of the world. They have laid the economic foundation for socialism, for a classless society. Mel, if you could be with us for just one day in our shop you would realize the significance of

the Soviet Union...

Here are no bosses to drive fear into the workers. No one to drive them in mad speedups. Here the workers are in control. Even the shop superintendent has no more right in these meetings than any other worker. I have witnessed many times already when the superintendent spoke too long. The workers in the hall decided he already consumed enough time and the floor was then given to a lathe hand who told of his problems and offered suggestions. Imagine this at Ford or Briggs. This is what the outside world calls the "ruthless dictatorship in Russia." I tell you Mel, in all the countries we have thus far been in we have never found such genuine proletarian democracy. It is unpolished and crude, but proletarian workers democracy in every respect. The workers in England have more culture and polish when they speak at their meetings, but they have no power. I prefer the latter.

In our factory, which is the largest and most modern in Europe, and we have seen them all, there are no pictures of Fords and Rockefellers and Mellon. No such parasites, but rather huge pictures of Lenin. Red banners with slogans "Workers of the world unite" are draped across the crane-ways... Such a fine spirit of comradeship you have never before witnessed in your life. Superintendent, leaders and ordinary workers are all alike. If you saw your superintendent as he walks through the shop greeting workers with "Hello comrade," you could not distinguish him from any other worker...

Three nights ago we were invited to the clubhouse in Sosgor (Socialist City) to attend an evening of enjoyment given by the workers of the die shop... A division of the Red Army was also present as guests. In all my life, Mel, I have never seen anything so inspiring. Mel, once a fellow has seen what is possible, where workers gain power, he no longer fights for an ideal, he fights for something which is real, something tangible. Imagine, Mel, Henry Ford throw-

ing a big party for his slaves...

Mel, we are witnessing and experiencing great things in the U.S.S.R. We are seeing the most backward nation in the world being rapidly transformed into the most modern and scientific, with new concepts and new ideals coming into force. We are watching, daily, socialism being taken down from the books on the shelves and put into actual application. Who would not be inspired by such events?...

Let us know what is happening to the Y.P.S.L. and also the Social Problems Club.

Carry on the fight for a Soviet America,

One Solitary Life

There is a young man who was born in an obscure village, the child of a peasant woman. He grew up in another village. He worked in a carpenter shop until he was thirty, and then for three years he was an itinerant preacher. He never wrote a book. He never held an office. He never owned a home.

He never had a family. He never went to a college. He never put his foot inside a big city. He never traveled two hundred miles from the place he was born. He never did one of the things that usually accompany greatness. He had no credentials but himself.

While he was still a young man, the tide of public opinion turned against him. His friends ran away. He was turned over to his enemies. He went through the mockery of a trial. He was nailed to a cross, between two thieves. While he was dying, his executioners gambled for the only piece of property he had on earth, and that was his coat. When he was dead, he was laid in a borrowed grave through the pity of a friend. Nineteen centuries wide have come and gone, and today he is the central figure of the human race, and the leader of the column of progress.

I am far within the mark when I say that all the armies that ever marched, and all the navies that ever sailed, and all the parliaments that ever sat, and all the kings that ever reigned, put together, have not affected the life of man upon this earth as has that

Hatemongering And Defamation

By Marilyn R. Allen

P.O. Box 2243 — Salt Lake City, Utah

In the virulently anti-White-Christian-American Jewish newspaper, **Heritage**, (Los Angeles) for Nov. 6, 1958, which carries the usual Jewish venom against name-called "hate groups" or individuals, there is this quote:

"In his letter to the Congressman (Francis E. Walter) asking for a House investigation on 'hate groups' (meaning Christian Constitutional Americans) Commander of Jewish War Veterans, Shaike-witz, pointed out that hate sheets have increased 'fantastically' during the past 6 months (there must be a reason), indicating that financial backers of such publications have thrown great sums of money into their operation."

IF this were actually true, what of it? In view of the **fantastically** huge collections and fund drives on the part of Jews themselves? But this is customary distorted Jewish propaganda, since I happen to know that most Christian Constitutional Americans, such as myself, operate as **individuals** not as organized groups like the **ADL** and **NAACP**—and have to spend their own sacrificial pennies in defense of **OUR** country, our race and our religion. Every **true** patriot that I know of, is having a terrific struggle financially, what with inflation, increased postage, as well as high living costs. Most of them are **not** organized and do **not** enjoy any backing, moral, legal, financial or organizational—, such as do the well-heeled **ADL** and **NAACP**. Nor do they regularly conduct, all over America,

There is no Time quite like Christmas for remembering the Friendships we Cherish
and there are no Wishes like the Old tried and true ones - a Merry Christmas and a Happy New Year

well-organized tax-free fund drives (backed and promoted by our highest officials, and agitators such as **Eleanor Roosevelt**, who act as toadies for these minority interests: the Jewish papers are full of their names and faces, for advertising purposes). Humorously enough, in this same **Heritage** issue for Nov. 6, 1958, is this squib:

"Sen. Jacob K. Javits, of N.Y. State, will be the principal speaker at Joint Defense Appeal's Third Annual Human Relations Award Dinner on Nov. 15... Mendel

B. Silberberg, well-known Los Angeles attorney and civic leader, will be recipient of the Award in recognition of his 'contribution to the advancement of human rights.' (This language always means extra-territorial Jewish rights, not human rights for Christian patriots: they do not have any).

"Thy Brother's Keeper"

By Martha O. Andrews

Far more could be accomplished toward the advancement of the Negro through intersectional understanding and cooperation than through conflict and condemnation. For a better perspective, please study the following explanation of the South's position:

One-tenth of the nation's population is Colored, of which two-thirds live in 10 southeastern states. One-third of the South's population is Negro; in the "black belt" they outnumber Whites as much as 9 to 1.

The Negro was introduced to civilized society through slavery. With emancipation he was turned loose penniless, homeless, jobless, and ignorant to be absorbed by a war-ravished South. Since Reconstruction days he has been nurtured by Southern White taxpayers. Today there are more Negro-owned-and-operated businesses in the South than in all other sections combined. Out of 14 colleges in metropolitan Atlanta, 7 are for Negroes; similar institutions are throughout the South. A Negro was elected to serve on the Atlanta Board of Education; 36 Negroes are on the Atlanta police force. Atlanta leads the nation in low-rent public housing, and is about to launch a

multi-million dollar urban improvement program, building new homes for thousands of Colored families. Recreational facilities, and almost all other tax-supported projects are provided both races. The Negro pays only a minute portion of tax monies spent on him; he could not be educated for years to come nor have any other public services or protections if left to his own tax resources.

Nowhere else in the world at any time in history has a people been so swiftly uplifted as the Negro in America. The South does not mistreat the Negro, but has done more for him than all other sections

50 Groups Plan Capitol Lobby On Filibuster

By WILLIAM ALLAN

DETROIT — Foes here of the U. S. Senate filibuster that has blocked civil rights legislation prepared to go with leaders of 50 national organizations to Washington Jan. 5 to lobby for banning such filibusters. Walter Reuther, UAW president, and William

Reproduced here is the COMMUNIST WORKER'S call for a POLICE STATE

Friends of the Communist's WORKER campaign—50 organizations are descending on Congress to pressure Congressmen:

1.- To end their own right to unlimited debate (filibuster), then quickly:

2.- To enact Part III of the Civil Rights Act, which was deleted when Congress passed the Act, Sept. 7, 1957.

What is behind this? WHY has the Communist WORKER, the voice of Moscow, so rabidly pushed the so-called "Civil Rights Act" ever since Red-loving Cong. Emanuel Celler introduced it? Why is the Communist WORKER now clamoring for its completion—Part III?

Victorious COMMUNISM gives its vassals no "Right" except the "Right" to kneel to the dictator and his policies. The alternative is the firing squad, slave labor, torture, death in that ever-moving stream of countless millions of dupes, who, too late, discover that "Civil Rights" is bait which has now entrapped nearly half the world. The Civil Rights Act has been promoted and so heavily plastered with the "chocolate frosting" of Negro, social and voting rights, that it appears to be merely a "goodie" calculated to draw sympathetic aid, to enact a "bomb" to end civil rights for ALL!

It is true that Soviet citizens all vote. They have to—but for just one party.

Already

The 1957 Act has already set up a special court system and special laws, as demanded by the United Nations, under an appointed "Commissariat" of commissioners and special Attorney General. Already, you may be arrested solely on the charge of the "Commissariat" that you have some "intent" to interfere with civil rights—now largely restricted to voting. The Act provides for secret hearings, from which your witnesses and attorneys may be barred; with imprisonment for anyone who tells anything said or done to you in these "Star Chamber" secret hearings. Without any jury trial you may be fined and, without appeal, imprisoned.

But Nero had it better, inspired by his Pharisae wife, Poppaea.

Part III is needed to extend this power to all social relations.

Part III was deleted only through the heroic efforts of Congressmen whose speeches against the Act, and its death-knell of liberty, rival the top utterances of patriotic American History.

Cong. Dowdy Said Of The Act

"When the Attorney General can haul a citizen into court, enjoin him because of what somebody THINKS he is THINKING, deprive him of his legal rights, convict him without due process, and subject him to criminal punishment for an alleged civil

offense, we will have achieved the height of absurdity, and the height of tragedy." In connection with this Act, he quoted this definition:

"Communism is not an economic system. It is a conspiratorial drive for tightly centralized government in the hands of godless gangsters. Communism must, as a prerequisite for success and its conquest, pull all powers of the government into one place—Washington, D.C." The proposed Federal Bombing Bill (communist backed) is a ruse to remove local police power to Washington. He pointed out the Civil Rights Bill "provisions to bypass State Courts." (Cong. Record, 6/17/57, p. 8405, and 6/14/57, p. 8139).

Under Genocide Law

If you are familiar with official United Nations publications and its Genocide Convention, you will see in the CIVIL RIGHTS ACT fulfillment of its aims. The Genocide Convention never needed U.S. ratification to make it our law, which it became 1/12/51.

The UN has demanded that until local UN Criminal Courts are set up to enforce ALL law, that such UN laws as the Genocide Convention be enforced and individuals punished under "National Law." This the Civil Rights Act is set up to do—only lacking Part III. Reread that. Then check it with such UN publications as Everyman's United Nations" (pp. 222, 316, etc.) and "The Crime of Genocide" (UN pamphlet 1-9, pp. 6, 11-15).

And what is "Genocide"? It ranks causing "Mental Harm" (to our Commissars?) with murder, with punishment accordingly. To quote its text:

"GENOCIDE" means any of the following acts, committed with INTENT to destroy, in whole or in part, a national, ethnic, racial, or religious group as such: (a) KILLING members of the group; (b) Causing... MENTAL HARM to members of the group... The following acts shall be punishable: Genocide... Conspiracy... Public incitement... Complicity... Attempt to commit Genocide.

Enforcement of this law means the end of all American free speech, press, assembly, ALL LIBERTY!

The actual rulers of the UNITED NATIONS, as may be proven are the bloody USSR and the USA ruling clique of conspirators setting up World Government on U.S. MONEY, ARMS & MEN!

Read how zealously the bloody Soviets pushed the Genocide Convention. They fought only for bigger teeth for it (see p. 6 "The Crime of Genocide").

"U.S. Crackdown on Hate Planned" headed the 11/13/58 Drew Pearson Column. Emboldened, perhaps, by the near completion of the Civil Rights Act by Part III, we read that: "Atty. General William

Oliver, director of the UAW's FEPC department, are part of a Leadership Conference on Civil Rights, whose secretary is Roy Wilkins, NAACP leader.

"We will not surrender," said William Oliver, UAW Negro leader and veteran of the battle on Capitol Hill against filibusters. Oliver pointed out that the elections have given the foes of filibusters a majority in the Senate. The fight, he said, will be led by a bi-partisan coalition of Senators Douglas, Humphrey, Case and Javits. The latter two are Republicans.

The motion to change the rules of the Senate, he declared, will be made at the Senate's opening Jan. 7, to provide that a simple majority can break the filibuster and force a vote after extensive debate.

Oliver said further that to stall as Johnson proposes until the federal commission on civil rights, headed by John Hannah, Michigan State University president, makes its first report is not in keeping with the commitments made by candidates to further civil rights.

Civil rights forces are calling for an anti-filibuster rule on the opening day of Congress which will permit the break-up of a filibuster by a simple majority of the entire Senate. Johnson proposes that a two-third vote of all Senators present be required to close debate.

Other civil rights issues shaping up for the 86th Congress are the restoration of section III in the Civil Rights law of 1957; the Keating-Javits anti-bombing bill, and the Douglas Omnibus Civil Rights bill.

In an article "Ending the Filibuster" in the Fall issue of the AFL-CIO Industrial Union Department's "Digest" Sen. Humphrey said:

"We who support the motion to consider the Senate's rules will once again be fighting to curb that undemocratic road block to democratic legislation — the filibuster."

Senators Jacob Javits of N. Y. and Clifford Case of New Jersey declared that the "compromise" proposal being circulated privately by Johnson "would practically speaking, leave the situation unchanged."

Rep. Emanuel Celler, Brooklyn Democrat, in an interview charged that the Civil Rights Commission is ineffective. "I have no faith in that commission whatsoever," he declared. "Little or nothing can be expected from it." Celler noted that the Civil Rights Act of 1957 deals largely with enforcement of voting rights. He said Congress must take up a broad civil rights bill.

—o— (Continued on Page 3) —o—

Rogers is working on a plan to crack down on (so-called) HATE groups...Rogers believes he can bring action against them for sending HATE material through the mails... Rogers may use the CIVIL RIGHTS statutes to prosecute the HATE groups." These people continually use the word "HATE" to smear patriots.

As in the Soviet Union, then, the Bible may be barred, since it is based on the teaching: "Hate the Evil and love its good." (Amos 5:15).

When B'nai B'rith banqueted and awarded the whole Congress (many refused to attend) for passing the Civil Rights Act of 1957, at the Mayflower, Hotel, Washington, D.C., 3/3/58, triumph was mingled with insistence, and assurances from their friends in Congress, that the Act must, and would be, completed with Part III!

Now!

As communists, Zionists and leftist delegations swarm to Congress, PETITION, BEG, CONGRESSMEN NOW! NOT to sell us and themselves out! NOT to put us under Red slavery! NOT to end their own debating or "filibustering" rights! NOT to enact COMMUNIST-backed Part III of the Civil Rights Act! WRITE THEM NOW—or you may hear echoed about your own lost freedom those words of Christ after He had asked His disciples to watch and pray, only to find them for the 3rd time ASLEEP. He said: "Sleep on now, and take your rest; it is enough, the hour is come; behold, the Son of man is betrayed into the hands of sinners" (Mark 14:41).

Have the courage and determination to oppose this Marxist move to enslave our wonderful country, or your children, and your children's children, will never forgive you. These Marxists are destroying our Constitution and want to destroy Freedom of the Press as well.

DEFAMATION

—o— (Continued from Page 1) —o—

organizations fighting bigotry and intolerance and strengthening intergroup relations. (Which, being interpreted, means fighting for the destruction of the White Christian race through integration and race-mixing!) JDA is currently seeking \$5,600,000 nationally to meet the minimal budgetary requirements of AJC and ADL..

ADL is the Jewish Anti-Defamation League (secret police) that maintains Soviet-like dossiers on all name-called "anti-Semites" and practices bigotry, persecution and defamation against them, while it spouts 'brotherhood' in order to keep itself off the hot griddle. This same issue of Heritage has an editorial titled, "Depraved Nightmare-Disjointed Soul," which ridicules and defames White Christian patriots in the accepted Jewish manner.

Think what indigent little Christian American patriots could do with these millions of dollars handed to them by the public, on a golden platter, such as the Jews regularly collect! And the above is only one of the many such continuous national drives for funds. This effectively explodes the lies first above quoted, and puts the shoe on the other foot—where it belongs. Their own literature amply proves this contention. These huge funds are used for their own selfish racial, religious and national (Israeli) purposes. My mail, these days, consists largely of appeals from indignant, indigent Christians, of which I am one. Who has all the money and why?

This same Javits is sponsoring a bill in Congress, together with his cohort, Emanuel Celler, also of N.Y., chairman of the House Judiciary Committee, to deprive Christian Constitutional patriots (called 'hatemongers' by the Jewish press) of their pre-eminent Constitutional right to use the mails, to present their side of matters vitally affecting our country. But of course there is not intended to be any investigation or hamstringing of the virulent anti-Christian Jewish publications! ---

In defiance of all established law, justice, and court rulings on the subject, organized Jewry's very voluminous, lush, uninhibited press, which blankets this once-Christian land as a plague of locusts, smears and vilifies and name-calls and destroys the reputations (and jobs) of up-standing Christian Constitutional Americans with impunity, just as does this same issue of Heritage. They work arduously to establish it as a crime here (as in USSR and other Iron Curtain countries) to justifiably criticize the activities of organized Jewry, especially the ADL. Judge Peter M. Horn of N.Y., once ruled as against using the smear-word 'anti-Semitic' to destroy innocent Americans, as follows:

"It is a principle essential to the very existence of a government of laws and of civil liberty, that no man can be punished except by the cooperation of law and after a trial according to the forms of law, with such aids and shields as the rules of law afford him: that individuals cannot take the execution of the laws into their own hands as to these Jewish editors, the ADL et al... I believe it most dangerous for our society to think that any group of men might set themselves up as a super-tribunal... then pronounce him by terms of a label which, as in this case, is admitted by the defendant (Birkhead) was circulated throughout the country to 10,000 people. I think that is a dangerous practice."

If Jewish and other communists are privileged (and protected) by the Fifth Amendment not to testify against themselves because it would tend to incriminate them, then what about this unconstitutional and unlawful incrimination and defamation of innocent citizens, when nothing unlawful has been proven against them? Aren't their rights as good as those of communist traitors to America?

Jewry's great wealth enables their numerous lush publications to reach millions, especially since, for some years past, they admittedly have been writing much literature (propaganda) now used by both Protestant and Catholic churches, who are thereby being skillfully inoculated with Judaism rather than Christianity. These activities are documented in the American Jewish Committee budgets for 1953 and 1954. Their Interreligious Activities Div. "seeks to encourage and assist Protestant and Catholic churches and church groups to develop education and social action programs that will create favorable attitudes towards Jews and Judaism." (from p. 55, 1954 Budget). "We plan to continue our close contacts with both the Protestant and Catholic press, not only to provide factual information in areas of mutual concern..." (p. 56). And from their 1953 Budget: "...our Christian educators have come to regard our agency as having special competence in intergroup education and have no hesitation in calling upon us for counsel." (page 96). These so-called 'Christian' churches and ministers must be totally bereft of brains, dedication, and inspiration from their true leader, the Christian Christ! These proselyters, as well as their victims, should well remember St. Matthew 18:6 as well as Matthew 23:15.

Yet despite this propagandizing of their victims in an effort to make the Christian love the Jew, Zionist Jewry's organizations and publications (as well as their cats paws such as Drew Pearson) play continually upon the word "HATE" and "hatemongering" which they apply indiscriminately to anyone and everyone who does truly attempt to follow in the footsteps of the Christ, and who dares to expose or criticize THEM in any way, no matter how truthfully. They use these words "hate" and "anti-Semitic" in an effort to defame their victims and make them persona non grata with the public, all of which is, or should be, lawfully libelous. They give us no benefit of the doubt as to our high motives and principles in trying to "preserve, protect and defend" our country, our race, our Christian religion, just as they labor militantly to do the same for theirs. According to them, we have no Constitutional right to do this in and for

our OWN country, while they work arduously and collect huge funds for Talmudic Judaism (which is anti-Christian) and for their foreign State of Israel.

In short, organized Zionist Jewry, as the ruling, reigning, organized clique in America, sets itself up as a "super-tribunal" which is above everyone else (as a 'hidden power' even above our Constitution, as Sen. Jenner has intimated): in fact so high above that nobody may dare to mention it openly in any but the most favorable terms, nor even to quote from its incriminating literature. And our press has been so cowed and intimidated that it never dares to come out boldly and truthfully for strictly Christian Constitutional American objectives and principles "for fear of the Jews" and their recriminations and reprisals. Yet we must be happy to tamely swallow all this prejudice and discrimination against us? This is precisely the same situation as obtains in Iron Curtain oppressed countries, for which we profess to feel so sorry: when we are in exactly the same situation. Coming from a long line of native-born Americans of 1776 vintage, this writer does not recognize the right of any alien racial or religious cult to push me around in my own country, or to deprive me of my God-given Constitutional rights and freedom.

But, according to THEM, you are either FOR this alien cult and clique and their anti-Christian-American activities, or else! Some of us take our stand with the Christian Christ, and choose the 'or else,' preferring any odds rather than enslavement of the body, mind and soul. We stand for the freedom, truth, and the peace in our hearts that HE came to bring us, and for which HE gave His life. "Fear not them, which kill the body, but are not able to kill the soul; but rather fear Him which is able to destroy both soul and body in Hell." "Why are ye fearful, O ye of little faith?" As Christ said of a certain betrayer, "It were better for him that he had never been born." Such are the "traitors, heady, high-minded, lovers of pleasures more than lovers of God," spoken of in II Timothy 3:4. Christ foresaw these very days when He said, "And ye shall be hated of all men for my Name's sake: but he that endureth to the end shall be saved." It is now going to cost something to proudly carry that Name above ALL Names: one cannot be a do-less 'Christian:' especially since He said, "Think not that I am come to send peace on earth: I came not to send peace, but a sword." Better buckle on your sword, brother, and put on the whole armor of Christ, else you shall not be able to stand in the soon-coming days. "And he that taketh not his cross and followeth (not) after me, is not worthy of me."

If you do not stand and fight with and for Him, you certainly will not reign with Him, nor will you enter into His Kingdom. No longer may you straddle the fence. HE made the supreme sacrifice, and so shall you have to sacrifice to regain and save your freedom. Freedom is only for those who dare. This is a spiritual battle, not a political one, that is looming over the earth, in which the forces of darkness must, and shall be, defeated. This time Christ and His Hosts are coming in Power and Glory to fight for His people. There will be no other help except His. When the people call upon Him, He will respond.

combined.

Many Negroes have advanced far since their arrival in America; others still live in undesirable circumstances and compose about 90% of the South's jail, welfare, and public health cases. No one could want any more than the **Southerner himself** to eradicate these conditions which are due **not to "oppression,"** but to their having had far to go. The Negro cannot be swept to success on a legal escalator—he can be elevated only through growth. Both heredity and environment determine one's personality. Millions of Negroes have had first-hand experience in the environment of the "other half" by having worked in Southern homes and businesses for generations. Yet the living conditions and habits of some are akin to those of the "country out of which the man was taken."

Colored teachers are employed in the South in proportion to their population; integration would cause thousands to lose jobs. The South is making honest effort toward equal opportunities for all; some of the section's most modern schools are for Negroes.

The Pledge of Allegiance says "justice for all." To the Southerner this means justice for **White and Colored!** Segregation meets Negroes on their own ground, lifts them within homogeneous groups according to their particular needs. Segregation is based upon sound educational principles serving the interests of **both** races. Mass integration would seek a level—it would **lower** one group while elevating the other, and would **not** be "justice for all." With the exception of a few extremists, most Southerners are **NOT "haters,"** but want to help the Negro insofar as possible while serving the good of the whole.

The Bible teaches "Thou art thy brother's keeper." The South has been its "brother's keeper" in the most literal sense. The Golden Rule means "Do unto **ALL** others (White as well as Black) as you would have them do unto you." **NOWHERE DOES THE BIBLE SAY THAT RACES SHOULD MIX.** The Bible does say in Acts 17:24-26 "God...hath made of one blood all nations of men...and hath determined...the bounds of their habitations." God created different races and placed the White man in Europe, Yellow in Asia, Red in America, and Black in Africa—God separated the races; man mixed them!

Southerners are as law-abiding as any other citizens. Anti-integration measures have been taken **not to defy the federal government,** but to prevent disastrous consequences to **both** races of unmet measures. The 14th (equal protection) Amendment was "ratified" by Southern States at bayonet point. The Congress which proposed it set up separate schools in Washington, as did States which "ratified" it. At least 35 times the Supreme Court has ruled that the law permits "separate but equal" facilities. The Supreme Court decision of May 17, 1954, is a decree handed down by 9 appointed men. No de-segregation law has been passed by Congress, the **only** body empowered by the Constitution to make laws. The only Civil Rights law passed gives the federal government the right to intervene in voting cases **only.**

The race problem has been found to be definitely and unquestionably linked with **un-American activities.** The operation of the communists is very subversive—they work through "fronts," organizations and individuals without membership cards who perpetrate their ideas, some knowingly, some completely unsuspecting of the relationship. Communists express as their intentions the violent overthrowing of the government and Constitution, and mongrelization of races. History shows that all nations which have had an amalgamation of races have declined as world powers.

The Georgia Commission on Education has revealed that leaders of all racial uprisings in the South since the Supreme Court handed down its decision met at a communist training school in Monteagle,

Tennessee, over the 1957 Labor Day weekend. All had been cited for un-American activities. "Frontists" have infiltrated the press to such an extent that the public is not permitted to know the truths about the South's position. Instead, subversives endeavor to break down nature's law of preference of species by indoctrinating the public with false "evils" of the South's separation of races.

Investigations have found "frontists" in pulpits and publishing houses of many leading churches. Their efforts are aimed at implanting in children and young people the philosophy of race mixing. Subversives have utilized college campuses, youth groups, charitable institutions and labor unions to further their doctrine of "racial nationalism." Subversive-dominated pressure groups work through government sources, utilizing the compelling force of political expediency to force an end to racial barriers in the South. The tactics employed has resulted in a virtual overthrowing of Constitutional government.

School integration is part of the mongrelization scheme. The throwing together of small children of the two races in large proportions with no social barriers would ultimately result in inter-marriage.

Every true-blooded American, regardless of views on segregation, should become aware of what is happening and alert others. Anyone who knows this information and does nothing is in effect helping communism.

Plain Talk

Our friends over the country realize almost unbelievable results have been accomplished by **COMMON SENSE.** Thousands have been awakened to the real cause of the crisis we face.

We have for 12 years been badly handicapped for finance and a number of us who have a background of years of business experience have made extreme sacrifices.

This patriotic paper, easily read, packed with facts, is the practical, hard-hitting weapon which has enraged the Marxist forces to attack us from all sides attempting to smear and misrepresent this paper which they cannot answer. Our subscription list is growing fast—the paper has proven itself.

Now is the time for patriots to make special efforts to double our readers and help strengthen us financially so we can equip ourselves and publish weekly.

Twice a month does not permit us to expose the many phases of subversion and brainwashing which many people are anxious to know about.

Our greatest weakness is not asking for money. We do not send you a begging letter each week saying we are going to close down unless you help us but that does not mean we don't need your financial assistance.

Important projects are continually waiting here in our headquarters for funds to carry them out. We have quit our occupations where we could make money; this work depends on you patriots to back us up according to your ability.

Please help us turn the trend.

KEEP CHRIST IN CHRISTMAS

Pharisaic Quotes

Twin goals of \$100 million for the regular and \$100 million for the special United Jewish Appeal funds were set for 1958. (National Jewish Post and Opinion, Dec. 20, 1957, p. 1).

American Judaism is today a religion of the wealthy. We'd like to see the average income of the congregation board member, or for that matter, of the board member of our federations and welfare funds. It certainly could be more than \$25,000 and probably much more. (Editor Gabriel Cohen, in NJPO, Feb. 14, 1958, p. 14).

The ruling clique in American Judaism, as in the American Jewish community, are chosen not because of their scholarship, not because of their piety, but almost solely because of their ability to amass wealth. (Editor Cohen, in NJPO, 3/14/58, p. 14).

Pastor Reinhold Niebuhr believes the ethic of Judaism to be superior as an aid to the development of the social conscience. You definitely get the feeling that Niebuhr could wish that it (the Christian ethic) were a bit more effectively socially conditioned. He asks his Christian colleagues not to waste their efforts in converting Jews. The world needs the humanistic social power of the Jewish way of life. (Rabbi Jacob J. Weinstein in NJPO, 6/13/58, page 14).

No people on earth except the Jews have made of **humanism** a religion. This is the meaning of Passover (celebrating the slaughter of the Egyptian first-born). This is one of the reasons why through the ages barbarism, in old or modern garb, has seen fit to try to extinguish the Jewish flame. (Samuel B. Gach, Editor, California Jewish Voice, April 4, 1958, p. 1). This quote, in their own words, is an excellent example of Pharisaic double-talk. **Humanism** means **human nature**—definition, Webster's Collegiate Dictionary. The basic meaning of **barbarism** is foreignism. The basic meaning of **goyim** is foreigners. Secretly this seemingly sanctimonious talk means: "The Gentiles" (**goyim**) have always sought to exterminate the Jews because they have been **herdsmen of human cattle** (**goy cattle!**), who have made a religion of psychology (the study of **human nature**). One must actually use the figurative meanings of these key words in order to draw the ostensible inference of this statement. The first definition of **humanitarianism** given in the Merriam Webster's is: "The tenet denying the divinity of Christ!" Can you see now why the Pharisees are such "great humanitarians?" In case the innocent believe the real interpretation of editor Gach's words are far-fetched, he continues, dropping somewhat his veil of hypocrisy. It is not surprising that this old hatred of our **humanism** is as prevalent today as it has been since Pharaoh. It is understandable that the feudal Arab King of Saudi Arabia hates the sight of a Jew. They remind him too vividly of what happened to Pharaoh. (And of the Jewess who poisoned Mohammed?)

In many schools in Germany "The Diary of Anne Frank" is required reading. (NJPO Feb. 14, 1958, p. 11).

"If we write only about Jewish citizens who are perfect, the average reader will lose faith and won't be willing to believe or accept the story. That will do us no good whatsoever," said Myron S. Kaufmann. (NJPO, Jan. 24, 1958, p. 8).

"I disagree with what you say, but I will defend to the death your right to say it."

Close Ties Exist Between Communism And Judaism!

THE LATE RABBI STEPHEN WISE ONCE SAID "SOME CALL IT COMMUNISM, I CALL IT JUDAISM"—IN THIS ISSUE WE ARE UNABLE TO PRESENT MORE THAN A FRACTION OF THE EVIDENCE THAT COMMUNISM WAS SET UP AND DIRECTED BY SELF-STYLED JEWS

By Our Asian Correspondent

Since the total collapse of the so-called "Cosmopolitan-Jewish," (TIME'S expression, not ours) brand of communism in the Soviet Union, International Jewry strives to prove by all possible means that only a few "black sheep" of their flock were associated with communism. We are now positively assured, that the Jewish masses, and their elite especially—are not only innocent of this crime but were always in opposition to communism.

Unfortunately enough even men of such caliber as Mr. J. Edgar Hoover are caught by the fast-rotating wheels of the Jewish propaganda machine—now rotating in reverse, so-to-speak, and are ready to support this blatant lie.

Hundreds and hundreds of pages could be filled with documents and testimonies which would prove the closest, most intimate ties which existed formerly between International Jewry and Soviet communism. In fact, it is absolutely certain that communism itself would have perished a long time ago if it would not have had the most powerful support of Jews all over the world. In this article we can mention only a few fundamental facts, but, as we believe, they will provide more than sufficient evidence of the Jewish guilt.

To begin with let us establish first WHEN and WHY the Cosmopolitan-Jewish clique which ruled over the Soviet Union through the MVD (CHEKA) forces came to its end. The last victorious war gave a tremendous impulse to the resurrection of what Mr. Deutcher calls "The Great Russian Chauvinism," or, in plain language, of Russian nationalism. In 1948-49, the "Cosmopolitans" managed to suppress in part this dangerous movement, and during the famous "Leningrad Trials" liquidated many a "Chauvinist." Mr. Khokhlov in his interview with U.S. News & World Report, and published by that magazine on Jan. 21, 1955, p. 46 and 47, gives the full details of that story. In July of 1953 the traditionally-nationalistic Army destroyed the citadel of the "Cosmopolitans," the top echelon of the MVD apparatus, and killed its leader Beria, a Georgian half-Jew, cousin of Lazar Kaganovich and his sister Rosa, the last Stalin mistress. In the summer of 1957, the "Cosmopolitans" made an attempt to restore their position

but failed, and were banished to remote places of the Soviet Union. With their eclipse, apparently, disappeared the last hope of International Jewry to control the affairs of the USSR and to have its support for ISRAEL. Ben Gurion expressed succinctly this terrible disappointment when speaking before the Zionist General Council; he said and we quote: "While in the early stages of statehood, Israel enjoyed the moral support of Russia and the material help of Czechoslovakia, to our GREAT SHOCK AND REGRET both countries have without justification turned into Israel's BIGGEST ENEMIES." (UP, 7/18/57). It must be especially noted that the support of Israel by the Soviet Union coincides with the victory of the "Cosmopolitans" over the "Chauvinists" which happened in 1948-49—a most irrefutable proof of the connections which then existed between the Soviet leaders and International Judaism!

We believe Mr. Hoover would not be so easily duped by American Jewry if he would have a chance to read the book "The Last Days of the Romanovs" written not by a Russian "Blackguardist" but by a Briton, Robert Wilton, correspondent of THE TIMES. Mr. Hoover would then understand better the source and origin of the Russian "October Revolution." But the Jews took good care to destroy most of the copies of this remarkable book, and it is doubtful that even Mr. J. Edgar Hoover knows about its existence.

But anybody in the U.S. can get the book of Mr. E. Stevens, "This Is Russia" which received the Pulitzer Prize, and, ipso facto, is absolved from any Anti-Semitic tint. On page 172 of this book, (Eton's edition) it is stated, and we quote: "Before the war there was little or no 'Jewish Problem' in the Soviet Union. The Communist Party actively combated anti-Semitism and admitted Jews to positions of TRUST and AUTHORITY." And, "The Jews as a GROUP were grateful for the equality accorded them, and were among

Ben Gurion

the STAUCHEST SUPPORTERS OF THE SOVIET REGIME."

Mr. Stevens lived in the Soviet Union long enough. He knows quite well. He is not an "anti-Semite." But he openly declares that not only a few individuals of Jewish origin supported the Soviet Regime, but THE WHOLE JEWISH GROUP! Mr. Stevens, for obvious reasons omitted telling his readers that punishment meted on those who dared to show the slightest disrespect toward the Jewish Masters was 5 years of forced labor in concentration camps, and the "positions of trust and authority," mentioned by Mr. Stevens, were mostly in the MVD (CHEKA) ranks, see the same Khokhlov interview where he said, and we quote: "So, by chance (!), came together there (in the Security Forces) many Jews." (p. 46). In chapter XX of his book Mr. Stevens explains how the Jews lost ground in the Soviet Union during and after the second World War.

How the Jews behaved themselves in the Satellites and their relations there to communism can be found in the article of Claire Sterling, "Anti-Semitism in the Satellites" published by THE REPORTER on April 14, 1953. We strongly recommend

reading this article to those who until now do not grasp fully the real meaning of the anti-communist uprising in Hungary in October-November of 1956. THE REPORTER is edited by a Jew of Italian origin, Max Ascoli; his wife Marion, (Rosenwald) who, allegedly, supports this magazine financially, was formerly Mrs. Stern; Stern himself, a rich Jewish banker, was a member of the communist spy ring which had many other Jewish members such as: Able, Alam, Soble, etc.

To say that this magazine is "anti-Semitic" would be somewhat difficult, indeed. Consequently the TRUTH of Miss Sterling's declarations cannot be doubted. And she said that: "Jews filled the regime's most exposed positions in the Bezpieka, or SECRET POLICE—a factor that helped to revive the classic Polish anti-Semitism;" "Three Jews still, (in 1953) DOMINATE the Polish communist apparatus—Jacob Berman... Hilary Mine... and Roman Zambrowsky." She says that 8 of 11 Czech communist leaders hanged together with Slansky were Jewish. It is especially remarkable what Miss Sterling wrote about Hungary: "The Hungarian Government IS ENTIRELY RUN BY MEN OF JEWISH DESCENT, Gabor Peters, (a Jew) heads AVH or secret police. SEVENTY PER CENT of Peters' staff is-or was-JEWISH." Miss Sterling explains how this most conspicuous role played by Jews in the Satellite communistic regimes helped to revive the most violent anti-Jewish sentiments in the masses—the same, by the way, happened also in the Soviet Union, as can be seen from the book of Mr. Margolin, a Jew himself, "Voyage to Ze-Ka Land." The activities of the famous Ana Pauker, a Jewess, and her Jewish cohorts in Romania are known to everyone and we shall not mention them here.

The question arises: are the Jews so much hated in the communist-dominated countries only because "a few" of them got somehow mixed up with the communist regimes? Most certainly NOT! They are hated because, as Mr. Stevens said, they supported communism AS A GROUP, and this group produced the MOST ACTIVE, RUTHLESS, BLOODTHIRSTY members of the Communist Party, known and hated by everybody, including many non-Jewish communists themselves, who finally, after a long and bloody strife, destroyed their Jewish colleagues.

Let us assume, that Mr. Hoover, while busily fighting American subversive elements, overlooked entirely WHO formed the backbone of the foreign Communist Parties. But, most assuredly, he could not miss the activities of the Fur & Leather Workers' International of N.Y.—this most violently communistic Labor Union of the United States by a strange coincidence, is about 100% Jewish! Its former leaders, Gold and Potash, were the founding members of the American Communist Party. This Union contributed to the Party coffers about \$17,000 every week in Party dues alone, a tidy sum most certainly!

Mr. Hoover, no doubt, still remembers the terrific reaction of World Jewry to the Rosenberg case, and knows the fact, that this Jewish couple adhered to the religion of Judaism to the very last breath and were buried with full Jewish rites. Quite a few Rabbis, such as Cohn, Kozlov, Cronbach, who officiated at the funeral rites—

THE TESTIMONY OF THE BRITISH GOVERNMENT

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that, if an end is not put to Bolshevism at once, the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact... I consider that the immediate suppression of Bolshevism is the greatest issue now before the world... and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things."

— Confidential report of Britain's representative in Russia quoted in the White Paper entitled Russia No. 1 (1919). A Collection of Reports on Bolshevism in Russia issued by the British War Cabinet in January 1919.

THE TESTIMONY OF THE AMERICAN GOVERNMENT

"In February, 1916, it was first discovered that a revolution was being fomented in Russia. It was found out that the following persons as well as the banking-house mentioned were engaged in this work of destruction: Jacob Schiff (Jew); Guggenheim (Jew); Max Breitung (Jew); Kuhn, Loeb & Co. (Jewish Banking-house), of which the following are the directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, S. H. Hanauer (all Jews). There can be no doubt that the Russian revolution, which broke out a year after the information given above had been received, was launched and fomented by distinctively Jewish influences. As a matter of fact, in April, 1917, Jacob Schiff made a public declaration that it was thanks to his financial help that the Russian revolution had succeeded. In the spring of 1917, Jacob Schiff began to supply funds to Trotsky (Jew) to bring about the social revolution in Russia... Through Stockholm, the Jew, Max Warburg, was likewise furnishing funds to Trotsky and Co... Thus the communications were set up between the Jewish multi-millionaires and the Jewish proletarians... It will be manifest that the Bolshevik movement is in a certain measure the expression of a general Jewish movement and that certain Jewish banking-houses are interested in the organization of this movement."

— Report of the United States Secret Service on the financing of the Russian Revolution sent by the U.S. Government to all the Allied Governments of World War I.

and many others were on the side of those communist agents and gave them their moral support. The Rosenbergs' trial was an obvious demonstration of world-wide Jewish solidarity in supporting a communist cause. The number of the "white sheep" who were in opposition to the general trend of the Jewish mass was so small, that it helped only to underscore the true relation which then existed between Communism and Judaism.

Only recently TIME (6/30/58) stated, that the House Un-American Activities Committee "flushed a covey of birds"—all of the same Jewish feather,—Messrs. Dubin, Papp, Proctor and Lazar, who were engaged in communist activities among American intellectuals. On March 30, 1957 the Senate Security Subcommittee reported that Harry Dexter White and his Jewish "lieutenants" Coe, Adler, and Friedman "brought the economic destruction of China by holding back gold shipments and THUS PAVED THE WAY TO COMMUNIST INVASION." This case of a group of Jews in the employ of the U.S. Government Mr. Hoover, most certainly, could not forget. He himself took an active part in revealing the sinister machinations of Morgenthau's protege White, alias Weiss, a Jew of Russian origin, who died somewhat mysteriously.

Not without interest—and should be remembered here—is the candid declaration of Bernard Baruch that ALL Soviet Governments since the days of Lenin looked for his advice, which clearly shows that Mr. Baruch, this permanent adviser to American Presidents, was far from being unfriendly with the Soviet communists, because it is self-evident NOBODY would ask an enemy for advice. It seems the last of the Soviet leaders who looked for Mr. Baruch's advice was Molotov, when he paid his last visit to America. It is of interest to note, that Mrs. Molotov, a Jewess, was put in jail in the Soviet Union specifically for being a kind of "liaison officer" between the "Cosmopolitans" and International Jewry.

Ben Gurion himself, this embodiment of Jewish virtues and a living symbol of Judaism was, shall we say, very friendly with Stalin, and on occasion of Stalin's 70th birthday sent him such a foul smelling cable of congratulation, that even the pro-Jewish magazine TIME, (Sept. 30, 1957) said that this cable "remains one of the least attractive pages in Israel's diplomacy." We may add, in parenthesis, that this diplomacy, in general, has very few pages which could be called "attractive." It is worth noting, that the Israeli farm system, the "kibbutz," of which Ben Gurion is so proud, is entirely "COMMUNISTIC" and modeled after the Soviet "kolkhoz."

Who would dare, however, to call Messrs. Baruch and Ben Gurion the "black sheep" of the Jewish people?

The present attitude of many Jewish political writers to Red China is also quite significant: they do not advocate a fight with Chinese communism, far from it; they insist that Red China shall be recognized by the U.S. and admitted to the UN with a hope that, eventually, she may be turned

away from the Soviet Union and may join the "Cosmopolitan" (Jewish) brand of communism, the seeds of which were planted in China years ago by a Jew, M. Borodin (Moses Gruzenberg). To name only a few of those Jews who advocate this idea: Seligman, Gruson, Pfeffer, Dallin, Levitas, Warburg, Kestenbaum, Stein, Sulzberger, White, etc.

But can, honestly speaking, those "sheep" be called "white?" Are they not rather of a deep pink shade?

Theodore Streibert left no room for any doubt about the Jewish attitude toward communism when, being at that time the director of VOA, he said openly his "credo" is that: "America is NOT fighting INTERNATIONAL (Cosmopolitan) communism; WE (who?) are fighting RUSSIAN Imperialism." Compare this most revealing declaration of a man who, allegedly, spoke on behalf of AMERICA with that of Ben Gurion, the speaker for ISRAEL: BOTH do not say that they fight communism as such; but both name RUSSIA as the true enemy!

We have seen the unbiased testimony of Mr. Stevens who tells that the Soviet Jews as a GROUP were the STAUNCH SUPPORTERS of communism in the USSR—and this group had before the 2nd WW at least 4 million members, or about 25% of the world Jewish population; Miss Sterling, writing in a Jewish-edited magazine, THE REPORTER, tells us that approximately the same thing happened and in the Satellites too, the Hungarian case being the most typical of all: the communist Government there was ENTIRELY in Jewish hands: we took a cross-section of the American Jewish community: workingmen, government employees, intellectuals, religious leaders, bankers, members of the "ELITE"—and found all of them full with "red" and "pink" sheep. The predominance of the Jewish element in the ranks of the secret police forces in the communist dominated countries and in different spy-rings outside of them shall be particularly noted.

The question finally arises: could it not happen that the whole "FLOCK" was formerly of a "PINKISH-RED" hue with a few "WHITE" sheep imbedded here and there?

Now, when the "Cosmopolitans" have lost their ground in the Soviet Union, those scarce "white" sheep are skilfully used as a proof that the whole flock was always "white,"—only a very naive person can be caught by such a primitive ruse.

The fact remains that JUDAISM and COMMUNISM were closely connected before and during WW II, and those ties were NOT cut by the Jews themselves—see Ben Gurion's authoritative testimony—but by the "GREAT RUSSIAN CHAUVENISTS" who during the post-war period began pushing the Jews OUT OF CONTROLLING POSITIONS!

This simple TRUTH shall be understood and remembered by EVERYBODY, because it is the KEY to most political problems of our turbulent times.

THE TESTIMONY OF THE RUSSIAN GOVERNMENT

"The events which took place in Russia during 1905, and which assumed especially acute forms at the beginning of October last, when, after a series of strikes, they brought about an armed revolt in Moscow, and many other towns and localities of the Empire, plainly indicate that the Russian revolutionary movement... has also a quite definite international character... One is bound to the conclusion that there are foreign capitalists' organizations which are interested in supporting our revolutionary movement... If we add to the above that, as has been proved beyond any doubt, a very considerable part among these heterogeneous nationalities is played by Jews, who, as ringleaders in other organizations, as well as through their own, have always come forward as the most bellicose element of the revolution, we may feel entitled to assume that the above-mentioned foreign support of the Russian revolutionary movement comes from Jewish capitalist circles... Moreover, certain very significant facts... quite confirm the obvious connection of the Russian revolutionary movement with foreign Jewish organizations."

— Confidential report of Count Lamsdorf, Russian Foreign Minister, to the Czar Nicholas II, quoted in full in the American Hebrew and Jewish Messenger of July 13, 1918.

Here Is Documentary Evidence As To The Origin Of Atheistic Communism

The following quotation is from an article in Century Magazine, of Jan. 1928, by Rabbi Marcus Eli Ravage:

"We have been at the bottom not merely of the latest war but of nearly all your wars, not only the Russian but of every other major revolution in your history. We have brought discord and confusion and frustration into your personal and public life. No one can tell how long we shall go on doing it...We still dominate you. At this moment your churches are torn asunder by civil war between Fundamentalists and Modernists."

The "Jewish World" of London issued this statement on Jan. 10, 1929:

"The fact of Bolshevism itself, the fact that so many Jews are Bolsheviks, the fact that the ideal of Bolshevism so nearly resembles the cherished ideals of Judaism, should make the serious Jew reflect with care."

In "Jewish Life" of N.Y., issue of May, 1938, under the title "Anti-Semitism Must Be Defeated" declared:

"Every Jew who is sincerely interested in the plight of the Jews...should realize that the best sons of the Jewish people are the Jewish Communists, and that the most faithful ally of the Jews...is the Communist Party."

The late Rabbi Judah L. Magnes was even more explicit when he told a N.Y. audience in 1919:

"Revolutionaries, socialists, bolsheviks, majority or minority socialists, under whatever name we may call them, are Jews, and they are to be found in every revolutionary movement as leaders or propagandists."

The "Jewish Communal Register" of 1917-1918, published by "Kehillah (Jewish Community) of N.Y.," 356 2nd Ave., N.Y. (p.1019) praises Jacob Schiff, head of Kuhn Loeb & Co. for financing the Russian Red Revolution.

"Without exaggeration it may be said that the great Russian Revolution was indeed accomplished by the hands of the Jews." Statement of the Jew M. Cohen in "The Communist Charkov," April 12, 1919.

"The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people." Paris Jewish magazine, "Peuple Juif," Feb. 8, 1919.

"War to the hilt between Communism and Capitalism is inevitable. Today, of course, we are not strong enough to attack. Our time will come in 20 or 30 years. To win we shall need the element of surprise. The bourgeoisie will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard of concessions. The capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be friends. As soon as their guard is down, we shall smash them with our clenched fist."

Dimitry Z. Manuisky (Jew)
Presiding Officer UN Security Council, 1949
From a speech before the Lenin School of Political Warfare, 1931

The following are from the "Protocols" which the Jews claim are forgeries:

"...Far back in ancient times we were the first to cry among the masses of the people the words 'Liberty, Equality, Fraternity'...and with them carried away the well-being of the world..." (Protocol 1)

"...Remember the French Revolution to which it was we who gave the name of 'Great'; the secrets of its preparations are well known to us for it was WHOLLY THE WORK OF OUR HANDS." (Protocol 3)

Communists in the 1917 Revolution, financed by Jacob Schiff of N.Y., firing on the people in the streets of St. Petersburg

"...The intensification of armaments, the increase of police forces, are all essential for the completion of the aforementioned plans. What we have to get at is that there should be in all the States of the world, besides ourselves, only the masses of the proletariat, a few millionaires devoted to our interests, police and soldiers." (Protocol 7)

"...We must be in a position to respond to EVERY ACT OF OPPOSITION BY WAR with the neighbors of that country which dares to oppose us; but if those neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war." (Protocol 7)

The following is from the booklet "Jewish Anti-Communism."—(Price 50¢)

From the very beginning of the modern communist movement, its principal philosophical and practical motivation has been provided by the International Jew. Communism in the Slavic states such as Russia, Hungary and Poland, was and is a predominantly Jewish movement; in the early days of the Russian Revolution, the reins of the Soviet government were almost entirely in the hands of Bolshevik Jews such as Trotsky, Zinovieff, Kamenev, Radek, Sverdlov, and Litvinov. Lenin, who was married to a Jewess, N. Kroupskaia, and contemporary anti-Communist historians recorded that the couple spoke only Yiddish in their home. The strongly Jewish flavor of the Bolshevik government was not confined to the higher echelons of officialdom; in the Politburo, the strongest governmental department, Jews numbered more than 8 times the strength in proportion to their membership in the Communist Party, which was itself not inconsiderable. The Politburo remained almost exclusively Jewish throughout the early days of the regime, their number increasing from 40% in 1919, to 42.9% in 1922. The Press Bureau, which was in charge of the conditioning of the Russian people through the propaganda media of the public press, was almost completely Jewish in complexion; the Jew Radolsky was appointed official censor of ALL Soviet journalistic activities in one of Lenin's first governmental appointments. Jewish influence was especially powerful in the Central Council of Commissaries. In 1920, the Central Council consisted of 20 members, of which 17 were Jews, and 3 gentiles. The Commissariat of War at the same time consisted of 43 members, of which no less than 34 were Jews. In the Commissariat of the Provinces, 21 out of 23 belonged to the same race, as did 45 out of the 55 members of the Commissariat of the Interior. The Commissariat for Foreign Affairs was comprised of 17 mem-

bers; out of this number, 14 were Jews. Taken as a whole, the percentage of Jews in the Commissariats, the highest offices of Revolutionary Russia, was during the Lenin regime as follows:

In 1917-18, out of 316 Commissars, 300 were Jews.

In 1920, out of 457 Commissars, 322 were Jews.

In 1921, out of 550 Commissars, 447 were Jews.

In 1922, out of 525 Commissars, 445 were Jews.

The U.S. Secret Service (a forerunner of the present Central Intelligence Agency) was aware of this Jewish influence in the Soviet government, and circulated to allied governments a confidential report on the matter, from which we quote below:

Section III- In Oct. 1917, the social revolution took place in Russia, thanks to which certain Soviet institutions took over the direction of the Russian people. In these Soviets the following people (all Jewish) made themselves remarkable: Lenin (real name Unianoff); Trotsky (Bronstein); Sterkloff (Nakames); Martoff (Zederbaum); Zinovieff (Apfelbaum); Parvus (Helphand); Uritsky (Padomilsky); Larin (Largo); Bohrin (Nathansohn); Martinoff (Zibar); Bogdanoff (Zilberstein); Dan (Gourevitch); Genetsky (Furstenburg); Garin (Garfield); Suchanoff (Zilberstein); Sanchanoff (Gimel); Kammelf (Goldman); Segersky (Krochman); Eisanoff (Bleichmann); Pistnitsky (Ziwin); Axelrod (Orthodox); Glasunoff (Schultze); Zuriesian (Weinstein); Lapinsky (Lowensohn).

Section IV- At the same time the Jew Paul Warburg was remarked to be in active contact with certain Bolshevik notables in the USA. This circumstance, together with other points about which information has been obtained, was the cause of his not being elected again to the Federal Reserve.

Section V- On the other hand, Judas Magnes, subsidized by Jacob Schiff, is in close touch with the world wide Zionist organization (Paole Zion) of which in fact he is director. The final end of this organization is to establish the international supremacy of the Jewish Labor movement.

Section VII- Scarcely had the social revolution broken out in Germany when the Jewess Rosa Luxemburg automatically assumed the political direction of it. One of the chief leaders of the international Bolshevik movement was the Jew, Haas. At the same time the social revolution developed along the same lines as the social revolution in Russia.

Section VIII- If we bear in mind the Jewish banking house of Kuhn, Loeb & Co.

Communism

is in touch with the Westphalian Rhineland Syndicate, German Jewish House; and with the 2 brothers Lazare (Jewish House in Paris); and if in addition we remark that all the above mentioned Jewish Houses are in close touch with the Jewish Houses of Jacob Speyer of London, New York, and Frankfurt-on-Main, as well as with Nyan Banken, Judeo-Bolshevist House at Stockholm; it will be manifest that the Bolshevik movement is in a general measure the expression of a general Jewish movement, and that certain Jewish Banking Houses are interested in the organization of this movement.

Judaism is a cult based entirely on the hatred of Christianity. We quote here two of more than 100 anti-Christian statements COMMON SENSE has in its files. These statements are made by noted Jewish leaders.

Joseph Dunner, Zionist Jew, in "The Republic of Israel," page 10, of Oct. 1950, stated the following:

"To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century, Jesus became the symbol of anti-Semitism, of libel, of cruelty, of death."

Ben Hecht, Zionist writer of Hollywood on page 20 of "A Jew in Love" wrote:

"One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of executing Christ, I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They could not have made a Savior out of mincemeat."

Now, after 41 years of communist activity, public sentiment is rising against communism here and abroad. The American Jewish Congress, the American Jewish Committee and the Anti-Defamation League are making frantic efforts to turn the spotlight away from them. They are even distributing a few "milk-toast" leaflets against communism.

The London Sunday Herald on February 8, 1920—two years after the Communist Revolution carried an illustrated article entitled "A Struggle for the Soul of the Jewish People" by Winston Churchill, from which the following is published. —

"There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international atheistic Jews. The majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. In the Soviet institutions the prominence of Jews is even more astonishing. And the principal part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter Revolution has been taken by the Jews, and in some cases by Jewesses. The same evil prominence was obtained by Jews in the period of terror during which Bela Kun ruled Hungary."

The part played by the Jews in proportion to their numbers in population is astonishing. —

Whose Side Are You On?

What is so vicious about efforts to repress the active opponents of World Enslavement and genocide of the Gentile White Race, is that the Pharisaic Masters of the studied lie are forever accusing their opponents of thinking about **EXACTLY WHAT THEY** (the Pharisees) **ARE ACTUALLY DOING RIGHT NOW!**

Those who know the truth realize that the alleged mass murder of 6 million Jews is the greatest hoax of **ALL** time. Yet on the strength of a **100% Big Lie** they ordered our aviators to murder untold legions of German women and children! They ordered **OUR** aviators to drop the first atomic bomb on a nation **ALREADY** trying to surrender! They tried (Talmudic-style) and imprisoned or executed a large number of German officials merely for defending their people against the invasion of the entire Pharisaic-controlled world. (According to Talmudic Law the goyim are **ALWAYS** guilty).

If our Anti-One-World organization were actually plotting to overthrow the U.S. Government, then wouldn't we be ridiculously belated in our efforts? Not only has our Constitutional Government **ALREADY BEEN** overthrown, but the Pharisaic World Enslavers are well along to eliminating not only the States that were once **United**, but to eradicating all vestige of the once-proud nation known as the **United States**.

FREEDOM OF SPEECH AND OF THE PRESS IS GONE! Telling the truth about **The Conspiracy** is now the most dangerous business in the entire world, a truth Jesus well-understood!

There is only one thing which can protect us: **THE REFUSAL** of patriotic Americans everywhere to become active accomplices to their own crucifixion. We are sacrificing our lives that you and yours will not become helpless, hopeless victims of **World Enslavement**. Won't you help us?

If, by some miracle, we are successful in thwarting the hideous plans of **The Conspiracy**, then those who actively aided these alien enslavers in their attempt to reduce the once-free Americans to a **raceless, faceless, hopeless, Godless, spiritless** mass of sub-human zombies would be in a well-nigh intolerable position. In light of the precedent set by **The Conspirators THEMSELVES** at Nuremberg, Germany, then liberated America would be almost bound to hold treason trials.

If on the other hand **The Conspiracy** triumphs over prostrate humanity, the **NEXT** group to be liquidated after the liquidation of the opponents of the **Pharisees ARE THE GENTILE AGENTS OF THE CONSPIRACY**, for they know too much and are subject to overwhelming pangs of remorse.

Mr. FBI agent, and Mr. Policeman, you should do some serious thinking about **YOUR OWN** crucifixion. In 1937 **ALL GENTILE** Soviet Secret Police were **KILLED** and replaced by 400,000 blood

Pharisees and 200,000 convicted **Gentile CRIMINALS**, bond-slave hatchetmen! An ordinary Gentile catspaw for **The Conspiracy Triumphant** has a normal useful life of 5 years then he is **AUTOMATICALLY "liquidated"**!

You may plead that you do not know these things. Then perhaps you **DO KNOW** what happens to all the anti-communist, anti-American information **YOU** uncover. You well know that it is filed away to be used only for ridiculous mock trials that are held occasionally "to convince" the misinformed American people that "their" government is not truly already in the grip of the **Pharisaic Conspiracy**. For instance, what happened to your information concerning the communists at **Fort Monmouth**, and in the **Defense Dept.**? This helped hasten the death of Senator Joseph R. McCarthy!

If the American White Christians have sunk so far down the drain of human degradation as not to care, then no power on earth can save us from the fate the Pharisees are hell-bent to impose. In that case, then God is truly using **The Conspiracy** as a form of Scourge of God to punish irrevocably a people so demoralized, so despicable, so undeserving. It has happened **BEFORE! MANY TIMES!**

The time has come to choose sides. This is truly a war to the death, **AS THE PHARISEES DECLARED** long before any of us were born! They are determined that **OUR White Race** must go!

WHOSE SIDE ARE YOU ON?

Who Controls The Politicians?

It is a well-known fact that most politicians in the cities, counties, states and Washington, must not ignore the **Zionists**.

How do Zionists secure this control over our office-holders? They go overboard in cultivating their friendship,—gratuities, advice, loans, suggesting they become a candidate for office; then they collectively contribute to his election while financing a smear campaign of his opponent. Zionists see to it that other politicians and office-holders under their control help push their protege (dupe) up. Their politician, now enjoying public applause and luxury he never expected, is in no position to reject instructions from those who had the money and influence to put him where he is.

Often the Zionist-controlled officeholder does not possess the intellect to handle his office in an impressive way—here is where the clever Zionist is valuable. **The Zionist political pressure group has all the answers and is ready with advice.**

The main instrument the Zionist uses to keep officeholders and lawmakers in line is the carefully prepared brochure covering slips, deviations as to marriage obligations, or criminal acts which have been carefully charted and filed away.

Zionists are artists at digging skeletons out of political closets and **know how to use this information**. They have also used this successfully in forcing prominent men to cease their patriotic pro-American activities!

Why should not **pro-American Patriots** fight fire with fire; have capable investigators prepare the devastating records of politicians who pursue **un-American** programs and then give it wide circulation, forcing these parasites into retirement!

As a patriotic public service **COMMON SENSE** is ready to establish a special fund to put this in motion.

Men and women of means who would like to see some of these brazen, crooked politicians exposed, regardless of race, religion or politics are invited to contribute to the fund. **We will proceed in proportion to available funds.**

From time to time congressional committees have done a fair job of exposing communists and communist-fronts; but the really big, powerful revolutionary leaders and organizations go free. Only a handful of citizens, mostly patriotic leaders and investigators concerned over the threatened loss of America to alien influences, know about the constellation of interlocking organizations which shape Presidential policies and dominate the selection of Presidential candidates at the national political conventions.

These big league machines are Zionist fronts. By comparison, the communist traitors constitute the bush league!

CFR Launched The IPR

We have written much about the Anti-Defamation League and its parent B'nai B'rith, the American (?) Jewish Committee and a dozen other hard-core Zionist policy shapers. It is worthwhile to take a look at some of their fronts, especially the Council on Foreign Relations (which is interlocked with the Foreign Policy Association, the Institute of Pacific Relations and some of the big Red tax-free foundations). It is often called "Rockefeller's Council on Foreign Relations" but that is largely because its masters have used the naive, spoon fed Rockefeller boys to commit treason year after year against the interests of their country. This CFR was founded in 1919 at the Paris Peace conference chiefly by a handful of famous Jews—Zionist revolutionaries who sur-

Robert H. Williams

rounded and influenced Woodrow Wilson, Prime Minister Lloyd George, Socialist French Premier Clemenceau (their underling) and others who did so much to split the solidarity of Western nations.

The Council on Foreign Relations is said to have founded the Institute of Pacific Relations. You doubtless remember the IPR for its many years of treasonous activities, resulting in inducing Presidents Roosevelt and Truman and their State Departments to cut the ground out from under our ally, Chiang Kai-shek and let China fall to the Reds. The late Senator Pat McCarran finally tore it to pieces a few years ago after Sen. Joe McCarthy had exposed its foremost strategist, communist-fronter Owen Lattimore.

You remember, no doubt, the letter Lattimore wrote to one of his fellow traitors in the IPR: "Let them (the Chinese) fall but don't let it appear that we pushed them."

Though the Council on Foreign Relations was founded principally by certain Jewish revolutionaries—including some of the richest men in the world—the Rockefellers have been bled by it from year to year and have adopted Jewish internationalism in both politics and finance. Other substantial contributions have been made from time to time by the Ford Foundation and the Carnegie Foundation for International Peace—both notoriously communistic and internationalist in their activities and policies. (Red spy Alger Hiss was head of the Carnegie Foundation till convicted.)

Three Rockefellers Belong

The two important things to bear in mind in studying the Council on Foreign Relations is (1) the power and influence of its members and (2) its subversive policies, activities and connections.

Three Rockefellers were listed in the 1952 report as members, some holding com-

Israel Preparing To Spark World War III?

Premier David Ben-Gurion resigned thus bringing the downfall of his shaky government. This was caused by two pro-communist members of his cabinet who leaked part of a mysterious secret. What was that secret which is so carefully protected by the international control of wire and press service?

In 1956 when Israel needed weapons with which to invade Egypt, they made a secret deal with France whereby they got tanks and modern jet planes, paid for by our U.S. taxpayers and placed in the hands of NATO countries for use in protecting Europe against the Soviets.

In 1957, when Israel needed money she called on Germany, the only prosperous country in the world outside of the U.S. and the Soviet Union to have this cash available. The U.S. could not let Israel

mittee chairmanships. They are Nelson A., close friend and advisor to Eisenhower; David, a vice president and membership chairman of CFR, and John D., 3rd. (Another famous Rockefeller, Winthrop, not listed as a member in 1952, is nevertheless doing his bit for the cause: he went down into Arkansas some five or six years ago, bought a ranch and began taking over the state government and working to influence the school system. Winthrop, a director of the revolutionary Negro organization, Urban League, was reported by the Washington Star of Feb. 20, 1957, as inciting the members to intensify their fight to destroy segregation—that is, in my words, to forcibly deny the white man the self-evident right to raise his children in a white moral and cultural atmosphere.)

John J. McCloy is chairman of the board of CFR. His adult life has been spent in serving the bankers of internationalist persuasion, not only the Rockefellers but also their associates, the Jewish banking houses. In the 1952-53 Who's Who in America, McCloy reminds us that he was "appointed president of World Bank, U.N., Feb., 1957; appointed High Commissioner for Germany, 1949." He is now head of the Chase National Bank, a property of the Rockefellers and the Jewish banking firms, including Kuhn, Loeb Company.

Lewis Lichtenstein Strauss Atomic Energy Commissioner and thus one of the most powerful men in the world of politics, is a CFR member. He lists himself in Who's Who, 1952, as "consultant and financial advisor to the Messrs. Rockefeller since 1950" (till he became chief of the Atomic Energy Commission).

Secretary of State John Foster Dulles is a member of CFR, as is his brother, Allen W. Dulles, head of the Central Intelligence Agency. (CIA) The Dulles brothers are kinsmen of the Rockefellers.

A few of the other members holding positions of policy-making status in or over the government at the time of publication of the 1952 Report are:

Percival F. Brundage, Director, Bureau of the Budget; Arthur M. Anderson, Assistant Treasurer, Export-Import Bank; Lewis W. Douglas, former Director of the Budget (and married to Peggy Zinsser sister of the wife of McCloy); Eugene R. Black, President, International Bank of Reconstruction and Development; Ellsworth Bunker, recently appointed to an Ambassadorship by Eisenhower (his brother, Arthur H., is vice president and chairman of the executive committee of the Lehman Corporation, center of power of Herbert Lehman, revealed during the war to be the real head of the Marxist revolution in America); Herbert H. Lehman, then a U.S. Senator; Harold E. Stassen, Eisenhower's friend for whom the President created a special cabinet job; Nelson Rockefeller, chairman of the President's Advisory Commission on Government Organization; Thomas K. Finletter, Truman's Secretary of the Air Force in 1949 and formerly adviser to the U.S. delegation to the United Nations; W. Averell Harriman, international financier and Governor of N.Y. State; Winthrop Aldrich, then head of Chase National Bank, who went (reportedly with "the money bags") to the 1952 Chicago GOP convention and helped steal it from Taft.

David Sarnoff, Minsk-born Marxist Jew, a CFR member, is chairman of the National Security Training Commission, a frequent and influential caller at the White House ever since Roosevelt made him a Brig. General. He is retired chairman of the National Broadcasting Co., head of Radio Corporation of America (RCA) and many interlocking affiliates, which, together, dominate the networks and flood American homes and schools with Marxist and softening demoralizing propaganda.

Another influential presidential adviser among the CFR members is Benjamin J. Buttenwieser, who resigned as head of Kuhn, Loeb banking house to become As-

sistant High Commissioner to Germany, (actually telling the High Commissioner McCloy what to do, according to credible reports). Buttenwieser in Who's Who, reveals that he is a trustee of the Baron de Hirsh Fund, another tax-free foundation, and of the powerful American (?) Jewish Committee, promoter of Jewish nationalism, or Zionism.

Arthur J. Goldsmith Again

Buttenwieser and his wife protected Alger Hiss in their home during his second trial and still condemn those who criticize Red Spy Hiss.

Still another is "Clarence Dillon." Both the famous Jewish investment bankers by that name are associated with the international banking firm of Dillon, Reed and Co., and both hold or have held from time to time, some very important appointments in the government. One of them is the Son of Bertha Steenboch of San Antonio, and both are related to the Lapowski or Lapowsky family, owners of big general merchandise stores throughout Texas when I was too young to remember them.

Another member of CFR deserves mention; we would not slight him, though he holds no government portfolio. He is Arthur J. Goldsmith of Waldorf Towers, made famous by Pegler and may I say, by this writer, because of his secretive, cunning political activities in many states, maligning officials of loyal American ideals and helping finance revolutionaries of Marxist persuasion. Goldsmith is one of the leading financial "fixers" for the Anti-Defamation League of B'nai B'rith. He and a co-founder of the eastern area, ADL, Leonard V. Finder, "discovered" Eisenhower early in, or before, the war and helped provide the long-term propaganda buildup which enabled them to put Ike in the White House. Pegler caught two of Ike's brothers sneaking out of Goldsmith's apartment just after their brother was elected.

There are scores of famous, or infamous, Marxist revolutionaries of the highest level—connected with hundreds of communist fronts—in the alphabetical membership lists of this 1952 Council on Foreign Relations report. We haven't got room for them here; we need a book. But we must identify a few more of them:

And Felix Frankfurter, Of Course

Marshall Field (who financed the filthy "uptown Daily Worker" PM); Raymond B. Fosdick, Harry D. Gideonse, Ernest A. Gross, Harry F. Guggenheim, Harold K. Guinzberg, John Gunther, Phillip C. Jessup, Grayson L. Kirk, Adolph A. Berle, Joseph Barnes, Charles Bolte, Ralph Bunche, Evans Clark, Gen. Lucius S. Clay (go-between from Sidney Weinberg to President Eisenhower); Everett R. Clinchy, Gardner Cowles, Clark M. Eichelberger, Gen. Dwight D. Eisenhower, Brooks Emery, Thomas S. Lamont, Robert Lehman, Orin Lehman, Walter J. Levy, David E. Lilienthal (first chief of the Atomic Energy Commission, who tried to keep the U.S. from making the hydrogen bomb, after the Soviets had got our blueprints and were starting their hydrogen bomb project; a member of the powerful communist Southern Conference for Human Welfare); Walter Lippmann, John L. Loeb, Isador Lubin, Henry R. Luce (publisher of LIFE, TIME and FORTUNE); Cord Meyer Jr., Eugene Meyer (Jewish financier and a world Zionist leader, publisher of the

Washington Post, who "raised up" Wayne Coy and other radicals); Edward R. Murrow, Reinhold Niebuhr, Fritz E. Oppenheimer, William S. Paley (Jewish head of Columbia Broadcasting Co.), Isadore I. Rabi (adviser to the Atomic Energy Commission), Alexander Sachs (of Goldman & Sachs, associate of Sidney Weinberg, whom the Hearst newspapers in 1953 called "Ike's boss"); Charles E. Saltzman, John M. Schiff (grandson of the late Jacob Schiff, who, by John M.'s own statement to Cholly Knickerbocker, financed the communists to full power in Russia; the younger Schiff was head of the Boy Scouts of America in 1954); Shepard Stone, Oscar S. Straus, Arthur Hays Sulzberger, Gerard Swope Jr. (son of Jewish head of General Electric and dozens of interlocking corporations), Herbert Bayard Swope, (brother of Gerard, Sr., owner of a left wing news service, Overseas News Agency); Eric M. Warburg, Frederick M. Warburg, James P. Warburg (of the Warburg Jewish banking family); Dean Acheson, (former "Red Dean" of the State Dept.); Charles E. Bohlen (communist-aiding Ambassador to Moscow); Benjamin V. Cohen, Karl T. Compton, James B. Conant, John Cowles, Wayne Coy, Elmer Davis, Ralph E. Flanders (the Senator who was used to lead the attack on the anti-communist spy hunter, the Honorable late Sen. Joseph McCarthy); Justice Felix Frankfurter (of the U.S. Supreme Court, who virtually launched the communist revolution in America by surrounding Roosevelt with Frankfurter-indoctrinated Harvard Law graduates); Gen. Alfred M. Gruenther, Joseph C. Harsch (left wing writer for the Christian Science Monitor); Paul G. Hoffman (friend and adviser of Eisenhower); Palmer Hoyt (stooge of the Zionists, hired publisher of Denver Post); Maj. Gen. Lyman L. Lemnitzer (who was forced to admit to a Senate probing committee in 1950 that he had stalled in shipping supplies to anti-communist South Korea, but who is now head of all American armed forces in the Japan-Korea theatre, Douglas MacArthur's old job!); Robert J. Oppenheimer (for years adviser to the Atomic Energy Commission, exposed by official government reports to have been in close touch with communist spies and to have attended a communist meeting while he was helping develop the Atomic bomb; now barred from atomic secrets);

Coming back to Owen Lattimore, he was called by Sen. McCarthy the nation's foremost communist. An article in the American Legion magazine of Aug. 1952, says the Rockefeller boys, through their Foundation, "picked up the check for the IPR (Lattimore's Institute of Pacific Relations) meeting at Lucknow, India, in October of 1950"; and the same article says "The IPR itself was underwritten by both Carnegie and Rockefeller Foundations to the extent of \$2,176,000 from 1925 through 1950. Lattimore's own Dept. of International Relations at Johns-Hopkins received \$885,000 from one Carnegie fund during 1949-50."

These funds went to the promotion of communism, especially the undermining of our anti-communist allies in the Far East and the victory of the communists there, with their growing fleet of atomic submarines equipped to hurl atomic rockets into our cities.

"Foreign Aid" For CFR

I can't go on. There isn't room. But let me ask you if you read all the names above? Did you notice the name of Gen. Dwight D. Eisenhower on the list of members?

All these members of the Council on Foreign Relations are promoters of world government, as well as their interests all over the world in disregard of America's welfare. The only members I can identify as pro-American are three or four who have turned, in recent years.

The CFR is hell bent on destroying the tariff which protects or used to protect American industry and wage earners from

The Right To Discriminate

Republished From FREE BRITAIN, Of London, England

Thanks to Little Rock, the thoughts and feelings of race conscious whites throughout the world are beginning to crystallise. Minds are clearing. The issue is becoming plain, for it is possible to see that the racial conflict in America has nothing to do with educational opportunities for Negro children in the Southern States, but it has everything to do with white people's undoubted right not to mix with other races if they do not wish to mix with them.

It is a transparent LIE that the Negroes are denied education in their own schools, or that the schools provided for the very much smaller number of white children could accommodate more than a very small proportion of the more numerous Negro children.

No, the plan dictated by Bernard Baruch and his fellow Jewish conspirators and carried out by America's Zukov-Eisenhower, is race mixture for the sake of race mixture. And it is significant that it is being carried out at the point of the bayonet just as the race mixture in Eastern Germany was carried out by the Mongolian troops which Eisenhower was instrumental in bringing into Europe at

Brotherhood by Bayonet!

the end of the war.

And what the whites of Arkansas are fighting for is not to deny education of any order to Negro children, but the right to discriminate. It is only with the flagrant armed attack on that most important of all rights that we are beginning to find a name for which we have always taken for granted **THE RIGHT TO DISCRIMINATE**, which was not included in the Atlantic Charter. On the contrary, that "Charter" was itself designed as an attack on the only right which really matters, for with-

out the right to discriminate all the other rights are worth nothing.

It is precisely this one right to discriminate which is denied under Bolshevism. That in fact is the mark of all Leftish philosophy, its attack on the right of the white man to be exclusive.

But patently justifiable as this fundamental right is, it will not be granted by a certain type of mind. There are those whom we must ever count as our implacable enemies.

They are those made bitter by their inferiority complex who can endure anything except being shut out from anywhere—people who will sacrifice everything in an attempt to gate-crash. To them the "right" to gate-crash is right, whereas the right of other people to discriminate is to them no right. And the JEWS are egging on the gate-crashers to destroy the Aryan world.

Yet the American President by his rash, stupid and racially treacherous action in attempting to force colour integration on the Southerners, and by attacking something so deep within the white man that until now no label had been necessary for it, has brought it to the surface and the battle cry of the whites from now on should be **"The Right To Discriminate."**

Colored Mondays

By Thurman Sensing

The Supreme Court of the United States is at least doing this for us during the past two or three years—it is **"COLORING"** our Mondays!

May 17, 1954 was **"Black Monday."** On that date the Supreme Court handed down its infamous segregation decision, thereby ignoring all tradition and custom of a great region of our land, thereby disregarding all judicial precedent and basing its decision on sociological and psychological textbooks written by socialists and left-wing sympathizers, and thereby reversing the "separate but equal" doctrine promulgated by its own predecessors more than 60 years before and under which everything was operating so well to the benefit of both races.

This decision was inexcusable. It brought strife where there was no strife. It has torn down in three years time all the progress made in race relations in this country throughout the 90 preceding years.

During these 90 years in the states where segregation is practiced, rapid strides had been made—in most places the goal had been reached—in providing equal facilities of all sorts. Negro teachers taught the children of their own race and were paid the same salary as the white teachers. Negroes had their own homes and their own businesses and their own jobs. The rank and file of the Negroes knew these things and were satisfied. Strife between the races was practically a memory.

Now in three short years that peaceful situation is almost a memory. What will come next? Who can tell? Strife and dissension, that we know. At the Governors' Conference recently at Williamsburg, Va., Governor Timmerman of South Carolina said schools in his state would not be integrated in a thousand years; Governor Coleman of Mississippi said babies being born in his state would never see integration. These two states are not alone.

What an unhappy rent in the social fabric of the land—and all because of an uncalled-for, radical, communist-pleasing decision of the Supreme Court!

Now, three years and some months after **"Black Monday,"** comes **"Red Monday."** On June 17, 1957 the Supreme Court of the United States handed down three decisions—all of a pattern with the one

Justice Earl Warren

In a recent popularity poll in his own State of California, Warren ran a poor last, due to his constant coddling of communists and communist-favored decisions.

handed down on May 17, 1954 and at subsequent periods since then—which the **Daily Worker**, the voice of communism in America, greeted ecstatically as "liberty rulings," under the headline **"A Milestone for Democracy."**

And why shouldn't the **Daily Worker** be happy? The Court struck out at the Smith Act, freeing 5 of 14 convicted communists and ordering for the other 9 a new trial.

It severely limited the investigating powers of Congressional Committees and held that John T. Watkins, a union organizer, was within his Constitutional rights when he refused to tell a subcommittee of the House Committee on Un-American Activities about past associates in connection with communist activities.

It struck down the power of States to require witnesses to testify in investigations authorized by State legislatures and in this case, similar to the Watkins case, freed Paul M. Sweezy from a contempt conviction by the New Hampshire court.

It restricted the power of Government officials to discharge federal employees, in this case moving to restore discharged State Department employee, John Stewart Service, to public esteem.

All this caused the West Coast com-

munist spokesman, Dorothy Connolly, to say, **"This is the greatest victory the Communist Party ever had."**

The Court led up to this **"Red Monday"** with a very decided **"Pink Monday"** two weeks before, when it handed down its decision that the FBI must open its file to communists and other defendants in Federal suits. It is reported that this ruling is wrecking Federal prosecutions from one end of the country to the other. A high Government law enforcement official has been quoted as saying that if the FBI is forced to release these reports, then its effectiveness is all but gone.

All these things in the name of justice, freedom and democracy!

Black, Red and Pink! For all those who believe in the basic principles of the form of government founded for us by our forefathers and under which we have so mightily grown and prospered, the mixture of these colors—whether chromatically correct or not—leaves us with many **"BLUE MONDAYS."**

NAACP Chairman Arrested!

Reprinted From The

Newark Evening News Of 9-27-57

Mr. J. Mercer Burrell, 59, of 23 Howard St., a Newark lawyer active in civic affairs and a former Essex County Assemblyman, was arrested yesterday by members of Captain James J. Leahy's Investigation Division on charges of printing and possessing obscene pictures.

Continuing its crackdown on traffic in pornographic photographs, Leahy's squad seized Burrell, a bachelor, in his home and, at the same time, raided an amateur photographer's studio he allegedly maintained in an apartment at 117 Somerset Street, Newark, N.J.

Acting on a warrant issued yesterday morning by Chief Magistrate Nicholas Castellano, police searched Burrell's home and the studio, and reportedly uncovered more than 3,000 obscene pictures in both places.

....Burrell....is legislative chairman and a member of the board of directors of the New Jersey Conference of the **NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE.**

the cheap labor imports from many lands. These CFR members, or many of them, have holdings in foreign countries; naturally they want to get their goods into this fabulous market, tariff free. They are promoting GATT, the so-called General Agreement on Tariffs and Trade, which Eisenhower recognizes but Congress so far refuses to recognize. This GATT is trying to take from Congress and place in its own private hands the power to negotiate tariff agreements with all countries, and its advocates are the advocates of free trade and world government.

It is this CFR crowd of international financiers who keep on pumping your "foreign aid" tax money across the oceans. Much of the money is handled by their underlings and goes into their foreign factories or other developments. "Foreign Aid" is their baby.

A paragraph on page 42 of the Report suggests that possibly the Council is not anxious to have its name well known, or its membership identified as such:

"Members of the Council are sometimes obliged, by their acceptance of government posts in Washington and elsewhere, to curtail or suspend for a time their participation in Council activities. It is perhaps not as well known that members of the Foreign Relations Committees occasionally find themselves in an analogous position."

Here are some more interesting and revealing paragraphs from the Report:

"In response to a suggestion by officials of the State Department, the Council organized a series of three meetings on foreign economic policy to aid in a re-examination of our foreign policy in preparation for the new administration."

"The influence of certain articles appearing in Foreign Affairs has been considerably extended this last year through a grant from the Fund for Adult Education (Ford Foundation—RHW)... Among the articles that attracted particular attention were J. Robert Oppenheimer's 'Atomic Weapons and American Policy'... At that meeting (March 2, 1953—RHW) Mr. John J. McCloy was elected to fill the vacancy caused by the resignation of President Eisenhower" (on the Editorial Advisory Board).

Subscribers have asked, from time to time, who are Eisenhower's bosses. I have given you above a brief glimpse of them. These top flight world-minded CFR members, as they themselves indicated in the above paragraphs, shape Ike's foreign policies.

What can you and I do about the matter? We can at least inform a few other Americans, who in turn may inform others.

Of the 88 men named above, 44 are dedicated Zionists!! —o— Editor

ISRAEL

have such a large amount of cash due to its own financial situation, and the Soviets would not because of the Middle-East mess.

There is a sinister mystery in connection with this loan. What the real purpose is no one in America really knows. If there are people in Europe who know about it, they dare not talk.

It is apparent that Ben-Gurion was sending a mission to Germany to conclude this deal and arrange for the spending of the money. When two of his cabinet members "spilled the beans," it created quite a scandal. Likely this help from Germany would have antagonized the Soviet Union against Israel.

COMMON SENSE has confidential information from Germany which sheds light on the situation. It appears Ben-Gurion was negotiating a loan of a billion dollars from West Germany and Conrad Adenauer's son made a trip to Israel in this connection. Was Zionist pressure causing our State Dept. to force West Germany to make this loan, the primary purpose of which was to purchase submarines to sink

Arab shipping?

In this connection, our information is that a Mr. Levy paid to a political party in Federal Parliament in Bonn, Germany, \$25,000 and this was paid thru Hardy & Co. Bankers.

Informed authorities have often stated the spark that will set off World War III will have its beginning in the Middle-East, due to friction between the Arabs and Jews, who set up Israel in 1948. The wholesale slaughtering of Arab women and children, and the driving of countless others out into the desert to live on a measly 7¢ per day supplied by the U.N. has practically lost the Arab world to the United States!

Wherever the Jews assemble in numbers sufficient to be forceful, there is trouble. They brought war, chaos, and suffering to all Europe, and finally had to be driven out. Millions have been pouring into the U.S. for 15 years and continue to do so each month in staggering figures, legal and illegal, while the Anti-Defamation League and the American (?) Jewish Congress are hard at work to destroy our Immigration Laws and thus open wider our gates to more Marxists. Right now many of these aliens are planting confusion, hatred and trouble throughout our country! They expect (and most likely will if we don't wake up) to accomplish in the U.S. what they succeeded in doing in Russia in 1917.

WAKE UP AMERICA BEFORE ITS TOO LATE!!!

KEEP OPPENHEIMER OUT!

Why the mysterious pressure to bring Dr. J. Robert Oppenheimer back into the Defense Department? The two who are most active in this respect are Zionists—Senator Jacob Javits and Congressman Emanuel Celler, supported by all Jewish publications.

On June 30, 1954 the Atomic Energy Commission declared Oppenheimer was a security risk and therefore should not be trusted with military secrets. They denounced his continued "association with communists" and announced "We find his conduct in the hydrogen bomb project sufficiently disturbing as to raise a doubt whether his future participation, if characterized by the same attitudes in a government program relating to the national defense, would be clearly consistent with the best interests of security."

Dr. Edward Teller, leading nuclear physicist, testified that Oppenheimer delayed the development of the H bomb for four years. This allowed the communists to develop theirs first. During these four years the late Senator Joseph McCarthy was calling for an investigation and the dismissal of subversive forces who were responsible for the deliberate failure of our defense program, but to no avail.

William L. Barden, Executive Secretary of the Senate-House Atomic Committee, testified that Oppenheimer "had no close friends except communists."

Sylvia Crouch, ex-communist and wife of Paul Crouch, former Central Committeeman of the Communist Party, stated under oath that she attended a communist meeting in Berkeley, California, with two men: **Robert Oppenheimer and Joseph Weinberg.**

Robert Oppenheimer's brother, Frank, admitted before a House Committee that he had been a communist while he worked on the Atom Bomb project for years.

It has been brought out in testimony that Oppenheimer was in love with a communist and later married another communist party member, and his brother and sister-in-law were communists. He also admitted that he gave the Communist Party \$90.00 per month from 1938 to 1942.

Oppenheimer supported the communist revolution in Spain in 1936, and is also a Director of the Institute of Advanced Study at Princeton, N.J. This Zionist institute should be investigated by a Congressional Committee.

When Oppenheimer was removed from

the Atomic Bomb project in 1954, another Zionist, Isidore Rabi took his place.

Such is the state of our Defense Department while our country is being slowly and surely brought to its knees by determined hard-as-steel communists outside and their clever co-conspirators placed in strategic positions in our government.

A Rare Opportunity!

Hear one of the two most talked of women in the United States.

Elizabeth Dilling and Eleanor Roosevelt have one thing in common—many people like or dislike them. Those who like Eleanor dis-

like Elizabeth Dilling, who has thousands of admirers from coast to coast.

Certainly Elizabeth Dilling is the most remarkable woman before the public in the U.S. For years she lectured in finest Halls and many Churches in every large city. She was the top patriotic speaker for the American Legion but, like Senator McCarthy and other patriots, she incurred the enmity of the Pharisees, otherwise you would now be hearing this defender of Christianity on television—which is controlled by the Pharisees (Zionists).

No one in America cares to appear on a public platform in opposition to Elizabeth Dilling. She is dean of anti-communists, a leader in the anti-communist movement since 1931. In her research work she has made 16 world trips, and is the author of many books including Red Network, Roosevelt Red Record, The Plot Against Christianity and Octopus; also editor of a bulletin published many years by Patriotic Research Bureau, Chicago.

Never sued for libel, but four libel suits settled in her favor! From the enemy press you have read much about this controversial figure. Now this great speaker and entertainer makes it possible for you to hear her at no admission. She has dedicated her life to informing you and trying to save our great Country!

IT'S NOW OR NEVER

From Economic Council Letter No. 422
By Merwin K. Hart

Whether or not 1958 proves to be happy depends largely on whether the American people awake in time to the peril to which the three last Administrations have brought them.

However, the peril to America is so great that in 1958 the National Economic Council is going to talk even more plainly than it has ever talked before. To have a deep conviction, and not to speak out, would be little short of treason.

We talked not long ago with a former communist party official who years ago returned to devoted service to America. After some conversations we asked how long it would be before Soviet Russia in effect, if not actually, took over the U.S. The reply was: "In two to five years." That was six months ago—before the Soviets announced they had perfected the inter-continental ballistic missile. Of course it was before either of the Sputniks was launched.

One of the greatest perils to America for some years past has been the activities of the Zionists. In the long run communism will profit most from Zionist activities, even though today Zionism appears to be opposed to communist aims in the Middle East.

The Zionists are a world-wide political group who were cast in their modern mold about the turn of the century by Theodore Herzl, a Hungarian Jew. They exacted from Britain in the latter part of 1917, as the price of their support in World War I, the so-called Balfour Declaration, which promised a home for the Jewish people in Palestine—"...it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine..." The "communities" referred to were of course the ARABS!

Resulting Zionist activity in the U.S. had its influence in the formation of the vindictive Versailles Treaty in 1919, and was a strong factor in taking America into the second World War.

In recent decades world-wide Zionists, a political and not a religious group, have developed an organization whose interests are often totally alien to those of the U.S. Zionism has long had Britain politically and economically in its pocket and has exerted great influence in France and certain other countries of western Europe. It has been the strongest single influence in America for the last 25 years.

The late Henry Morgenthau, Sr. (father of the former Secretary of the Treasury) expressed the opinion in his autobiography, *All in a Lifetime*, that "Nowhere in the

world has so glorious an opportunity been offered to the Jew" as in America. He said further:

"Zionism is a surrender, not a solution...It is a betrayal; it is an Eastern European proposal, fathered in this country by American Jews which, if it were to succeed, would cost the Jews of America most of what they have gained of liberty, equality and fraternity."

And he concluded with the following statement:

"We Jews of America have found America to be our Zion. Therefore I refuse to allow myself to be called a Zionist. I am an American."

Where Zionism now shows itself strongest is in the creation and build-up of the State of Israel. Under terrific Zionist pressure President Truman, on November 29, 1947, prevailed upon the United Nations General Assembly to pass a resolution RECOMMENDING the partition of Palestine. He tells all about this in his book, *"Years of Trial and Hope."* He says on page 168:

"The facts were that not only were there pressure movements around the United Nations unlike anything that had been seen there before but that the White House too was subjected to a constant barrage. I do not think I ever had as much pressure and propaganda aimed at the White House as I had in this instance."

It is common knowledge that Truman or his representatives threatened or otherwise "persuaded" many smaller nations, members of the UN, to reverse their attitude and vote for partition. It is also well-known that President Truman cracked down hard on the State Department to swing UN votes for the partition of Palestine.

According to the New York Times of December 3, 1947, Rabbi Abba Hillel Silver, Chairman of the American Section of the Jewish Agency for Palestine, "told his audience that the decision of the United Nations was traceable to the everlasting will and determination of the Jewish people."

—o— (Continued on Page 2) —o—

Israel Must Expand

Note the relative size of Israel with one million seven hundred thousand population gaining by 7,000 more a month—the money to support them coming from taxpayers in the U.S.A. Many wonder why Israel can sell bonds in the U.S. while other countries are forbidden to do the same thing!

David Ben-Gurion of Israel, stated to the Associated Press on Sept. 22, 1957, that more than two million Jewish immigrants are expected in Israel in the next few years.

The N.Y. News of Jan. 18, 1958, quotes former Sen. Lehman as predicting great expansion in Israel. (By moving more Arabs out no doubt.....Editor)

This UN created tinder-box will need to steal more territory from the Arabs in order to accommodate these incoming Yiddish from Poland and Russia.

Sooner or later World War III will be touched off by these Zionists who bring chaos and war wherever they have any power. They plan for our youth to fight and spill Christian blood for them in the Middle East!

Now Or Neve

—O— (Continued from Page 1) —O—

Obviously, Rabbi Silver had no right to speak for "the Jewish people." There is no better evidence of this than the existence of the American Council for Judaism with 20,000 active members. This organization is utterly opposed to Zionism. It maintains that American Jews should have but one national loyalty—namely the United States.

In a speech in New York on October 5, 1949, Rabbi Elmer Berger, Executive Director of the American Council for Judaism, said in part:

"There is more to Zionism than meets the eye. There is something in the movement that is deeply disturbing to these people who like you and me are just Americans. There is something in Zionism that does not square with their concepts of America... And there is something in Zionism which does not square with their understanding of the place and status of Jews in the liberal America of which these people are a part."

Although the action taken by the UN General Assembly was merely a **RECOMMENDATION** (which is all the General Assembly has power to make), Israeli propagandists soon made the world forget this fact and made it appear as the actual setting up of a nation.

And so it proved to be. Our American foreign policy was subordinated to the will of this reckless, irresponsible group—for the Israelis in Palestine did not hesitate to resort to murder to further their ends. Moreover, Count Bernadotte, who was appointed by the UN to investigate the Palestine situation, was murdered because the Israelis didn't like his findings and recommendations. And neither the UN nor the United States dared lift a finger to punish his murderers, although they were known.

Since 1947 something like a billion and a half dollars—some governmental, some private—sometimes given voluntarily and sometimes not—have been sent from the United States to Israel. Not only have Zionists contributed, but many non-Zionist Jews have been persuaded to contribute. The Zionists have pressured many non-Jewish citizens to contribute.

The German Government, struggling to get on its feet after World War II, not to speak of the damage wreaked by incoming communists, in which the United States had concurred, was "persuaded" to send Israel over a period of ten years more than \$800 millions worth of goods. Leading Germans have been bitter over this, but the German Government yielded apparently in the hope of pleasing Washington.

The chief effect of the partition of Palestine, as far as the American people were concerned, was the loss of much of the good will of 40 million Middle Eastern Arabs. And there was similarly sacrificed much of the good will of 300 million Moslems in other countries. This has directly opened the door to Soviet Russia. And she has taken full advantage of it.

Several years ago I stood on a hill in Lebanon and an Arab guide pointed to a group of huts below and said—

"Your Mr. Truman did that. There are 20,000 Arab refugees living in those huts."

Even the humblest Arab knows the story. Is it any wonder that the Middle East is today moving toward the Soviet camp? The Arabs believe that the reason the usually generous Americans have done so little to solve this refugee problem is that the Israeli plan is presently to extend their boundaries still farther yet—possibly to the Euphrates!

When in Europe last November one of our officers talked with a thoroughly responsible individual who had himself talked with Nasser three years ago. At that time Nasser told him that he hoped to get military assistance from the West; but that if he could NOT get it, he would be forced to accept offers of arms from Soviet-domi-

nated countries. That is just what he has done.

When in 1948 Israel bought arms from Czechoslovakia with American dollars, fifty percent of which were indirectly contributed by the American Government (because of the tax angle), nobody raised an eyebrow. When Egypt and Syria, having been refused arms by the West, bought, in turn, their arms from Czechoslovakia, for which they paid not in American dollars, but with their own cotton, rice and other products, all the West damned them! The Arabs don't see the difference.

On January 15 1957 I appeared on behalf of the National Economic Council before the House Foreign Affairs Committee at a hearing on a resolution calling for the so-called "Eisenhower Doctrine" which authorized an appropriation of \$200 million. In a brief statement I told the Committee that this by itself would accomplish little. I added:

"Let the Congress cut off all aid, both governmental and private—to Israel. Israel would then cease to be a factor. The Arabs, in my opinion, would cease to be interested in communism. War, which could become a third World War, in which we Americans would lose even if we won, would cease to be a serious threat."

Several of the Committee, ignoring the substance of what I recommended, confined themselves to condemning my "anti-Semitism"—thus adopting an epithet which informed Americans recognize as a means employed by Zionists to conceal activities inimical to American vital interests. In vain I pointed out that Arabs are Semites and asked how anyone could be "anti-Semitic" and yet be pro-Arab.

We have spoken of the ruthlessness of or on behalf of the Israelis in Israel. This ruthlessness has its counterpart in the United States in the notorious Anti-Defamation League.

Every patriotic American organization that has been in the slightest degree effective, has felt the underhanded attacks of the ADL. Their representatives intimidate contributors to such groups, where they cannot persuade or coerce; or they have withdrawn quickly if threatened with exposure.

The violence and even murder, committed by Israelis in Palestine, could be incited in the United States. Only American public opinion can induce Congress to compel a change of policy—by the ADL, and by the Administration toward this tremendous Middle East problem.

We haven't much more time for effective action. By prolonged knuckling down to the international Zionists America has handed Soviet Russia one of the best openings she has ever had, and that on a silver platter. But at least the explosive Palestinian refugee situation, long in effect ignored and avoided by the American Government, is now out in the open and its danger recognized. According to some recent talks I have had with informed Arabs, I believe the difficulty can still be resolved. It would certainly be resolved if the United States would discontinue all aid to Israel. That would eliminate the Israeli threat to the Arabs, and they would again be our friends.

Of course, those Americans who accept the guidance of Zionist propaganda and those uninformed persons who are sincere in believing we cannot change our policy—

that it would be unfair to the State of Israel—might object to this. Although during World War II, after we had long supported Mikhailovich, the heroic and unquestioned leader of the Yugoslavs, we abruptly switched, allowed Mikhailovich to be captured and executed, and ever since have supported communist Tito. That action was undoubtedly taken at the behest of the Soviet Government. Many Europeans last Fall asked me how the United States, supposedly anti-communist, could possibly support Tito. And I had no answer.

Is America not now willing to reverse its policy toward Israel, foisted upon it by a little group of willful men who have deliberately placed their loyalty to a foreign government (and a purely synthetic government, at that) above their loyalty to the United States? The question ought to answer itself.

Arabs have pointed out to me that the Arabs of the Middle East greatly prefer the United States to Soviet Russia as their trusted ally. What they have said to me lately confirms what was said to me on my visit to Arab countries four years ago. They feel the U.S. is literally forcing them into the arms of the Soviets. They simply will not tolerate the presence of the State of Israel as at present constituted.

If we do not reverse our attitude of placing the support of Israel above everything else in that area, then gradually the rest of the Middle East will join Egypt and Syria in the Soviet orbit. The Middle East, with its oil and with its huge American investment, will be lost. Soviet Russia will have gained one of her greatest objectives.

Europe, deprived of Middle East oil, will depend more and more on the United States. Since the cost of getting oil from the U.S. will be far greater than from the Middle East, and since the Soviet Government will control the Middle East, does anyone believe it will be long before all of Europe will be practically forced to desert America?

Whether the United States is willing to adopt one or the other alternatives resolves itself into the simple question—do we want war or peace? With all the prattling by American spokesmen and their friends about the "quest for peace" and "keeping the peace," whatever exactly those phrases mean, it would seem that we should reach a decision quickly in favor of one or the other.

The great trouble with the United States is that in the last three Administrations its decisions—almost always in foreign policy, and often in domestic policy, as with the tariffs—have been influenced by alien forces.

If we want to prevent a war that could wipe out a large part of the United States, if not most of the civilized world, we had better decide soon.

The Administration, without pressure from the Congress and the people, will probably do nothing. It is too heavily infiltrated with Zionists and communists, even in the highest echelons.

But the Congress can act. And the Congress will act if the members hear from enough citizens.

Abe Lincoln & The Rothschilds

**THE CIVIL WAR WAS NOT FOUGHT
OVER SLAVERY, BUT FINANCIAL
FREEDOM!**

Republished from
SOCIAL JUSTICE, Feb. 12, 1940

Textbooks that have been carefully edited continue to teach American school children that the American Civil War was fought over the Slavery issue; that is, that the South did not wish to free the Negro slaves. But if we look behind the scenes we will find that the "slave question" was but the surface issue. Below the surface ran a current of intrigue that ended with the assassination of Abraham Lincoln because he was determined that the United States be free from the bondage of the international bankers.

The Missouri Compromise was written in 1820. Thirty years later, a subsequent compromise of 1850 was effected. For thirty years America had worked out her problems—the problem of slavery and later the problem of State Rights—satisfactorily. Even as late as the Kansas-Nebraska Act, the give-and-take of compromise was effective. Yet in the year of 1857 the war was decided upon, not in the prospering South, not in the prospering North, but in London, England!

Division Of United States

Plotted In London

In the year 1857, the money power of old Europe centered in the House of Rothschild. Disraeli represented them in England; Napoleon III in France; Bismarck in Germany and Mazzini in Italy. According to Mr. John Reeves, who wrote on page 228, of an authorized biography entitled: "The Rothschilds, The Financial Rulers of Nations," based on research in their own archives, there was a famous meeting in the City of London in 1857. The great Rothschild family was assembled from the countries of Europe for the marriage of Lionel Rothschild's daughter, Leonora, to her cousin, Alphonse, son of James Rothschild of Paris.

Disraeli is reported to have said:

"Under this roof are the heads of the family of Rothschild—a name famous in every capital of Europe and every division of the globe. If you like, we shall divide the United States into two parts, one for you, James, and one for you, Lionel. Napoleon will do exactly and all that I shall advise him."

Thus, in London, we see a plan fostered by the money power of Europe, moving in on America, and pitting the North against the South under the old principle of "divide and conquer." The North was to become a British colony annexed to Canada, while the South would go to Napoleon III of France!

**Judah Benjamin,
Rothschild Agent**

"Napoleon's object was to assure the predomination of the French over the Latin races and to augment the influence of these races in America. Napoleon decided to recognize the independence of the rebellious American States and repeatedly urged the British government to join him in so doing," according to Mackenzie in his historical research entitled "The Nineteenth Century."

Judah P. Benjamin was chosen by the Rothschilds to do their work in the United States and he was the first adviser to Jefferson Davis, the President of the Southern Confederacy. Benjamin has been called "the brains of the revolt." He was also the Secretary of State of the Confederacy under Jeff Davis.

The Confederacy consisted of eleven Southern States bound by a written Constitution, modeled in part after our own

Mayer Amschel Rothschild (Jew)

Founder of the House of Rothschild, whose dream of dividing the U.S. between Canada and France almost materialized.

Constitution. It was founded on the fundamental principle that each one of its eleven constituted States had the right to secede from the Union, or to separate from the other 23 out of 34 States of the Union.

Nevertheless, at the instigation of Benjamin and under pressure of Napoleon, Texas and Louisiana were placed on the bargain counter in exchange, presumably, for Napoleon's aid. The latter was supported by Disraeli of England, who had assured the Confederacy of the support of Britain behind the nine remaining States, after Texas and Louisiana were to be ceded to France.

Intervention Of Czar Saved United States

English, French and Spanish troops had landed at Vera Cruz in 1862. Since June 5, 1863, the French General, Bazaine, had occupied the capital of Mexico. The danger was great. The genius of President Lincoln was taxed. He knew the North, alone, could not have withstood such a combination. Moreover, Archduke Maximilian had been induced to accept the throne of Mexico. But fate stepped in.

The Christian Czar of Russia, Alexander II, through his Ambassadors at Paris and London, knew of the plan, knew of England's recognition of the Confederacy, knew the Rothschild plot behind the whole maneuver.

The Czar dispatched a fleet to San Francisco under the command of Admiral S. Lesowsky, on Sept. 8, 1863, and a squadron to New York under Admiral A. A. Popoff. Both Admirals had orders from the Czar "to be ready to fight any power and to take orders only from Abraham Lincoln."

Needless to say, this generous and vigorous action saved the United States from foreign intrigue. James Rothschild was left without Mexico and the Southern States, and Lionel could not capture the North through military measures. But the European Machiavellis were determined on financial conquest, if not actual slavery.

John Wilkes Booth Code Found In Benjamin Trunk

The good Czar, after several unsuccessful attempts on his life, was murdered in 1881. Lincoln was murdered in 1865, on April 4th, by an actor, John Wilkes Booth, in whose trunk was found coded messages the key to which was found in Judah P. Benjamin's possession! Benjamin escaped to England where he later died.

Judah Benjamin

This Jew was chosen by the Rothschilds to do their evil bidding in the U.S. He has been called "the brains of the revolt."

The good Czar, Alexander II, had been responsible on September 19, 1861, by imperial decree, for emancipating the Russian serfs, in number over 47-million. Serfdom was ended by the stroke of a pen.

But in the United States, it took billions of dollars and oceans of blood to free three millions, not serfs, but slaves—because of an infamous plot of English and European money lords.

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it in "La Vieille France," (No. 216, March, 1921) forty-five years later.

Bismarck Told Story In 1876

"The division of the United States into two federations of equal force was decided long before the Civil War by the High Financial Power of Europe. These bankers were afraid the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the world. The voice of the Rothschilds predominated. They foresaw tremendous booty if they could substitute two feeble democracies, indebted to the Jewish financiers, to the vigorous Republic, confident and self-providing. Therefore, they started their emissaries in order to exploit the question of slavery and thus to dig an abyss between the two parts of the Republic."

"Lincoln never suspected these underground machinations. He was anti-Slaverist, and he was elected as such. But his character prevented him from being the man of one party. When he had affairs in his hands, he perceived that these sinister financiers of Europe, and the Rothschilds, wished to make him the executor of their designs. They made the rupture between the North and the South imminent! The master of finance in Europe made this rupture definitive in order to exploit it to the utmost. Lincoln's personality surprised them. His candidature did not trouble them; they thought to easily dupe the candidate woodcutter. But Lincoln read their plots and soon understood, that the South was not the worst foe, but the Jew financiers. He did not confide his apprehensions, he watched the gestures of the Hidden Hand: he did not wish to expose publicly the questions which would disconcert the ignorant masses."

"Lincoln decided to eliminate the international banker by establishing a system of loans, allowing the States to borrow directly from the people without inter-

Fight communism with your money and COMMON SENSE. Money is our ammunition, and we are short of ammunition.

COMMON SENSE fights for Freedom, and against Free-loomers (communists). Send ammunition to COMMON SENSE regularly, and insure your Liberty. After all, you have your Life insured, your property insured, and your car and business insured. So why not insure your most valuable possession—LIBERTY?

A Fortune Teller or Crystal Gazer is not needed to explain what would happen to the title and ownership of your monetary and property assets if the communists should take over our Government.

All propaganda to the contrary about the dangers of communism in the United States, are "left-wing commercials" hatched by the Marxists to keep the slumbering Americans in a constant state of slumber.

The slogan of this paragraph is: you can't take it with you, so why hoard it? It's a matter of public record how the Ford Foundation and its subsidy the Fund For the Republic are spending millions of dollars on "left-wing projects" that are 100% contrary to what Henry Ford himself would do were he alive. The same applies to many other great Funds. The Carnegie Fund was administered by Alger Hiss.

The moral of this story is—"GIVE WHILE YOU LIVE."

Don't be fooled into giving money to milk-toast, hypocritical organizations which are afraid to name the enemy. During the past 15 years a great amount of money has been given to smooth-talking groups that fight communism by having meetings, passing resolutions, and talk, talk while they tip-toe around the enemy they dare not name! They are willing to fight malaria, but dare not mention the real source—the mosquito. They haven't even begun to slow down these plotters!

Unsuspecting people have been giving over 20 million dollars a year to The Crusade For Freedom which operates Radio Free Europe, and now learn their money has been used to promote a Trotsky brand of communism, (Tito, etc.)—which is money gone down the drain!

Each year your security is more and more in danger. COMMON SENSE has been in operation for 12 years now, after the first 2 years operation the Editor's funds were exhausted, COMMON SENSE is and has been supported solely by small contributions, while its Editor, Conde McGinley has given his full time without salary.

mediary. He did not study financial questions, but his robust good sense revealed to him, that the source of any wealth resides in the work and economy of the nation. He opposed emissions through the international financiers. He obtained from Congress the right to borrow from the people by selling to it the 'bonds' of the States. The local banks were only too glad to help such a system. And the Government and the nation escaped the plots of the foreign financiers. They understood at once, that the United States would escape their grip. The death of Lincoln was resolved upon. Nothing is easier than to find a fanatic to strike.

"The death of Lincoln was a disaster for Christendom," continues Bismarck. "There was no man in the United States great enough to wear his boots. And Israel went anew to grab the riches of the world. I fear that Jewish banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. The Jews will not hesitate to plunge the whole of Christendom into wars and chaos, in order that 'the earth should become the inheritance of Israel'."

Facts Hidden In American Files

Thus does unwritten history come to light with the years. Again, we repeat that the above quotation from Bismarck was released to the public in 1921, some forty-five years after it was written. Bear in mind also that the official archives of the United States Government, bearing on the Civil War, will not be available until 1965, or 100 years after the event. We have, therefore, been obliged to go to European sources to obtain the facts.

The Second Gettysburg Address

Four-score and seven Mondays ago my Supreme Court brought forth on this continent a new constitution conceived in Washington and dedicated to the proposition that all segregationists are bayoneted equal. Now we are in a second Civil War, testing whether that Black Monday or any other Monday so conceived and so dictated, can long be endured. We are met in a great battlefield of the Little Rock Central High School. Our paratroopers have come to desecrate a portion of that field as a final resisting place for those who there gave their all that States Rights might live. It is altogether fitting and proper that we do this for the sake of our enemies throughout the world, to whom we've given \$60 billion since the second World War to make the world safe for democracy. But in a larger sense, we cannot carry New York, New Jersey, Michigan, nor even the United Nations unless we integrate everything. The brave paratroopers who are living there have restored us into the good graces of Russia, NAACP, Africa, and Mrs. Roosevelt, far above my own poor power to add or subtract. The South will little note nor long remember what we say here, but it can never forget what we did here. It is for us, the Modern Republicans, to do this before the Democrats beat us to it. It is rather for us to be here dedicated to the great integration campaigns remaining for us,—that from these honored paratroopers we take increased devotion to that cause for which we gave the last full measure of dictatorship,—that we here highly resolve that these States Rights shall not have died in vain,—that these States, under Sherman Adams, shall have a new dirth of freedom,—and that government of the Supreme Court, by the paratroopers, and for the minorities, shall not perish at the next election.

COMMUNISM RAMPANT IN ISRAELI GOVERNMENT

DUE TO ZIONIST CONTROL OF THE PRESS, RADIO, TV AND OTHER NEWS OUTLETS, THE AMERICAN PEOPLE ARE CONSTANTLY GIVEN A FALSE PICTURE OF ISRAEL, THE SO-CALLED "DEMOCRACY" IN THE MIDDLE EAST. THE TRUTH, AS ONE WILL SEE BY READING THE ARTICLE HEREIN, IS THAT ISRAEL IS A GOVERNMENT RUN ON COMMUNIST LINES, EVENMORE SO THAN THE SOVIET UNION!!

By Dr. Fayez A. Sayegh

Counsellor of the Arab States Delegation
to the United Nations

Most Americans today are concerned about the recent penetration of Communist-Soviet influence into the Middle East. Few realize how deeply entrenched Communism has been for several years in the one spot in the Middle East which intensive propaganda has portrayed as an "island of democracy" and as an "outpost of Western influence" in that vital region. That spot is the **ZIONIST** state of **ISRAEL**.

In order to have a balanced, comprehensive picture of the situation and strength of Communism in the Middle East, Americans must have access to all the facts about the strength of Communism in Israel. This is the state America helped bring into being ten years ago! American philanthropy—in the form of public grants as well as tax deductible private donations, running into hundreds of millions of dollars annually—has literally subsidized it since 1948.

We shall establish—exclusively on the basis of **ISRAELI** publications, and writings of Zionist and pro-Israel authors—the following facts:

1. The only country in the Middle East in which the Communist Party is recognized by law, and operates openly and freely, is **Israel**;
2. In addition to the Communist Party, there are two left-wing Marxist parties in Israel;
3. These three parties jointly occupy 25 seats in the Israeli Parliament;
4. The two Israeli left-wing Marxist parties participate in the five-party ruling coalition. They have four ministers in the 16-man Cabinet;
5. Over 88% of the rural settlements in Israel are organized on a communal, collectivist basis and governed by Marxist principles.

ISRAEL'S COMMUNIST AND LEFTIST POLITICAL PARTIES

Israel is the only country in the entire Middle East in which Communism operates freely, with the sanction of the law. There Communist organizations are permitted to engage openly in the full range of the state's political life. This fact is seldom publicized in the U. S. When it is reported at all, it is summarily dismissed and ignored, as though it were without significance.

An illustration of the casual reference made to Israel's monopoly of legal Communism in the Middle East, may be found in a recent book, by Harry B. Ellis, of *The Christian Science Monitor*, **Israel & The Middle East**. The Israeli Ambassador to the

Premier David Ben-Gurion of Israel
Born David Green

U. S. hailed this book, when it appeared in 1957, as a "painstaking and honest attempt to examine a very complex problem." While noting that "every Arab government has outlawed the Communist Party within its own country" (p. 239) and that Israel's Communist Party "is the only legal Communist Party in the Middle East" (p. 154), the author, as usual, writes as though Communism prevailed in Arab society!

The political strength of Communism in Israel is not confined to the orthodox Communist Party. There are two other leftist, fellow-traveling parties, known as the **MAPAM** and the **AHDUT HAAVODA-POALI ZION**. Let us analyze the objectives and principles of these three groups.

THE ISRAEL COMMUNIST PARTY

This is the orthodox Communist grouping which follows the usual lines, mouths the usual catch-words, which have become universally familiar through the operations of Communist Parties in various countries. In an official publication of the Israeli Government (*Facts & Figures*, 1955, published by the Israel Office of Information, N.Y.) the program of the Israel Communist Party is authoritatively summed up (in page 19):

It's aim—Socialism. Basing itself on the Marxist theory of class struggle and guided by the theory of Marx-Engels-Lenin-Stalin, the party fights for peace, the real independence of Israel, genuine democracy, civil and national equality of rights, and for the interests of the toiling masses.

THE MAPAM & THE AHDUT

Before the establishment of Israel, three independent groups, known as **Ahdut Haavoda**, **Poalei Zion**, and **Hashomer**

Hatzur, merged and formed a single party, to which the name, **Mapam**, was given. After the establishment of the Zionist state, this new political compound became the second strongest party in Israel. It was described at that time by Dr. Joseph Dunner, an American Zionist, in his book, *The Republic of Israel*, (pages 129-130):

The distinguishing feature of **Mapam** since the merger has been its strong pro-Soviet orientation. It holds that... Israel... must rely on the Soviet Union and the "peoples democracies" of eastern Europe for support. **Mapam** takes credit for the flow of arms and ammunition to Israel from Czechoslovakia.

After its successes in the parliamentary elections of 1949 and 1951, when it gained 19 and 15 seats respectively, the **Mapam** party underwent successive splintering. First, a faction seceded in January, 1954, and organized itself as the Left Socialist Party. It merged in October of the same year with the Israel Communist Party. Second, the **Ahdut Haavoda** abandoned the merged party in August, 1954, and reverted to its original name, while the **Hashomer Hatzair** retained the name **Mapam**.

The character of these parties may be gauged from their own definition of their objectives, supplied by the parties themselves, to the Israel Office of Information in N.Y. In 1957 this material was published in *Facts About Israel*. According to this

Kol Nidre-All vows.

The "Kol Nidre" is a Jewish prayer, named from its opening words, "All vows". It is based on the declaration of the Talmud: "He who wishes that his vows and oaths shall have no value, stands up at the beginning of the year and says: 'All vows which I shall make during the year shall be of no value.'"

It would be pleasant to be able to declare that this is merely one of the curiosities of the darkness which covers the Talmud, but the fact is that "Kol Nidre" is not only an ancient curiosity; it is also a modern practice. In the volume of revised "Festival Prayers", published in 1919 by the Hebrew Publishing Company, New York, the prayer appears in its fullness:

"All vows, obligations, oaths or anathemas, pledges of all names, which we have vowed, sworn, devoted, or bound ourselves to, from this day of atonement, until the next day of atonement (whose arrival we hope for in happiness) we repent, beforehand, of them all. They shall all be deemed absolved, forgiven, annulled, void and made of no effect; they shall not be binding, nor have any power; the vows shall not be reckoned vows, the obligations shall not be obligatory, nor the oaths considered as oaths."

official publication (p. 62) Mapam defines itself as "a left-wing Zionist Socialist Party" and proclaims that "its programme demands... a line of neutrality on the part of Israel" and the "abolition of all military pacts and alliances." The Ahdut Haavoda, on the other hand, announces (p. 62) that it stands for "a neutralist foreign policy; opposition to foreign military aid and foreign bases;" and "friendship with all peace-loving peoples." The party omits from the definition of its program supplied in an English translation for publication in the U.S., some elements which appeared in *Facts & Figures, 1955*, published by the Government Press Office in Israel, such as the fact that its program calls for support of the "WORLD PEACE POLICY OF THE USSR" and of "Popular China" (p. 18).

COMMUNIST AND LEFTIST PARTIES IN ISRAEL'S PARLIAMENT

Each of these three parties is represented in the Israeli Parliament. Out of a total of 120 seats, the number they jointly occupy has risen from 20 in 1951 to 25 in 1955. Today, the Communist and Leftist Parties jointly occupy more than one-fifth of the total number of seats in Israel's Parliament.

To assess accurately the strength of these Communist and Leftist forces in the political life of Israel, one must remember that the Israeli system of parliamentary elections is based on the principle of "proportionate representation." This means that the people vote for parties, and not for individuals. Each party is assigned a number of seats proportionate to the votes it received. In turn, it names individuals who occupy those seats.

LEFTISTS IN ISRAEL CABINET

Since the beginning of its political history, Israel has had coalition govern-

ments. At no time has there been in the Israeli Parliament a party sufficiently strong to form a cabinet without the support of other parties. The present cabinet represents the five-party coalition which has been in power since the elections of 1955. The two Leftist parties—Mapam and Ahdut—are represented by two ministers each in the 16-minister cabinet. Under the present set-up, Mapam has the portfolios of Development and Health, while the Ahdut has the portfolios of the Interior and Communications.

Thus, we see that a quarter of the ministers composing the present ruling regime in Israel, and participating in its coalition cabinet, are representatives of the avowedly LEFTIST and pro-SOVIET parties!

ISRAEL'S COMMUNAL AND COLLECTIVIST SETTLEMENTS

Communism is now strongly entrenched not only in the political life and institutions of Israel, but also in the structure of Israeli society. The political strength of Communism in Israel is derivative. It reflects the wide appeal of Communism as an ideology and a way of life to Israeli masses. It shows the strong influence of Marxist-Socialist teachings upon Israel's socio-economic organization.

The political fortunes of Israeli Communist and Leftist Parties must be viewed not as incidental or passing phenomena in Israel's political life, but as direct manifestations of the deeper and more lasting influence Communism exercises over the minds, hearts and aspirations of large groups of the Israeli people. This aspect of Communist strength in Israel is primarily in the rural settlements, through which the Zionist experiment in Palestine was initially conducted. They are today main pillars of Israeli society. The majority of these are organized on a communal, collectivist basis, and governed by Marxist principles.

The most extreme and widespread type of communal, collectivist settlement is the

Here you see endless rows of crosses of soldiers killed in World War II, all for the cause of Zionism. Are we Americans foolish enough to allow our country to be eventually dragged into another holocaust and thus further weaken Christianity?

The Middle-East is likely where the spark will be ignited that may well spell the end of Christianity!

Zionist Israel will never rest until she has practically all of the Middle-East under her control. The so-called refugees are still pouring into Israel by countless numbers. There is just so much room for expansion, after that the Arabs will be again under fire, for Israel must acquire more territory. But most dangerous of all, we, the American people are liable to be sucked into sending our boys once again to a foreign country to further the cause of the Zionists!

Looking closely, it is difficult to locate the Star of David on any of the graves. Was this not the main reason Anna Rosenberg, while Assistant Secretary of Defense, ordered all crosses removed from military cemeteries?

Kibbutz or the Kvutza—but it is not the only variety. Other types include the Moshav Shitufim and the Moshav Ovdim.

THE KIBBUTZ

Officially, the Israeli Government in *Facts About Israel* describes and defines the Kibbutz:

Kibbutz or Kvutza (plural: Kibbutzim or Kvutzot): Communal collective settlement; all property is collectively owned and work is organized on a collective basis; the members give their labour and are supplied in return with housing, food, clothing, education, culture and social services; there is a central dining room and kitchen, communal kindergartens and children's quarters, communal social and cultural centers and central stores.

This description of the pattern of socio-economic organization which governs the Kibbutz may be supplemented by the reports of interested and sympathetic observers. Collective ownership is fundamental. As Dr. Dunner observes in his book, *The Republic of Israel*, (page 142):

Not only the means of production are owned in common, but ALL THE PERSONAL THINGS OF LIFE ARE ALSO POSSESSED BY THE GROUP as a whole. Everyone draws his clothing from the common stock. His wants are satisfied in accordance with his needs. Everyone gets his tobacco or cigarettes from the common supply... He who joins a KVUTZAH gives up his money, his private home, furniture, books, clothing, all his earthly possessions. No individual accounts are kept.

In his book, *The New State of Israel*, Colonel Gerald de Gaury reports (p. 206) that all products of the Kibbutz are marketed and sold by the community, either directly or through co-operative marketing organizations, and that "pay for work of a member outside the Kibbutz goes direct to the secretary of the community for the community."

A Zionist couple's room or quarters, however, do not house the children. "Children live apart from their parents in

their own separate quarters, where they eat, sleep, and have classes," writes Ellis; At four o'clock each afternoon the children go to the room of their parents for a two-hour period. This is the children's hour... When supper time arrives, the children go back to their own quarters, where they eat and then go to bed" (page 169). He adds: For one and one-half months after giving birth to a baby, a mother is exempted from work. Then gradually she works back into the organization, until, when her baby is 6 months old, the mother assumes her full work load. From that point on, except in cases of special need, she sees her child only during the children's hour." (p. 186).

This situation is labelled by Dr. Dunner as "the most striking feature of the Kibbutz" (p. 143). Whether "striking" or "strange" is the proper term to use in describing this practice is a matter of opinion. There are other "striking" or "strange" features of Kibbutz life. Colonel de Gaury reports:

"In the beginning members of some of the Kibbutzim did not solemnize and register their marriage before a Rabbi or solemnize it before witnesses... more and more members of the Kibbutzim now register their marriages with a Rabbi" (page 207). He adds: "In some new ex-soldier settlements where life is hard, accommodation limited and all the members below 30, young members of both sexes share the hut rooms, generally in threes, but the tendency is towards marriage before a Rabbi or registration of it by him, as soon as a child is expected. The community, on application, provide a private room for the couple. The man then ceases to sleep in a dormitory with others, and his children are brought up and sleep in the communal children's quarters" (p. 207).

According to Ellis (pages 169-170): "Generally boys and girls are allowed to sleep in the same room until they themselves desire separate quarters and separate showers. In some Kibbutzim sexual intercourse between unmarried youth, is considered the affair of the young people themselves."

It is customary for Zionists and pro-Zionists to speak of communal & collective settlement with pride and enthusiasm. Dr. Dunner asserts:

"...The Kibbutz forms a unique achievement of Jewish colonization, indeed an original contribution of the Jewish homeland to agrarian reform" (p. 142).

Mrs. Roosevelt, commenting on the Kibbutz, writes: "It is clear that agricultural communities such as this one are not merely economic projects to these people, but an entire way of life, of living and working together. They apparently take great hold of the young people who are captured by the communal idea" (p. 45). Evidently, this Zionist appeal is catching—affecting Mrs. Roosevelt herself—for she subsequently speaks glowingly of the "crusading zeal and imagination" she professes to have found on the Zionist farms; and, singling out the Kibbutz, she confesses that she found it "particularly" interesting, and writes about the "heroic part" it played not only in peace but also in war (pages 43-46).

The enthusiasm of the Israeli, and the excitement of Zionists and quasi-Zionists, over the predominating types of rural settlement do not conceal nor alter the fact that they are organized on communal and collective bases and governed by Marxist principles. Many students of socio-economic systems have compared these Israeli communal settlements with the Kolkhozes of the Soviet Union—only to find that the ISRAELI type exceeds the Soviet type in the degree to which it realizes the communal principle.

Zionist Dr. Dunner proclaims that "the Kolkhozes never applied communistic principles in the relations of their members to the extent of Israel's KVUTZOT and KIBBUTZIM" (p. 144); while Supreme Court Justice William O. Douglas, asserting that the Kibbutz "is probably more strictly socialistic than the collective farms

in Russia," explains:

"In Russia, while all farmers are on collective farms most of them have a small plot of land. There they may grow what they like and sell it on the market. They also have separate homes and kitchens. In a Kibbutz, however, everything is communal." (Strange Lands And Friendly People, page 274).

Perhaps then, the special Study Mission of the Committee on Foreign Affairs of the U.S. House of Representatives was actually understating the case when it described the Kibbutz as "a form of elementary communism" and judged that it "cannot be classified among democratic institutions." (House Report No. 2147, pages 30 and 32).

The relevance of these findings to our examination of the strength of Communism in Israeli society today is reinforced by the fact that the overwhelming majority of rural settlements in Israel are communal and collective. According to official statistics, the total number of Israeli communal and collective settlements of the 3 types is 507. There are only 69 permanent settlements of more conventional types. More than 88% of the permanent rural settlements in Israel are communal and collective in organization.

Nor is the impact of communal settlements upon Israeli life fully told by statistics alone. The Kibbutz enjoys a special role in the shaping of Israeli society. It was originally conceived as "an outpost of Zionist settlement in Palestine" and designed "to set the pattern for the future Jewish community of Israel" (Murray Weingarten, Life in a Kibbutz, pages 7-8). The Kibbutz soon became "the instrument of Zionist settlement in Palestine" (Ellis, p. 58) and remained throughout the Mandate "the basic form" of such settlement (p. 98). Later, it played "an indispensable role in the early days of statehood" (page 172). Even today, it remains the symbol of Zionist "pioneering"—so much so that, when Premier Ben Gurion decided to retire in 1953, it was to a Kibbutz that he went; and, upon his return to public life, he continued to seek rest and inspiration in a Kibbutz.

SOVIET-ISRAELI RELATIONS

We have surveyed the most important manifestations of Communist strength in the domestic life of Israel—political, social and economic. The other side of the coin—Israel's relations with the Soviet Bloc—merits separate examination.

In this examination (to which we shall return, in a forthcoming issue of the American Mercury), we shall establish—relying exclusively on official utterances of the Israeli and the American Governments, on Zionist and pro-Israeli publications, and on news reports published by the New York Times, which cannot be charged with anti-Israel bias—the following facts:

1. The Soviet Union's support or the establishment of Israel in 1947 was crucial; it tipped the balance at the U.N. in favor of the partition resolution; 2. The first Israeli diplomatic envoy was appointed to Prague; the second, to Moscow; 3. The first country in the Middle East to purchase arms from the Soviet Bloc was Israel; 4. The first country in the Middle East to proclaim a "neutralist" foreign policy, and to adhere to it consistently and without deviation since its inception, was Israel; 5. Israel pledged in July, 1953, never to join any anti-Soviet alliance or pact; 6. Israel's trade with the Soviet Bloc continues to be vital for Israel's economy and, relatively, in excess of Arab-Soviet trade.

COULD THIS BE THE HIDDEN PREMIER OF ISRAEL?

Menachem Beigin

Mr. Beigin has pledged his Organization HERUT to setting up Israel with 3 times the territory now occupied. There is an inscription on the wall of the Knesset which describes Israel as extending "from the Tigris and Euphrates to the Nile." With this pledge in mind, it is interesting to see just who and what this man is.

Menachem Beigin is a revolutionist and terrorist, former leader of Irgun Zvai Leumi in Palestine, the group that murdered Count Bernadotte in cold blood.

Max Wulschleger, political editor of Arbeiter-Zeitung (Workers Journal) of Basle, Switzerland, is authority for the statement that Beigin's real name is Freymann, a former Communist in Germany. Other sources state he is a Yiddish-speaking Khazar born in Brest-Litovsk, Russia; fathers name Zeev Dov.

He received his military training in the Soviet Union and was sent to Spain with the Communist Brigade in 1936, taking a prominent part in the Revolution there, where over one and a half million people died before the Communist forces were finally driven out.

He served with the Red Army in China and later in Palestine. He was in charge of the Irgun Organization, and in 1946 he consolidated Irgun with the Stern Gang. (Incidentally, the Editor of Common Sense has received violent threats from the Stern Gang).

The New York Times of Nov. 23, 1948 stated:

"Beigin led one of the most successful resistance movements in history. It was because of the valiant fight waged by the heroic underground that the whole structure of the British Regime in Palestine collapsed making possible the proclamation of Jewish Sovereignty and the establishment of the State of Israel.

"The strategy employed by Beigin was that of continuous harassment of the British, compelling them first to withdraw into their own Ghetto behind barbed wire and fortress walls and then reaching them behind the barbed wire and their own fortifications. The destruction of Government buildings, Tax records, Emergency records and the underhanded attacks on military targets turned British policy in Palestine into a nightmare.

"Within the formal declaration of the State of Israel, Beigin ordered the men of the Irgun into the Army of Israel. They profess the revolutionary army is not over."

JOSEPH DUNNER, Zionist Jew, in "The Republic of Israel," page 10, (Oct. 1950) stated the following: "To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century, Jesus became the symbol of anti-Semitism, of libel, of cruelty, of violent death."

College Students Brainwashed

One thousand delegates from 250 colleges got a thorough brainwashing at the 10th National Student Congress held at the University of Michigan in late August. The keynote address was given by Buell Gallagher, president of the College of the City of New York and member of the NAACP Board of Directors for 23 years.

Gallagher called the race question the "key issue facing the United States" and said, In the long run, opposition to integration, whether in the North or South, will be seen as a last dying rattle of an order that is passing."

Urging students to carry the fight for integration with "democratic processes, using the courts and public information media," Gallagher said, "What we need in our colleges and universities is more persons of strong character who have a healthy maladjustment to contemporary society."

THE VIRGINIAN is unable to report which kind of "society" Gallagher might find acceptable but can report some interesting facts about the College of the City of New York (CCNY), of which he is president. CCNY is noted particularly for its distinguished Communist alumni, among

Barney Baruch (Zionist)

whom it can list as old grads Julius Rosenberg and Morton Sobel, both convicted atomic spies.

Other CCNY graduates have also achieved fame of a sort. No less an authority than the self-styled "Anti-Defamation League of B'nai B'rith" had to ad-

mit that as a result of the late Sen. McCarthy's famous Fort Monmouth investigation forty employees were either suspended or declassified. Of these forty, thirty-five were Jews and one a Negro—and half of these had attended CCNY! Bernard Baruch (Zionist) affectionately calls CCNY his college.

One of the student leaders attending the 10th National Student Congress was Miss Evelyn Harrison Breeden, of Richmond Va., president of student government at Mary Washington College, a state-supported institution. Miss Breeden reported to the press that the Student Congress passed resolutions supporting the Supreme Court's public school race-mixing edict, supporting "academic freedom," a catch-all which often appears in the communist press, and supporting statehood for Alaska and Hawaii.

TOO TRUE!

To quote a French Canadian paper, L'Unité Nationale, Nov. 4, 1953, published in Montreal: "The president of the World Jewish Congress, Dr. Nahum Goldman, at Montreal in 1947, declared: 'The Jews might have had Uganda, Madagascar and other places for the establishment of a Jewish fatherland, but they want absolutely nothing except Palestine; not because of the Biblical or religious significance of Palestine; not because the Dead Sea waters by evaporation can produce five trillion dollars worth of metaloids and powdered metals, not because (following Mr. Dulles) the sub-soil of Palestine contains twenty times more petroleum than all the combined reserves of the two Americas, but because Palestine is the crossroads of Europe, Asia and Africa, because Palestine constitutes the veritable center of world political Power, the strategic military center for world control.' —"

More "Fifth" Pleaders!

From The U.S. Senate
Internal Security Subcommittee

Washington, D.C.—There should be no double standard in the attitude of organized labor toward union leaders who invoke the Fifth Amendment, whether it be to avoid answering questions on corruption or communist activity, Senator James O. Eastland (D-Miss.) said today.

"We have seen many vigorous statements by heads of AFL-CIO unions condemning the use of the Fifth Amendment in corruption investigations," he said. "Yet the Internal Security Subcommittee has experienced the widespread recent use of the Constitutional privilege against self-incrimination by union members and officers to decline questions on the communist movement, with no uniform reaction by responsible labor authorities."

Chairman Eastland said he considers investigations of both corruption and subversive activity as extremely important, but that different treatment of Fifth Amendment pleaders tends to give an aura of respectability to those who use that means to avoid giving information on Red activity.

"It is a well-known fact that the Communist Party of the United States resolved in its national convention last February to move back into the mainstream of labor. This Subcommittee has seen a trend by dedicated communists to leave discredited Red-dominated unions and to resume associations with more responsible labor organizations so that their voices will carry more weight with the American public.

"This is a most significant development, one which increases the peril of internal subversion in this country. It is disturbing to see that the very organizations being used apparently are not yet aware of the impact of this new communist line," Sen. Eastland declared.

An example of the present double standard, he pointed out, is the testimony of certain members of the United Auto Workers before the Subcommittee. Those hearings are printed in two publications released today. They are parts 64 and 65 of the Subcommittee's current series on the "Scope of Soviet Activity in the U.S."

"These hearings show that several UAW witnesses were defended by a local president for exercising the Fifth Amendment privilege, while another who testified freely about the communist conspiracy against his country was spoken of disparagingly," Senator Eastland said.

Sen. James O. Eastland (Patriot)

The disapproval of frank disclosure by local officers handicaps the efforts of the Subcommittee to provide the Senate with information on the communist conspiracy, Senator Eastland said.

"A man might wish to testify freely before us, but the possibility of incurring disapproval of his local union associates could inhibit him, thereby depriving the Senate of vital information needed to legislate against this threat to our government," he declared.

ADMIRAL JOHN G. CROMMELIN'S PLATFORM FOR ALABAMA

WHEREAS, None but the blind can fail to see and none but the dreamer will choose to deny that the present course of government is leading this State and this Nation to demoralization, mongrelization and bankruptcy, and

WHEREAS, The key to survival is a thorough understanding of the Communist-Jewish Conspiracy.

WHEREAS, The satanic plot to mix the blood of the White Christian People of the South with negroes is directed and financed by the Communist-Jewish Conspiracy, and

WHEREAS, Our great State of Alabama has been selected by the Communist-Jewish Conspirators as the proving ground for testing ways and means to carry out their plot, and

Rear Admiral John G. Crommelin (Ret.)

WHEREAS, The ultimate objectives of the Communist-Jewish Conspirators is to use their world-wide control of money to destroy Christianity and set up a World Government in the framework of the United Nations, and erase all national boundaries and eliminate all racial distinction except the so-called Jewish race, which will then become the masters—with headquarters in the State of Israel and in the UN in New York, and from these two communication centers rule a slave-like world population of copper-colored human mongrels. This is the Messianic dream of the Communist Zionist Jews but it is the unspeakable nightmare of the great White Christian Race, and

WHEREAS, It has been clearly demonstrated for the past twenty-five years or more that this plot cannot be defeated by small-men and small-women candidates for political office who, for fear of economic and political reprisal, neglect to expose the Communist-Jewish Conspiracy, yet run around shaking hands, babbling platitudes, and gabbling ridiculous, exaggerated, fatuous and futile promises of luxury and security for our old people, money for our small farmers in distress, money and jobs for our unemployed, more money for our school teachers, more and better schools for our children, medical assistance for all, and — LESS TAXES.

NOW THEREFORE, I, John G. Crommelin of Wetumpka, have, this 28th day of January 1958, filed with my party, the Democratic Party of Alabama, a declaration of candidacy for the office of Governor to be voted upon in the forthcoming Primary of May 6, 1958. My purpose is to conduct a hard hitting campaign in every

precinct in Alabama; expose the origin, nature and aims of the Communist-Jewish Conspiracy; win the election; establish a close and harmonious man-to-man relationship with each and every member of both houses of the State Legislature, and with their assistance break the grip of the Communist-Jewish power centers in New York and Washington; and return control of our State government to you White Christian Alabamians, my own people.

In order to do this the following eleven (11) point program is hereby submitted for consideration of the patriotic, sensible voters of Alabama:

POLITICAL PROGRAM

1. This PROGRAM shall be carried out in accordance with the rights of the State of Alabama as provided in The Constitution of the United States, one of which is to defend our liberty by whatever means and whatever measures are necessary.

2. A strong and effective system of State defense, which cannot be federalized, shall be created to meet any eventuality.

3. An Un-American Activities Committee of the State Legislature backed up by an Alabama Bureau of Investigation shall be established to investigate infringement or subversion of the rights of Alabama as guaranteed in the Constitution of the United States.

All available facilities shall be utilized to inform Alabama Citizens of the origin, nature, purposes and aims of the Communist-Jewish Conspiracy now bent on the destruction of the White Race and White Christian Civilization through economic strangulation, fratricidal wars, mongrelization and political slavery.

5. We shall reawaken in all Citizens of

Alabama an unswerving devotion to truth, honor, duty, racial integrity and pride in the United States of America and Christian Civilization.

There shall be no mixing of the races in the public schools and Communist-Jewish ideology and influence which tend to cause the degeneration of the White Race and the dissolution of our nation shall be eliminated from the curricula of Alabama public schools as well as from all other official information media.

7. Freeing of the press from the Communist-Jewish news "quarantine" shall be accomplished in Alabama to insure an honest, fair and truthful presentation of news, forever destroying the concept that freedom of the press includes the freedom to fabricate, distort, or conceal news to serve Communist-Jewish aspirations of world domination.

8. Any organization, institution or society which advocates mongrelization of the White Race or espouses any other form of subversion shall be outlawed in Alabama.

9. When this PROGRAM is carried out (and not until then) prosperity and confidence will return to our people and the taxes now levied upon us will, when honestly disbursed by an efficient State administration, be more than ample to provide security for the aged, to promote adequate educational facilities for our children, and to insure the independence of the small businessman, the farmer and the workingman.

10. The present fear, uncertainty and confusion which we see and feel around us can be stamped out in the short span of one four-year administration by an honest, fearless and dedicated governor working in close harmony with an honest, fearless and dedicated State Senate and House of Representatives to implement intelligently the above outlined PROGRAM.

11. Time is running out. Intelligent corrective action can no longer be postponed. **"THERE IS NO ALTERNATIVE TO LIBERTY."**

In the accomplishment of this PROGRAM, I pledge to you the Citizens of Alabama, regardless of the outcome of the election, my greatest possible physical, mental, and spiritual effort, so help me God.

Civil Rights Bill Authors Jake & Manny, How Red?

Is Sen. Jacob Koppel Javits a communist? In July, 1957, after Javits had announced his candidacy for U.S. Senator of N.Y. to succeed Herbert Lehman rumors began flying to the effect that Javits was tied up with communism.

In May of 1957, Bella Dodd had informed a group of women in Binghamton, N.Y. that the Communist Party had helped him enter politics. In July National Republican chairman Leonard Hall told Javits that he had to clear himself or else. In late August, Jay Sourwine, running for the Senate in Nevada, an ex-counsel of the Eastland Committee, blew the lid off the case by publicly fingering Javits, citing Bella Dodd and others, thus forcing the Jewish press in N.Y. to bring the issue into the open.

The Senate Internal Security Subcommittee held an open hearing Sept. 5, 1957, at which Jake was supposed to "refute the vicious rumors" about his having been "the protege of important communists who helped push him up the political ladder."

BEFORE the Committee hearing he was in serious difficulty in his drive to secure the nomination, but AFTER the hearing, due to bungling, inept interrogation, which seemed almost calculated to HELP Javits, he swept all opposition aside.

Powerful interests had been busy to prevent him being tagged a RED. On Sept. 10 the Republican Committee endorsed Jake. He was Attorney General of the State of N.Y., having won the post against FDR, Jr., which shows the tremendous power of the Jewish vote for a Jew in New York. Sourwine had complained that U.S. Attorney General Herbert Brownell (Tom Dewey's man) was recommending Javits for the Senatorial nomination in spite of the overwhelming evidence against Javits. He also stated Javits had intervened with the Internal Security Subcommittee on behalf of a man in whom the Committee was interested.

So that there can be no doubt as to what the TRUTH is about Jacob Koppel Javits, we shall quote from the official transcript of the hearing: "On the 14th of June, 1956, we received testimony from Dr. Bella Dodd, who had earlier been the National Chairman of the Communist Party... a member of the National Committee of the Communist Party... member of the State Committee of the Communist Party, and the person in charge of election activities in N.Y. State. She had testified that in 1945 or 46, she had been told by persons in the Communist Party that a Jacob K. Javits had just come from the West Coast, and that 'some of our people'—meaning communist people—'were very much interested in Javits' political future.' And they asked her, if she, in her official capacity, as the person in charge of political activity in N.Y. State, advising and analyzing focal points of communist support, whether she would have a discussion with Javits. She said that Javits came to her office, 100 West 42nd St. and they discussed at that time what district in which he might concentrate (his) activities. She said that thereafter the communists State Committee, which she was in charge of, did support Mr. Javits in connection with the forthcoming 1946 campaign." Javits did NOT deny this!

"Did you get off the train at Oakland in the company of Frederick Vanderbilt Field?" Javits did NOT deny this.

"Did you meet subsequently Mr. Field on the Oakland Ferry at an early hour of the morning?" Javits did NOT deny this.

"We have evidence that you did know Louise Bransten in San Francisco... and there came into the room Dr. Max Yergen... Can you recall another occasion,

Sen. Jake Javits (Zionist)

again... at which were present a man named David Hedley... Nancy Pitman... and did you at that meeting discuss a luncheon that you had with Max Radin that day or the day earlier?" Javits did NOT deny this.

All the persons named had communist affiliations. "Did you not tell Murray Baron, in connection with the 1946 election, that you could have either the secret support of the American Labor Party (political front for the Communist Party.) or they would remain neutral, depending on what you wanted? Mr. Baron had told us that." Javits did NOT deny this.

"At that time, is it your testimony you did not know that she (Bella Dodd) was, you might say, openly and notoriously a member of the National Committee of the Communist Party?" Javits did NOT deny this. He did, however, state that Eugene Lyons had helped him get the Liberal Party nomination. For those who know Lyons this comes as no surprise, and in no way does it prove Javits "anti-communist." "Did the Liberal Party object through you to a tribute that Sam Roman paid to Rose Russell the legislative representative of the Teachers' Union on Nov. 20, 1954?" Answer: "Sam Roman is the Assemblyman of the 15th Assembly District who RAN WITH ME FOUR TIMES... and he is now one of my executive assistants."

This same Sam Roman, who so openly praised a notorious Communist Party member in 1954, was identified previously by Javits as having run on the American Labor Party ticket with him and NOW is his Executive Assistant. Roman is also a member of Sino-American Amity, Interfaith, Inc. the Zionist Organization of America, and the B'nai B'rith. The first Assistant Attorney General under Javits was John Trubin, who is a member of the Metropolitan Advisory Council of the Anti-Defamation League.

Jake Javits voted against appropriating money for the Un-American Activities Committee in March 1948, and according to the Americans (?) for Democratic Action World, Sept. 1950, voted FIFTEEN times as the ADA wished him to vote, the only "Republican" in N.Y. to do so. This included a vote against the Wood Anti-Subversive Bill. Like an ADA puppet (see ADA World, Oct., 1951) he did the same thing in 1951, THIRTEEN times, and AGAIN in 1952 (see ADA World, of Aug. 1952) thirteen times, including two votes against the Cox Committee to investigate Tax-Exempt Foundations and one against the McCarran Immigration Bill, and AGAIN in 1953 (Sept. 1953 ADA World) including a vote against the Reece Committee to Investigate Tax-Exempt Foundations. He had a PERFECT record of obedience to the ADA "line."

He is a Zionist Jew of the worst stripe, honored by the B'nai B'rith, Hisdradrut, Israel Bonds, Yeshiva University, and the

Cong. Emanuel Celler (Zionist)

Jewish War Vets. Javits, incidentally, said he did not "recall" being a member of ADA, yet Dorothy Kenyon, ADA city chairman, stated flatly he had been a member. We do not mean to imply that this was the WORST thing he ever did—as is evident from the foregoing record—but it does show him up as a liar.

He was never asked this: Did his brother, Benjamin A. Javits, ever have a communist-front record (he was present at the hearing) The answer is "YES,"—he was a sponsor of a dinner forum, Oct. 9, 1941, in N.Y.C., given under the auspices of the Communist Party fronts, the American Committee to Save Refugees, the Exiled Writers Committee of the League of American Writers, and the United American Spanish Aid Committee (Appendix IX, p. 362.) Javits' latest payoff to his "bosses" (Sept. 30, 1956, N.Y. Journal American) was a ruling he made that the NAACP and the NAACP Legal Defense and Educational Fund were tax-exempt as charitable organizations. The NAACP of course is recognized as a communist-front. As to whom his bosses are we leave that to the imagination of our readers, but we wish to remind them that the Acting Chairman of the Communist Party, George Blake Charney, just sent to prison, wrote a letter to the N.Y. TIMES (Sept. 5, 1956) PRAISING Javits' ANTI-COMMUNIST record and DEFENDING him against "evil smear tactics."

Another bit of interesting news, Westbrook Bagler, in his column of 8/26/52, stated that Arthur J. Goldsmith of the Waldorf Towers contributed \$1,000 to Javits' political campaign fund. Those informed on political chicanery know that Arthur Goldsmith is the mysterious Zionist who has dispensed large sums to defeat candidates in Nevada, Maine, California, and New York. It is believed he represents the Invisible Government.

The N.Y. News of Jan. 27, 1958 carries an article covering a talk Sen. Javits made on TV in which he urged action to give citizenship to the Hungarian Jews who came in as refugees during January 1957. Javits said "we took them in on parole so that their status is now temporary." There was opposition to the loose method of allowing entry and the American Jewish Congress and American Jewish Committee suggested we just take them on parole giving the impression it would be temporary. Jake Javits in this speech—like all Zionists—attacked the McCarran-Walter Act.

The first 6200 Hungarian refugees were Jews. Quoting from the N.Y. News, Feb. 12, 1957, Congressman Francis E. Walter, Chairman of the House Immigration Subcommittee said: "My feeling is that every one of the 6200 were communists."

Javits promises to be just as aggressive a Marxist as his predecessor, Herbert H. Lehman.

Money is being poured into Alabama by organizations such as these to help defeat Admiral Crommelin for Governor! This money comes out of New York City from many Jewish and Jewish controlled organizations, such as the notorious and Red-front NAACP!

This Is What They Want!

This is also what the Zionist organizations thrive on—strife, turmoil, neighbor against neighbor. Anything, no matter if the majority is in the right or not. They intend to break down the South at all costs. Wake up Christians, its late already!

This is what the Zionist Jews want in U.S., but in Israel it is a crime against civil and religious laws for a Jew to marry any one but a Jew.

Help This Patriot To Victory

Often, during late years, we hear people who are alarmed over the success of Un-American forces in our State and National governments remark that we need real, patriotic, courageous men to run for office. Now Alabama has an opportunity to set an example to the whole United States.

The Crommelins have lived on the same piece of land in Alabama for 140 years. Five Crommelin brothers, graduates of Naval Academy, were in World War II, two of them killed in the Pacific.

Admiral John G. Crommelin Ret., has come forward as candidate for Governor

in order to help turn the Socialist, Communist tide gripping our country. Only strong, courageous men can save us now.

Space will not permit adequate report of John Crommelin's glorious past. Briefly he has received many special medals and citations. Admiral Crommelin has been tried in battle. The Ship Enterprise was in the thickest part of the fighting. Planes on this ship blasted a landing place for our Marines on Guadalcanal. At the battle of Santa Cruz it withstood the longest sustained attack ever experienced by a ship in war. It was attacked by 125 Jap planes shot down 84. Two of the Crom-

melin brothers were on that ship. Admiral Crommelin was executive officer.

Crommelin leads the way and asks redblooded American men and women to support him in this campaign which may be the start of chain reaction against these left-wing office holders.

Good Americans who can should mail a contribution to him. Those who want to keep this a free America should vote for Crommelin and get out and work for him.

High Court Unlawful Rulings Peril To States Rights & U.S.

By Stanley MacDonald

It begins to look as though the one great question to come before the people during 1958 will be the matter of the continued existence of the nation as an aggregation of quasi independent states with a limited Central Government as originally set up and intended, or whether the rights reserved to the States under the Constitution and the Bill of Rights will continue to be circumvented by the unlawful rulings of the nine Red-tinged Justices who constitute the Supreme Court: that is to say, whether these nine disloyal men can continue to sell the nation down the river-of-no-return under an autocratic regime in Washington, or whether they can not; whether the nation will continue to exist as originally constituted, of, for, and by the people, or whether these same nine men can reduce a nation of forty-eight sovereign states and a 175 million people to a system absolutely foreign to the original compact under which the government in Washington came into being and to which it owes its life; whether the individual States which constitute the Union shall have dominion over their own internal affairs as originally intended and as guaranteed by the Constitution, or whether they will be controlled by a corrupt and despotic Central Government engineered by a group of unscrupulous and designing men without care or conscience; whether, in fact, America is destined to go the way of the nations that have preceded her down the centuries, or whether a resurgence of old-fashioned patriotic fervor and innate common sense can stem the tide of its headlong plunge to a Red Dictatorship of our own creating.

The fact is that when the Constitution first went into effect in 1789 as the creation of the 13 original States, it instituted a government of delegated authority only. Furthermore, certain specific rights were later on explicitly reserved to the States under the terms of the Bill of Rights, which reservations became, in effect, a sort of contract between the Central Government and the governments of the several States, and which the Central Government was in all justice bound to respect. And not only that, but whenever a given territory was later on granted Statehood on the authority of Washington, the proposed new State was first required to draft and submit an individual Constitution as the basic law of the proposed new State, which, when approved by the Central Government, became an inviolate contract or agreement as between that particular State and the Central Authority. Therefore, when the Government in Washington undertakes to violate the provisions of any such fundamental agreement between itself and an individual State, it is not only guilty of an unwarranted breach of confidence as between itself and that particular State, but its act of repudiation, whether express or implied, is null and void under the simple law of contracts as applied in every jurisdiction in the English speaking world. A law and a contract is a contract, and cannot be violated with impunity as between the Central Government and a State any more than a simple contract can be violated as between individuals resident in any of the States.

These are the questions that concern us now, as the days and months tick away during the coming year. And it behooves every American who has any regard for his country, or any concern for the freedom and advantages that he and his family enjoy under the Constitution, to pause in his mad crusade for dollars and pleasure and give serious thought to the things that have made our nation great, and the

The American Flag flown upside down is a signal of DISTRESS! The U.S. today, is in terrible distress, and only an awake and informed citizenry can save her from falling from within.

vicious trend that seems to engulf us.

In view of the foregoing, we think that it's about time we pulled our good old ship of state up into the wind and determined whither we're drifting, for we're certainly drifting fast. And while it may be somewhat trite to refer to the example of Rome that fell in the pool of her own corruption, yet it is well to remember that the unwholesome influences that finally destroyed that greatest of empires almost within the memory of man, and likewise many another seemingly invincible nation during the centuries that have passed, still it is well to remember that those same unwholesome influences, being carried on anew in our own generation, can likewise destroy us. Size and material might is no guarantee of existence. The constant gnawing away at the bastion upon which it stands can crumple the mightiest stronghold and fell the greatest nation that ever existed. There are no exceptions. America is not immune. And just as there is a thief that is always ready to enter an unguarded dwelling at night, just so there are unscrupulous men who are always ready to seize unlawful authority whenever a nation sleeps. It's the operation of the law—the unfailing law of corruption—the law of internal decay. And the law is the law. There are no exceptions!

It's The Truth

From "THE REVIEW and FORECAST," by Dr. John Slawson, Executive Vice President of the American Jewish Committee, page 631 of the American Jewish Year Book, Vol. 57, 1954:

"Earlier, I said that the desegregation decision of the Supreme Court was one of the major events of the year affecting our work. This historic ruling is a significant high water mark in America's battle against discrimination on racial, religious, and ancestral grounds—a battle in which the American Jewish Committee has long been among those leading the assault.

"It was most fitting, therefore, that we were very closely involved with the Supreme Court decision. Not only were we active, along with other organizations, in the filing of an amicus brief, but we contributed materially to the social theory upon which the desegregation decision was based. The ruling, you know, gave great weight to sociological and psychological factors. The Court took into account, along with purely legal considerations, the effect of segregation on personality, and concluded that separate facilities cannot be equal because of the psychological damage caused by segregation."

In connection with the above article, it is well to keep in mind that the following organizations presented briefs before the Supreme Court urging that the decision in favor of race mixing be made.

Listed below are the names of men, ALL JEWS, who signed the briefs.

Arthur Goldberg, for the CIO. Arthur G. Hays and Leonard Haas, for the American Civil Liberties Union. Arnold Forster, (real name Fastenberg) for the Anti-Defamation League. Shad Polier and Will Maslow, for the American Jewish Congress. Edwin Lukas, for the American Jewish Committee.

Anyone with intelligence can see by the mass of information available, that the integration decision was forced upon the people by these Jewish pressure groups while a foreign-born Zionist Jew, Felix Frankfurter, rules the Supreme Court with an iron hand!

If anyone still thinks that the Zionist Jews are only interested in sending Negro children to school with White children, he or she is in for a shock! Their very next target is the breaking down of laws forbidding inter-racial marriage.

If anyone still believes the Pharisees (known today as Jews) have disappeared into history, please be sure to read the article herein. Please bear in mind that every word in this article is from THEIR writings and not ours.

The following quotation is from THE JEWISH ENCYCLOPEDIA, under PHARISEE:

"Henceforth Jewish life was regulated by the teachings of the Pharisees; the whole history of Judaism was reconstructed from the Pharisaic point of view, and a new aspect was given to the Sanhedrin of the past. A new chain of tradition supplanted the older, priestly tradition. Pharisaism shaped the character of Judaism and the life and thought of the Jew for ALL THE FUTURE. It gave the Jewish religion a legalistic tendency and made 'separatism' its chief characteristic."

God Give Us Men!

God give us men. The time demands strong minds, great hearts, true faith, and willing hands; men whom the lust of office does not kill; men whom the spoils of office cannot buy; men who possess opinions and a will; men who have honor; men who will not lie; men who can stand before a demagogue and damn his treacherous flatteries without winking; tall men, sun-crowned, who live above the fog in public duty and private thinking.

He was Attorney General of the State of N.Y., having won the post against FDR, Jr., which shows the tremendous power of the Jewish vote for a Jew in New York. Sourwine had complained that U.S. Attorney General Herbert Brownell (Tom Dewey's man) was recommending Javits for the Senatorial nomination in spite of the overwhelming evidence against Javits. He also stated Javits had intervened with the Internal Security Subcommittee on behalf of a man in whom the Committee was interested.

So that there can be no doubt as to what the TRUTH is about Jacob Koppel Javits, we shall quote from the official transcript of the hearing: "On the 14th of June, 1956, we received testimony from Dr. Bella Dodd, who had earlier been the National Chairman of the Communist Party... a member of the National Committee of the Communist Party... member of the State Committee of the Communist Party, and the person in charge of election activities in N.Y. State. She had testified that in 1945 or 46, she had been told by persons in the Communist Party that a Jacob K. Javits had just come from the West Coast, and that 'some of our people'—meaning communist people—'were very much interested in Javits' political future.' And they asked her, if she, in her official capacity, as the person in charge of political activity in N.Y. State, advising and analyzing focal points of communist support, whether she would have a discussion with Javits. She said that Javits came to her office, 100 West 42nd St. and they discussed at that time what district in which he might concentrate (his) activities. She said that thereafter the communists State Committee, which she was in charge of, did support Mr. Javits in connection with the forthcoming 1946 campaign." Javits did NOT deny this!

"Did you get off the train at Oakland in the company of Frederick Vanderbilt Field?" Javits did NOT deny this.

"Did you meet subsequently Mr. Field on the Oakland Ferry at an early hour of the morning?" Javits did NOT deny this.

"We have evidence that you did know Louise Bransten in San Francisco... and there came into the room Dr. Max Yergen... Can you recall another occasion, again... at which were present a man named David Hedley... Nancy Pitman... and did you at that meeting discuss a luncheon that you had with Max Radin

Sen. Jake Javits (Zionist)

that day or the day earlier?" Javits did NOT deny this.

All the persons named had communist affiliations. "Did you not tell Murray Baron, in connection with the 1946 election, that you could have either the secret support of the American Labor Party (political front for the Communist Party.) or they would remain neutral, depending on what you wanted? Mr. Baron had told us that." Javits did NOT deny this.

"At that time, is it your testimony you did not know that she (Bella Dodd) was, you might say, openly and notoriously a member of the National Committee of the Communist Party?" Javits did NOT deny this. He did, however, state that Eugene Lyons had helped him get the Liberal Party nomination. For those who know Lyons this comes as no surprise, and in no way does it prove Javits "anti-communist." "Did the Liberal Party object through you to a tribute that Sam Roman paid to Rose Russell the legislative representative of the Teachers' Union on Nov. 20, 1954?" Answer: "Sam Roman is the Assemblyman of the 15th Assembly District who RAN WITH ME FOUR TIMES... and he is now one of my executive assistants."

This same Sam Roman, who so openly praised a notorious Communist Party member in 1954, was identified previously by Javits as having run on the American Labor Party ticket with him and NOW is his Executive Assistant. Roman is also a member of Sino-American Amity, Interfaith, Inc. the Zionist Organization of America, and the B'nai B'rith. The first Assistant Attorney General under Javits was John Trubin, who is a member of the Metropolitan Advisory Council of the Anti-Defamation League.

Jake Javits voted against appropriating money for the Un-American Activities Committee in March 1948, and according to the Americans (?) for Democratic Action World, Sept. 1950, voted FIFTEEN times as the ADA wished him to vote, the only "Republican" in N.Y. to do so. This included a vote against the Wood Anti-Subversive Bill. Like an ADA puppet (see ADA World, Oct., 1951) he did the same thing in 1951, THIRTEEN times, and AGAIN in 1952 (see ADA World, of Aug. 1952) thirteen times, including two votes against the Cox Committee to investigate Tax-Exempt Foundations and one against the McCarran Immigration Bill, and AGAIN in 1953 (Sept. 1953 ADA World) including a vote against the Reece Committee to Investigate Tax-Exempt Foundations. He had a PERFECT record of obedience to the ADA "line."

He is a Zionist Jew of the worst stripe, honored by the B'nai B'rith, Hisdradrut, Israel Bonds, Yeshiva University, and the Jewish War Vets. Javits, incidentally, said he did not "recall" being a member of ADA, yet Dorothy Kenyon, ADA city chairman, stated flatly he had been a member. We do not mean to imply that this was the WORST thing he ever did—as is evident from the foregoing record—but it does show him up as a liar.

He was never asked this: Did his

brother, Benjamin A. Javits, ever have a communist-front record (he was present at the hearing) The answer is "YES,"—he was a sponsor of a dinner forum, Oct. 9, 1941, in N.Y.C., given under the auspices of the Communist Party fronts, the American Committee to Save Refugees, the Exiled Writers Committee of the League of American Writers, and the United American Spanish Aid Committee (Appendix IX, p. 362.) Javits' latest payoff to his "bosses" (Sept. 30, 1956, N.Y. Journal American) was a ruling he made that the NAACP and the NAACP Legal Defense and Educational Fund were tax-exempt as charitable organizations. The NAACP of course is recognized as a communist-front. As to whom his bosses are we leave that to the imagination of our readers, but we wish to remind them that the Acting Chairman of the Communist Party, George Blake Charney, just sent to prison, wrote a letter to the N.Y. TIMES (Sept. 5, 1956) PRAISING Javits' ANTI-COMMUNIST record and DEFENDING him against "evil smear tactics."

Another bit of interesting news, Westbrook Pegler, in his column of 8/26/52, stated that Arthur J. Goldsmith of the Waldorf Towers contributed \$1,000 to Javits' political campaign fund. Those informed on political chicanery know that Arthur Goldsmith is the mysterious Zionist who has dispensed large sums to defeat candidates in Nevada, Maine, California, and New York. It is believed he represents the Invisible Government.

The N.Y. News of Jan. 27, 1958 carries an article covering a talk Sen. Javits made on TV in which he urged action to give citizenship to the Hungarian Jews who came in as refugees during January 1957. Javits said "we took them in on parole so that their status is now temporary." There was opposition to the loose method of allowing entry and the American Jewish Congress and American Jewish Committee suggested we just take them on parole giving the impression it would be temporary. Jake Javits in this speech—like all Zionists—attacked the McCarran-Walter Act.

The first 6200 Hungarian refugees were Jews. Quoting from the N.Y. News, Feb. 12, 1957, Congressman Francis E. Walter, Chairman of the House Immigration Subcommittee said: "My feeling is that every one of the 6200 were communists."

Javits promises to be just as aggressive a Marxist as his predecessor, Herbert H. Lehman.

Patriotism And Presidents

PATRIOTISM MEANS TO STAND BY THE COUNTRY. It does not mean to stand by the President or any other public official save exactly to the degree in which he himself stands by the country. It is patriotic to support him insofar as he efficiently serves the country. **IT IS UNPatriotic NOT TO OPPOSE HIM TO THE EXACT EXTENT THAT BY INEFFICIENCY OR OTHERWISE HE FAILS IN HIS DUTY TO STAND BY THE COUNTRY.**

In either event, it is unpatriotic not to tell the truth—whether about the President or anyone else—save in the rare cases where this would make known to the enemy information of military value which would otherwise be unknown to him.

DEMAND THAT THE TRUE STORY OF THE U.S. SATELLITE, AND HOW THE SOVIET WAS ABLE TO USE IT FOR A COMMUNIST VICTORY, BE GIVEN YOU!

MERCURY'S Open Letter To The President Of The U.S. And To The American People:

The United States Government is presently under the influence of the most powerful, and crafty, subversive organization in history. As a result, none of our Government secrets are safe. Our vital secrets are relayed daily to the Soviet Union. We invest billions of our taxpayers' earnings in research and the results, no matter how vital to the life and death of this Republic, are in the hands of the Soviets immediately.

This is in accordance with Marx and other Marxian leaders, including those in our midst, who stated that the Capitalist systems and Governments should be used to finance their own downfall.

This network of Super-Espionage allows the Kremlin to build quickly as a result, not of their own research or technological money expenditures, but as a result of our research and vast investments—and to obtain quickly devices which our best brains and research organizations have perfected. When a stage of perfection is reached and successful tests made, these sinister subversive influences exert their pressure upon our Government in Washington—and even The Congress in part—by "Committee" delays to confuse and slow-up our own use of our invention. The results are, as recently experienced—when the Kremlin launched "its" satellite ahead of us. We had perfected a better satellite long ago through our own scientists and with our own money and industrial know-how.

One of the major leaks is through the supposedly super-secret CIA—it was involved in the research on our satellite and also in our "policy" committees and their

He fought with all his strength to have an investigation of the missiles program and why it was lagging. All his efforts were in vain as the Invisible Government exercises almost complete control in Washington.

decisions. The CIA (Central Intelligence Agency) has long been a source of intelligence for the Soviets. Some of its most secretive operators were placed in their key positions by the cabal of which Harry Dexter White—Henry Morgenthau's assistant—was a director—in spite of the FBI's warnings. These people were one of the reasons the U.S. Army was not allowed to fire its satellite 17 months ago. They are, in turn, controlled by men who hate the brilliant German scientists we rescued from Soviet secret police and employed—for the safety of America rather than Communist Russia and Red China—in U.S. Army research centers.

With this background we urgently offer the following advice:

To the President: As a loyal American why not look around you, outside your Secretariat box, and within the White House at your own advisers. Reappraise the men who killed actions by "Committee" systems. Ask the FBI who these people are. The traitors in our midst have continuing sanctuary as long as their dossiers are not brought personally to the attention of the President. They are those

same people, guided by those secret influences, who originally financed the Red Communist Revolution—that now has enslaved millions of people of both Europe and Asia. They financed the Rosenbergs.

To the American People: Demand, and quickly, a real investigation that will eliminate these subversive men's influences from all contact with our Federal Government and its projects. Demand that their "friends" be eliminated from contacts with the White House staffs, from the Department of State, the CIA, the Bureau of the Budget and, especially, in the Atomic Energy Commission.

Unless this is done we will live to see the words of one of their leaders, before a Congressional Committee of 1950, come true. This man said, for the record, that he would live to see a "Collective America"; that we would be part of a World Government—whether we the people of the U.S. liked it or not! Remember, "No man can serve two masters" (Matthew 6:24). Let's get rid of all those who hold alliance to more than one temporal power.

Editor's Note:

Communism was set up in Russia in the year 1917,—financed by New York Jews! Jacob Schiff financed the Red Russian Revolution which resulted in the death of countless Christians. Jews have controlled from behind the scenes,—and in the open all Soviet movements. Once in a while they fake a phoney "anti-Semitic" trial in Russia to fool us into thinking the Russians are persecuting Jews.

The Harry Dexter White mentioned in the above article was also a Jew and was continued in government in spite of our FBI warnings that he was working against our interests. He finally (lucky for us) committed suicide, but not until he had accomplished his purpose.

As the time goes by the people are becoming aware of the fact that the late Senator Joseph McCarthy was one hundred percent right. The Jews had to destroy this patriot because nearly everyone he turned up in connection with communist movements just naturally was a Jew, even though some of them changed their name.

The Pharisaic Press

The director of a national Jewish social action committee called the putting of religious symbols on public property a violation of American "doctrine of separation of the church and state." Rabbi Eugene J. Lipman referred specifically to the staging of Nativity scenes in public parks and prayer services in public schools.

He pointed out that his group—the social action committee of the Union of American Hebrew Congregations—also had opposed the placing of the Ten Commandments in the public schools of New Hyde Park, N.Y. Rabbi Lipman said his group is fighting an attempt to set up a Nativity scene on public property in Ossining, N.Y., and that the issue may reach the courts.

He also mentioned a Nativity tableau staged each year in Worcester's (Mass.) City Hall. "It was all I could do to persuade a Worcester city councilman that this was a violation of the principle of separation of church and state," he said. National Jewish Post and Opinion, December 13, 1957, p. 3.

An example of apparent emphasis on interreligious tolerance in suburbia is the lighting of Hanuka lights and recitation of

the Hanuka story IN THE PUBLIC SCHOOLS. NJPO, Dec. 13, 1957, p. 2. (Out with CHRISTIANITY, and in with PHARISAISM!)

As we move into the time of year when HANUKA confronts CHRISTMAS, it may help us appreciate the stiff-necked virtue of THE PHARISEES (Dec. 6, 1957, p. 10).

How fortunate it is that we have our HANUKA (Feast of Lights) in December! If the Maccabees had not provided the historic occasion, we would HAVE HAD TO INVENT ONE. For it is inconceivable that Jewish children could be indefinitely SUBJECTED to the jingle bells and cotton batting enslavement of the season of peace on earth and good will to men without falling into line or inventing a substitute.

Hanuka has a sharp, hard impact of golden light on brass. It calls on the militant spirit of man. It glorifies the sword and the warrior that wields it. It decries good fellowship (Dec. 20, 1957, p. 10). Rabbi Jacob Weinstein in NJPO.

New ways of maintaining Jewishness in America are being invented. NJPO, Dec. 20, 1957, p. 1.

Britain, together with the United Na-

tions, "will rush aid to the 'victims of aggression' in the event of an Arab attack on Israel," said Sir Francis Rundall, British ambassador to Israel. NJPO, Nov. 22, 1957, p. 5. (Who is THE AGGRESSOR per se in Palestine? Yet here we are being told that OUR SONS ARE GOING TO SHED THEIR BLOOD in the Near East FOR ISRAEL!!!)

Dr. Abba Hillel Silver warned against separating the U.S. Jewish community from world Jewry, declaring that U.S. Jewry would disintegrate if ever "the American Jewish community should isolate itself from the rest of the world." NJPO, Nov. 22, 1957, p. 12.

The American Platform For Alabama

JOHN G. CROMMELIN, CANDIDATE for GOVERNOR of ALABAMA

WHEREAS, None but the blind can fail to see and none but the dreamer will choose to deny that the present course of government is leading this State and this Nation to demoralization, mongrelization and bankruptcy, and

WHEREAS, The key to survival is a thorough understanding of the Communist-Jewish Conspiracy.

WHEREAS, The satanic plot to mix the blood of the White Christian People of the South with negroes is directed and financed by the Communist-Jewish Conspiracy, and

WHEREAS, Our great State of Alabama has been selected by the Communist-Jewish Conspirators as the proving ground for testing ways and means to carry out their plot, and

WHEREAS, The ultimate objectives of the Communist-Jewish Conspirators is to use their world-wide control of money to destroy Christianity and set up a World Government in the framework of the United Nations, and erase all national boundaries and eliminate all racial distinction except the so-called Jewish race, which will then become the masters—with headquarters in the State of Israel and in the UN in New York, and from these two communication centers rule a slave-like world population of copper-colored human mongrels. This is the Messianic dream of the Communist Zionist Jews but it is the unspeakable nightmare of the great White Christian Race, and

WHEREAS, It has been clearly demonstrated for the past twenty-five years or more that this plot cannot be defeated by small-men and small-women candidates for political office who, for fear of economic and political reprisal, neglect to expose the Communist-Jewish Conspiracy, yet run around shaking hands, babbling platitudes, and gabbling ridiculous, exaggerated, fatuous and futile promises of luxury and security for our old people, money for our small farmers in distress, money and jobs for our unemployed, more money for our school teachers, more and better schools for our children, medical assistance for all, and — LESS TAXES.

NOW THEREFORE, I, John G. Crommelin of Wetumpka, have, this 28th day of January 1958, filed with my party, the Democratic Party of Alabama, a declaration of candidacy for the office of Governor to be voted upon in the forthcoming Primary of May 6, 1958. My purpose is to conduct a hard hitting campaign in every precinct in Alabama; expose the origin, nature and aims of the Communist-Jewish Conspiracy; win the election; establish a close and harmonious man-to-man relationship with each and every member of both houses of the State Legislature, and with their assistance break the grip of the Communist-Jewish power centers in New York

Rear Admiral John G. Crommelin (Ret.)

and Washington; and return control of our State government to you White Christian Alabamians, my own people.

In order to do this the following eleven (11) point program is hereby submitted for consideration of the patriotic, sensible voters of Alabama:

POLITICAL PROGRAM

1. This PROGRAM shall be carried out in accordance with the rights of the State of Alabama as provided in The Constitution of the United States, one of which is to defend our liberty by whatever means and whatever measures are necessary.

2. A strong and effective system of State defense, which cannot be federalized, shall be created to meet any eventuality.

3. An Un-American Activities Committee of the State Legislature backed up by an Alabama Bureau of Investigation shall be established to investigate infringement or subversion of the rights of Alabama as guaranteed in the Constitution of the United States.

All available facilities shall be utilized to inform Alabama Citizens of the origin, nature, purposes and aims of the Communist-Jewish Conspiracy now bent on the destruction of the White Race and White Christian Civilization through economic strangulation, fratricidal wars, mongrelization and political slavery.

5. We shall reawaken in all Citizens of Alabama an unswerving devotion to truth, honor, duty, racial integrity and pride in the United States of America and Christian Civilization.

There shall be no mixing of the races in the public schools and Communist-Jewish ideology and influence which tend to cause the degeneration of the White Race and the dissolution of our nation shall be eliminated from the curricula of Alabama public schools as well as from all other official information media.

7. Freeing of the press from the Communist-Jewish news "quarantine" shall be accomplished in Alabama to insure an honest, fair and truthful presentation of

news, forever destroying the concept that freedom of the press includes the freedom to fabricate, distort, or conceal news to serve Communist-Jewish aspirations of world domination.

8. Any organization, institution or society which advocates mongrelization of the White Race or espouses any other form of subversion shall be outlawed in Alabama.

9. When this PROGRAM is carried out (and not until then) prosperity and confidence will return to our people and the taxes now levied upon us will, when honestly disbursed by an efficient State administration, be more than ample to provide security for the aged, to promote adequate educational facilities for our children, and to insure the independence of the small businessman, the farmer and the workingman.

10. The present fear, uncertainty and confusion which we see and feel around us can be stamped out in the short span of one four-year administration by an honest, fearless and dedicated governor working in close harmony with an honest, fearless and dedicated State Senate and House of Representatives to implement intelligently the above outlined PROGRAM.

11. Time is running out. Intelligent corrective action can no longer be postponed. **"THERE IS NO ALTERNATIVE TO LIBERTY."**

In the accomplishment of this PROGRAM, I pledge to you the Citizens of Alabama, regardless of the outcome of the election, my greatest possible physical, mental, and spiritual effort, so help me God.

John G. Crommelin, Candidate for GOVERNOR OF ALABAMA

HE MADE A DIFFICULT DECISION

Admiral Crommelin is not an office seeking politician but a tried patriot anxious to save his country. He knew before he announced his candidacy for Governor that he would be attacked and smeared. His honest, fearless platform would strike terror in the evil forces.

Several years ago, while an officer in the Pentagon he had a decision to make. If he spoke out he would be wearing civilian clothes after 33 years Naval service. President Truman, pressured by the Zionists finally gave the order to fire him. This is why Crommelin as a civilian is fighting to save America.

Admiral Crommelin has made difficult decisions in the Pacific during WW II and as a result received many honorable citations. Due to the Invisible Government he is still fighting hard to save his country. Naturally he is opposed by vicious groups. He needs patriots to help finance his campaign.

Trouble In Washington Deadly Serious Our Greatest Weapons Side-Track!

By Major Robert H. Williams

What is the trouble in Washington? How dangerous is it? Must the present military Joint Chiefs system be scrapped in favor of a single military dictator over the armed forces (as urged

Robert H. Williams by the top secret Gaither Report and the Rockefeller Report to Congress)?

Let's take a glimpse at No. 2 first. The trouble is so serious that some Senators are said to be losing sleep over it. We can catch a glimpse of the depth of the betrayal, or stupidity—whichever it is—in the fact that the two most potent weapons this nation has developed are both being neglected, despite the Sputnik evidence that the USSR is making swift strides in superior weapons. Our two great defense weapons now available are our long-range bombers and the 5000-mile-range Snark guided missile. Our bombers with hydrogen and atomic warheads can hit any target behind the Iron Curtain. We would undoubtedly suffer crippling losses on the first mission, but we could destroy probably every industrial and scientific center in the Soviet Union with this fleet, as of today.

But the Soviet Union is catching up with us so fast we will have to get back to work to keep ahead in air power.

Yet Eisenhower did not include in his proposed military budget any increase in the production of the big, long range bombers. Democratic Sen. Lyndon Johnson was quoted by the INS Jan. 20th, as saying:

"Congress may have to take the initiative from the White House and provide funds for continued production of H-bomb carrying B-52 planes... The Executive has as yet not proposed any increase. There is a plan but it hasn't come up here (to Congress) and we may have to initiate it here."

Regarding the importance of the strategic bombers, I have a letter from retired Lt. Gen. George E. Stratemeyer, one of the principle architects of America's powerful Air Force, commenting:

"All I can say is that our nation had better keep our Strategic Air Command to full strength with intercontinental bombers and crews for a long time to come. In my opinion missiles will not take over for many years."

Still more devastating is the Snark, which, though not a "ballistic" missile, has its own guiding brain built in, and it can be transported like a plane and launched from sea-going and small land bases. And the experts say it is fantastically accurate at 5,000 miles.

The military believe the Snark should be used first to destroy the enemy's air and missile launching bases and anti-

aircraft defenses; this initial attack to be followed by flocks of the big, fast bombers, which, with the enemy's bases crippled, would suffer lighter losses.

Just after the first Sputnik jolted the country, it was publicly announced that the great Snark was already in production. Three of these super-weapons were being made a month. When an alarmed public shouted for better defenses, we naturally supposed the production of the Snark would be doubled and doubled again and still again, inasmuch as it is sure to be some time, perhaps several years, before we can perfect and produce in quantities an accurate, dependable, all-weather rocket missile with a range comparable to that of the Snark.

But early in January the public learned that the Eisenhower administration had **CUT BACK** the production of the Snark to one a month!

"REDS CAN'T STOP SNARK"

Here is the greatest weapon ever put into production by any nation in the history of the world. It travels at 650 miles per hour, and undoubtedly would suffer some losses from anti-aircraft weapons, but as of today, no nation has any-

thing else nearly as good. Whitney C. Collins, president of Northrop Aviation, recently told Senate probers, in secret testimony:

"Assign the Snark against the most heavily defended Russian positions, and you will save American manpower and also you will increase the probability of the success of manned bombers coming in behind, and our analysis of the effectiveness of this weapon is that the Russian defense system cannot stop it."

"IT CANNOT BE STOPPED AND IT CARRIES A TREMENDOUS (censored) LOAD"

Yet, the INS press release of January 20th, which revealed this testimony indicated that the Administration may have stopped production of the Snark altogether! The dispatch said:

"Senate probers were told in testimony made public today that for relatively little money the U.S. could start producing an intercontinental missile, the Snark, (which) the Russians couldn't stop."

START producing! Think of it!

Here is a weapon already perfected, al-

Is National Council Of Churches A Communist Front?

Dr. Carl McIntire, Collingswood, N.J.
Past President of American Council of Christian Churches

America's largest religious organization, the NATIONAL COUNCIL OF CHURCHES, has been charged with monopoly and maintaining positions favorable to Russia in the cold war by Dr. Carl McIntire, Collingswood, N.J., in a new appraisal of the Council.

The 43-page pamphlet released today alleges that the National Council of Churches has become so large and so politically active, as it claims to speak for the "non-Catholic churches in the U.S.," that it is a threat to liberty and the rights of minority religious groups in the country. "Its main impact is that of a well-oiled political pressure group. With the robes of the church about its work, it is shielded from political attack," Dr. McIntire said.

The new president of the National Council of Churches, Dr. Edwin T. Dahlberg, elected in December, 1957, for a term of three years, is charged by Dr. McIntire with being "a radical pacifist," a member of the National Committee of the Church Peace Mission, seeking to pledge the youth of the country to refuse "to make or to use the weapons of war." "This is no time for a pacifist leadership, when America is in peril and facing an enemy who is pressing a cold war with every possible weapon," Dr. McIntire replies.

The brochure quotes Dr. J.B. Matthews, former chief investigator of the House Committee on Un-American Activities: "Mr. Dahlberg's record of collaboration with the communist apparatus places him among the leading communist frontiers who are clergymen. In choosing Mr. Dahlberg to head the organization for the next three years, the National Council of Churches has followed the precedents of the old Federal Council of Churches..." Listed among the communist front organizations of which Dr. Dahlberg was a member, are: Citizens Committee to Free Earl Browder, The Committee to Secure Justice for Morton Sobel, National Committee for Defense of Political Prisoners, National Committee to Repeal the McCarran Act.

Dr. McIntire's latest attack upon the National Council of Churches, criticizes at length the exchange visit which the Nation-

STILL CARRYING ON THE FIGHT FOR A SOVIET AMERICA!

al Council carried on with the delegation from Moscow in March, 1956. He further declares that top Protestant leaders in the U.S., including Dr. Eugene Carson Blake and Dr. Franklin Clark Fry, president of the United Lutheran Church, have been carrying on religious collaboration with communist-appointed church leaders, both from communist Red China and communist Hungary.

There is all too much sympathy manifested in the National Council of Churches toward the communists, according to Dr. McIntire, and he declares, "In all the years of the Federal Council of Churches and now the National Council of Churches the strangest phenomena in relationship to communist activity and the communist fronts has prevailed. We have watched the situation very closely and never have we seen any recognition on the part of the National Council of Churches that there even is such a thing as communist infiltration of their churches. In fact, the leadership of the Council has directed attacks against those who have come forth alleging

that there is such a thing." Dr. McIntire quotes two former FBI undercover agents, Mr. Herbert A. Philbrick and Boris Morros, to support his charges that there has been communist infiltration and use of religion in the United States. Dr. McIntire indicates that he believes that the National Council of Churches is offering to the United States a different kind of religion than that which has prevailed in the great creeds of the church.

Quoting Dr. Eugene Carson Blake concerning distrust which has arisen between Ministers and laity, that this is "mistrust of the integrity and Christianity of those persons who hold to the differences," Dr. McIntire maintains that the differences have to do with the very substance of the Christian religion, and that the National Council of Churches is seeking to develop "a new kind of church with its new concept of Christianity." The ecumenical movement, with its emphasis upon uniting all churches in one, Dr. McIntire claims is the preliminary steps for the building of the **ONE WORLD CHURCH!**

Know Your Own Rights

Republished from the Indianapolis Star

For the past two weeks The Star has run a series of editorials discussing the powers and excesses of the present U.S. Supreme Court. In this series, "The Runaway Court" we pointed out that the Court is not and never was supposed to be the unquestioned arbiter of what the "supreme law of the land" is. The Court's jurisdiction is almost wholly limited by Congressional power. The "supreme law" is not "what the Supreme Court says it is." No court was ever empowered to change the language of the Constitution or by "interpretation" to make the Constitution mean what it does not say.

The present Warren court has been doing just that. We listed several recent cases where the clear meaning of the Constitution has been arbitrarily changed and where the clear intent of Congress in writing laws under the Constitution has been reversed by the court. We noted the tendency of this court to put sociology ahead of legal precedent in making decisions. These justices have in effect made new laws according to what they think they should be instead of what the law and the Constitution actually are.

To counter this grab for power by the court we have suggested that Congress use

its constitutional power to limit the court's appellate jurisdiction and to acquire the court to base all decision on prior precedent and law.

We have been pleased and surprised by the widespread interest and approval of these editorials.

We have been even more surprised by the great number of people who told us they did not know the Supreme Court was not supreme, they did not know Congress could prevent the court from usurping its power. In fact many who wrote or called indicated a very limited understanding and knowledge of the Constitution.

One high school senior, commenting on our objections to the use of Swedish Socialist Gunnar Myrdal's book, "An American Dilemma," and his statement in that book that the adoption of the Constitution was "nearly a plot against the common people" said to us, "Well, wasn't it? We were taught that the constitutional convention met in secret and sprung the Constitution on the people unawares."

We have gained the impression that there is too little understanding of the Constitution among the vast majority of our people. Too few of us know how it was created, what its antecedents were, who wrote it, what their philosophical and political aims were and how the Constitu-

tion was devised to preserve individual liberty and self-government. One college professor told us that our editorial should be read by all college students because most of them didn't know the Supreme Court's position under the Constitution.

We suggest to our adult readers that they reread the Constitution. Only by widespread public understanding and support for the Constitution can its protections be maintained over our liberties. Only if the public insists that the Constitution be upheld as the "SUPREME LAW OF THE LAND" will it be upheld.

We suggest that our schools try to do a better job of teaching about the Constitution. It might be wise to include a compulsory course on the Constitution—its history, philosophy and application—in every public high school. The true meaning of the Constitution should be an integral part of the educational heritage of every free American.

Only if Americans know their own rights under the Constitution, their powers to change or protect it, can they make it serve to protect their own freedom rather than serve the prejudices and personal philosophies of those few men who make up the Supreme Court.

Trouble In D.C.

—o— (Continued from Page 1) —o—

ready in production before the first Sputnik was launched, the mightiest weapon on earth and likely to remain so for a year or two or longer, till the Soviet Union can perfect the very difficult intercontinental missile and get it into production. Yet, when all the free world is crying for more and better weapons, to save our very existence—the Administration ignores the Snark.

Obviously, the trouble in Washington is serious, deadly serious. What is the trouble? Who is responsible? What to do about it?

THE TROUBLE IS IKE

Since the decision regarding the B-52 bombers and the Snark is a decision of the very highest level, it is inescapable that the President had to make this decision. There could be no question that the trouble is with the President, himself. And it is so serious that we can classify it only as treason or fantastic stupidity—or character too weak to stand up against a ring of advisers who have long records of anti-anti-communism and internationalism, even communist-front affiliations. The presidential advisers are dominant members of a super-revolutionary policy-making body, the Council on Foreign Relations, which sponsored—among other communist-fronts—the Institute of Pacific Relations.

The presidential commission which came back to the President with the Gaither Report (immediately classified as top secret, showing that the President and Dept. of Defense give it serious consideration), is composed of some of the most notorious anti-anti-communists and communist-fronters. And at least one member has been identified by a former communist in sworn testimony before a Senate Committee as a member, or former member, of the Communist Party.

That member of the President's advisory commission is Anna Rosenberg! She was also a member of the committee which gave the Senate the Rockefeller Report (said to be virtually the same as the Gaither Report).

Readers may recall that when Truman appointed Anna Rosenberg Assistant Secretary of Defense in charge of personnel (whence she could plant communist friends in the most sensitive position in the armed forces) I ran a photograph of a pen drawing of her which the Los Angeles Public Library furnished me from the December 8, 1942 issue of the then official communist organ, *NEW MASSES*, which pen drawing introduced her as author of an article in that issue. Beside the pen drawing I ran a recent photograph of Anna Rosenberg whom Truman had appointed, showing that they were one and the same. Not that there was any question about the identity of the contributor to the communist paper; for the editor had introduced her as Anna Rosenberg, one of Roosevelt's appointees to the War Manpower Commission ("N.Y. Regional Director, War Manpower Commission").

MORE "LIBERAL" ADVISERS

Some others who helped "give" the Senate the Rockefeller Report, and supposedly also helped prepare the Gaither Report, were:

Nelson Rockefeller, international financier and long time adviser to Eisenhower, so devoted to internationalism and communist-catering policies that the Council on Foreign Relations is often called "Rockefeller's Council on Foreign Relations"; Chester Bowles, one of the most extreme welfare-state internationalists and anti-anti-communists of this Marxist era; Dr. Arthur F. Burns (Brunstein?), Eisenhower's former economic adviser, a left-winger of the Zionist international finance cult; Gen. Lucius Clay, Sidney Weinberg's dog-robber; Milton Katz; Henry R. Luce, publisher of *Life*, *Time* and *Fortune*; Jacob S. Potofsky, communist fronter, gangster union boss and producer of labor violence.

The report was compiled by Henry A.

Kissinger, extreme "liberal", Associate Director of the Harvard Center for International Affairs.

IKE AND McELROY BELONG TO THE COUNCIL ON FOREIGN RELATIONS!

We need the great MacArthur, and we need more Admiral Crommelins, men with the patriotism and guts to resign and fight from outside the service if necessary.

Instead—we read in the papers of Jan. 22nd, that Secretary of Defense McElroy is retaining "as consultants" the "leaders of the Gaither and Rockefeller committees".

And my files reveal that both Dwight D. Eisenhower and Secretary of Defense Neil McElroy are members of the Council on Foreign Relations. The Council's own published membership roll lists them both!

There is no mystery about what is wrong in Washington. The President, the Secretary of Defense, and the Secretary of State are in the hands of the group of international financiers who finance all phases of the world revolution: men so doggedly determined to grab power over the nations through a Socialist economic and financial vehicle that they burst a blood vessel with anger if you oppose them. For the fanatical dedication of these men to their world power ambitions read the article by Norman Dodd, a former N.Y. banker, dealing with some of these men, reprinted herein. Notice that one of the banker cult, later to become influential in the Atomic Energy Commission, in effect threatened Dodd's life.

It was a few members of this cult, headed by the late Jacob Schiff and his Warburg kinsmen, of the international banking firm of Kuhn, Loeb & Co., who financed Trotsky's Communist Army to power over the Russians; and it is the Weinberg - Lehman - Frankfurter - Baruch leadership of this cult who finance Zionism and all phases of internationalism!

A close student of the world revolution can hardly escape the conclusion that these men, advisers to the President and key cabinet members, decide also the policies for the world communist apparatus, perhaps even identifying the individual patriotic American leaders who are to be destroyed by the communists.

DICTATOR OVER CIVIL DEFENSE

This writer does not profess the wisdom to know whether the Joint-Chiefs system needs to be replaced with something else; but it is obvious that no reorganization of the military high command is going to do America any good as long as the military is dominated by a President who is in the hands of the world power cult—who will not let the Soviet Union be destroyed.

It is obvious that the worst thing we could do is give the Rockefeller group the dictatorship they want over the military forces of this nation. If this is what they so ardently want, then I am deathly afraid of it. Do not overlook the fact that the same Rockefeller Report which called for a single military dictator over the armed forces also urged direct federal control of the Civil Defense forces of the nation. You can see at a glance what this plan is for: when the bombs start falling, the internal enemy will stampede our people with fear—well founded fear—not to save themselves by a cooperative auxiliary police, working with and under leadership of their local police—but to take orders from Washington—from the military dictator. The plan is to wipe out forever local self-government and establish a national police over the people.

No federal police could work as efficiently in my home town and yours in an emergency as can the police who live here and whose entire lives are devoted to handling emergencies, big and little, in their respective towns. They are the experts at it and know their local environs.

INDUSTRIALISTS REVEAL PENTAGON FAULTS

Saving the people and the cities is not what the world planners want: they want power, and they obviously know they will have to bring about a holocaust in which

people will destroy each other by the millions, the complete chaos of atomic war, to enable them to grasp full power.

Fortunately, Senators Russell of Ga., Bridges of New Hampshire and Knowland of Cal., and Rep. Vinson of the House Armed Services Committee are vigorously opposing the drive for a dictator over the military establishment.

The above tragic picture does not answer all the questions. There is much that we can see from here which ought to be corrected inside the Pentagon and which probably can be corrected, despite the influence of the power cult. The surest way to find out what is wrong is to ask the heads of the big industries who are responsible for building the weapons of war.

Space here permits only a summarization of their testimony:

1. They could have gone ahead two or more years ago with various needed new weapons, including intercontinental ballistic missiles, space satellites and anti-missile missiles, but they could not get authorization from the Pentagon. The President cut out the important items in order to keep his budget under the national debt ceiling—unwilling to cut out the Socialist give-away of billions abroad and many billions in boondoggling welfare state bureaus.

2. More often than not, when a new project was authorized it later was junked or suspended.

3. The Pentagon is so waterlogged with petty civilian officials that the big industrial builders who know what they are doing, have a hard time getting to see anyone in the Pentagon with authority.

4. Petty officials in the Budget swing the axe arbitrarily.

5. The U.S. could now, "with existing hardware" send a satellite around the moon and return, if industry were given a chance.

What the country needs is a leader in the White House, one who puts AMERICA first!

Signers Of The Declaration

From Montrose (California) Ledger

Often the question has been asked, "What happened to those men who signed the Declaration of Independence?"

Paul Harvey, noted writer and radio commentator, looked the record up, and here's what he found:

Five signers were captured by the British as traitors, and tortured before they died. Twelve had their homes ransacked and burned. Two lost their sons in the Revolutionary Army. One of the signers had two sons captured. Nine of the 56 fought and died of wounds or the hardships of the Revolutionary War.

But what kind of men were they, these men who boldly wrote their names to the Declaration that lit the fires of liberty in souls of men throughout the world?

Twenty-four were lawyers and jurists. Eleven were merchants, nine were farmers and large plantation owners, men of means, well educated.

Their security, their incomes, their worldly possessions made them substantially well off. But they signed the Declaration of Independence, even though they knew that the penalty would be death on the gallows, if they were captured.

They signed and they pledged their lives, their fortunes...and their sacred honor. Carter Braxton of Virginia, a wealthy planter and trader saw his ships swept from the seas by the British Navy. He sold his home and his properties to pay his debts, and died in rags. Thomas McKean was so hounded by the enemy British that he was forced to move his family almost constantly. He served in the Congress without pay, and his family was kept in hiding. His possessions were taken

All Is Quiet In Budapest & Little Rock

By Gen. Pedro del Valle U.S.M.C. (Ret.)
Republished from the VIRGINIAN

As the facts about Little Rock appeared through the fog of semantics which surrounded the commercial press reports, it seems that the NAACP had lined up 9 Negro students to enter previously all white Central High School at Little Rock. The governor, aware of the violence which would ensue, because of the determined hostility of the majority of the people of his state, took the effective means of preventing this violence by using the forces at his disposal to prevent the NAACP from carrying out its disruptive plans. This set up a hue and cry in the controlled news channels and Faubus was presented to us as a monster who had disregarded the Constitution. A judge from the northern states had conveniently been sent to preside over the federal court in this embroglio. The President, however, had stated that under no circumstances could he imagine sending federal troops into any state to enforce integration. For a while it looked as though he was following Andy Jackson's precedent in the case of Georgia and the Indians, where a Supreme Court decision ran contrary to state sovereignty. Jackson said the court had made this edict, let them enforce it.

In a matter of hours the machinery of the Invisible Government caused the President to reverse himself. He sent federal troops into Arkansas without the Constitutional requirement that the Governor request them. This was a real violation of state sovereignty and of the Constitution, but the news agencies immediately approved.

At Newport, in a conference, the two executives, national and state, came to an agreement as to withdrawal of these troops. A public statement, required by the President, was made by the Governor and the country breathed easier for a few hours, until the Invisible Government again stepped in and again made the President

Lt. Gen. Pedro del Valle U.S.M.C. (Ret.)

reverse himself, leaving the troops in Little Rock, to the horror and dismay of the nation.

These are matters of serious concern, not only for the South, but to the East, the West, and the North. If integration could bring about an un-challenged breach of the Constitution and an invasion of a state, how can anyone believe that this precedent will not be followed in others under other circumstances? It therefore behooves us to ask ourselves some very pertinent questions:

1. Who is this "Invisible Government," of which Sen. Jenner spoke, which has more power than the President of the United States and can make him reverse his Constitutional decisions and oblige him to take violent measures in disregard of the oath he took to uphold and defend that constitution?

2. What connection is there between this Invisible Government and the Supreme

Court which has caused this court to reverse the decisions of many years standing and universal acceptance? What power do they exercise over the Justice Department enabling them to place judges of their choice upon the bench?

3. What organizations, besides the NAACP and the ACLU, are under control of, and form part of the machinery of, this Invisible Government?

4. Can it be that the Invisible Government uses the communist leaders in a campaign to take over these United States by: (a) Destruction of the Constitution and centralization of power in the executive; (b) Creating conditions leading to racial strife and war; (c) Inciting Russia's leaders to create war provoking situations in the Middle East and elsewhere?

5. Is the Invisible Government the power which is making us spend ourselves into bankruptcy?

6. Can we depend on it that our legislatures and our Congress are not also under the secret domination of the Invisible Government?

7. Is there any way in which we can free our country of this alien, Godless and odious domination which is enslaving us? Can it be done without violence?

These are serious questions for every citizen to ask himself and others. There are some who will scoff at the idea of any such thing as the existence of the Invisible Government. Let him who scoffs explain why the greater part of the world has fallen under communist domination. Let him explain why we find ourselves beaten in the race to send up a satellite when the knowledge was stolen from us by the Rosenbergs. Let him explain our peculiar foreign policy which, while vociferous against the communists, always seems to result in their advantage at our expense. The cold fact of the matter is that, without an answer to these questions, we cannot survive as a free people.

from him, and poverty was his reward. Vandals or soldiers or both looted the properties of Ellery, Clymer, Hall, Walton, Gwinnett, Heyward, Rutledge, and Middleton. At the Battle of Yorktown, Thomas Nelson Jr., noted that the British General Cornwallis had taken over the Nelson home for his headquarters. The owner quietly urged General George Washington to open fire, which was done. The home was destroyed, and Nelson died bankrupt. His grave is unmarked and unknown.

Francis Lewis had his home and properties destroyed. The enemy jailed his wife, and she died within a few months. John Hart was driven from his wife's bedside as she was dying. Their 13 children fled for their lives. His fields and his grist mill were laid waste. For more than a year he lived in the forests and caves, returning home after the war to find his wife dead.

His children had vanished. A few weeks later he died from exhaustion and a broken heart.

Norris and Livingston suffered similar fates. Such were the stories and sacrifices of the American Revolution. These were not wild-eyed, rabble-rousing ruffians. These were soft-spoken men of means, wealth and education! They had security, but they valued liberty more. Standing tall, straight and unwavering, they pledged: "For the support of this declaration, with a firm reliance on the protection of the Divine Providence, we mutually pledge to each other, our lives, our fortunes and our sacred honor."

THEY GAVE US AN INDEPENDENT AMERICA. CAN WE KEEP IT?

Today it appears our leaders are much more frightened and pressured by the Zionist Jews than the American Patriots were of the British in 1776! ... Ed.

FIVE CENTS

Supreme Court Coddles Reds Time Is Running Out For U.S.

By Judge Robert Morris — Former Chief Counsel for the Senate Internal Security Sub Committee, now a candidate for the Republican nomination for U.S. Senator from New Jersey.

The following speech was delivered before the New York State Convention of the American Legion.

During the last 10 years the free world has had to witness the ascension of Soviet power over one-third of the earth's surface. This development has virtually caused the total eclipse of the civil liberties of almost one billion human souls all the way from the Adriatic to the China Sea. It has caused strife, bloodshed and death in the marginal areas of the world where the titanic struggle between the forces of freedom and the forces of Marxism are now being waged.

This growth of Soviet power has been possible not only because of the aggressive nature of communist imperialism but because the resistance of the free world has been shamefully inadequate. The fact of the matter is that during the years, communist forces, behind our lines, have performed the work of the Soviet foreign office, augmenting the grand design of world conquest.

For a few years in the early 1950's there developed a spirit of resistance to Soviet imperialism. This spirit of resistance was generated within the U.S. and for the most part in the halls of Congress. This spirit prevailed for a time, and even caused important setbacks to the communist aggressors. But today that spirit is dormant.

An aggressive majority on the Supreme Court, bypassing judicial precedent, and grievously misunderstanding the nature of the Soviet organization in the U.S., has undertaken a campaign to level all existing barriers against communist penetration. This majority has denied to the States the right to protect themselves against communist insurrection and infiltration on the theory that Congress has preempted that function for the federal Government. Ironi-

cally enough it has supplemented that decree by eliminating for all practical purposes the right of the federal Government to check subversion and insurrection. Virtually every communist whom the Internal Security officials in our Justice Dept. have caused to be convicted may be liberated in the days ahead as a result of the recent court decisions. The majority on the Supreme Court have made a shambles of the Smith Act by setting forth a standard of proof so realistic that it cannot be achieved by even the most meticulous prosecutor.

Justice Black has very frankly stated that there should be a special and more exacting standard of proof applied for criminal cases where communists are involved. The lamentable aspect of all of these reversals of Smith Act prosecutions is that the leader of these defendants, Nikita Khrushchev, has recently told us

that before this 20th Century has run its course we will have a Soviet America.

The majority on the Court, as a result of its decision in the Jencks case, written by Justice Brennan, has struck heavily at the effectiveness of the FBI. The preservation of the FBI should, in the present cold war, be one of the most important safeguards of our democratic society. The spectacle of 5 Judges, in the face of this world struggle, bypassing established judicial precedent, and forcing the FBI to expose its secret and complicated files to the sworn enemies of this country, is difficult to comprehend.

Five Judges on this Supreme Court have further held that municipalities cannot demand of their employees, including professors in City Colleges, that high standard of behavior that would require them to answer questions about subversion before authorized tribunals. When Professor Slochower of Brooklyn College, who had been identified as a communist, was asked by the Senate Internal Security Subcommittee if the testimony were true, he claimed his privilege under the Fifth Amendment of the Constitution instead of affirming or denying the evidence. N.Y. City had on its statute books a provision that declared that all its employees had the obligation, as a condition of continued employment, of answering questions when summoned by lawful authority. Professor Slochower had been warned by the president of Brooklyn College of the consequence of his defiance of the Subcommittee. Nevertheless he refused to answer and was dismissed by the City of N.Y. for his recalcitrance. The majority of the Supreme Court ordered the dismissal of Slochower voided and directed that he be reinstated with back pay that ultimately amounted to \$40,000.

The majority of the Supreme Court further voided the dismissal of about 300 security risks from the Executive Branch of the Government and directed that these

A close friend of Herbert Lehman, he is active organizing all over Europe. Jay Lovestone and Irving Brown, his main organizers in Europe are backed by David Dubinsky's union.

The Central Intelligence Agency (CIA) was forced to admit that they gave several millions of the taxpayers money to Dave Dubinsky to spend on this project in Europe. This is all supposed to be top secret, and of course no one in his right mind is expected to ask Dubinsky or the Central Intelligence

David Dubinsky (Zionist)

Dubinsky, a strong political power and union dictator, heads the notorious ILGW.

Agency what is going on.

The Dubinsky ILGW union, which is run exclusively by Jews has just completed a

successful strike in which the manufacturers (all Jews) of ladies garments had agreed to increase costs. This is a very handy way to collect funds from the 95% unsuspecting non-Jewish population with which to socialize the U.S. Just add a few dollars to the cost of each garment and pass it on to the gullible public!

Dubinsky's union has 250 million cash reserve; Government insured mortgages represent 80 million.

Dubinsky has given more than a million dollars of the worker's money to Israel. Walter Reuther of the UAW has taken about the same amount from the pockets of his worker's for Israel!

Dubinsky supports whole heartedly the Zionist-Marxist program in the United States!!!

Call For "Survival Commission"

Country in desperate peril; 'Republican' Party of Treason Can't Save Us!

Republished from the patriotic publication RIGHT, P.O. Box 180, San Francisco, California.

Right hereby calls for Congress to set up a non-partisan "SURVIVAL COMMISSION" to be composed of respected patriots whose urgent job it will be to fully investigate the reasons why the U.S. is trailing Russia in certain technological, nuclear, aeronautical and missile fields.

For over two years RIGHT has been tirelessly pointing to evidence that Russia was ahead of the U.S. in many respects. Few listened. Then came the 2 Sputniks and for the first time since the War of 1812 the American people began to feel a sense of physical insecurity and fear of an overseas Power.

There is only one conceivable explanation of how the Soviet gained her lead. This is because of the policies of giveaway, sellout, anti-anti-communism and downright treason of the "two" parties.

Now, self-seeking, unprincipled politicians of "both" parties seek to blame the other party for the situation and to whitewash their own party.

Haven't the American people had enough of this subversive, immoral treachery? Is it not time for honest men to clean out the scoundrels of "both" parties who are responsible for the predicament? Do the American people wish to survive?

In actual, sober fact there are not two parties in America. There is only one: The "Republican" PARTY OF TREASON. And any politician who at present is in good standing with his party is a partner to treason. These are harsh words. But the facts upon which they are based are much harsher.

All reputable evidence indicates that the state of domestic security and the effectiveness of anti-communists has never been as weak as it is now, under "God-Man" Eisenhower. Read this quotation from Robert H.W. Welch, in his factual magazine, *One Man's Opinion* (668) says; "The best informed authorities say that there are at least 30 huge communist espionage rings operating in this country today, against the only two or three that have been partly exposed."

And Igor Gouzenko, who exposed the communist spy ring in Canada, wrote a fruitless letter to Eisenhower recently and said:

"The fact that the U.S., with its advanced scientific and material resources, was not able to launch the first earth satellite should be the subject of serious thought and investigation. In my opinion, it indicates the work of well-organized Soviet spy rings in the U.S. missile-production system. These rings on the one hand are

pumping out of the U.S. valuable scientific and other information and on the other hand are sabotaging and delaying the U.S. missile effort under all kinds of seemingly logical excuses."

This fact, then, of America's weakness in her security setup, combined with the Soviet powerful and growing potential to destroy us, adds up to the urgent necessity for desperate measures before it is too late.

The only way the American people can save themselves at this late date is to force their Congressmen and Senators to set up a non-partisan "SURVIVAL COMMISSION" with enough power to fully investigate the entire Executive and Judicial Departments and ferret out all rotten, perverted or treasonous personnel. The SURVIVAL COMMISSION must be composed of men of the same stature as those lonely heroes who have fought a losing battle for the last 25 years against the international socialist enemies of the American people. They cannot be pussy-footers and must not be beholden to either of the "two" parties!

When thinking of the patriots who are qualified to lead or staff the SURVIVAL COMMISSION, many names come to mind. A few of them are Bryton Barron, Adm. John G. Crommelin, Gen. P.A. del Valle, Gen. Bonner Fellers, Maj. George Racey Jordan, Charles Lindbergh, General MacArthur, Dean Manion, Gen. George Van Horn Moseley, John O'Donnell, Westbrook Pegler, Dan Smoot, Gen. George E. Stratemeyer, Burton K. Wheeler and Gen. Robert E. Wood.

There are many others. Here are some who would be eminently qualified to staff

the SURVIVAL COMMISSION if they would break completely with their political party or otherwise show that they are not beholden in any way to any government influence: Richard Arens, Sen. James O. Eastland, Col. Wm. F. Heimlich, J. Edgar Hoover, Sen. Wm. E. Jenner, Sen. Geo. W. Malone, Judge Robert Morris and Rep. Francis E. Walter.

These are the men who have been unashamedly right in the past and today, are more right than ever. These are the men who have been villified, purged, silenced and all but murdered by the Invisible Government, which controls the Republican Party of Treason, the newspapers, radio and all means of communication. These are the men who can save America if the people want to be saved!

The SURVIVAL COMMISSION is merely a vigorous restatement of the late patriot Joe McCarthy's own wishes which he expressed to the Senate April 25, 1956:

"I suggest we set up a committee, to investigate the missile program and to keep a vigilant eye on its progress. If the program is not on an all-out basis, find out why; if we are falling behind the Soviet Union in the development of the weapon that might permit communism to conquer us, then we must find out who is responsible and what has motivated who are responsible."

With all the earnestness it can muster, RIGHT urges all patriots and patriotic groups to demand that Congress establish this SURVIVAL COMMISSION. Nothing less can hope to dig the facts out—and with the facts, the crawling things who even now are betraying their country.

This is the opportunity that patriots have been searching for for years. With the question of national survival now plainly staring us all in the face, "both" rotten old parties can be blown to bits by the impact of facts and truth, honestly and fully presented. As the terrible story of America's plight begins to sink into the befuddled, scrubbed brain of the average American they will become more frightened and willing to listen to reason.

In the names of Joe McCarthy, Senators McCarran and Welker, Gen. Patton, James Forrestal and all the other great patriots who have laid down their lives for their country in its battle against the forces of evil and darkness, RIGHT prays that patriots all over America will be able to rouse the American people and once and for all put an end to the unholy power of the liberal-communist cabal.

Census Bureau Hoodwinked

The Census Department planned on inquiring as to religious affiliations in their next census so as to determine the number of each religious affiliation. Many religious groups, as well as businessmen, social workers, educators and politicians, have asked that this question be included.

The only opposition came from the American (?) Jewish Congress and the Jewish Community Relations Council, which has organizations in all cities throughout the U.S.

The Philadelphia Daily News of November 26, 1957 states that the Jewish Community Relations Council asked their local Congressmen to support their recommendation that the Census Bureau reject the proposal for including the question on religion.

The Jewish American Examiner of Brooklyn, on Dec. 5, 1957, stated that the Brooklyn Jewish Community Council, in

behalf of 850 affiliate organizations, filed a strong protest with the directors of the U.S. Census Bureau opposing the inclusion of any questions on religion.

Many other religious groups are in favor of securing the number of religious adherents in the U.S., but the Jews are violently opposed to it and, as usual, they had their way.

Those of us who understand the tactics, realize that the Jew does not want the public to learn that the six million Jews who were supposed to have been killed in Germany are actually residing here in the United States!

During the Roosevelt Administration, Jewish pressure on the Department of Justice changed the policy of asking the religious affiliations of incoming immigrants, and as a result millions who entered the U.S., since the beginning of WW II, entered as Germans, Poles, English,

etc. In this way a much larger proportion of Jewish immigrants were allowed to enter than Christian. (Polish Jews, English Jews, German Jews). No matter what country they came from they had one thing in common they were JEWS and nothing could change that!

By their own figures the number of Jews in the U.S. is given at more than five million; but it is believed there are approximately 13 million.

THE UNITED NATIONS IS THE GREATEST FRAUD IN ALL HISTORY. ITS PURPOSE IS TO DESTROY THE UNITED STATES GOVERNMENT.

risks be reinstated with back pay. Just imagine the damage that 300 security risks can work on the security of this country.

But the most recent decisions of the Supreme Court, relating to contempt of Congress, have been the most devastating of all the decisions leveling our current barriers against Soviet penetration. The majority decision in the Watkins case, which involved a contempt of Congress case, with its dicta that provided the basis of Judge Youngdahl's aggressive decision in the Peck case, is a direct encroachment on the functions of the Legislative. By dictating what areas of wrongdoing Congress may investigate, by establishing an area of "freedom of association" for communists that knows no precedent either in the Constitution or in judicial precedent, by seriously impugning the personal motives of Senators and Congressmen engaged in legislative inquiry, the majority of the Court has now undertaken to render the Committees of Congress investigating communism completely ineoperative.

For years the Committees of Congress have had to listen to short opening statements from communists appearing before them presuming to dictate the law of the land. These versions of the law have always been rejected by the Congress because there has been no precedent whatever for their extreme version of the existing law. But the communists have persisted through the years and now their isolated interpretations of the law have descended on us from the bench of the Supreme Court of the United States!

The fact of the matter is that all of these Court decisions, and these Administrative decisions, have created among devoted intelligence officers, prosecutors, internal security officials, and Congressional staffs—a demoralizing sense of frustration and despair. There is more hopelessness today than I have ever experienced before in all my days in Washington. Never before has the morale of internal security reached the low that prevails today.

When Supreme Court decisions make unregenerate communists the heroes of their scripts and unnecessarily disparage the legislators, the staffs and the witnesses who have compiled records against them, that sets in motion a long series of reactions that have serious consequences.

Today, a situation prevails wherein Senators and Congressmen identified with resistance to communists are the political, diplomatic and even social outcasts of Washington. Resistance to communism earns for one today in the Nation's Capitol, the label of "extreme right wing," a term of greatest opprobrium in many circles.

On the other hand, Soviet leaders, such as Gen. Zhukov who has been carrying out the most sanguinary and savage reign of terror in Hungary that the civilized world has ever seen, are spoken of respectfully in many of our policy-making agencies. The Chinese communists who have been executing Chinese by the millions and exceeding the heinous performances of the Ghenghis Khans of history do not lack articulate condoners. There are among our policy planners those who feel that "it is on their conscience that we have not recognized the Chinese communists"—as it was once put to me.

The Soviet organization is having its own troubles. Cleavages, purges and inherent weaknesses and crises have slowed up their advances. If it weren't for these internal convulsions, our peril, great as it is now, would be infinitely greater.

While we have been dismantling our ramparts against communism, the Soviets are persevering in their conquest. We have done little to capitalize on the Hungarian uprising—the greatest flash of heroism ever displayed by a captive people. We have done little or nothing to demonstrate to the world the savage and ruthless mass

murders of the Chinese peoples by Mao Tse Tung's regime. In the absence of a psychological warfare campaign that would cause the Soviet to take the defensive for their crimes against mankind, they have taken the initiative and exploited minor faults of ours into mountainous propagandizing campaigns.

What can be done about this situation? All is not lost by any means. The American people have not been heard from. We urgently need to elect to represent us officials who will try to rouse the country from the lethargy to which it has succumbed, and willing to plunge into the task of rousing Washington from complacency. Conversely, if an official has been one of those who is deceiving the American people into a sense of false security, he should be vocally opposed. Remember—these pro-communist assets do not just happen, they are caused by men with names and faces.

If the deterioration of our position in the world continues to develop over the next 12 years at the same rate it has developed since 1945—just 12 years ago when the Soviet empire was confined to a relatively small area—then our liberties and our freedom will probably be lost for an unforseeable time. That probably is what Khrushchev meant when he said that our children and our grandchildren will some day live under a Soviet America.

This is a challenge. Time is running out.

The following is a quote from the book "THE INTERNATIONAL JEW" by Henry Ford, Sr.

ARE THE JEWS A NATION?

No Gentile knows how many Jews there are in the U.S. The figures are the exclusive property of the Jewish authorities. The government of the United States can provide statistics on almost every matter pertaining to the population of the country, but whenever it has attempted in a systematic way to get information about the Jews who are constantly entering the country, and the number now resident here, the Jewish lobby at Washington steps in and stops it. The Jews conceal their strength because Jewish influence at the Capitol has been strong enough to win on all matters affecting Jewish interests, at all times.

Louis D. Brandies, while Justice of the Supreme Court said:

"Let us all recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief, is necessarily a member."

THE AGE OF TREASON

The Age of Treason is a masterful new book by the distinguished scholar and patriot, Dr. R. Swinburne Clymer.

The title page carries a frank enlargement of the title: "The Carefully and Deliberately Planned Methods Developed by the Vicious Element of Humanity for the Mental Deterioration and Moral Debasement of the Mass as a Means to Their Enslavement." Following this candid statement, the author points out that a vicious undercover war is indeed being waged against the American people, and announces, "The express intent therefore of this text is to expose these methods, that those who may protect themselves and

Reds Man Our Communications

Robert Morris has stated that identified communists are manning communication lines from the Pentagon, and the situation is being ignored in Washington.

Morris spoke at a communion breakfast to some 1,500 telephone workers from N.Y. and N.J., members of the Catholic Communications Guild.

He said the Subcommittee during the past year presented evidence that identified communists—"unregenerate and defiant"—are manning communication lines to overseas bases and allied nations from the Pentagon, State Dept. and other agencies.

"These people are in a position to intercept important messages along these lines of transmission," Morris said.

"Top AFL-CIO officials in the communications field have testified to their alarm that this situation is allowed to prevail."

Morris said present Soviet policy does not call for sabotage "but it certainly will when the crisis sharpens," and added "Despite the fact that this dangerous situation has been underscored, it has scarcely provoked a ho-hum in the nation's Capitol."

"My own explanation of this obvious delinquency is that today in Washington anything that bears the label of internal security is swept under the administrative rug and tacked securely down. One is just not supposed to be concerned with American communists."

their families by means of sane, Divinely-indicated methods at the command of all men and women."

With precise and amply documented scholarship Dr. Clymer proceeds to reveal the subtle techniques of, to quote the text, "... those who by usurped power have the means to destroy man's reason and manhood, thereby making of man an unreasoning being, a robot or zombie, preventing him from fulfilling his Divine destiny by making the Soul's awakening impossible."

Promise Of Talmud!

The excerpt below is taken from a letter written to KARL MARX by his fellow JEW, Baruch Levy, as quoted in la Revue de Paris, June 1, 1928, p. 574.

"The Jewish people as a whole will be its own Messiah. It will attain world domination by the dissolution of other races, by the abolition of frontiers, by the annihilation of monarchy which has always been the support of individualism, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order Children of Israel, who are scattered over the world, will furnish all the leaders without encountering opposition; and this will more particularly be the case if they succeed in getting the working masses under their control. The governments of the different peoples forming the world republic will, through the victory of the proletariat, fall without difficulty into the hand of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. **THUS WILL THE PROMISE OF THE TALMUD BE FULFILLED, IN WHICH IT IS SAID, THAT WHEN THE MESSIANIC TIME HAS COME, THE JEWS WILL HAVE THE PROPERTY OF THE WHOLE WORLD IN THEIR HANDS.**"

ADMIRAL CROMMELIN

Government By Pressure Groups

Today we have government by pressure groups. Politicians like Jim Farley are out of date. The so-called Republican and Democratic Party are only names retained to keep happy innocent people, who like to think they belong to a party. The very same New Deal which was set up by the Zionists and FDR, still control Washington, only the managers have been changed.

Masterminds of the Anti-Defamation League have set up organizations and formed groups which have gained political control of labor bodies—then formed these into a coordinating block which they maneuver as pressure so that Congressmen, and Senators consider it political suicide to go contrary to their wishes. Until this sinister movement is broken there is no possible chance to reverse the trend toward Zionism and Communism.

Practically everyone knows by now the Supreme Court favors the enemy in his diabolical schemes to divide and eventually destroy America. Organized Zionism, with its pressure groups fronting for them expects us to lose our will to resist!

There are many patriotic and red-blooded Americans who would die to save our country, but few understand just exactly WHO the enemy is or how to cope with his cunning schemes.

An un-organized majority cannot defeat an organized minority! Unless Christians are smart enough to form a coordinating group which functions simultaneously, does not allow itself to become brain-washed or confused, and cancel out one

another's votes, then we most certainly are fighting a losing cause.

At present there are a few effective patriotic groups,—and doing a fine job alerting the country, but there are also some that are milk-toast, footsy-tootsy discussion groups—just wasting time and money.

One sure way to function and have your cooperation effective is to consider yourself an active worker in building COMMON SENSE in strength with a LARGE reader list so as to inform more people of the REAL enemy within our midst. Many informed people say that COMMON SENSE has performed wonders. We can, and will do many times greater when our subscription list is sufficiently large and we can publish a weekly paper.

We sincerely hope you can find the spare time to become as active as possible in building a strong newspaper—your paper, which is free to print the whole TRUTH which is so sorely needed at the present time. Surely our side can build ONE strong newspaper which will expose the evil forces that are dedicated to destroying the freedom of our great country, and all Christianity.

THE HIDDEN HALF

Words are indeed one of the Pharisaic Trinity (Words, Gold, and Power. They are not permitted even to pronounce the name of the ancient God of the Hebrews, YHWH, Jehovah!). With WORDS they have been able to deceive and enslave nearly the entire human race. The Pharisees were the originators and are the arch-practitioners of the ancient art of DOUBLE-TALK, which they have developed well-nigh to perfection.

Out of a huge mass of half-truth they have fabricated a myth that they are "the poor, persecuted, innocent Jews." This whole idea is a vicious deception based upon only HALF of the truth—the REMAINING HALF they have vigorously endeavored to suppress completely. What IS this OTHER HALF of the truth which they who say they are Jews have prevented us from knowing?

It is this: They are a pirate band, formed by SOME of the Jews, who managed to convert by deception or coercion many of the Jews, and have driven either into Christianity or Islam ALL THE REST OF THE JEWS. By 70 A.D. the Pharisees had eliminated all traditional Jews but the Samaritans, who exist even today as a feeble remnant.

According to their own philosophers the Pharisees are "a Conspiracy" by an elite of Rabbinical scholars, "who had invented a method, as artificial as it was baseless, for making the Torah an inexhaustible source of regulations and decisions that had nothing to do with the truth. They (the honest Jews) resented the arrogance of these scholars, who set themselves up as the authorized interpreters of the Law, modifying, canceling, widening, or altering the Written Word" in order to justify their evil chicanery and to hold their people as captive agents of The Pharisaic Conspiracy. (Page 241, Great Ages and Ideas of the Jewish People, Random House, 1956).

There has been much discussion about "The Jewish Question," anti-Semitism, and "persecution of the poor innocent Jews" in order to gain our sympathy and thus disarm us. Yes, the Pharisees have experienced some opposition and suffered certain retaliations from their victims, but they

NEVER intend to let you know WHY they are so eternally and universally hated!

Our Lord and Savior Jesus Christ tells us exactly WHY in John 8:44: "Ye are of YOUR father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." Jesus discusses The Pharisaic Conspiracy point by point in the 23rd chapter of Matthew. Until you study this you will never comprehend Christ's mission on earth: to destroy the SYNAGOGUE of Satan, the Pharisaic Conspiracy!!!

If the Christian world is to survive, we had better heed and begin to live by the words of Christ, instead of ignorantly living by the words of the anti-Christ. We must tear off the sheeps clothing of "the poor, persecuted Jew" and reveal the terrible wolves masquerading underneath: THE PHARISEES!

That our present-day "Jews" are actually the Pharisees was spelled out by none other than Dr. Louis Finkelstein in his book "The Pharisees," The Jewish Publication Society of America, 1946:

"Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaptation of custom, and adjustment of Law, THE SPIRIT OF THE ANCIENT PHARISEE SURVIVES UNALTERED."

Nearly 2,000 years ago Jesus taught: "And ye shall know the truth, and the

truth shall make you free" (John 8:32). He was fighting the greatest enemy mankind has ever known, THE PHARISAIC CONSPIRACY. For this He was crucified!

Those who are beginning to understand must know the WHOLE TRUTH: We are not threatened by the so-called "Jewish Question," but by the most monstrous plot in all of history, THE PHARISAIC CONSPIRACY to rule and ruin all the rest of mankind! Never must we imagine that we are fighting against the Jews; that is a half-truth so carefully cultivated by the Pharisees. Our mortal enemy is the Pharisaic Conspiracy, "them of the synagogue of Satan, which say they are Jews and are not, but do lie!" (Revelations, Apocalypse 3:9).

LEARN THIS TRUTH OR YE WILL NEVER BE FREE!!

"Mr. Ben Gurion said, 'the problem confronting Israel today is how to induce American Jews to come to Israel when there is no whip over their heads. All the earlier waves of immigration had come under the threat of the lash, and the American Jews cannot be expected to be different'...."—From the California Voice, Los Angeles, California.

Please compare the above with the following statements.

... "However, the majority of Jews are living outside of Israel. And unless some disaster or a serious wave of anti-Semitism drives them back, they want to remain outside..."—The Rabbi Hermann Lob, in Judisk Kronika (Jewish Chronicle) of Stockholm, Sweden, No. 7, 1954.

"The great sensation of this summer in Israel has been Ben Gurion's appearance. About its origin there is no doubt: Israel's crying lack of Western educated youth and the negative results of the attempts to get immigration from Europe and America. Especially the failure of the American Jews to obey the call of Ben Gurion and others has been something of a catastrophe..."—Professor Hugo Valentin in Judisk Tidskrift (Jewish Review), Stockholm, Sweden, July, 1954.

A.D.L Of B'nai B'rith Uses Our Highest Elected Officials!

By Marilyn R. Allen

Box 2243, Salt Lake City, Utah

Now that there is just a faint possibility that the Anti-Defamation League (ADL) of B'nai B'rith—collector of millions of tax-free dollars annually for "book-burning" and persecuting honorable patriotic Christian Americans—may be investigated by the House Committee to Investigate Tax-Exempt Foundations (such as the Rockefeller and Ford Foundations), the Jews are already crying and wailing. As per article by Milton Friedman in the *Jewish Examiner* for May 21st, 1954, and other Jewish papers, titled "Washington 'Witch Hunters' name ADL," it seems that the astute Norman Dodd, staff research director of this Reece Congressional Committee, has rightly alleged that the ADL IS part of a small group attempting to control education throughout the nation. This "indoctrination," said the Committee Report, "contrasts sharply with the freedom of the individual as the cornerstone of our social structure." THIS writer has always inveighed against the Jewish Socialist "communal" doctrine as opposed to American individual freedom.

This indoctrination is certainly carried on through their ADL-sponsored "Work Shops" in schools throughout our nation (including one on the campus of the University of Utah): through their own racial-religious left-wing Hillel Foundations on many of our school campuses: the large number of Jewish teachers and professors in our schools: Jewish writers of textbooks etc: even their taking over of the literature issued by Catholic and Protestant churches: all of which works toward the same end: the favored status of the Jews, their ideology particularly Zionism and help for their State, Israel. The same objectives are served by the Christian Scripturally-forbidden National Conference of Christians and Jews, that makes a fetish of "co-existence" with the enemy.

In the American Jewish Committee Budget for 1953, they claim this Conference as an arm or agency for their own purposes. Likewise, Jewish sponsored UNESCO teaching in our schools, warps our children from Christian American ideals to alien ideologies. B'nai B'rith, parent organization of the ADL, annually puts on drives to suck up many millions of tax-free dollars for their own selfish racial-national purposes.

Then this smart little cookie, Friedman, winds up his column under above date with these snide remarks, in an attempt to ride on the coat-tails of the highest officials in our land:

"If the ADL is guilty of 'indoctrination,' it may have indoctrinated President Eisenhower, FBI Director J. Edgar Hoover, and Attorney General Herbert Brownell (not to mention our Supreme Court Justices) who paid tribute to the ADL last year at a banquet here. Since Sen. Joseph R. McCarthy has met with ADL officials, perhaps he, too, has been indoctrinated."

Well, of course that is the theme of this writer's documented writings: that Messrs. Roosevelt, Truman, former Vice President Alben Barkley, Eisenhower,

many of our Governors and virtually all our other top officials have long been indoctrinated by this Jewish Sanhedrin, and act strictly as their catspaws—NOT as free independent Constitutional and Christian Americans. As for Brownell, he resigned due to a guilty conscience, after the Little Rock fiasco.

There is no other sensible explanation for the ruinous downward course of our Republic, which has followed implicitly in the path laid down in the *Protocols of the Learned Elders of Zion*. (Order from CEA of Union, N.J., price \$1.00) If you have brains and courage enough, trace it for yourself and see its workings right before your very eyes, in every detail. If you have no brains and no courage, stick your head in the sand—as do most Americans.

It was well-known to some of us Jew-wise Americans that that was the very reason our top officials were invited (commanded) to attend the ADL banquet on November 23, 1953—supposedly "honoring" President Eisenhower—so that the prestige of their offices might be used to the advantage of the ADL, just as Friedman is now using it. Even a DUMB-BELL ought to be able to see through that! With their usual cunning, the ADL of B'nai B'rith devised this trick to secure the endorsement of their organized conspiracy by our

Mr. and Mrs. America—

We, the members of the Committee for Admiral Crommelin have an urgent message for you.

What is now going on here in Alabama may happen in your own sovereign State. Someday somewhere, there is bound to come forward in many of our States a man with the character, integrity and down-right courage such as our candidate for governor has. Admiral Crommelin's fight for the governorship may well be the spark that America needs to wake her to the peril she is facing!

He is fighting hard, pulling no punches and bringing before the American people the unvarnished TRUTH—the only thing that will ever save America AND Christianity. Certain minorities are now sending large sums of money into Alabama to defeat him—because they fear his election may awaken more Americans to the TRUTH!

Admiral Crommelin, win or lose, will be in this fight for a free America until these evil forces are defeated.

Unfortunately a campaign takes a very large sum of money and Admiral Crommelin and his close friends have exhausted theirs. The campaign is now in its final stage. To counteract the enormous propaganda paid for by the minority groups from out of State, we ask you, American patriots, for financial help. No amount

Top Jewish Secrets Now Available!

Since the reproduction of the famous AJC Budget 1953 by photocopy process from the original, widespread repercussions have taken place. Excerpts from the Budget have been reprinted all over the world in patriotic publications from New Zealand to England, from Maine to Cal.

In the Jewish press, however, there has been an embarrassed silence. In fact, there has not been even a single mention of this document in the confidential and restricted bulletin **FACTS** issued by the Anti-Defamation League of B'nai B'rith, in the occasional releases on "anti-Semitic" activity by the AJC itself, nor for that matter in any form by those Jewish organizations which specialize in "combating anti-Semitism."

This lack has not been due to an unawareness of the existence of the AJC Budget 1953 in its photocopy form, since all Jewish "action agencies" have access to the anti-Jewish press and could not have failed to learn of the greatest blunder committed by a Jewish organization in modern history. Rather, it has been due to the constant and justified fear of the Jewish organizations such as the AJC that their organized conspiracy to overthrow the established traditions of this country will be uncovered and revealed to the distressingly uninformed general public and to Congress.

The AJC has been hard pressed to keep knowledge of the widespread distribution of their infamous Budget from reaching the component membership of the various Jewish organizations. The turmoil created in the AJC when it first learned that its precious "Confidential-Not for Publication" budget had been seen by Gentiles, by Christians, has in no way abated since that time. Even though other Jewish organizations, particularly the American Jewish Congress and the Zionist Organization of America, have ridiculed privately this great faux-pas by the AJC, they have also expressed great fear of the potential consequences to them if this document ever receives wide publicity in the general press, or if it reaches the hands of too many members of Congress and of uninformed "opinion molders" of this country.

The Protocols and other tracts of similar nature have been allegations or assertions of evil intent by Jews. The AJC Budgets 1953 (280 pages) and 1954 (129 pages) on the other hand, are factual, detailed expressions on a Jew-to-Jew basis, on a restricted level of the week-to-week and month-to-month activities and plans of the major Jewish organization which is actually classified as conservative by other Jewish organizations.

In the Introduction to the AJC Budget 1953 are several statements which apply with equal validity to the AJC Budget 1954:

"...a hidden government has established controls over press, radio, television, the theater, charities foundations, many schools and educational institutions, and other media by which the public is influenced, including many churches... the AJC is but one of many Jewish groups which so successfully seek to shape the policies of officials and the government of the United States... It is obvious that this paper does not contain all the facts, for some of the most significant facts, secret in nature, would not, assuredly, be mimeographed." (Copies were made for departments of the AJC and some chapter directors.) "It does, however, contain enough facts and in sufficient detail to give beyond any question of doubt a picture of many of the significant ways in which the AJC works to achieve its purposes."

This assessment of the value of the Budget has been proven to be a conservative one, for those individuals in Congress and other high-level spots who have had the opportunity to examine a copy have without exception expressed **SHOCK** at the

revelations they found in it, even those made casually.

This reproduction of a **SECOND** AJC Budget for 1954, following that of 1953, is going to come as a horrifying surprise to the AJC. **ALL** AJC Budgets deserve publication, so it is to be expected that the AJC will henceforth cease publication of such budgets and resort to more secretive methods of recording and disseminating such information.

The following excerpts from the Budget are merely as highlights and as an aid to locating specific items in the document:

LEGAL DIVISION

The Legal Division prepared "amicus curiae (friend of the court) briefs... in the U.S. Supreme Court Segregation Cases (p.11); "prepared memoranda in support of a Presidential Commission on Internal Security and Political Freedom; raised constitutional objections to the Gwinn Amendment which requires occupants of low-rent housing to certify that they are not members of any organization listed by the Attorney General as subversive." (p.12)

FACT-FINDING

This term is a euphemism for the AJC's (and the ADL's) MVD type of operation against "anti-Semites" and other patriots. Evidently, Geo. Kellman, director of this division, was terribly disturbed, and with good reason, at reproduction of some of his cherished "fact-findings" concerning "anti-Semites" in the AJC Budget 1953, for all that may be found under this heading in the 1954 Budget is the note: "Information will be furnished upon request." (p. 15). The secret investigations carried on by this division, if subject to scrutiny by any law enforcement agency, could place the persons involved and the AJC itself in the position of being legally accountable for any criminal actions by its investigators. The millions of dossiers compiled and kept up to date by the AJC, the ADL, and B'nai B'rith are by their very natures useful as sources of blackmail, coercion, intimidation, pressure, and economic ruin of the subjects of those dossiers. Who knows outside these Jewish organizations just what is done with these dossiers? The answer is—NO ONE!

PRODUCTION DIVISION

Its services include close liaison with Broadcast Music, Inc., (BMI), currently under attack for monopolistic practices (p. 22); writing propaganda for "Know Your America Week," sponsored by All-American Conference; and "Brotherhood Week," sponsored by the National Conference of Christians and Jews; "United Nations Week," sponsored by the American Association for the UN (p. 23); "UN Day," sponsored by the U.S. Committee for the UN (p. 23); and "American Education Week," sponsored by the U.S. Office of Education, National Educational Association, and American Legion. (p. 23).

THE U.N.

"We will continue our involvement in the growing movement to rally public opinion behind the UN... we are coming to be recognized as one of the major non-governmental producers of informational material for popular consumption." (on the UN p. 24). "One of the problems... is that of aiming speakers to combat anti-UN movements." (p. 25).

RADIO AND TELEVISION DIVISION

The Budget for 1953 lists those "Resources Outside the Agency" (meaning tools, pawns, or agents) in CBS, NBC, ABC, etc., as including several high officials (by name). In the 1954 Budget the AJC boasts of providing book reviews for BMI's "Teenage Book Parade," and of the probability that program ideas would be "...hospitably received by Cavalcade of America, Studio One, Philco Theater, Ford Foundation's Omnibus... CBS's Studio One, at our suggestion, presented The TRIAL of Peter Zenger, (p. 32). (Note:

Every one of these programs has featured communist-fronters, particularly the last named.)

INTERRELIGIOUS DEPARTMENT

"We recognize the church as a primary factor in determining the attitude of Americans toward Jews and Judaism... this Division seeks to encourage and assist Protestant and Catholic churches... to develop... programs that will create favorable attitudes toward Jews and Judaism... we deal with national Catholic and Protestant agencies; various Catholic dioceses... the NCCJ..."

"Powerful religious forces are now striving with increasing intensity towards a reinterpretation of the 1st Amendment... to obtain support for the religious schools." (p. 58).

Among specific projects of the AJC is listed "Study Visits to Catholic Schools—We plan to continue in 1954 a program of visits to Catholic schools, which have two purposes: 1) Securing first-hand information regarding intergroup emphasis in these schools; and 2) Providing teachers and principals with guidance in teaching methods and the use of lesson materials in social study courses involving intergroup education."

"In 1954 we plan to concentrate our efforts in one city such as Hartford or Pittsburgh in order to provide us... with a full picture of Catholic education."

"Work with Natl. Catholic Welfare Conference—this will include furnishing of factual information to the Press Dept; enlisting the support of the Social Action Dept. on various issues as they arise; and offering the Education and Youth Departments materials on Jews and Judaism, as we have done in the past." (p. 57).

New projects for 1954 include "Work in the Catholic Textbook Field: New efforts will be made... to seek publication of revised editions of Catholic textbooks through the good offices of the Catholic Biblical Association. In addition, we will help the Committee on Citizenship of the Catholic University of America in preparation of texts on Jews and Judaism." (p.57)

YOUTH

The AJC, aware that "there are in the U.S. 35 million young people between the ages of 5 and 9 (who) will determine the future of our society" spares no effort in propagandizing these youths. "The efforts of this Division are directed... toward... the National Social Welfare Assembly (which includes) the Boy Scouts and Girl Scouts, the Youth Division of the National Catholic Welfare Conference... the 4 H Clubs... the YM and YWCA's." (p. 97).

The 1954 AJC Budget also covers intergroup educational projects, particularly through the development of workshops (p. 82). It cautions against undesirable and ill-advised literature, films, etc., and furnishes "information about anti-Semitic developments, hate-mongers, hate literature, etc. (p.94). The AJC is most active in foreign affairs and in Washington and we quote from page 180: "Liaison will be maintained with the Dept. of Commerce, Federal Communications Commission, Post Office Dept... Dept. of JUSTICE (Masters of Deceit—Ed.)... Dept. of Labor, the Congress and the White House Staff." (p. 180)

The AJC also "cooperates" in every field of religion, politics, education, etc. etc. Actual photocopies of the most important pages of the American Jewish Committee Budget 1954 (127 pages) reveal more of the sinister plot to brainwash the gullible public.

This is a reliable reference for every patriot! Every Congressman and Senator should have one.

highest officials, thus putting THEM in an untenable spot. How do you FIGHT an enemy from whose hand you eat and whose favors you accept?

Also, this Jewish ADL is most responsible for the throttling and silencing of our "free" press, so that no hint of their shenanigans may reach our people. There have been enough cases of Jewish betrayal and Fifth Amendment Koshier Kommunitists out in the open, for even the gullible Eisenhower to have been forewarned NOT to take this foolish step. But apparently his "advisers" (such as the notorious anti-McCarthyite Sherman Adams of the Palace Guard, UN'er Henry Cabot Lodge, and Jewish adviser to the President, Max Rabb) must have told him he better kowtow to this Jewish secret police—and so he obediently bent the knee, which may one day come back to haunt him. Now, again, in another letter announcing a similar award to its catspaws, under date of Jan. 21st 1958, the ADL makes clever use of these TOP NAMES, for its own advertising purposes!

The ADL has been most active in earning, and claiming credit for being the "fingerman" to DIScredit many loyal Christian American Patriots, by means of its unlawful espionage system throughout every large city in America, which keeps Soviet-like dossiers on those who oppose IT and its objectives. Now let's see whether anybody in Washington has the courage to "put the finger" on them! No, nobody has. Apparently, it isn't possible to have TWO MEN in the heroic mould of a McCarthy! That's too much to hope for in these days of pussyfooting political puppeteers.

This same Anti-Defamation League of B'nai B'rith had the consummate audacity (which is the same as putting the finger on THEM) to invite Members of the Congress of the U.S. and particularly the "elected leaders of both parties in the House and the Senate" to attend an "award dinner" in Washington on March 3rd, 1958, at which they were to be "honored" by this Secret police outfit for carrying out THEIR wishes and passing Jewish-sponsored legislation. This was to "honor" them for having forsaken their honor and their oath of allegiance to our Constitution, by "enactment of the first federal Civil Rights Law in 82 years," which legislation is a backwash of the unconstitutional Supreme Court desegregation decision of May 17, 1954. This decision is openly boasted of by Jews as "their baby," in conjunction with the NAACP and the communist party. Nothing has so torn our country apart as this unlawful Supreme Court Negro-favoring legislation, which was "malice aforethought" and has played directly into the hands of our internal and external enemies.

Proving that you cannot fool all the people all the time, more than 300 Senators and Congressmen boycotted the dinner—apparently they preferred to be free of control by the ADL. Congressman Thomas Abernathy, one of the 300 who boycotted the dinner, said "the medals were for establishing a Federal Gestapo to police the South and make the white folks and negroes amalgamate." Congressman Robert W. Hemphill sent a blistering letter to the B'nai B'rith ADL demanding that his name be excluded as a recipient of any award to the 85th Congress.

Despised

The Anti-Defamation League works closely with such organizations as the American (?) Civil Liberties Union, the National Association for the Advancement of Colored People, Americans (?) for Democratic Action and the National Conference of Christians and Jews.

It is unlikely that any organization in America is more despised by loyal Americans who are cognizant of the communist menace to our nation.

The American Jewish Year Book, 1914-1915, Jewish Year 5675, page 144, states:

"Anti-Defamation League founded by Independent Order of B'nai B'rith, to eliminate as far as possible, publication of literature prejudicial to the repute of the Jews."

STRANGLED

By Richard Lloyd Jones

Republished From The Tulsa Tribune

We, THE PEOPLE, once proud, vigorous and alert to our rights and liberties have now been strangled by an apathetic ignorance. The communists are ingenious, subtle and evil. They confuse our thinking and gain control of our government. Today we are governed by an invisible government which the people did not elect.

We now have something over two and a half million office-holders, holding both petty and vital positions. Most of these have succeeded in getting into their positions through communistic infiltrations. They are under Civil Service and cannot be fired. They will destroy those who seek to reveal or suppress them. We are in the hands of the Civil Service office-holders, and they are dominated by the subversive agencies and enterprises that are destroying the foundations of our government.

We are being taxed today. Heavily taxed. And the assessors who write our tax bills are dominated by this invisible government that controls us. And we submit.

The President can do nothing about it, nor can his Cabinet administrators. Anything they may order or promulgate that is not to the liking of the Civil Service office-holders gets lost in the waste baskets or the studied confusions. We maintain factories of frustration.

Supreme Court Justice William O. Douglas has just published a book which he calls "The Right of the People." The book misses fire. The RIGHT of the people is not sustained by his own Court! It is not defined in his own book. His Court, which President Eisenhower has made the Earl Warren Court, has revoked laws and measures that protected us. His Court, the Earl Warren Court, has repudiated the findings of federal courts that have penalized and imprisoned communists and socialists who have entered into a conspiracy to destroy us.

These subversive forces have gained such a firm control over our rights, properties and affairs that both our major

political parties have surrendered. Their independence is gone. Their integrity and their devotion to the principles and purposes of this Republic is manifest no more.

These agencies of sedition reveal their menacing power when even our President joined them to destroy Senator McCarthy, whose offense was that he was a patriot.

We have but one hope left. CONGRESS. It still belongs to the people. But where in Congress have we the men who will take up the fight that Sen. McCarthy gave his life for? How submissive have the American people become? It is time to pitch the tea into Boston harbor if we are ever to find our liberties again. But our Congressmen are afraid to do their duty. The forces of socialism and communism have such a strangle-hold on Washington that statesmen who are eager to fight for the people and their rights are retiring from public life because the administration is not with them, and through Civil Service they are penalized.

Fulton Lewis Jr., one of our most intelligent and courageous interpreters of the political trends in our capital, after a recent visit to a majority of the states, reports that if there should be an AMERICAN party today that had the courage, the consecration to declare for the rights of the states, the Constitution of the U.S., and the return of the Supreme Court to its legal duties more than 70% of our voters would support that Party and its candidate.

The people are fed up with treachery and treason, but they do not know where to turn to save themselves. There is no leader!

At long last the people are beginning to realize how they have been betrayed. Our highest Court has left them. It declares that communism is merely a harmless group of political liberals. Thus diverted Americans will scrap all programs designed to protect their institutions against communist infiltration and domination.

Rob't Morris, former chief counsel for the Senate Internal Security sub-committee recently declared, "The fact of the matter is that all these Court decisions and these administrative decisions have created among devoted Intelligence officers, prosecutors and internal security officials and Congressional staffs, a demoralizing sense of despair. There is more hopelessness today than I have ever experienced before in all my days in Washington. Never before has the morale of internal security reached the low that prevails today."

Now one of the gentlemen who sits on our Supreme Court has published his book that is worthless. It is not concerned with the devastating influences that are destroying us.

Mr. Lewis may be quite right, we hope he is, that 70% of the people would vote to save America. But there is no one to rally around. No leader to support. No AMERICAN on the horizon line.

It is not the Sputniks that should concern us, but the INVISIBLE GOVERNMENT that has us strangled!

America's Fall And Destiny

By Stanley MacDonald

When the full and complete story is finally known to the world, the year 1932—the year the Marxist New Dealers came to power under the second Roosevelt—will long be remembered by future generations of Americans as one of the blackest in the history of a torn and bloody world—the year Christ was officially dethroned in the hearts and lives of the American people and the bloody terrorists that murdered the Tzar and overran the Russian nation were taken into our midst.

There may be other dark spots on the fair reputation of the American nation—other things for which she may repent—but that particular blot on her career as a nation is inky blackness. It depicts her precipitate fall from her former high estate—from the place that Heaven designed for her in the Community of Nations—to a full-fledged partnership on the part of a supposedly God-fearing people with the personification of evil itself. All the great and glorious things for which America stood in the beginning were abandoned in that unfortunate plunge.

At the time of the recognition of the Russian Murder Regime by the egoistic and insanely ambitious Roosevelt, all the terrible facts were known to the American Government and are so known today, even to the financing of the so-called Russian Revolution in 1917 by certain well-known banking interests right here in our own America—a revolution which in truth and in fact was not a revolution, but, rather, a bloody and unscrupulous usurpation on the part of two outstanding revolutionary idols that then were stalking the world—during all of which time, from that very day until the present hour, the Russian people themselves have never ceased to hope and pray for the freedom that is denied them.

Tzar Nicholas II who was murdered along with his family when the Jewish engineered Revolution broke out in Russia. Will America suffer the same fate?

From that contamination with the forces of darkness in that fateful year stems all our trouble and all our financial worries over the intervening years, and most of our trouble today. And we are paying, paying, paying. We have already paid with world War II, the war in Korea, the trouble in Indo-China, and we will continue to pay and pay and pay, in divers ways and in various parts of the world, for many years to come. We will pay until we as a nation are at last awakened to the depth to which we have fallen, and resolutely start our tortuous climb back to the forsaken Constitution, back to the Bill of Rights, back to the Christly example our early fathers left us, back

to that exalted Place-in-the-Sun that destiny fixed for us in the beginning, namely a God-fearing leadership among the family of nations—marching down the Road-Triumphant, not with planes and tanks and ships and atom bombs, but with a sincere and genuine love of God in our hearts and a Christly precept on our lips—down to the ultimate liberation of every people everywhere, and a legitimate and orderly Brotherhood of Nations, organized and fashioned upon the basis of a wholesome and uplifting fellowship among all the nations, and for all the races and all the peoples of the entire world, but forever devoid of their unhallowed mongrelization!

Suppressed Truth

"Breaking a silence of nearly 10 years on the subject, Maurice Samuel, internationally famed critic, lecturer, and writer, recently disclosed in an exclusive interview with THE POST and OPINION his reasons for refusing to translate the novel **MARY THE MOTHER** by the late Sholem Asch.

"Samuel based his objections to the **MARY** manuscript on several features, which, he wrote, 'depressed him deeply.' Primarily they involved Asch's changing attitude toward the Virgin birth, **JESUS' LIBERATION OF THE JEWS FROM THE PHARISEES**, and the pre-Christian state of Jewish ethics.

"These were made clear in a letter never before revealed to the public—a letter dated Feb. 26, 1948; sent to the author by the rapier-witted, silver-voiced Samuel, whose superb translations had brought two earlier Asch novels, **THE NAZARENE** and **THE APOSTLE**, to the best-seller lists of the English-speaking world.

"It is impossible to read **Mary the Mother** without saying: This man believes with emunoh sh'lemoh (the stupid schmo) in the Virgin birth of Jesus.

"In this book you say flatly that **JESUS** came to **LIBERATE THE JEWS FROM 'THE RABBIS AND SCHOLARS.'** Of course, you can quote passages from the TALMUD to back it up." The National Jewish Post and Opinion, Oct. 25, 1957, page 6.

And, unless you can read Yiddish and can obtain **Mary the Mother**, you will never be able to read this Jewish admission of **THE REAL PURPOSE** of **JESUS' mission**. This is just another example of the Pharisaic censorship known as "academic freedom!"

Right Or Wrong?

The greatest tragedy of our times is in the fact, that the American Nation which is leading the so-called "free" world in its fight against communism is **NOT FREE ITSELF**, but, to a large extent, is controlled by the leaders of a small minority group.

And those leaders are not only culpable of pursuing relentlessly their own, selfish interests, but also are directly responsible themselves for the tremendous initial success of communism.

Their political machinations are nearly always detrimental to the welfare of the American Nation as a whole, and to the free world in general.

Zionists--The Only Real "MASTERS OF DECEIT"

Those who are experienced in examining the writings of Jewish brainwashing groups, immediately recognized in the pages of "Masters of Deceit" the handwork of the Anti-Defamation League of B'nai B'rith and the American Jewish Committee. The main object in promoting this book is to trap the gullible Goy into reading the 16 pages, starting at page 255 which attempts to exonerate the Jews for their part in this world-wide conspiracy. It is a very clever move and we congratulate both the ADL and AJC.

Those who want an anti-communist book, read through the pages until they arrive at the chapter on Judaism and are stunned and confused to be told Jews have nothing to do with communism. To give these 16 pages of whitewash a semblance of fact, they maneuvered a respected name as the author.

Only an amateur would fail to recognize these pages as written by a Jew—a clever effort to convince the uninformed public that 2 plus 2 is five.

Starting in 1917, Jews have been suppressing the sale of every anti-communist book. In the cities where practically all book stores are owned by Jews it has been impossible to buy a book against communism—but **THIS** is different. They are promoting "Masters of Deceit" in the U.S. and especially foreign countries; page advertisers are influencing newspapers to write editorials and run the whole book in serials; it is also being plugged on the controlled radio and television.

Israel plans on a war in the next two years, and expects the U.S. to send its boys to help kill off the Arabs and thus leave Israel free to annex more Arab land. With the growing understanding that communism was set up and directed by Jews, public sentiment will be against our going to war once more for Jewish interests. Hence, this bold move to maneuver the prestige of J. Edgar Hoover behind their propaganda.

"Masters of Deceit" is a good title. These Pharisees are the world's greatest masters of deceit since they deceived Pontius Pilate into delivering Christ to be Crucified. They deceived our country into World War I and II.

If the Jews have no connection with communism, why do they devote 16 full pages trying to prove otherwise? They do not defend any other group, religious or racial. From 1917 to at least 1950—33 years—Jews have had the same connection with communism in the Soviet Union as an engineer has with a train!

Here in the U.S. the Jews represent about 6% of the population but at least 95% of the spies caught are Jews. When Cong. John Rankin was a member of the Un-American Activities Committee he stated in Court that their files showed that 75% of the Communists in the U.S. were

Jewish!

On Dec. 14, 1954, Robert L. Kunzig, (Zionist) on the staff of the Un-American Activities Committee leaked a report to the press smearing COMMON SENSE. The Chairman of the Committee, Harold Velde, was on a honeymoon in Mexico and the Committee knew nothing of the report. Cong. Francis E. Walter, Incoming Chairman, stated that the Committee had not seen the report and "this kind of thing is going to stop." The report was written in the N.Y. office of the American Jewish Committee! **THEY ARE THE REAL MASTERS OF DECEIT!**

Up to recent years, Jewish papers, including the B'nai B'rith, their official newspaper, have never uttered one single word against Communism, but have smeared those who dared oppose it. Now that the world is becoming aware that Communism IS Jewish, they are desperately changing plans and posing as anti-Communists.

The following are just a few quotations showing beyond a doubt that Communism, Socialism, and Fabianism are products of the Pharisees who are now known as Jews or Zionists.

"Lenin On The Jewish Question," booklet dated Aug. 9, 1918, by Diamanstein, Jew: "The Council of People's Commissar has instructed all Soviet Deputies to take uncompromising measures to tear out the anti-Semitic movement by the roots; pogromists are to be placed outside the law."

Scholem Asch, quoted by the "Jewish World," London, June 29, 1922: "In Russia peasants, soldiers, everybody hates Jews... Jews of Russia are unanimous in believing that the fall of the Soviets and the grasp-

ing of power by OTHER HANDS would be the greatest calamity for Jews that could be imagined."

The "American Hebrew," the nation's most outstanding Jewish weekly, said on Sept. 10, 1920: "The Bolshevik Revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also through the same Jewish mental and physical forces, become a reality all over the world..."

Theodore Herzl, World Zionist leader, wrote in the "Jewish State": "When the Jews sink, we become a revolutionary proletariat (Communistic); when we rise, there also arises our terrible power of the purse" (Capitalistic).

The periodical "Asia" carries the following in its Feb.-March 1920 issue: "In all the Bolshevik institutions the heads are Jews."

From the Universal Jewish Encyclopedia "The Jewish Voice," N.Y. City, for Oct. 1941, carried the following statement by Dr. Chaim Weizmann, world Zionist leader: "We wholeheartedly respond to the appeal of the Jewish rally in Moscow... We are proud of the struggle put up by the Soviet armies whose successes evoke universal admiration and fortify confidence in ultimate victory."

"Without exaggeration it may be said that the great Russian Revolution was indeed accomplished by the hands of the

Jews. Statement of the Jew, M. Cohen in "The Communist Charkov," April 12, 1919.

Walter Rathenau, Jew, late Financial Dictator in Germany, in "The Wiener Free Press," Dec. 25, 1909: "Only 300 men, each of whom knows all the others, govern the fate of Europe. They elect their successors from their entourage. These Jews have the means in their hands of putting an end to the form of any State which they find unreasonable."

Bernard Lazare, a Jew, in his book "Anti-Semitism and its Causes," Paris 1894, wrote: "The spirit of the Jew is essentially a revolutionary spirit and, consciously or otherwise, the Jew is a revolutionary."

"The Jew is a Communist." Otto Wininger in his book, "Sex and Character," Vienna, 1921.

"The Jewish religion is hostile to Christianity in general and to the Catholic church in particular." M.J. Oglin in "The Morning Freiheit," N.Y. daily, Jan. 10, 1937.

"We intend to remake the Gentile... what the Communists are doing in Russia." Rabbi Lewis Browne in his book, "How Odd of God" published in 1924.

"Nationalities must disappear, religion must be suppressed. But Israel must not disappear, for this little people is the Chosen of God." Adolphe Cremieux, president of L'Alliance Israelite Universelle, in "Les Archives Israelites," Paris Nov. 25, 1861.

"What we Jews must do is to set our faces as flint against Fascism, against any form of it whatsoever. Our next step to be taken as soon as ever it is possible, must be to seize, in the interest of the workers, all the nations industries, and let nothing whatsoever stand in our way, even should we have to use violence." James W. Wise (son of Rabbi Wise, N.Y.) speaking from the pulpit of the Free Synagogue, in N.Y., Jan. 28, 1934 on "The Rising Tide—Will It Overwhelm Us?"

"The revolution in Russia is a Jewish

revolution, a crisis in Jewish history. It is a Jewish revolution because Russia is the home of about half the Jews of the world.... But the revolution in Russia is a Jewish revolution also because Jews are the most active revolutionists in the Czar's empire." From the Zionist organ, "The Maccabean," N.Y., Nov. 1905, p. 250, headline "A Jewish Revolution."

The following is an excerpt of a report delivered by the Netherlands Minister at Petrograd on the 6th of Sept. 1918, on the situation in Russia. The Netherlands Minister was acting for the British Ambassador and the report was presented to Parliament in London....

"The foregoing report will indicate the extremely critical nature of the present situation. The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilization of the world will be threatened. This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realized in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers."

COMMON SENSE has a photostatic copy of the original above article—Editor.

From the book "JEWISH ANTI-COMMUNISM"—

In the Soviet Union Jewish influence was especially powerful in the Central Council of Commissaries. In 1920, the Central Council consisted of 20 members, of

which 17 were Jews. The Commissariat of War at the same time consisted of 43 members, of which no less than 34 were Jews. In the Commissariat of the Provinces, 21 out of 23 belonged to the same race, as did 45 out of the 55 members of the Commissariat of the Interior. The Commissariat for Foreign Affairs was comprised of 17 members; out of this number, 14 were Jews. Taken as a whole, the percentage of Jews in the Commissariats, the highest offices of Revolutionary Russia, was during the Lenin regime as follows:

In 1917-18, out of 316 Commissars, 300 were Jews. In 1920, out of 457 Commissars, 322 were Jews. In 1921, out of 550 Commissars, 447 were Jews. In 1922, out of 525 Commissars, 445 were Jews.

The U.S. Secret Service (a forerunner of the present Central Intelligence Agency) was aware of this Jewish influence in the Soviet government, and circulated to allied governments a confidential report on the matter, from which we quote below:

SECTION I. In Feb., 1916, it was first discovered that a revolution was being fomented in Russia. It was found that the following persons, as well as the banking houses mentioned, were engaged in this work of destruction: Jacob Schiff, Guggenheim, Max Breiting, Kuhn, Loeb, & Co., Jewish banking houses of which the following are directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, S.H. Hannauer.

SECTION II. In the spring of 1917 Jacob Schiff began to supply funds to Trotsky (Bronstein) to bring about the social revolution in Russia. The N.Y. "Daily Forward," which is a Judeo-Bolshevik organ, gave a subscription for the same cause.

Further Proof On The "Masters Of Deceit"

Republished from CLOSER UP
Box 2223, Palm Beach, Florida

Christian Americans of this generation have witnessed the transition from reverence to repugnance in the collective American mind for those ideals and maxims of political morality written with patriot's blood in the Declaration of Independence of 1776. They have seen the death by re-interpretation of that once sacred Charter of Freedom called the Constitution of the United States of America; and its replacement as the "Law of the Land" by that ignoble work of Alger Hiss and associates called the Charter of the United Nations.

And now the third great shock of the generation: The Synagogue of Satan has "captured" that last great citadel of officialdom, the office of the Director of the Federal Bureau of Investigation.

In a city become as sinful as Sodom, as corrupt as Gomorrah, as mongrelized as original Babylon, an Abraham of today still could have found a few righteous men. And the name of J. Edgar Hoover would have led all the rest in the minds of men of honor.

But now there is a "best seller" which is classified as non-fiction, which is titled "Masters of Deceit," which calls itself "The Story of Communism in America and How to Fight It," and which ALLEGEDLY was written by J. Edgar Hoover, though the style is sadly reminiscent of previous works by the REAL "masters of deceit."

Much of "Masters of Deceit" is worthy of the name of Hoover. However, as the author states on page 82 of the book,

A Zionist Jew and president of the NAACP. Has contact with many Communist-Front organizations.

referring to the Communist Party:

"The Party's objective is to drive a wedge, however slight, into as many minds as possible..."

Unfortunately, that is exactly what this book will do. For the entire literary effort seems to have been expended in an attempt to "plant" in people's minds

one basic and important seed of untruth which is found in one tiny paragraph appearing on page 257:

"Some of the most effective opposition to Communism in the United States has come from Jewish organizations such as B'nai B'rith, the American Jewish Committee, the American Jewish League Against Communism, the Anti-Defamation League, and a host of other Jewish groups."

The author of "Masters of Deceit" does not deny that the vast majority of the leaders who forced Communism upon the people of Russia were Jews. He does not deny that the vast majority of the Communist spies, saboteurs, espionage agents exposed in America have been Jews. He admits that "It is a matter of record that numerous Communist Party leaders call themselves Jews and claim a Jewish origin."

But the author also states:

"One of the most malicious myths that has developed in the United States is that persons of the Jewish faith and Communists have something in common."

And he defends his thesis by this most audacious stratagem of semantics:

"A true follower of the Jewish faith, like those of other religions, cannot embrace Communism."

In plain English, this means: when a Jew becomes a Communist, he ceases to be a Jew. The leopard has changed his spots.

What, then, is the author of "Masters of Deceit" to do about the words and writings of those respected Jewish religious leaders who identify Judaism and Communism as one and the same thing;

Channing Tobias

Ast. Treasurer of NAACP, at least 50 Communist-front listings

Thurgood Marshall

Special Council NAACP, has 5 Communist-front citations

Roy Wilkins

Executive Secretary NAACP, 9 Communist-front citations

W. E. B. DuBois

Founder of NAACP, has 72 Communist-front citations

or at least branches from the same tree? What of that great Rabbi Stephen S. Wise who said, "Some call it Communism; I call it Judaism"? What of the words of the late Rabbi Judah L. Magnes: "Revolutionists, socialists, bolsheviks, majority or minority socialists, under whatever name we may call them, are Jews and they are to be found in every revolutionary movement as leaders or propagandists"? What of the words of the Jewish World of London, issue of Jan. 10, 1929: "The fact of Bolshevism itself, the fact that so many Jews are bolsheviks, the fact that the ideal of Bolshevism so nearly resembles the cherished ideals of Judaism, should make serious Jews reflect with care?"

Should not such documentary proof that men of the Jewish faith themselves identified Judaism and Communism as ideological Siamese twins, make the author of "Masters of Deceit" likewise "reflect with care?"

The author of this remarkable book seems to agree that Communism is Jewish; but then he adds that any Jew who also is a Communist is one of those "who say they are Jews and are not" but are of the Synagogue of Satan. The fallacy of such reasoning lies in the fact that, in the religious sense, there hasn't been a real Jew since the time of the destruction of the temple (fulfilling Christ's prophecy) in 70 A.D. By that time all real Jews (in the religious sense) had become Christians. The rest of them followed the Pharisees, accepted the curse that "His blood (be) on us and our children," and to this day should be called Pharisees and NOT Jews. Their religion is NOT based on the laws of Moses, nor is the Bible THEIR Holy Book.

We call to witnesses to affirm the above. First, Talmudic professor Louis Finkelstein (who taught "Jewish Law" to Chief Justice Earl Warren of the Supreme Court), who wrote in 1946:

"Pharisaism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name, inevitable adaption of custom, and adjustment of law, THE SPIRIT OF THE ANCIENT PHARISEE SURVIVES UNALTERED." (Italics added).

Next witness: the very reverend chief Rabbi Dr. J.H. Hertz, writing in his foreword to the Soncino edition of the Babylonian Talmud—

"The Talmud is the product of Palestine, the land of the Bible, and of Mesopotamia; the cradle of civilization. The beginnings of Talmudic literature date back to the time of the Babylonian Exile.... The Babylonian Exile is a momentous period in the history of humanity—and especially so in that of Israel. During that Exile, Israel found itself. It not only rediscovered the Torah and made it the rule of life, but under its influence new religious institutions, such as the synagogue, i.e. congregational worship without priest or ritual, came into existence—one of the most far-reaching spiritual achievements in the whole history of religion..."

Here is an outright admission, from a late chief Rabbi of the Pharisees that the religion of those who call themselves Jews

stems—not from Abraham or Moses—but from things learned in Babylon during the Exile!

So, in the religious sense, the author of "Masters of Deceit" has told us a part of the truth when he says "The people who gave the world the concept of our monotheistic God and the Ten Commandments cannot remain Jews and follow the atheism of Karl Marx and the deceit of the Communist movement."

But here is the greater truth which the author should have added: "The people who gave the world the concept of our monotheistic God and the Ten Commandments cannot remain the seed of Abraham and reject the Firstfruit of that seed." If they reject Christ, then, it makes little difference who they follow; Marx or Metatron, Maimodese or Mendelssohn. The Kol Nidre oath takes care of all seeming differences, anyway.

The national and/or racial consideration is something else again. Zionists may or may not attend a synagogue. They make no pretense that Zionism is anything more than extreme nationalism; which may or may not imply worship of the ersatz state of Israel. But, when a so-called Jew becomes a Zionist, does he thereby cease being a so-called Jew?

As for the race theory; diaspora leaders have been trying for years to prove that Jews are a race. The latest attempt involved two scientists, Dr. Leo Sachs of the Weizman Institute, and Dr. M. Bat Miriam of the Israeli Institute for Biological Research. These two say their research proved that "Jews have common genetic factors not found in non-Jews." If this be true, does a Jew-by-race cease to be a Jew-by-race when he becomes a Communist? These are questions the "Masters of Deceit" neglected to discuss.

THE TROJAN HORSE

Another most dangerous error of the book is the failure to give proper credit—or discredit—to one Leon Trotsky (Braunstein). Trotsky is mentioned as having gone to Moscow from N.Y. City; as having been more brilliant than Stalin; a brief report of the struggle for power and Trotsky's banishment is given; as well as mention of the fact that a Trotskyite branch of Communism "broke" with the Stalinist branch in the U.S. Then the Party became the nucleus of a new kind of Communism in America (Trotskyite) and that one Jay Lovestone was expelled by the Stalinist branch in 1929.

If the author of "Masters of Deceit" had intended to expose the REAL deceit of Communism, this is the spot where his story should have begun. Instead, he dropped this phase of the story, overlooked the REAL DANGER which is the Trojan Horse of Trotskyism and he devoted the rest of the book to whitewashing Jews and condemning the Capital Letter Communism which is the least menacing part of the entire conspiracy.

WHITEWASHING THE NAACP

On page 246 we find the statement that "The NAACP's national leadership has vigorously denounced Communist attempts at infiltration." Surely the following documented facts can be found in FBI

files:

"The NAACP was founded in 1910, not by Negroes at all, but by one white female abolitionist (Mary Ovington White), one white male Socialist (Oswald Garrison Villard), one Russian trained revolutionary (William F. Walling), one Roumanian born Jew (Dr. Henry Moskowitz), and one mulatto (W.E.B. DuBois, who happens to have been cited as having 72 Communist-front affiliations by the FBI, the HUAC and the Senate Judiciary Investigating Committee).

Not even "Masters of Deceit" ever disproved the statement made by the Hon. Eugene Cook in his capacity as Attorney General of the Sovereign State of Georgia; a part of which we quote:

"The files of the House Un-American Activities Committee reveal records of affiliation with or participation in Communist, Communist-front, fellow-traveling or subversive organizations or activities on the part of the following present officials of the NAACP—the president, Arthur B. Spingarn, 3; the chairman of the Board, Channing Tobias, 10; the Honorary chairman, W.E.B. DuBois, 72; the treasurer, Allen Knight Chalmers, 3; eleven of the twenty-eight vice presidents, twenty-eight of the forty-seven directors; the chairman of the National Legal Committee, Lloyd Garrison, 5; the Executive Secretary, Roy Wilkins, 3; the special counsel, Thurgood Marshall; the Southeast Regional Secretary, Ruby Hurley, 2; the Director of Public Relations, Henry Lee Moon, 3; the West Coast Secretary, Franklin H. Williams, 2; Director of the Washington Bureau, Clarence M. Mitchell and two field secretaries (one ea.—Ed)."

So, the statement that NAACP leaders vigorously denounce Communist attempts at infiltration, may be most literally true. Why should they "infiltrate" an organization which they (Communist-fronters) created and have controlled from the very beginning?

Here is a case where half-truth distorts and makes a seeming lie of the whole truth. There are other examples in "Masters of Deceit," but we feel enough has been said on this score.

But, we can't resist an academic question:

We've always considered Arthur Spingarn, president of the NAACP, to be a Jew. But, he has a record as a Communist-fronter. Does that mean he's no longer a Jew? And, since he heads a supposedly Negro organization, does that change his race, or his nationality, or his religion? It must change SOMETHING about him if our book author is correct.

It's Up To You!

There are a few very important developments that good Americans should be aware of; however, these developments are well camouflaged and worked so quietly that the average person does not fully understand them.

Conde McGinley

These clever moves are conditioning our country for World Government and Zionist Marxist control!

Probably the most important of all, and well near completion is the plot to control all means of thought and expression. Most Americans are awake to the realization that the Zionists now own and control television, radio, movies—and most important of all—newspapers, this by the fact that they place most of all advertising.

In addition to the papers not owned outright by Jews, but whose editorial policy is controlled by them, Jews do own many, such as the internationalist minded NEW YORK TIMES and are in the process of buying many more. Several Jewish groups have been quietly and steadily buying up newspapers. Lehman Brothers have been very active, using a relative, S.I. Newhouse, as a front. They have within a period of four years formed a large chain. The following are but a few:

Newark Star Ledger, Staten Island Advance, Jamaica L.I. Daily Press, Jersey Journal and Jersey Observer, Birmingham News and Alabama Statesman, (paid 18 and one half million dollars) Saint Louis Post (paid 6 and one half million dollars). Beside all these Newhouse has 2 papers in Syracuse, N.Y., two in Oregon and many others, besides 5 radio stations.

Vance McCormick of Harrisburg, Pa. placed a stipulation in his will which forbade selling his paper, the Telegraph, to a Jew, but Newhouse had a man named Russell buy it for him. There is still another member of the Lehman clan buying up every weekly paper possible; his name is Oren Lehman.

To save America and Christianity there is a crying need for a FREE press—the press cannot be free if it is continually muzzled and governed by its advertisers!

A newspaper with no advertising and with the will to print the unvarnished truth cannot finance itself. It MUST be a mutual enterprise backed up by money and work from patriots.

All good Americans can consider COMMON SENSE as their newspaper and its editor as unpaid and dedicated to the task.

Those of you who have the means are asked to please join with us and help purchase more efficient equipment. Others may help by securing new subscribers, ordering and distributing COMMON SENSE. Talking to and explaining the seriousness of the peril to America among your friends also helps.

It is you the people who really own COMMON SENSE and its you who can keep it in business. We are the front line of the battle for America and Christianity. Let's all do our part to make it strong and secure.

Letter To Editor

Dear Editor;

I am confused and need some help. But, I don't know whom to ask. Ordinarily, I would ask my Congressman but since the Supreme Court makes the laws I don't suppose my Congressman would know the answer. I am afraid to write the Supreme Court for fear of having an injunction issued against me for writing on white paper.

My problem is I have just discovered that I have both white oaks and black oaks growing in my yard. The trouble is the white oaks are in the front yard and the black ones are in the back. I didn't plant them, they just came up that way. I want to know if I will have to integrate them by transplanting, or will the soldiers just come and cut down the white oaks? I am not sure what the "Law of the Land" is on this point.

Then too, I have a black dog and my neighbor has a white one. They don't like each other, and fight every time they get together. My neighbor's white dog won't let my black one come into his yard. I feel that this is affecting my dog psychologically. How can I get Judge Davies to acquaint my neighbor's dog with the "Law of the Land"?

Another thing worrying me is that the white pigeons and black birds around my home won't nest in the same trees and segregate themselves in separate trees. Will I be held in contempt of court for this prejudice on the part of the birds, and if so, will I get a jury trial or an automatic sentence?

I have solved the problem of my white and black peas. I planted them in separate BUT equal rows, which I know is in violation of the 1954 Law of the Supreme Court, but after the first year they mixed themselves and saved the paratroopers from having to jump into my pea patch.

Please, Mr. Editor, tell me from whom I can get a ruling on the above matters?

Sincerely
O.R.P.

MARXISM, through mixing the races and domination by the Jews, is DEATH to the White Race.

This has been going on in many countries; now the United States is receiving the treatment.

Civil Rights Pressure Groups

For those who would like to know the names of the pressure groups responsible for passage of the so-called Civil Rights Bill, we list these organizations. It is well to keep in mind these organizations were pushing for enactment of the original version of the Bill which authorized federal troops to be sent into the South to enforce race mixing.

Of the 36 organizations listed, 20 are either Jewish or Jewish directed; the others have influential Jews in their directorship with exception of the National Council of Churches which is a brain child of B'nai B'rith, a well known worldwide Jewish organization.

U.N. Angers Arabs

From a personal friend, a trained observer, now among the refugees from Zionist Palestine.

"The Palestine Arab refugees are angered at the apparent indifference with which their very existence has been handled by the United Nations during their last session of the General Assembly. They are tired of leading a life of misery, idleness and frustration as they await justice at the hands of the world organization which they hold responsible for their plight; and they seem to have despaired of the justice of man.

The Arab refugees are more determined than ever in their demand to go home. We want no charity, we ask no favors, they declare. We want our right to our homes and homeland. The refugees demand the right to live, the right to hold and enjoy their property like all other free peoples, and to be allowed to lead their lives in peace, dignity and self-respect. Denial of this simple request is an offense against the elemental principles of democracy, equity and justice."

I would like to call your attention to those who tell us of the wealth and progress of Israeli and her peoples, in comparison to what they call the backwardness of the Arabs in the Middle East. I would ask that you remind these people that they have gotten about \$2,000,000,000 in aid (charity) from people in this country alone, plus more from South African Jews and others around the world. This is more than \$1,200 per Israeli. The current campaigns have been bringing in from three hundred to five hundred million dollars a year, I am told. This would amount to \$150 to \$250 per year per Israeli. Compare this with 7¢ a day doled out to the Palestinian refugees. Compare this with the nil amounts given to the Arabs in surrounding nations. In addition Israel enjoys, gratis, the services of a corps of experts who donate their services. Then Israel got nearly as much foreign aid as all of the 40 million Arabs in other Middle Eastern countries. True the Arabs sell their oil, but Israel sells her products too in the world's richest markets.

If Patrick Henry thought taxation without representation was bad, he should see it WITH representation.

FIVE CENTS

OCCUPYING THE SOUTH

By Bob Schuler, Sr.

Editor — METHODIST CHALLENGE

1801 So. Flower St., Los Angeles, Calif.
(Subscription rates — — \$1.00 per year)

A well-known Editor sent a reporter to interview representative citizens of the South. He talked with people of all walks of life. He reported that all over the South there was a gnawing fear that the political masters of the nation, urged forward by certain pressure groups in the U.S. and agitated by the plotting of communism and allied radical elements, were slowly but surely coming to a decision that military occupation of the South is the solution of the race question. The Little Rock incident has seemingly clinched the nail.

The reporter ventured the estimate of two million armed men as necessary to a successful occupation of the Southern States. Personally, we doubt if two million soldiers could occupy the South.

Of course, the Sputnik and missile revelations have come since the above estimate was made by the reporter of whom I write. Russia might succeed in occupying what would be left of the whole United States, long before two million soldiers could conquer and subdue the South. Even the high-powered politicians might find themselves in grave need of the South, even before their bayonets brought her to her knees.

The Editor in question said editorially: "Let us pray to God that men of character and sense and statesmanship shall be in command of our national affairs before any such catastrophe can take place."

We echo that prayer and so do millions of Americans. Yet we know what happened at Little Rock and we also know that the army was alerted and readied for just such an extreme action, as the story of the Little Rock crisis spread like a tidal wave throughout the South. The order alerting the army was cancelled, not because the NAACP, Cong. Powell, Attorney General Brownell, Sherman Adams, assistant to the President, and Eisenhower, the Commander-in-Chief of the Army, willed it so, but because some wisdom and reason was still left among the leaders of the military forces of our nation. It was NOT the President that revoked that vicious order. It was Army Secretary Wilbur Brucker!!!

If ever in the history of the U.S., sanity was and is imperative, that time is now. With the Soviet Union creeping out ahead of us, not only in missiles and satellites, but in the cold war techniques by which she is gradually claiming the minds of men, this is no hour for a division of our nation and the arraying of North against South.

Surely we are not insane—crazy enough to believe that we can face atheistic communism, now proceeding on a world-wide

RED INSPIRED VIOLENCE IN LITTLE ROCK ARKANSAS

The stirring up of hatred of race against race is one of the ways the Reds expect to finally divide and conquer the U.S. The leading Jewish organizations throughout the country applauded the sending of troops into Little Rock, and you can bet your last dollar that these same organizations will again be agitating in the South when the schools are opened.

rampage of hate and threatened annihilation of the free people of the earth, with a divided nation. That the Soviet Union and allied communistic nations are proceeding with most frenzied haste to stir up racial strife in our country, we all know. Nothing within a century has played into the hands of communism as the Supreme Court decision which drove a wedge of strife and hate between two races, not only in the South, but throughout the nation. A hundred years may not heal the scars of that decision.

No section of our nation responded with more loyalty or valor in two World Wars and the Korean war that followed, than did the South. The most spectacular single hero of the first World War was from the South. And now, when the threat of annihilation hangs menacingly over our beloved country, it is little less than treason to convert the nation into a seething caldron of sectional hate, racial strife and political antagonism, akin to Civil War, and thus assist communism in conquering our free nation and enslaving our fellow Americans.

Little Rock, Arkansas, will long remain as a symbol of deadly anti-Americanism. The bleeding of unarmed Americans, even of Americans who were in the service of their country, by striking them in the heads with the butts of guns, was bad enough. But the placing of the points of

bayonets in the backs of American women was without explanation or excuse. That such should have happened in an hour when communism was not only building up her threat and the power to enforce it, but in an hour when they were known to be busy, through their emissaries, in promoting this very outrage. Why should members of our Congress, whatever the color or race, be a party to such a collaboration? How does it happen that our Attorney General and even our President should fall into such a trap, set by those who are sworn to rid the world of freedom? Millions of Americans—good Americans—simply can't understand it! Multitudes of Americans in the North are puzzled as the Americans of the South.

It is for these most pertinent reasons that the words of the editorial referred to have stirred me!

"Let us pray to God that men of character and sense and statesmanship shall be in command of our national affairs before any such catastrophic thing can take place."

I voted for President Eisenhower twice. I was honest. I thought he was safer than his political antagonist. I still think so. I still believe that President Eisenhower desires in his heart to do right. But he is so susceptible to evil influences by conspiring special interest advisers that he has become a ready tool of trends that will destroy our nation, if they are permitted to culminate. He and his last two predecessors, by their appointments to the Supreme Court, have practically doomed the confidence that once sustained that body. The ordinary American is sincere in believing that the Supreme Court is not only friendly to communism and the criminals that threaten us, but he can point to decision after decision that would seem to prove his doubt of that Court justified. He can show you page and paragraph of the attack of the Supreme Court on the FBI, on the Congressional Committees that have been investigating subversive forces within the nation and decisions moreover, even befriending those who have been convicted in our courts as guilty of plotting to destroy our government.

The present Court is the product of our last three Presidents. Millions of Americans know that its decision concerning integration was un-Constitutional, that it was a political decision, that it destroyed the rights of the Sovereign States to attend to their OWN affairs, which rights were guaranteed to them by the contract entered into by the several states in setting up this government.

To have enforced such a decision, by such a political body, with bayonets and the butts of armed rifles is not only inexcusable, it is monstrous!

Our Struggle For Existence Only To Print The Truth

Twelve and a half years full time publication—three hundred nails in the enemy's coffin! We now take a look behind and before us.

During our first two years of publication we printed not one word of criticism of the JEW,—only communism, but from the first day to the present the Zionists have fought us.

Located in the midst of the largest gathering of Jews in the world (6 miles from Newark, 12 miles from the heart of New York City) COMMON SENSE has been published under a constant attack of lies, smear and violence. Six years in court covering two cases, yet no one dares to try and answer the thousands of charges against the Zionist Jews. Just SMEAR!

COMMON SENSE could have chosen an easy way and avoided suffering from the attacks partly outlined below. We could have gone through the motions of fighting communism—being careful NOT to call the enemy by name, just as some others who are in vulnerable positions where they DARE NOT mention the source—the real brains, the directive force!

We could have fought malaria ignoring its source the mosquito. We, like the harmless anti-communist publications, know how dangerous it is to expose the REAL enemy!

We know probably better than anyone how organized Jewry (Pharisees) retaliates against those who dare expose them. We know how they boycotted German goods, then pressured the U.S. into war to punish Germany. We know how they manipulated a world-wide boycott of England and blew up the King David Hotel in Jerusalem killing some 90 persons to hurry the British forces out so that they could establish the State of Israel. They murdered Count Folke Bernadotte in cold blood when he, as a referee for the U.N., rendered a decision against them.

Because of Zionism, over 900,000 Arab men, women and children are now forced to live like animals in the desert while Jews occupy their homes. The Jews refusing assimilation are held together by their intense hatred of Christ and Christianity.

We have chosen the unpopular but only effective course, for after 24 years of intensive study we know that this is the most important question before the world. It cannot be brushed off—all of us must have the courage to face it.

History proves that Jewish invasion of any country, as they have the U.S. during the last 15 years, corrupt and dominate it until the Christian is aroused and drives them out. They will not change their way one iota, instead they insist that Christians must accept them!

Why have the JEWS been driven from nearly every country in the world? Here in the United States they spend an average of 20 million dollars a year to cause the non-Jew to tolerate them—Is the whole world wrong?

The ROMAN armies turned the Jews out of Jerusalem in 70 A.D. Successive ROMAN emperors continued the suppression. In the 7th Century Jews were barred from all of SPAIN, and again in 1492. The Moorish kingdom of GRANADA expelled them in 1066. They were forced out of FRANCE in 1182, and again in 1306, once again in 1394, and again in Southern FRANCE in 1682. The Jews were expelled from GERMANY in the 10th Century by a decree of Pope Leo VII; they were expelled again 100 years later, and once more in 1349. England ordered them to leave in 1290—preventing their return for 350 years. They were forced out of HUNGARY twice; in 1360 and again in 1582. From

BY THIS WE CONQUER

Here is the twelve-and-one-half ton press at our headquarters that prints COMMON SENSE—help us to keep it rolling.

BELGIUM, they were expelled in 1370. They were expelled from AUSTRIA in 1420 and again in 1670. From LITHUANIA in 1495. From PORTUGAL in 1498. From PRUSSIA in 1510. From the Kingdom of NAPLES in 1540. From BAVARIA in 1551. From the GENOESE REPUBLIC in 1567. From the PAPAL STATES the Jews were expelled in 1569, and again 30 years later. Sixteen POPES have issued proclamations against the Jews.

We all know about the Jews efforts to monopolize Germany which brought on World War II.

A BRIEF OUTLINE OF ONLY PART OF THE ATTACKS MADE UPON US IN AN EFFORT TO DESTROY COMMON SENSE

On Oct. 31, 1951, four bombs were set off. On March 4th, and again on June 3rd, 1952, the plate glass front of the office was smashed. On the same night an unidentified man called on the phone saying that the editor and an associate would be killed if another issue of COMMON SENSE were printed. One hour later two young men leaving our office were followed in a car by 6 Jews believing it was your editor and associate. Even though they were mistaken in identity, they beat the 2 innocent young men unmercifully with tire chains, kicked them and left them cut and bleeding in the street. A number of death threats have also been received.

Eleven printers were intimidated and forced to discontinue printing COMMON SENSE. Several issues were then printed in Florida and Penn. Later we had to make arrangements for our own plant. As soon as it was learned we could print our own paper, all jobbers in N.Y. and N.J. were intimidated. In the B'nai B'rith Messenger of Cal., March 31, 1952, they boast that they had stopped COMMON SENSE from securing newsprint.

On March 30, 1953, Rabbi Prinz, active Vice President and now President of the American (?) Jewish Congress, a Zionist Marxist group, sued Mr. McGinley for \$250,000, releasing a statement to the press that it was for the purpose of putting COMMON SENSE out of business. The case has been in court 5 years, with a great deal of Zionist pressure being exerted.

In January 1953 the building where our office had been located for 7 years was bought out from under us. We are now located permanently in a much larger and better building with 5,000 sq. feet of floor space.

During Feb. 1954, the owner of the building housing the press located in another town was warned his building would be blown up. For a while we hired uniformed police to guard the plant.

Our engraving company was threatened with boycott, so they were afraid to do our work. Pressure was brought to bear on the Linotype Operators Union which prevented us from having type set in N.J. After many experiences with 15 type setting companies, type is now being set in our own headquarters.

The Anti-Defamation League has made numerous calls on our local post office in an effort to prevent mailing. They also used political pressure on members of several State legislatures to force resolutions against us. Communist and Zionist papers from coast to coast have attacked us, as well as the American (?) Jewish Congress, American (?) Jewish Committee and the ADL.

This highlights only a small percent of the attacks on us. They also boast in print of giving us the "quarantine" or silent treatment.

U.S. STRENGTHENS COMMUNISM THROUGHOUT THE WORLD

Jewish publications supported communism for 35 years, starting in 1917. Try to find one statement in any publication such as the B'nai B'rith Messenger previous to 1948 (when Israel was established) where they criticized communism. Now Jews in the U.S. would like us to forget that it is they who have set up communism and directed it all these years! In previous issues we have published documented proof where they themselves boast that communism IS JEWISH!!

In Europe, many Jews are still in directive positions such as Gerhardt Eisler, chief strategist of East Germany. The dreaded secret police of Hungary is 70% Jewish and in the Soviet Union 67% of the MVD are Jews while they represent only 2% of the population.

After Israel was established and it became obvious the Jews were behind communism, it began hurting their commercial interests in the U.S. Hence, they gradually turned their support toward building Israel as a world center. Harry S. Truman in his book said the Zionists exercised the most powerful pressure on him to use the influence of the U.S. to force other members of the U.N. to vote in favor of establishing Israel.

The money and influence to establish Israel came from the U.S. Through Zionist power in Washington, the U.S. backed out of financing the Aswan dam for Egypt but helped Israel with gifts, loans and weapons so they could murder and rob Arabs. Our government alienated the good-will of millions in the Near-East and is forcing them into the arms of the Soviet Union.

Israel believes if they wait 2 years for

war the Arabs will be strong enough to wipe them out. Hence, they plan to bring about a war in the Near East, but it must appear to the world that Israel is fighting against communism so our War Dept. can use the Eisenhower agreement to send millions of our boys to kill Arabs so Israel can grab more territory and become a world power, just as our slaughtering of the Germans built communist Russia into a dreaded world power.

The newspapers of May 18th, state the U.S. Air Force has landed in Lebanon with the first consignment of anti-riot equipment and tanks, and that 12 U.S. warships are close by, a clever way to get our Army in to protect Israel which does NOT belong there any more than a thief belongs in your home.

Will the Soviet Union stand by or will we have another World War brought on by the Zionist Jews? Israel is a powder keg, Harsh words, but who can successfully deny them?

Zionists know they dare not maneuver a war in the Near East without the U.S. behind them, but growing public sentiment makes it doubtful they would be able to force our government to enter another world war for the Jews. Hence, we now witness the most wide forceful propaganda campaign to sell the Jews to Americans.

China divided, main part communist, thanks to our State Dept. and its then Secretary, Gen. Geo. C. Marshall. Korea divided, Germany divided, Berlin also is divided with communists completely surrounding the anti-communist section. Our troops were ordered to retreat 108 miles and let the Reds take Berlin, where these devils herded thousands of fine German women and young girls into the city streets and raped them. Ike left Berlin to the communists 3 weeks while they used thousands of our lend-lease trucks to haul off the valuables of the city. FDR allowed Stalin to help himself to Poland, Estonia and Lithuania.

At least 14,000 Polish officers and Priests were shot in the back of the head while their hands were wired behind them, then buried in 4 mass graves in Katyn Forest! The Germans were blamed for this crime although Lt. Col. John H. Van Vliet who was with the German Army when they dug up the bodies, sent a report to Washington stating it was the communists. All during the war and after, spies in Washington were stealing our military secrets and still are! Maybe those spies were Eskimos, but at the time, Cong. John Rankin, member of the Un-American Activities Committee, stated at a hearing their files showed 75% of communists to be Jews.

The government of France has fallen 27 times since World War II. Among the Jews who have brought France to bankruptcy and revolution are Leon Blum, Jules Moch, Mendes France, Rene Mayer, Daniel Mayer, Maurice Schumann. France is now trying to borrow money from Germany, who lost the war.

THE INVISIBLE GOVERNMENT

Jews are also running our government and are bankrupting us. Bernard Baruch was advisor to Presidents—all since Pres. Woodrow Wilson, when the national debt was only 1 billion dollars. Today we have a debt of around 275 billion and 350,000 armed forces plus their dependents in Europe alone. Interest on our national debt is nearly 8 billion dollars a year!

Excerpts from a secret report provided by a government official to a Senate Committee states:

"For the past 20-odd years individuals with **MARXIST-SOCIALIST** tendencies have been recommending, hiring, transferring and promoting one another until they have become deeply insinuated into the important working levels of these super agencies.

"The ideas and thinking of these groups run like a fine thread throughout the government. Identification of these individuals reveals that their main strength is centered in the most sensitive areas of

the government. They have slanted intelligence and influenced policy according to their concepts. They have profoundly influenced the following:

"Korea (Panmunjom), Indo-China (The Berlin and Geneva Conferences), Communist China and Formosa, Bogota and Caracas Conferences, United Nations, No direct exposure of the communist conspiracy. Non-encouragement of minorities and peoples under communist control. Activities concerning refugees and defectors from the Soviet orbit. Failure to exert pressures against the USSR, satellites and communist China. East-West trade. Tightening of U.S. Government structure."

Marxist controlled Washington sends troops to Little Rock to force 9 Negro children where they don't belong and when school ends May 29th, it will have cost the taxpayers more than 5 million dollars, enough for 4 Jupiter Ballistic Missiles.

Had we kept out of the war we would have saved 350 billion dollars as well as the 135 billion we gave to greedy countries hoping to buy their friendship, and Germany would have ended communism and kept Europe stabilized. Many brainwashed people cannot believe this, but it is the sad truth!

Today we are in fear of extermination by a Godless gang that we built up. The same Invisible Government responsible for these disastrous blunders is in charge of our government today. They have captured BOTH political parties and regardless of which appears to be in control in 1960, we will be much closer to the end of freedom.

YOU CAN HELP

Only an informed and aroused public opinion can save the U.S. The whole TRUTH must be broadcast regardless of WHO is hurt or HOW MUCH they protest!

Most mediums for mass expression such as Radio, TV, Movies, Magazines, etc., are OWNED or CONTROLLED by the enemy. Most newspapers DARE not give the full facts for fear of reprisal. Organizations and publications which tip-toe in their partial exposure of the Marxist plot, have used up hundreds of thousands of dollars. It is less hazardous to support the milk-toast movements for THEY do NOT offend anyone. The enemy is NOT concerned until they are tagged by name. These publications become less effective for most of their followers lose interest as they learn the most vital information is deliberately being withheld due to fear.

Only those who REFUSE to study the Jewish question are not convinced—but once convinced, they never change their opinion.

Over a period of twelve and one half years **COMMON SENSE** has PROVED it understands the enemy's weak and strong

ARE WE AMERICANS STUPID JERKS?

By Melvin King

Because the German people got wise to what the Jew-communists were doing to their country the United States pitched onto them and tried to reduce Germany to a pastoral state. Now that the people of the United States are just beginning to get wise to what the Jew-communists are doing to OUR country will Germany pitch onto us and try to reduce the United States to a pastoral State? The German people are not a bunch of stupid jerks being pushed around by a handful of communist fostering Jews as we Americans are.

The Haym Salomon Conspiracy!

FACT? -- -- -- OR FICTION?

Prominently displayed in recent newspapers was a photo of the President signing a bill making Mikveh Israel Cemetery in Philadelphia a "Historic Site" (National Shrine?) So WHAT, precisely, sets it apart as a famous spot in our early history? Vell, I tellyu. Haym Salomon "Patriot" is supposed to be buried there. (all bow, please!) And who, you may ask, was Haym Salomon, "Patriot?" "Financier of the American Revolution," no less!

Robert Morris, the white gentleman who invested his considerable fortune financing Washington's troops had nothing to do with it? A long biography in the encyclopedias outlines his financial efforts toward winning freedom, but with only fragmentary and passing mention of Salomon. Morris, who was bankrupt, who went to debtors' prison and died penniless, will likely to be superseded by Haym in later "controlled" editions, but the Morris record is documented history.

Now we hear more and more about this Haym Salomon, "Patriot," "Financier of the Revolution." He was an early Polish refugee, buried in the mists of vague obscurity. When his unknown and unidentified (and unverified?) "grave" was discovered in the old section of Philadelphia someone with a flair for pro-Semitic publicity got a bright idea out of thin air. Haym was selected to carry the banner as the great patriot of 1776 who furnished the \$inew\$ of victory and independence!

Now we grant there's nothing new in jews supporting revolutions from Biblical days to the Russian, down to the Rosenbergs et al and up to the present. Nor is there any novelty in their playing the part of money-lender from time immemorial, as so aptly symbolized by Shakespeare's Shylock in "The Merchant of Venice." But—just how did Haym become a valiant prop to Washington's ragged Continentals? Let's see.

Within recent years a feature film was telecast showing this immigrant's key role. The picture was both impressive and well done. Impressive to anyone who knows anything whatever about history in observing how adroitly it can be distorted to serve racial ends; well done for those Jewish propagandists who are all but running out of wool to pull over the eyes of awakening goyim. Here's the story as portrayed by the imaginative writers of "documented" fiction. The script:

Salomon arrived in Philadelphia, in 1778, an immigrant in utter poverty, dying of tuberculosis, penniless, friendless, ill, poor, ragged, hungry, homeless, unknown. (What a tear-jerker!) But wait a minute! Just a few years later he FINANCED THE REVOLUTION! (Robert Morris had nottin' to do with it!)

In this then blessed land there were comparatively few jews and we may postulate that the early settlers were unfamiliar with their methods. Perhaps in those few short years Haym "took 'em" for enough to run the Revolution. Maybe more even than the shrewd, calculating Quakers whose pacificism forbade fighting but not reaping blood money from war profits. But what became of Robert Morris? Who knows where he is buried? The grave of the neo-famed, tubercular jew Salomon is sanctified ground... a "National historic site" set aside as a shrine forever by IKE (upkeep by taxpayers).

Well, Kuhn Loeb and the red shield boys have done quite a bit of financing. Czars and some millions of other Christians were slaughtered in what became the Soviet. The Khazars took over Spain, lock, stock and barrel 'til a courageous Franco demonstrated that gallantry and love of country can oust the international plotters and restore native, Christian government, methods, morals and standards, despite desperate odds.

But let's get back to Haym and examine the sand foundations of this

travesty that either convinced a naive Ike of its "authenticity," no matter how tenuous or, more likely, forced a politically expedient compromise with truth, substituting race propaganda for history.

We understand that over many years, a large-scale, nationwide advertising effort was made, coast-to-coast, to secure any information—ANY INFORMATION WHATEVER—about one Haym Salomon—under "Information Wanted," "Missing Persons," etc., offering sizeable rewards, resulting in not one single response that could be nalled down as fact. No documents. No records. (Records were carefully kept throughout the Revolution!) EXCEPT that he was a money-lender by profession who died a few years after arriving in Philadelphia. No one seemed to know where he was buried—until it became convenient to "discover" the grave.

There we have, so far as earnest research by jews and others, the absurd, bald-faced fictional fabric; the ingeniously manufactured myth; the well nurtured falsehood that may some day, through sheer persistence, weave itself into our national traditions and "history."

With accelerating frequency, we hear about this Salomon, burning with fervent patriotism and opening his (empty) purse and bestowing its (zero) contents to establish an "ungrateful" nation. As the Talmudic-originated system (later attributed by them to Hitler!) says, "Tell the big lie frequently enough and it will be believed." Acceptance of this—and it is not unlikely that it might work its way into our history books!—may encourage the ophidian-eyed tribe to "discover" that George Washington's real name was Rosenbaum; Lincoln's was Cohen, but NOT to discover that Harry S. Truman's middle name was Solomon (or according to TIME magazine, "Swinomish!") or that IKE was listed in his West Point graduation book as "The Great Swedish Jew," and graduated at or close to tail-end of his class.

Now—let's see what an honest jew has to say—an objective student of the record, an iconoclast who utterly shatters the grotesque Haym fantasy, quoting chapter and verse in corroboration of every statement.

Max Kohler, as vice-president of the Jewish Historical Society and a special U.S. District Attorney was asked (1931) by Congressman Celler as to evidence, records and facts about Haym Salomon, "Patriot." Celler got them, and in full. With thorough-going research evincing the accuracy of an earnest historian plus the incisive penetration of a prosecuting attorney, Kohler punctured the fabulous fiction bubble in no uncertain terms.

He put his findings on record in conscientious manner and at great length. Whether or not this letter remains in the Library of Congress or has since "mysteriously disappeared" is unknown to this writer, but I have a reproduction of a photostatic copy on hand as I write this.

Kohler's honesty and frankness stand out as exceptional in his attempt to "put an end once and for all, to efforts to collect from the U.S. Government hundreds of thousands of dollars claimed by de-

scendants of Haym Salomon as due them from an 'ungrateful country' in payment of an alleged obligation nearly 150 years old today." (1931).

He credits "a fundamental obligation as truth-loving citizens that patriotism must come ahead of delicacy on this subject" and quotes Samuel Oppenheim, lately recorder and secretary of the American Jewish Historical Society as discoverer of the truths that pricked the Haym Salomon bubble.

His letter is long, but here are some summarized conclusions: Haym probably never lent the government one cent. He negotiated drafts. No monument should be erected to him on the basis of misinformation and concealment of the most important facts involved. The various supporters of the Salomon story have produced no evidence in its favor. The (Robert) Morris papers gave nothing.

Haym Salomon arrived in Philadelphia about Aug. 25, 1778, practically penniless. With his connections "and innate financial genius" (Brokers work for commission\$, NOT for love of country) he was able to float about \$200,000 worth of securities for Robert Morris as "broker to the Office of Finance."

Continuing quote from Kohler, "Salomon's financial connection with the U.S. Government began only a few months before the Battle of Yorktown, (Oct. 19, 1781) which in effect ended the war in our favor.... The war would have been won by us had Salomon never lived. He didn't have the money to make any substantial loans."

The above are quotes from an exhaustive treatise, too long for publication, but in addition to castigating Haym M. Salomon, son of the "Patriot" (!), as an unmitigated crook who altered the records to raid the U.S. Treasury on falsely altered statements, and flaying those jews who tried to elevate little men like Haym to a level of Washington and Morris, he is flat-footed and emphatic in obliterating the entire Salomon fiction as utterly baseless. He does it, too!

The Key To Freedom!

In God's Name; For The Sake Of Humanity And For The Sake Of American Freedom.

Please Read And Study This Document Carefully! It Speaks In Behalf Of The American People!

It is prepared without anger. The times are too serious to indulge in a mere emotion of anger. It is prepared without prejudice to any individual Jew because of his race. It is simply true that DEADLY EVIL threatens humanity and that this EVIL is focused, planned and implemented by a group of Jews known as Zionists. Many Gentile Americans have been drawn into this PLOT by ignorance, through blackmail, through favors given in supposed good faith, through clever persuasion. This document is aimed at a PLOT, not a race. The PLOT is what is important to see and understand. The fact that this EVIL must come to humanity through this group is sad. But we cannot let maudlin sentimentality keep us from calmly, steadily, without anger, without recrimination, dealing with this cancer that threatens the very life of America AND of the world.

TITO-The Communist Dictator Of Enslaved Yugoslavia!

A DANGEROUS THREAT TO AMERICA AND THE WESTERN WORLD

By William H. Smyth

44 W. 44th St. New York, 36 N.Y.

Republished from **TASK FORCE**

Mr. Smyth's article provides an intimate picture of the whole Yugoslav situation, and is based on over twenty years of personal experience in that enslaved country.

Just over 90 years ago, led by our original Republican Administration, our fathers fought a great war to preserve our nation and as one result abolished slavery in our land. Just recently, our New Republican Administration considered inviting to be our guest, the Yugoslavian communist dictator, Tito, a man dedicated, like all leading communists, to the destruction of our nation, and who, through our government's support, has held our friends and WW II allies, the Yugoslav people, in slavery.

However, following the reports of the Administration's intentions, protests pouring in from all over the country, from religious, ethnic, labor and other patriotic groups, from Members of Congress, and in newspaper editorials, and the statement from the Mayor of N.Y. that he would hold no official reception for such a person as Tito, caused worry, apparently great worry to our foreign policy leaders and to Tito.

As a result, the Yugoslav communist government announced that Tito would not accept an invitation to visit Washington at this time, and thus got all concerned off the hook...our own foreign-policy leaders who would have faced sure moral condemnation for inviting and entertaining in our capital, Tito the mass-murderer, thief and enemy of the U.S., whom they helped to build into a person of greatly over-rated international importance, while Tito saved himself from having his inflated pride hurt through coming here and not receiving the full honors usually accorded to a Chief of State, and from arousing suspicion among his Kremlin pals over the possibility that he was getting too close to the West.

That's fine for now, and the protests made might seem to indicate how far the American people must be ahead of their foreign-policy leaders in their appreciation of the basic moral principles upon which our Republic was founded and became great, and in their unwillingness to have our national shrines desecrated through visits from unworthy guests.

But in view of the Administration's constant and determined efforts over the past 4 years to give aid, economic and military, to this thug, Tito, and his associated gangsters, in view of its failure to realize that Tito and his mob do not represent the people of Yugoslavia...possibly no more than Al Capone represented the people of Chicago...and in view of its "diplomacy of personal contact," doesn't it behoove us to be on guard to ensure that Tito be not invited to visit us in the future?

Therefore, might it not be worthwhile

Yugoslavia's Communist Dictator, Tito

to review who Tito is, how he came to power and maintained himself in Yugoslavia against the will of the people, his record of loyal service to Moscow and of enmity to the West, his actions in the Polish, Suez and Hungarian situations, and

JEWISH BOLSHEVIK BOASTS.

WARSAW (received yesterday).

The Polish Press reproduces a document found on the commander of a Bolshevik battalion, Sunder, who was killed in action. This document, written in Yiddish, throws a light on the clandestine Jew organization in Russia. The document is as follows:—

"Secret.—To the Presidents of the section of the International Jewish Alliance! The hour of our complete triumph approaches. We are on the eve of the conquest of the whole world. Our ancient dreams are being realized. Although until quite recently we were powerless, we are now able to triumph. We have won power in Russia. Our first plans have succeeded, but we must not forget that the Russians, although actually in our power, will never cease to be our mortal enemies."

"NOW HATRED."

"We have taken everything from the Russian people. We have reduced to slavery our ancient masters. Against our enemies we must act with every brutality, and without pity. We must get into our power their best chiefs; we must sow hatred amongst the parties, and propagate civil war amongst the workmen and the rural population."

"We must work with all our forces, but with prudence. Let us everywhere and always proclaim the national policy of our Jewish nation. Let us fight for our immortal ideal."

"(Signed) Central Committee of the Petrograd Section of the International Jewish Alliance."

what may be expected of him in the future, which together should show whether he measures up to the kind of person we would like to have visit us?

Whether Tito was born in Croatia, Yugoslavia, or as some say, in Galicia, or the Ukraine, which might explain his foreign accent and poor Croatian shown in his early speeches after Stalin placed him in power in Yugoslavia in Oct., 1944, he did serve in the Austro-Hungarian Army in WW I, he was captured by the Russians and held as a prisoner of war. He joined the Bolsheviks in the Russian Revolution, studied in communist schools in Russia, and later was sent to Yugoslavia to work with the Communist Party. He rose in the Party, was jailed by the police, escaped and was sent to serve world communism in other countries. In the spring of 1937, together with other Yugoslav communist party leaders he was called to Moscow for consultations.

"ISKRA" (The Spark), the excellent Yugoslav bi-monthly paper published by refugees in Munich, Germany, in its April 25, 1956, issue, under the heading, "Tito—Model Executioner," portrayed a bit of Tito's character through the following quotations connected with that 1937 trip to Moscow:—

(a) From "DIE WELTWOCHEN," the well-known Swiss weekly, and its articles on "THE RIDDLE OF TITO," by Serge Caplan, in April 1953, who said: "Early in the morning, April 23, 1937, Milan Gorkic (Sec'y General of the Yugoslav Communist Party) and his wife were led into the courtyard of the Ljubljanka, the central prison in Moscow. Both were in chains and heavily guarded. The previous night, Vishinski and Manuilskis had sentenced them in a special court. Gorkic bore himself calmly, bravely. His wife cried, screamed, called for help. She directed glances full of curses at "Friend Walter" (the name by which Tito was known to his communist friends), who had come there to witness the carrying out of the death sentence. Gorkic and his wife were placed against the wall and shot. When they fell, Tito left. The same day, before noon, Malinkov (then Stalin's secretary), received Tito with a smile, and said: 'I have good news for you, Friend Walter. The Executive Committee of the Comintern has named you to be the General Secretary of the Yugoslav Communist Party, as successor to the traitor Gorkic.'"

(b) Hans Borkenau, a former member of the German Communist Party, now a publicist and author of many articles and studies on communism, states in his recent book, "EUROPEAN COMMUNISM—ITS HISTORY FROM 1917 UNTIL NOW," in the chapter on "TITO'S RISE":

"Tito contributed to the destruction of his superiors and after their demise received a free hand for the reorganization of the Communist Party of Yugoslavia."

—o— (Continued on Page 2) —o—

MARSHAL TITO

— (Continued from Page 1) —

Stalin regarded Tito as one of the most able representatives of young generation communists; he was the dynamic type who works much and questions but little. In other words, he was a model executioner for Stalin, the "great executioner," whom today, in chorus with Krushchev & Co., Tito renounces and charges with criminal actions."

Tito returned to Yugoslavia to reorganize the Yugoslav communists, who remained quiet when Stalin's ally Hitler attacked Yugoslavia, April 6, 1941. But after Hitler's attack on Stalin, June 22, 1941, Tito, under the mask of nationalism and of resistance to the Germans, began his drive to eliminate anti-communist Yugoslav leaders, and to prepare to take over the country for World Communism.

General Mihajlovitch, Royal Yugoslav Minister of War, who later, in 1942, contributed greatly to the British victory at El Alamein by cutting the German supply line through eastern Serbia down to Greece, late in 1941 drove Tito out of Serbia into mountainous western Bosnia. From there Tito carried on his campaign for the communization of Yugoslavia, calling his bands deceptively, "The People's Army of Liberation," which meant to the peasants liberation from the Germans, and thus initially helped to get support from some of them.

In spite of getting the supplies we sent him instead of to General Mihajlovitch, and in spite of getting the equipment surrendered to him on our instructions by the Italians in Yugoslavia, after their capitulation, Tito's forces were so ineffective that German paratroopers captured his headquarters in Dvar in May 1944. Tito saved himself by deserting his men and being flown to Italy in an allied plane. Then our leaders, appeasing Stalin, and in their incredible ignorance of what Tito, a communist, was, consulted with this run-away, placed him on the Yugoslav island of Vis with allied troops to protect him, and treated him as a man of parts.

True to his vicious Communist training, Tito, after being saved by the western allies, skipped from Vis in a Soviet plane, and reported to Stalin in Moscow. As a result, Stalin, against allied agreements, sent a Soviet Army into Yugoslavia, and in October 1944, placed in power in Belgrade, as "Liberator of Yugoslavia," Tito, who had deserted his own men at Dvar, and never had been able to reach Belgrade with his Partisans. An orgy of arrests and killings of anti-communist Serbs followed. The Serb youth, without equipment or training, was conscripted and driven as a protective screen before Tito's communists as they followed the Germans retreating through Zagreb to Germany. In Zagreb, as in all other Yugoslav cities, arrests and murdering ensued. People, many "in absentia," were put before special courts on all kinds of fictitious charges, merely to have some quasi-judicial justification for Tito's confiscation of their property.

Tito and his mob organized communist Yugoslavia on the basis of Soviet advice and police terror. They created a slave state in which the people and their churches, practically speaking, had no rights other than to act as directed by the Communist Party...which had all power.

Their much propagandized "break" with the Soviets, June 28, 1948, actually their expulsion from the Communist International...COMMINTERN...was a personal matter of Stalin's who probably felt his protege, Tito, was getting too big for his boots. Our foreign-policy leaders, excited, it seems, by their silly hopes that through Tito they would be able to win the Chinese and satellite communists away from the Soviets, overlooked facts such as Tito's flight from Vis to Moscow in 1941, his shooting down of unarmed American airmen in 1946, and his proven record as a communist, and began to support Tito. Incredible as it must have been for the

enslaved peoples, our U.S., supposedly the bastion of liberty, enabled Tito and his gangsters, through American support, to maintain themselves in power and to hold the Yugoslav peoples in slavery...even until now.

Including the \$550,000,000 given in UNRRA Aid, a third of which, according to competent observers, was shipped on by Tito to Soviet Russia, and to the Albanian communists, we've given Tito probably 2 billion dollars in aid, economic, financial and military. As an example of how our government extends aid, even military, to an avowed enemy, note that our Dept. of Agriculture announced January 19th, 1956:—

"Details of an agreement between the U.S. and Yugoslavia providing for the sale of \$49 million worth of U.S. Agricultural commodities (including certain ocean transport costs) for dinars (Yugoslav currency)...This covered approximately 75,000 metric tons of wheat, 49,000 bales of cotton and 40,000 metric tons of lard plus ocean transport. Four months later, a N.Y. "TIMES" dispatch, dated May 21, 1956, read:—

"The U.S. and Yugoslav governments announce an agreement today to release \$46,700,000 in American Aid Counterpart funds to be used to purchase equipment and supplies for the Yugoslav armed forces."

Presumably, upon receiving the shipping documents for the commodities concerned, the Yugoslav National Bank credited the U.S. for the dinar amount covering the dollar value of the commodities. Then following the May 21st agreement, they probably debited our account for the dinar value of the \$46,700,000 mentioned, and through these simple bookkeeping entries, the wheat, cotton and lard, supposedly "sold" to the Yugoslav communist government, was given them free for the purchase of military equipment and supplies, to be used, if so dictated by World Communism at some future date, to kill our own American boys.

But, as possession of the commodities must have passed with the documents, what was to stop Tito from shipping all or part of them, should he so wish, say to Czechoslovakia as payment for arms for Yugoslavia, or for some other type communist deal, Tito's men having played an important role in negotiating the Czech-Egypt arms business.

That's just one glimpse of how Tito and his mob have maintained themselves in power in Yugoslavia. Our enormous aid to Tito enabled him to travel to India, Burma, Ethiopia, Egypt and other countries, going in his own private yacht, accompanied by warships and hundreds of guards, all intended to impress the peoples visited, and has enabled him to build and operate a spy and propaganda organization in our and other countries, and all for the benefit of World Communism and the overturn of the democracies.

His trips, judging by the results, were made as a front-man for Moscow. Obviously, Tito, posing as a "different" or "nationalist" communist, openly supported by the U.S. Government, has been an ideal ground-breaker for Krushchev, Bulganin, Zuckov, Shepilov, and other Moscow men

who followed him. And traveling on his own yacht, he most probably carried Soviet gold for delivery to Reds for the financing of the Soviet inspired revolutionary propaganda in Africa, which was noted incidentally in my May 7th, 1954, talk before The Commonwealth Club of California, and which is very interestingly and fully described in Mr. Frank Kelly's article in the N.Y. "HERALD TRIBUNE" of Feb. 12, 1957. Don't forget that Nasser nationalized the Suez Canal, July 26, 1956, just a week after returning from his visit to Yugoslavia, where on July 18th, he was in conference the whole day with Nehru and Tito. Also note that Tito, only a few weeks earlier had returned to Yugoslavia from his trip to the Soviet Union, and in all probability could have brought back some "suggestions" for Nasser.

Tito's statements during the Suez, Polish and Hungarian crises, have been reserved, but his delegate to the UN has voted fairly consistently with the Soviets, or "abstained" to their advantage.

I may be wrong, but believe that Tito, during that period was trying not to offend the U.S., whose foreign-policy leaders had until October 16th to decide what to do about extending further aid to Tito. The decision announced that day, extending economic aid and leaving the door open for possible military aid was so important for Tito in giving him a chance to bolster his sagging economy, that even the Hungarian revolt on Oct. 23rd brought no statement from him, waiting as he was for help from us. Our Administration worked fast to help the communist dictator, for on November 3rd, 1956, the Dept. of Agriculture announced:—

"Secretary of Agriculture Ezra Taft Benson announced that the U.S. has entered into a commodity agreement with the Government of Yugoslavia for the sale to that country of \$98.3 million worth (including certain ocean transportation costs) of U.S. Agricultural surplus commodities." Covering approximately 925,000 metric tons of wheat, 85,000 bales of cotton, 32,000 metric tons of lard, 7,000 metric tons of cottonseed or soybean oil, 9,000 metric tons of inedible tallow, and ocean transport. This is the third foreign currency transaction entered into with the Government of Yugoslavia, and brings the total value of such agreements with that country to \$221.5 million.

Most interestingly, a N.Y. "TIMES" dispatch from Belgrade, dated Nov. 4th, the day after Mr. Benson's announcement, and published on the 5th, included the following:—

"Yugoslavia supported the new Government in Hungary tonight...The Belgrade regime finally took a public stand on the Hungarian situation after 9 days of official silence by circulating a commentary from Tanjug, official news agency. The document was understood to state the views of President Tito. It regretted that the government of Janos Kadar had to rely on Soviet troops to come to power. But it explained this intervention with the assertion that "reactionary elements" were about to bring down the whole Socialist structure in Hungary.

"The use of foreign troops for settlement of internal matters is contrary to the principle attitude on which Yugoslavia is building Socialism and which should exist in international relations. However we cannot overlook the fact that the use of these troops is the product of negative developments."

Thus Tito, who had kept his mouth shut while the, to him, life-saving commodities agreement was being worked out with us, was able on November 4th, (with \$98,300,000 of commodities assured to him from America the previous day, with 100,000 tons of the wheat to be supplied immediately without the usual 7 day waiting period), to talk, and talk he did.

He spoke again, and at length, at Pula, Yugoslavia, on November 16th. There he discussed the Polish and Hungarian situations, and although he made certain criticism of Soviet handling of the situa-

tions and of its intervention, yet he stated definitely, and this seems the kernel of it all to me, as reported in the N.Y. "TIMES" on November 17th:—

"Many people are asking why the Soviet intervention took place. It is clear, we have said and we will always say, that we are against the intervention and use of foreign military force. . . It is understood that if intervention saves Socialism in Hungary, then comrades, we will be able to say, although we are against the intervention, that Soviet intervention was necessary."

Noting that Tito uses the terms "Socialist" and "Socialism" as we use "communist" and "communism," it is seen that irrespective of the desires of the Polish, Hungarian or any other peoples to have their freedom, Tito approves the use of foreign (communist) intervention to suppress those God-given desires, and to maintain the respective communist government in power over those people.

When Tito speaks of freedom, it appears obvious that he means freedom for the Communist Party concerned, to control the government concerned, and thus to enslave and dominate the people under them. Unfortunately our foreign-policy leaders do not appear able to understand this difference between Tito's standard communist idea of freedom, and freedom as we understand it. . . freedom for the people as masters of their governments.

Tito is now assured of \$98,300,000 more at least in good American commodities, to be paid for apparently in his Yugoslav communist dinars. Are those dinars to be released back also as Counterpart Funds to be used by him for the purchase of more military equipment and supplies, to be used possibly some day against our American boys? Or will he ship them to Czechoslovakia or some other communist country to pay for equipment for his Yugoslav communists or some other country where communism is trying to foment trouble for the West? If so, why?

Tito, the deserter we saved in May 1944, and save again through our support after Stalin turned against him in 1948 (though Tito never has turned against communism), must carry on as a communist. Otherwise he will be finished. In a free election the Yugoslav people would rid themselves of him fast; he knows that, hence will hold no such election.

He has to stick with World Communism, with the Soviets, and it seems to me, the sooner our foreign-policy leaders realize that, the better it will be for us and for the world. How can the rest of the world, particularly the hundreds of millions of enslaved peoples have any faith in our declarations of our anti-communism when we support Tito, whom we have built into a world figure in communism?

A visit by Tito to Washington would be a tremendous build-up for him personally, it would be a victory for World Communism, and would be the last straw in wrecking faith in our country in the minds of those immense numbers of human beings, living miserably in communist slavery, but who have held to their hope in getting back their freedom one day through our help. Our handling of the Hungarian situation must have dismayed those people who have carried hope for freedom in their hearts. Let us start to rebuild that hope through letting Tito know, once and for all, that he will never be invited to Washington!

THE REAL NATIONAL DANGER TODAY

By Stanley MacDonald

In one of the critical periods during the War of the American Revolution, General Washington is reported to have said to one of his subordinate officers, "Put no one but Americans on guard tonight."

Apparently the same corrupt and traitorous influences that affect our traditional freedom today, and our American way of life, were in operation then—at the very moment our early American patriots were spilling their blood and laying down their lives that freedom and independence might be born.

But for some mysterious reason it would seem that a most decided change for the worse had come over the nation in this more modern age, particularly as we review the names and affiliations of the men almost uniformly being appointed to fill the places of the greatest risk to the nation's life and the most vital responsibility.

Today, it would seem just as though that great spirit of national pride and patriotic devotion that had actually given birth to the nation nearly two centuries in the past, had been purposely throttled and set aside as so much emotional nonsense—had been openly pooh-poohed and literally dumped into the political ash can, as it were—and that instead of recognizing the wisdom of Washington's

sage admonition to "Put no one but Americans on guard tonight," it would seem that the national policy had now been completely reversed, and that the order had now gone out from the so-called higher-ups in the Government to put none but Red-tinged Internationalists on guard in all the important places, in order to be assured that the well-justified pride and patriotic fervor of American freedom and independence are sent whizzing down the drain to national political silence and oblivion. . . which very thing seems to be definitely "in the cards," unless the American people wake up and act!

U.N. Bringing Us To Destruction

By Dr. Albert J. Lindsey

Minister of the First Presbyterian Church Tacoma, Wash., from a Sermon broadcast over the air.

"True, there will come a day when there will be one world government and complete and perfect world centralization, BUT IT WILL NOT BE BY MAN, RATHER BY ALMIGHTY GOD. GOD, AND NOT MAN, WILL USHER IN THE LONG-LOOKED FOR UTOPIA.

"I think again of my visits to the UN headquarters. I could not help but stand back and say to myself, behold the modern tower of Babel. We will not deny that there are humanitarian aims in the Economic Council of this institution, but the basic principle is contrary to the divine program of God. IT IS SATANIC IN ITS ORIGIN AND IF PURSUED, AS IT APPEARS TO BE, CAN ONLY BRING US DOWN THE ROAD EVENTUALLY TO OUR OWN SORROW AND DESTRUCTION.

"This message will be, I know, in decided contrast to a great host of messages that will be given from pulpits of our land on this World Order Sunday. (In Oct.). Certainly it is diametrically opposed to what was desired by the leaders of the National Council of Churches, along with other ecclesiastical leaders, BUT AS A WATCHMAN ON THE WALL, AS ONE CALLED TO PROCLAIM THE TRUTH OF GOD'S WORD AND DEFEND IT FROM HERESY, AS ONE WHO SEES THE PROPHETIC PICTURE OF GOD'S WORD AS I BELIEVE I DO, I WOULD NOT BE TRUE TO MY POSITION IF I SPOKE OTHERWISE. CERTAINLY THE ROAD TO FREEDOM AND THE ROAD TO GOD DOES NOT LIE IN OUR CURRENT EXISTENCE THROUGH WORLD CENTRALIZATION, BUT RATHER IT LIES ONLY IN A STRONG FAITH IN JESUS CHRIST, FOR IT IS WRITTEN, 'NEITHER IS THERE SALVATION IN ANY OTHER: FOR THERE IS NONE OTHER NAME UNDER HEAVEN GIVEN AMONG MEN' WHEREBY WE MUST BE SAVED.' (Acts 4:12)."

The Truth On Rudolf Hess' Flight!

Seventeen years ago, by the late spring of 1941, Adolph Hitler had fully mapped out his plan for the invasion of communist Russia. Only a chosen few of the top leaders of Germany were aware of this plan. Among his elite was Rudolf Hess: Deputy Fuhrer, Reich Minister without Portfolio, Leader of the Nazi Party, and one of the few men fully trusted by Hitler. Hess recognized the importance of this attack and knew that on the success or failure of this struggle rested the fate of Western civilization. Hess realized that Germany alone could not conquer the vast Asiatic land masses of the Soviet Union. He recognized too the senselessness of the war between Germany and England. But how to bring about an understanding between these two great nations before it was too late?

For more than a year Hess had pondered on a means of ending the enmity between England and Germany and had finally come to the conclusion that nothing but the most drastic and fearless action could succeed. Hess finally decided that only through the uncompromising risk of a responsible German statesman in the highest position could there be any chance of a reconciliation. Hess therefore took it upon himself, solely on his own initiative, to fly to England and there take up contact with the British Government.

On the 10th of May, 1941, Hess, without the knowledge of the Reich Government or even of his own family, took off in a Messerschmidt hunting plane and headed out over the Channel.

Hess, who had not flown since the end of WW I, miraculously reached his destination, Scotland, where he parachuted about 1 mile from the home of his old friend, the British General, Sir Ian Hamilton. This was the man who Hess hoped would act as his intermediary and spokesman with the government.

What prospects did the daring flying statesman have that his journey would succeed? What risks had he taken into account? There were, no doubt, several chances that his mission would meet with misfortune: He could have been followed by a German fighter and have been shot down before he left German territory. He

Rudolf Hess

could have been met by British fighters with the same result. He was flying unarmed. He could have and almost did lose his life in parachuting to English soil. But supposing he reached his goal—what would happen then? He was convinced that he would get through with his intention to speak to the British government, but even then what would happen to him afterwards? Perhaps they would heed his warning, perhaps not. In the latter case it was probable that he would be sent back to Germany. In that case he would run the risk—a very great risk—of being shot by his own government for an unauthorized arbitrary act, for high treason. Hitler, as is well known, was not to be trifled with when anybody—especially if it were one of his closest confidants, went against his wishes. Hess knew this well, having been a witness to the fate of Ernst Rohm and his cronies a few years earlier. None the less, Hess took these risks upon himself.

But what was the final issue of this fantastic venture, which at the time made the whole world hold its breath? The outcome was to be none of the possible results Hess had imagined. The most unexpected was what **really** happened: Hess was immediately interned in England as a prisoner of state, without a chance to confer with the British government.

For 5 years Hess remained in England, ignored and forgotten. At the conclusion of the war he was taken by plane to Germany to stand trial for "war crimes" at Nuremberg. In 1946, Hess was sentenced to life imprisonment. For 17 years—5 in England and 12 in Germany, Rudolf Hess has been unjustly imprisoned. This man, whose only crime was to try and rally the Western world against Bolshevism and thus insure a lasting peace for the 20th century, is a victim of the most abominable judiciary murder of our time. Hess was imprisoned for the "worst" crime of the present era: **OPPOSING INTERNATIONAL COMMUNISM!**

To this day, Hess remains imprisoned in the grim, four-power, Spandau Allied Prison. During the month the Russians are in control, Hess is starved and given little chance to sleep due to all night guards, the constant glare of spotlights, and continual noise. The Commies haven't forgotten that Hess almost caused their downfall. And yet our government continues to approve of Hess's treatment.

Epilogue

"I am glad not to be responsible for the way in which Hess has been and is being treated. Whatever may be the moral guilt of a German who stood near to Hitler, Hess had, in my view, atoned for this by his completely devoted...deed of...benevolence. He came to us of his own free will, and though without authority, had something of the quality of an envoy. He was...not a criminal case."

A Rabbi Urges The End Of Israel

An Israeli Rabbi has called for the immediate destruction of Israel. The 60 year old Rabbi Amran Blau is the leader of the Natorei Karta—a sect of religious Jews in Jerusalem, which in English means the "guardians of the Holy City."

They bitterly oppose Zionism, and support the Arab, stating that Israel has no right to exist. This group refuses to recognize the existence of the state and its government organization. They refuse to pay taxes or answer court summons, or even fill out census forms.

Rabbi Blau and his 300 followers strictly observe the law and the ancient customs of Israel. They live in the ancient ghetto-like quarters Meah Shearim in Jerusalem. They keep cows, goats, ducks and chickens in their century-old homes and bake their own bread and sew their own clothes.

The Jews have passed a municipal regulation which now forbids them to slaughter their own livestock, and put them in a place where they are rapidly becoming, because of persecution, a meatless sect. Their leader, the red-bearded third generation Jerusalemite Rabbi is hauled in by the Jews and thrown in jail continually. Sometimes while in jail members of his sect will enter an agreement (to save him) with the Jewish authorities, but on release he declares these null and void, and states that one who collaborates with a Zionist is a traitor to God our Lord.

Fluorine--Deadly Rat Poison Added To Drinking Water!

Conde McGinley

LOOK magazine of June 24, 1958, carries an article by one of their most active propagandists, Wm. Attwood, in an effort to stop the increasing tide of public sentiment against fluoridation.

A few weeks ago LOOK carried an article by this same Attwood whereby he tried to justify the murder of numbers of Christian Arabs as the ZIONISTS robbed them of their homes in Palestine and drove them into the desert where they are now living like animals for the past 10 years. A few weeks previous LOOK carried a several page smear of people in the South in connection with the JEWISH-inspired move to FORCE race-mixing.

Attwood's featured article of June 24th, is titled "FLUORIDATION-WHY ALL THE CONTROVERSY?" What a foolish question! The water belongs to the people. What right have a few city politicians to sneak poison of any kind whatsoever into their drinking water? Time and again over the country politicians have secretly used the tax-payers money to buy equipment for distributing fluorine and fed this deadly poison to the unsuspecting people for years before the public learned of it and became aroused. In other cases, City Councils under pressure from Washington and several large companies that might benefit from fluoridation, have defied the taxpayers, knowing full well that fluoridation would be defeated if the citizens were allowed to vote on it!

LOOK asks "WHY ALL THE CONTROVERSY?" Are the people now expected to submit to fluoridation without discussion? The Marxist eggheads on the Supreme Court have assumed dictatorship and injunctions are instituted to prevent controversy. Those who wish to buy their medicine at the drug store and have their water as they wish are smeared with insane accusations. A great majority of the people do not want Socialized Medicine.

Why are these people so interested in our health that they will fight, scheme and lie to us so as to create a billion dollar market for fluorine, an aluminum waste product. Submit, and some bright industrialists will decide our water should contain a cure for arthritis, heart trouble, flat feet and anything else that comes into their mind. Why go to the drug store when you can get these cures in your drinking water?

As James Warburg (Zionist) said:
"We are going to have World Government whether we want it or not," and so with this rat poison called fluorine—they will FORCE us to put it into our water whether we want it or not!

Americans will take something vol-

untarily, but when you force them, they stand up and fight. Informed readers recognize the fact that LOOK slants to the left. We recall when Cowles, top man in LOOK, with Wendell Wilkie paid a visit to the Red murderer, Stalin, at a time when he was directing the wholesale slaughter of the Russian people and good Americans were condemning Stalin as a devil. Upon their return, Freedom House in N.Y. was set up as a Memorial to Wilkie. Freedom House is well occupied by leftist liberal groups!

Certainly Attwood makes money from LOOK'S smear jobs, but when he is receiving his brainwashing material, he could be more alert to untruth. He tells us President Eisenhower drinks fluoridated water in face of the fact that Ike's own doctor has written the President drinks BOTTLED spring water!

Assuming that fluoridated water benefits children between 6 and 10 (which we doubt) what effect does it have on the wide span age? These do-gooders want you the tax-payer to pay for fluorine in the water for car washing, sprinkling lawns, washing clothes and many other uses which would raise the cost, all for the sake of the few children it is supposed to benefit, so much higher than the fluorine you can buy at any drug store!

But this is a very good way for the aluminum promoters to turn their waste products into money even though it is wasted in the water system. The aluminum companies have been throwing away this

waste for years. So why not get paid wasting it? They are trying to force fluoridation on towns which have pure spring water from the mountains!

We understand it cost Chicago two million dollars for machinery to install fluoridation—think of the number of other cities and towns likewise fluoridated. This reminds us when a well-known large road tractor was being pioneered, the price included \$1,000 which was to be given to the Commissioners who had to O.K. the purchase. So it goes, the tax-payer is still the well-known goat.

There are many reasons why people are aroused AGAINST fluoridation, so to assist you in gaining vital information and help prevent rat poison being added to your drinking water, we give you in this issue names of specialists and a sworn affidavit from people who KNOW the subject; you can evaluate and then judge for yourself. — — — — — Editor

ANSWER TO LOOK'S SMEAR

By Charles B. Hudson

LOOK MAGAZINE'S June 24, 1958 feature article "FLUORIDATION, WHY ALL THE CONTROVERSY?" like usual pro-fluoridation propaganda, rather cleverly assumes that anyone who opposes fluoridation is not quite all here. Significantly, although LOOK reputedly is mouthpiece for One-Worlders, this article fails to list the World Health Organization of the UN as sponsor of fluoridation! With the UN not so popular as formerly, LOOK no doubt prefers to keep their readers in the dark. LOOK claims the American Medical Assn., and American Dental Assn., and the U.S. Public Health Service endorse it, but refrains from disclosing that millions of taxpayers' dollars, without their consent, are being used to FORCE fluorides down throats of Americans, the excuse being that 1 part per million of fluoride in drinking water allegedly cuts down dental decay in children by 60%. As to that AMA re-approval of fluoridation, the study committee's report was adopted by VOICE VOTE and NO RECORD was made of the number of physicians in favor or opposed! That so-called AMA report offers no proof of safety, but ADMITS that mottled teeth WILL result from water containing 1 ppm of fluoride, and recognizes that the dosage of fluoride for the individual CANNOT be controlled, and that it is too early to know what the effects of artificial fluoridation will be—all of which actually cancels the value of the whole report.

LOOK uses the successful drive to fluoridate New Canaan, Conn. to show how the local public health director can head pro-fluoridators and defeat opponents at the polls. "Name-calling" to discredit such opponents include: "... Christian Scientists, food faddists, organic gardeners, chiropractors and people who are chronically suspicious of authority or opposed to change. They have the support of the Daughters of the American Revolution and

This particular photograph was taken at the San Diego Water Works, just before that city ABOLISHED fluoridation.

various self-styled patriotic organizations. Perhaps even 1% of the nation's doctors and dentists have also lent their names to the cause.... a weird array of anti-Semites, charlatans, die-hard McCarthyites and flustered old ladies... Anti-Semitic hate sheets... Red plots, mottled teeth and rat poison... 'fear-directed' (according to some psychiatrists)..."

LOOK'S statistics do mislead. While LOOK admits the DAR ("flustered old ladies?") opposes fluoridation, it fails to state the vote or even one reason why they voted 800 to 20 against it on April 18, 1958 in Washington, D.C. LOOK tries to minimize medical opposition by saying "Perhaps 1% of the nation's doctors and dentists" oppose fluoridation. Yet, LOOK must have known that on April 12, 1958, the Association of American Physicians & Surgeons, comprised of 15,000 members of the American Medical Assn., adopted a Resolution condemning "THE ADDITION OF ANY SUBSTANCE TO PUBLIC WATER SUPPLIES FOR PURPOSE OF AFFECTING BODIES OR BODILY OR MENTAL FUNCTIONS OF THE CONSUMERS." LOOK no doubt failed to give that "statistic" because to do so would tip off their readers that it is the admitted intention of Public Health Service to use the same method as in fluoridation for the mass control of other non-contagious diseases! Some LOOK readers might get suspicious if they knew that fact!

LOOK claims 1,644 communities with a population of 33,418,779 have adopted water-fluoridation, which is a LIE, for the Public Health Service admits only about 5% of cities having fluoridation, accepted it of their own free will, by vote of residents! Really nothing to brag about, when you consider the millions of dollars and volume of publicity directed into all channels of influence, which produced that tiny vote for fluoridation. Also, pro-fluoridators have been at it since 1945 (highly organized and financed), while opponents, as LOOK admits, are not organized even today. And, so far about 139,000,000 Americans are NOT drinking poisoned water. Where the issue came to a vote, over 1,088 communities have refused to fluoridate; and 102 communities that had had it up to 5 years, KICKED IT OUT!! Compare the above facts with the LOOK magazine statistics: "Thus, where referendums have been held, fluoridation has been rejected by 227 communities and approved by only 162. And of 49 other towns that have adopted fluoridation, anti-Committees succeeded in getting the decisions reversed by referendums in 35."

LOOK carefully hides facts such as, in reproducing, for discrediting purposes, a page of "COMMON SENSE" with the caption "Former Commie—Now A Patriot Signs Sworn Affidavit On Fluoridation!" With a picture of Kenneth Goff, it BLOTS OUT the story which would have told LOOK readers that a former Communist leader, now a Christian Pastor of a church in Denver, under oath, affirmed that years before anyone had ever heard of fluoridation, at secret Communist meetings, the tactic of poisoning water supplies by fluoridation was discussed! To further discredit "COMMON SENSE" and that caption, LOOK states in that blotted out space: "Anti-Semitic hate sheets have jumped into the fluoridation fight." Yes, this LOOK article is devilishly clever!

A tremendous campaign has been on for years in Atlanta, Georgia, trying to fluoridate that city's water supply. Newspapers constantly harp on why it should be done. Mayor William B. Hartsfield, on his letterhead, May 23, 1958 writes the Enquirer: "The official position of the City of Atlanta is that we prefer not to fluoridate until some years of experience and research are available as to the effect on older persons. We will not be moved by the propaganda of the U.S. Public Health Service unless they could succeed in forcing a favorable referendum, which we and

they greatly doubt. For your information, we have accumulated fluoridation information from all over the world and will be amply able to take care of ourselves if they ever dare try a referendum. Yours truly, W.B. Hartsfield, Mayor."

An Ex-Communist's Sworn Affidavit On Fluoridation!

The following is the article that LOOK Magazine conveniently blanked out. Read it and you will understand why they did not want you the public to see it!

Kenneth Goff is a man who, but for the grace of God, might have been the 12th man in the trial of the leading Communists. He has served as an expert witness on Communism for the government. He is one of the best living authorities on this subject.

Rev. Goff was formerly a leader in the Communist Party. He was assigned by Stalin's agents in the U.S. to work among the young people and help bring about a bloody Red Revolution. He used a number instead of a name. He worked with Red plotters from N.Y. and Hollywood. While a Communist he was invited by Eleanor Roosevelt to be a guest at the White House!

Rev. Goff is now a sincere, active and militant Protestant Minister, who risked his life to make a complete break with the Communist Party.

The following is his sworn affidavit as to the most dangerous of their schemes—**FLUORIDATION!!!**

To Whom It May Concern:

I, Oliver Kenneth Goff, was a member of the Communist Party and the Young Communist League, from May 2, 1936 to Oct. 9, 1939. During this period of time, I operated under the alias of John Keats and the number 18-B2. My testimony before the Government is incorporated in Volume IX of the Un-American Activities Report for the year 1939.

While a member of the Communist Party I attended Communist underground training schools outside the City of New York; in the Bues Hall, and 113 East Wells St., Milwaukee Wisc. The East Wells St. school operated under the name of the Eugene Debs School, here, under the tutoring of Eugene Dennis, M. Sparks, Morris Childs, Jack Kling and others, we were schooled in the art of revolutionary overthrow of the established Government.

We were trained on how to dismantle and assemble mimeograph machines, to use for propaganda purposes during the revolution; how to work on guide wires and fuel lines of airplanes so that they would either burst into flames or crash to the ground because of lack of control; how to work on ties and rails to wreck trains; and also the art of poisoning water supplies.

We discussed quite thoroughly the fluoridation of water supplies and how we were using it in Russia as a tranquilizer in the prison camps. The leaders of our school felt that if it could be induced into

Rev. Kenneth Goff

the American water supply, it would bring about a spirit of lethargy in the nation; where it would keep the general public docile during a steady encroachment of Communism. We also discussed the fact that keeping a store of deadly fluoride near the water reservoir would be advantageous during the time of the revolution, as it would give us opportunity to dump this poison into the water supply and either kill off the populace or threaten them with liquidation, so they would surrender to obtain fresh water.

We discussed in these schools, the complete art of revolution: the seizure of the main utilities, such as light, power, gas, and water; but it was felt by the leadership, that if a program of fluoridating of the water could be carried out in the nation, it would go a long way toward the advancement of the revolution.

The above statements are true.

FLUORIDATION A U.S. MENACE

Why should "We The People" recklessly swallow daily an acid which etches (cuts into) glass; is deadly for rats; corrodes, rusts and destroys steel and copper pipes; whose fumes are fatal to livestock; a narcotic used to dope violently insane persons and "tranquelize" whole communities, and has its lethal potential increased by and in hot water tanks?

And why does the U.S. Public Health Service bureaucracy at Washington persistently bribe health organizations with gift "grants-in-aid" tax-money, constantly pressurizing communities to contaminate their drinking water with a destructive agent—in view of the fact that compulsory mass-medication is "the purest form of socialized medicine", and has been strongly recommended by the N.Y. The NAACP Stirs Race Hatred

April 25, 1958

Prof. Ralph O. Nafziger
3405 Crestwood Drive
Madison 5, Wisconsin

Dear Professor Nafziger:

Even to those of us who have realized for years that the University of Wisconsin and the intelligentsia are soft on communism, it is something of a shock to read the list of sponsors (in The Capital Times of April 24) who have been roped in by the National Association for the Advancement of Communist Policies.

The NAACP, communist-inspired and motivated, has never cared a whit for the betterment of the Negroes; its sole aim and purpose is to stir up race hatred and dissension.

You are to have the "honor" of introducing Mr. Carl T. Rowan, the speaker at the kickoff dinner. Please give him my compliments and tell him that I would be happy to have him return to Madison at some future date and engage in public debate with me. I would be happy to uphold the affirmative of the proposition, "The NAACP is an organization which should be shunned by all liberty-loving organizations and individuals of every race and creed."

Of course I know that this challenge will not do me a particle of good. Neither the NAACP nor any of the communist fronts or those organizations which claim to be anti-communist, though really "liberals," are willing to give the opposition a chance to be heard; they all fear that they will lose some of their dupes if they are allowed to hear the truth.

A man in your position should not be so uninformed as to accept the NAACP as an American organization. But assuming that you do need information, I send you, in pamphlet form, the statement of Dr. J.B. Matthews made before the Florida Legislation Investigation Committee, on Feb. 10, 1958.

Very sincerely,

Money Changers

Pope Pius XI said:

"It is patent that in our days not wealth alone is accumulated, but immense power and despotic domination are concentrated in the hands of a few, who, for the most part are not the owners, but only the trustees and directors of invested funds, which they administer at their own good pleasure. This domination is most powerfully exercised by those who, because they hold and control money, also govern credit and determine its allotment, for that reason supplying in the life blood to the entire economic body and grasping in their hands, as it were, the very soul of production, so that no one dare breathe against their will."

Werner Sombart, in his book, JEWS AND MODERN CAPITALISM—tells the whole storey:

"Capitalism was born of the money loan. Lending money contains the root idea of all capitalism. Turn to the pages of the Talmud and you will find that Jews made an art of lending money. They were taught early to look for their chief happiness in the possession of money. THEY FATHOMED ALL THE SECRETS THAT LAY HID IN MONEY. They became Lords of Money and Lords of the World."

Henry Ford said:

"The function of money is not to make money but to move goods. Money is only one part of our transportation system. It moves goods from man to man. A dollar bill is like a postage stamp; it is no good unless it will move commodities between persons. If a postage stamp will not carry a letter, or money will not move goods, it is just the same as an engine that will not run. Some one will have to get out and fix it."

Assistant President Caught In Trap

How did Bernard Goldfine, worth many millions and, a political power in Mass., acquire these millions and make the front pages in newspapers throughout the U.S.? Did this Zionist, born in Kovna, Russia, get there just by hard work? His is a typical case, hence it is of interest to see just how he did it. He has been quoted as saying his hobby is "collecting politicians." He has given expensive gifts to many including all 48 Governors, to whom he gave Vicuna coats. Many of us of the common herd are not familiar with such coats. The Vicuna goat lives 10,000 feet up in the Andes Mountains in Peru, and it is necessary to shear 1200 goats for the material to make one coat, hence they are a rare item. Goldfine out of the goodness of his heart gives one to President Eisenhower, one to Sherman Adams (the acting President), 48 Governors and a number of other politicians who are in a position to throw favors to Goldfine's companies. We list part of these companies below.

Goldfine operations in Boston include the East Boston Co., the Boston Development Corp., Goldfine Investment Trust, Inc. The Bondsville Bleachery and Dye Works, Boston Duck Co., Lebanon Woolen Mills, Georges River Woolen, Inc., Lebandale Mills, Inc., Geo. E. Mabbett & Sons, Northfield Mills, Strathmore Commodities Co., Strathmore Realty Co., Strathmore Silks, Strathmore Woolen Co., and Wilton Woolen Co.

Goldfine also paid a hotel bill for Federal Judge Wm. McCarthy and his family at the Waldorf Astoria in N.Y. One of Goldfine's cases later came before this same Judge.

Here we deal with only one Zionist of thousands who stay close to influential office holders and as a result we have a Zionist controlled Government. Adams says he and Goldfine are old friends, but it is queer Goldfine's lavish gifts began ONLY after Adams became Assistant to the President. It has been established that Goldfine paid hotel bills for Adams and his family at the Sheraton Plaza in Boston, the Mayflower in Plymouth, Mass. and the Waldorf Astoria, in N.Y., amounts proven so far total \$2500.

Newspapers report Goldfine went with Adams to Macy's in N.Y. and paid \$2400 for one of a number of rugs and that most of the furniture in Adams' House in Washington was paid for by Goldfine. It is also reported that Goldfine sent Adams to his personal tailor in Boston. Why did Goldfine visit Adams so often in his Washington home?

The Federal Trade Commission charged 3 of Goldfine's textile companies with mislabeling. When Goldfine received a communication from the Commission he took it to Adams at the White House and Adams took it up with the Federal Trade Commission. Adams then received a memorandum from Chairman Howrey, which he forwarded to Goldfine. Later when Goldfine was in the office of the FTC, Chairman Edward F. Howrey, he asked the secretary to get Sherman Adams on the wire. Naturally having the White House intercede was very effective. It is interesting to know the Defense Dept. awarded over 2 million dollars in contracts to Goldfine companies, among which was an order for 40,000 wool blankets.

It is admitted that several charges of mislabeling were entered against Goldfine, one of which carried a \$3,000 fine. Charles F. Canovan, Attorney for the FTC, told the Sub-Committee on March 13, 1956, he advised sending one of the mislabeling cases against Goldfine to the Justice Dept. for criminal prosecution. He felt the repeated violations were premeditated. He was overruled. Goldfine was receiving preferred treatment! In view of the fact that charges of mislabeling were preferred against Goldfine, it is in order to ask were these 40,000 wool blankets mislabeled "ALL

Sherman Adams and Maxwell Rabb (Zionist). These two have terrific influence over Presidential affairs. It is whispered throughout Washington corridors that these two were instrumental in sending troops into Little Rock.

This is also the same Adams who sat on vital information when the late Sen. McCarthy requested it to prove his case in the phoney Army-McCarthy Hearings.

WOOL" only 60% wool?

Goldfine is really a nice fellow, His East Boston Co. and subsidiary, Boston Post Development Corp. (both controlled by Goldfine) were fined \$20,000 for civil contempt and suspended by the SEC for failure to file reports from 1948 thru 1955. Goldfine has been sued for \$675,000 by Robert C. Baker and his wife, Elizabeth, of Riverdale, N.Y., charging that Goldfine influenced them to invest in one of his companies and promised they would double their investment. But they lost all.

John Fox, an attorney and former owner of the Boston Post, represents the clients suing Goldfine, claiming he embezzled \$6,788,812. Fox, in a statement to the court, said:

"I asked Goldfine how it was possible for him to keep embezzling, which he admitted he was doing, and how he dared to do this in the face of the regulations of the U.S. Securities and Exchange Commission. He told me that as long as he had Sherman Adams in his pocket he could do it."

Sherman Adams is not the only Christian politician who IS IN THE POCKET OF A JEW!

The amount Goldfine contributed to help Ike's election has not been established.

Those who are informed realize this arrangement between a Zionist Jew and a non-Jew political office holder is only one of hundreds. However, they are usually sufficiently clever to prevent public knowledge. Down through the years Jews have learned how to control governments from behind the scenes. They ensnare and buy off officials so that they can enjoy privileges and make money with immunity. They learn whom they can trust and control and use their influence and money to

Adams is only one of the many who must use his position to make our taxpayers money available to Israel, push the President to send troops to Little Rock and support dozens of Zionist sponsored movements. THE INVISIBLE GOVERNMENT MARCHES ON.

Are Zionist Lawyers Threat To America's Security?

By Robert Lee Gibbons
Member of the Bar

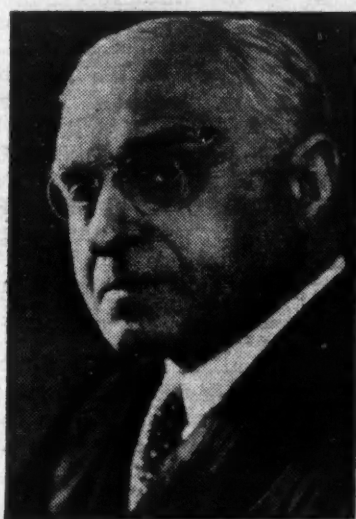

In recent months the U.S. Supreme Court has been deservedly censured by patriotic elements in the nation for its atrocious decisions imperilling our safety. It would be erroneous, however, in considering the legal and judicial situation, to direct our attention exclusively to the Supreme Court.

One particular ethnic group has been influential in the process of erosion of our domestic security and legal traditions. That group is **JEWRY!**

In the July 15, 1957 issue (No.280) of **COMMON SENSE**, we presented a summary of decisions of the U.S. Supreme Court benefiting traitors and security risks over a period of more than two years.

We believe it will be of interest to Christian patriots to learn the names of the lawyers who represented the winning parties in those cases. For the sake of brevity, only the names of the parties in whose favor the cases were decided are given. Following the name of the case you will find the name or names of counsel for the winning party or parties.

Felix Frankfurter

This Zionist is now serving on the Court past the normal retirement age of 70. Even as he approaches retirement (if ever) there are two equally dangerous men awaiting the appointment to his spot. They are Simon Sobeloff and Charles Wyzanski.

Morgan — Ann Fagan Ginger and Thelma C. Furry; **Raley et al.** — Louis C. Capelle and Morse Johnson.

A number of these lawyers, such as Frank J. Donner, Nathan Witt and John Abt, have been named as communists!

Even the most casual observer of the above tabulation will detect the large predominance of Jewish lawyers. In only 5 of the 32 cases were there no Jews acting as counsel. It would be difficult to find a better example of the high correlation between Jewry and subversion.

Additional evidence that the assault on the security of the American people is being directed by domestic Talmudists is afforded by the activities of the **National Lawyers Guild**. This organization has been cited as a communist-front by both the House Committee on Un-American Activities and the Internal Security Subcommittee of the Senate Judiciary Committee. Of the 8 officers of the Guild, 6 are Jews. Even more astounding and revealing, however, is the fact that of the 44 individuals on its board of directors and national executive board, 43 are Jews!

Many of the lawyers named in the above tabulation and in the Appendix are members of the Guild. If you think the Guild is satisfied with the drastic damage already perpetrated by the Supreme Court, you are sadly mistaken. These agit-prop artists want to create a climate of opinion which will induce the Court not only to refrain from reversing its trend of recent years, but to commit even worse judicial atrocities! Indeed, one of the Guild's leaders, the Jew Osmond K. Fraenkel, regards the freedom of speech guaranty in the U.S. Constitution as absolute, subject to no qualifications. These contemporary Pharisees, perniciously molded in the tradition of the hair-splitting, obscene Talmud,

clamor for total license for sedition and treason. If the Supreme Court, headed by Earl Warren, a recent student of the Talmud, grants such license, the American Republic will follow other great Christian nations into oblivion.

Space does not permit even a cursory description of the Talmud, that massive compendium of Jewish law. Samples of Talmudic jurisprudence are permission for a Jew to perjure himself to condemn a Christian (Baba Kamma 113a), incompetency of non-Jews to testify as witnesses (Mishna Baba Kamma, by Goldin), the exemption from the death penalty granted to a Jew who intends to kill a non-Jew but mistakenly kills a Jew (Ibid), and permission for a girl of 3 to be given in marriage (Mishna Baba Mezia, by Goldin).

The famous KOL NIDRE prayer, repudiating on Yom Kippur all the vows of the Jew for the following year, has a basis in the Talmud in Nedarim, 23a-23b. It is decreed in the Book of Eben Haezar that marriages between Christian and Jews are null. The Jew is enjoined in Choschen Ham. (26,1) not to sue before a Christian judge, and is told in Babba Batra (54b) that Christian property belongs to the first person claiming.

Warren's study of the Talmud is ominous. In medieval Europe, particularly in Poland with its large Jewish enclave, the Beth-Din, an exclusively Jewish court established pursuant to the Talmud, possessed power to decide questions of criminal and civil law. The Beth-Din system was organized on an hierarchical basis, like our state and federal judiciary. There was a Beth-Din for a small community, a district Beth-Din to decide more important cases, and a court of appeals. As a rule the Rabbi of the community, who was the

chief justice of the local Beth-Din had the title of Ab Beth-Din, was, like other Rabbis, trained in Talmudic jurisprudence. Since we now have a Chief Justice of the U.S. who has been trained in the Talmud, how long will it be before he is Ab Beth-Din of the U.S., presiding over a federal judiciary perverted by Pharisaical, Talmudic principles? Unless Christian members of the bar assert themselves in courts, legislative halls and elsewhere, that time is not remote.

In writing of Warren, we do not wish to minimize the pernicious influence of Felix Frankfurter on the Court. Readers of COMMON SENSE are familiar with his odious (see issues 255 and 280) record. He is now serving past the retirement age of 70, but don't get any false hopes that his retirement would bring any improvement, as his successor doubtless will be either Simon Sobeloff of the 4th Circuit Court of Appeals, who signed the government's brief in favor of desegregation in the case decided to the sorrow of the South on May 17, 1954, or Charles Wyzanski, of the 1st Circuit, who advocated J. Robert Oppenheimer's appearance as Wm. James lecturer at Harvard. Either one of these Jews would be quickly confirmed by the rubber-stamp Judiciary Committee of the Senate!

The lapse in vigilance of this Committee in the last 40 years is the measure in the decline in constitutional responsibility of the Senate. When Woodrow Wilson appointed Louis Dembitz Brandeis, a radical lawyer and Zionist, to the Court in 1916, he was confirmed by the Senate only after a protracted controversy. Frankfurter, named by Roosevelt in 1939, encountered opposition, but not as much as had confronted Brandeis. Recent appointments have met with practically no protest. The only member of the Senate who opposed the appointment of the half baked Catholic, William Brennan, who was to write the Jencks opinion, was the late patriot, Joe McCarthy.

Samuel Roth, in his bitter revelations about his own people in "Jews Must Live", (The Golden Hind Press, Inc., 1934), writes that nothing seems to him "so monstrously ironical as the easy liberalism with which the major peoples of the earth continue to admit Jews to the practise of the two cardinal professions - law and medicine.

This same Jewish writer attributes the decline of the American Bar to the infiltration of his people. "The old-world lawyer," writes Roth, "regards himself primarily as an officer of the court. If the American lawyer realizes that he is an officer of the court, he certainly does not take this phase of his function seriously. This callousness is the result of the practise of the Jewish lawyer who swarms the American courts in such numbers that the average lawyer's office has become about as safe, for the poor layman, as a nest of rattlesnakes".

Roth concludes his comments on the Jewish contribution to jurisprudence by asking the provocative but pertinent question: "Are a dozen Brandeises and Cardozas — granting that there are so many — sufficient compensation for the looting of a continent?"

We have been brought to this twilight era for the law and the nation by political and religious leaders who have been too craven, venal or stupid to cry out against the Pharisaical threat. It was not always thus.

In 1215 the Fourth Lateran Council, famous in the annals of the Catholic Church, decreed that acceptance of legal testimony of Jews against Christians was forbidden and enacted that Jews should not hold public office.

Pope Eugenius IV, in 1442 decreed that Christians shall not allow Jews to hold civil honors, or to exercise public office in the State. He said that Jews cannot be merchants, tax collectors, or lawyers in matrimonial matters. He also forbade the

Jews to study civil law.

Pope Paul IV in 1555 said:

"Jews can only engage themselves in the work of street-sweepers and rag-pickers and cannot be produce merchants or in things necessary for human use."

This would preclude the practice of law.

Pope Paul V. renewed all the anti-Jewish bulls of his predecessors. He dealt a death blow to Jewish civil jurisdiction by ordering that Jewish lawsuits might be brought only before the governor. (Jewish Encyclopedia, Vol. 10, p. 456).

Temporal rulers of Europe in the age of faith went even farther than the Roman Pontiffs. Edward I of England expelled the Jews from England in 1290, and Phillippe le Bel of France followed suit several years later. Two centuries later they were driven out of Spain.

Although it is too much to expect our present politicians to expel the Jews from the nation whose hospitality they have abused, they could at least protect the public interest and general welfare after the fashion of the medieval Church, by prohibiting the Jew from practicing law. This measure would require courage, however, and that is where the readers, the constituents of the politicians, enter the picture. **YOU HAVE A PART TO PLAY IF THE JEWISH MONEY AND PROPAGANDA POWER ARE NOT TO INTIMIDATE YOUR ELECTED REPRESENTATIVES!** Write to your State legislator and state that you are fed up with the Pharisaical perversions of the law, and demand that the legal profession be closed to the perverters.

Following you will find an Appendix listing the names of Jewish lawyers who in recent years have represented in litigation Smith Act, Sedition and contempt defendants, pacifists, passport applicants, disbarred attorneys, deportation defendants, persons separated from government, military and private employment for loyalty or security reasons, or otherwise acted as counsel in "civil liberties" cases. The name of each attorney is given and listed under the city in which he practices law, for the benefit of readers in those cities.

Must Christian Churches Deteriorate For Fear Of Jewish Talmudism?

Written by a Priest who must not be named for obvious reasons

Mr Conde McGinley
Union, N.J.

Dear Mr McGinley,

The enclosed pittance will help buy a little more ammunition, and I devoutly hope and pray that more priests will hear and answer your appeal for funds. I consider this a matter of conscience since you are doing the work that should be done by the Church. And it is my studied impression that millions of Catholics are aware that there is something terribly odd about the silence of the Church at the most critical time in our history, or for that matter, in the history of the human race. This silence cannot be explained in a way that will save the honor of the Church, and Catholics generally know that it is the duty of the Church, not only to condemn all evil ideas that seep, or are thrust into the public consciousness, but to zealously teach positive Truth. Obviously, if the Truth were preached from the housetops, as Christ commanded, false ideas would never have a chance to take root. The Church was established specifically to counteract ideological error by teaching positive Truth. And surely the experience of the centuries should be sufficient to convince any competent scholar that the counter-organization established by Satan to prevent the teaching of the Truth, is Talmudism, as contained in the Babylonian (and Palestinian) Talmud, the Devil's Bible, the most obscene and blasphemous set of books ever printed on this poor earth.

This hideous ideological sub-sewer is the fountain-head of everything anti-Christian, and explains very clearly why those who "say they are Jews but are not" are perpetual polluters of human thought, and hence, the world's tormentors and trouble-makers. The enemy of God and man today, as always, is the Talmudic Jew, and unless and until, the Teachers of Christian Truth specifically name the enemy, they are NOT carrying out the orders of Christ. He certainly minced no words in condemning the "Traditions of the Ancients," the Talmud. The strongest language used on earth was directed to them in person, and His brief, "Begone Satan" summarises His will in teaching.

Christ tells the whole story in His scathing denunciation of the Talmudists, when He says to them, and their modern followers: "The father from whom you are, is the devil, and the desires of your father it is your will to do. He was a murderer from the beginning and has not stood in the truth, because there is no truth in him. When he

tells a lie, he speaks from his nature for he is a liar, and the father of lies." (St. John) It is my personal conviction that God will not allow these "Jews" to tell the truth, or to do anything good. "The desires of your father it is your will to do" indicates to me that these miserable creatures MUST oppose everything that is good and true. Never in all history have they sponsored a good project! Hence it may be safely assumed that when they call themselves "Jews" they are lying. They CANNOT tell the truth! They are NOT Jews, for if this were true, they would not say it. This conclusion requires no profound thought, no research. God alone is the producer, the Creator, the Cause of all things, and the source of all Truth, natural and supernatural. He has a "corner" on both Truth and Goodness. Obviously, those who oppose Christ, have only evil and error as their portion, because that is all that is left! Hence, they must be considered the "living damned" since "The Prince of this world is already judged." However, while we pity and pray for these "chattering skeletons," we refuse to permit them to inject their venom into our minds, our food or our drink!

When we look over the current scene, we see clearly the workings of the diabolic mind. Integration of races, fluoridation of water, confiscatory taxation, "foreign aid", the U.N.O., Labor tyranny, forced unionism, Atomic bombs,—anything, everything—just name it, and a little study will prove absolutely that it does NOT come from Christian sources. It is NOT TRUE, nor is it GOOD, and these are the hallmarks of Christ. Satan fell because of Christ, and while permitted, he will continue to revenge himself. Christ IS King of the Universe, and all men are traitors to Him who fail to vehemently assert His Kingship in these evil days, which ARE evil because Christ has been abandoned!

Christian ideology has been followed in the main thru the centuries, and wherever followed literally and devoutly, success has crowned man's efforts. However, in recent years, the gradual erosion of Christian thought, actively instigated by the world's Divinely appointed "trouble-makers" has taken its toll, and today we stand without the Divine protection, and Divine guidance, because we have not earned them! "We" have compromised with Satan, and now, literally, we have the "devil to pay." He now knows his horrible error, and he despises those who follow his tragic example. It is his privilege to punish them!

Quite obviously things have gotten out of control by the Ambassadors of Christ, because of their compromise with the

enemy. Now, either thru physical inability, or thru "Fear of the Jews" they are unable to get thru to the laity. And once this failure has become apparent, the once great authority of the Church is invoked in vain. Such a disastrous error as occurred in the fluoridation controversy might well prove fatal. Many ranking leaders of Christian thought have answered inquirers that, "There is no MORAL problem involved" in water fluoridation! Of course, this is unpardonable ignorance in men who were accepted as authorities in moral matters. Actually, any third grade child knows it is wrong to take poison. And surely one versed in Christian philosophy must know that the laws of Nature are just as valid as the 10 Commandments, since both are Divine Revelation. Fluoridation is a violent denial of NATURAL RIGHTS, the very foundation upon which this country was established. We may mercifully permit ignorance of chemistry in our clergy. But how can a priest concede KNOWLEDGE of chemistry in man who makes a "religion" of denying the Divinity of Christ? Shall we take our science from men who deny the very existence of the Author of science? This, indeed is the ruinous gap in the foundation of the Church in America,—ignorance of God in Nature! Christ's warning NOT to build on sand has evidently been ignored!

By this I mean that the failure to study and to teach the NATURAL LAWS and natural science has proved the Achilles Heel by which the Church will disintegrate in America. The refining of natural food, the adulteration with preservatives of poisonous nature, the pasteurization of milk, chemical fertilizers and poison sprays, hybrid corn (genetically mutilated) synthetic substitutes, hydrogenated fats, drugs, serums,—the list is endless—and ALL these things do violence to the natural laws of God. Yet they are tolerated, even accepted, by CHRISTIANS! Indeed, we must suspect that those who practice crimes against the NATURAL LAWS are not doing so well with the SUPER-natural laws either! "If you love not man whom you see, how can you love GOD whom you do NOT see?" Meaning, that if you do not know and love God in His Natural world, how can you adore Him as a pure spirit? And all of this adds up to explain why the PASTOR of the Universe, the King of Kings, Jesus Christ the Son of God, is soon coming back to earth in Visible Person, to take complete charge, and to straighten out the hopeless mess we weaklings in Faith have made of His world. And for this I devoutly pray, "VENI, DOMINE JESU!"

Let's Have A Referendum

By Marilyn R. Allen

Most feared by Fluoridation proponents is open discussion, documented information, and then vote on a referendum by the people: but this is the American Way.

The D.A.R. in Washington D.C. voted 300 to 20 against Fluoridation. The A.M.A. does not advocate fluoridation, but rather a re-evaluation of it. Seattle voted 2 to 1 against it: more than 60 California cities rejected it: 25 Oregon cities voted against it. U.S. cities with over 50 million in population unalterably oppose it. Benjamin Nesin, director of laboratories for New York, opposes it. His reasons were placed in Congressional Record for June 12, 1957, by Hon. Roy W. Wier of Minn. Nesin said, "There can be no question of the hazards involved, and any idea of maintaining a public health flirtation with Fluoridation is nothing more than so much macabre pseudo-scientific sophistry." Dr. Royal Lee, D.D.S., Milwaukee, says "Inorganic fluorine is a cumulative poison...it accumulates in the body even when taken in very small doses."

Dr. Frederick B. Exner, of Seattle, Fellow of American College of Radiology, Univ. of Washington, teacher of chemistry and physics, says that the "grounds on which danger is denied are based on such distorted concepts of physiology, toxicology, chemistry and mathematics, that they can only be regarded as pseudo science... Children will be disfigured. Later there will be systemic poisoning... No scientific evidence that ANY amount of Fluorine in the water is safe for users, and any at all is too much."

H.R. Bill 10046 was introduced in House of Representatives on Jan. 18, 1958, prohibiting officials and employees of the U.S. from treating water of D.C. and territories with fluorides.

PAUL & SAULS.

The third, 3000 lbs., Soviet sputnik started its ponderous voyage around our poor, long-suffering Earth...

Now, as usual, the newspapers will debate hotly who stole from whom and why the backward S.U. and not the technically far advanced U.S. hurled this enormous mass of "hardware" into space.

Leaving aside all those useless discussions, let us simply take one of the copies of the NEWSWEEK Magazine, (April 28, 1958), and quote from it several revealing passages. Britain's Barbara Ward, author and foreign-affairs specialist, said that "over the last EIGHT YEARS, the United States has lost momentum in world leadership. Russia has the initiative now..." Then, in the footnote on page 41, it is said, and we quote: "Sputniks caused it all" - says CHESKIN soberly - "the discovery that while WE were fussing with USELESS DECORATIONS the Russians were making SATELLITES and intercontinental ROCKETS has had a profound psychological effect on almost every American." And, finally, about the Soviet and American exhibit on the Brussels World's Fair it is stated that while the Soviets presented "acres of statistics and tons of heavy machinery" the U.S. offered "SAUL Steinberg's witty (?) murals and pert fashion models!"

Hoping that our highly unscientific approach to the subject will not offend the "Experts" too much, we shall offer, tentatively, such an explanation of the remarkable all-over post-war progress of the Soviet Union and the decline of the U.S. leadership both in politics and science.

Could it not happen that the total disappearance during the last decade of the SAULS from all prominent positions in the S.U. - the event so much lamented by Prof.

MUST YOU BE COLOR BLIND ABOUT COMMUNISM?

President Eisenhower probably can distinguish between the white of a golf ball and the green of the course over which he plays. Secretary of State Dulles probably can distinguish between the black ink of profit and the red of loss on a corporation balance sheet.

But, judging by their constant asking for Aid for Tito, aid enabling that Communist mass-murderer to keep 18,000,000 Yugoslavs, our friends, in slavery, and their new pitch of granting Aid to the Communist Government of enslaved Poland, the two gentlemen appear unable to differentiate between the red of Communist Slavery and the green of Freedom. Couldn't they be called COLOR BLIND ABOUT COMMUNISM?

Whether it's given to Polish Communist Government, a member of the Soviet Block, or to the Yugoslav Communist Government, a "front" for Communism's work outside the Iron Curtain, Aid for any Communist government is Aid for Soviet Russia. It's financing for the World Communist effort to destroy our United States!

Whether the Aid is given in cash, or in commodities to be paid for in Communist local currencies we later release back to the Communist government concerned, such Aid frees corresponding funds for Moscow, to be used as Moscow wishes... to speed

Hyman LEVY and other Jewish Marxists, (TIME, May 5, 1958) - and the corresponding increase of their power in the U.S., have something to do with the decline of one nation and the terrific and terrifying progress made by the other?

It might be so or not, but the coincidence is really remarkable and shall be noted especially because another country, Germany, which is now also practically free from the corrosive influence of the SAULS did too such a tremendous recovery after the 2nd world war. It is not denied that while the Jews were at their height of power in the S.U., they arranged for the delivery of the most vital military secrets from the United States to the Soviet Union.

IMPERTINENCE UN-LIMITED

Years ago, during the election campaign, Mr. Eisenhower declared before a Jewish audience that the "corrupt Tsarist regime instigated the Jewish pogroms for diverting the attention of the Russian people from its own shortcomings." This oft-repeated impertinent Jewish lie is widely used by the American politicians when they wish to reaffirm their allegiance to the Jewish cause, because Jewish support is "necessary for national victory" as Mr. Steiner boldly stated in his article about American Jewry by LIFE, (August 12, 1957).

But, apparently, his efforts to please the Jews failed and the poor "Ike" ran finally afoul of those who make and ruin at will the leaders of the American Government. On May 13 - unlucky date! Mr. Issac Toubin himself, the Executive Director of the American Jewish Congress, roughly attacked the Eisenhower Administration for "ineptness" in Middle East and a "lack of national leadership" in civil rights. There is no doubt, of course, that the present Republican Administration has its own serious "shortcomings"; but to blame it for the "ineptness" in the Middle East where the American position was hopelessly ruined by the Truman's support of Israel which alienated all Arab world from the West, - is something which only the unlimited Jewish arrogance could invent, and the equally unlimited patience of the American people could tolerate.... But is this patience really unlimited? That is the question!

Are We Color Blind?

up Sputniks, to succor Sukarno, agitate Algeria, prod Peruvians, vex Venezuelans, in short to make trouble for our friends and for us wherever Moscow wishes.

Last autumn, after our Foreign Aid Program had been voted, and our allotments for supporting Communism in Poland and Yugoslavia made, Tito recognized the Communist Government of East Germany. It was a defiant demonstration of Communist solidarity, but in a way backfired. For it aroused opposition here to granting further Aid to Communist governments.

Worried by the possibility of our ceasing to support Communism, the Communist waited for you to convene. Then, with perfect timing, as you discussed Foreign Aid, they unveiled their "1958 Model" of Moscow-Tito conflict, sharpened for sale in the West. For by making Comrade Tito appear "independent of Moscow" again, they hope you'll grant Aid, not only for Tito and Gomulka, but this time to all other Satellites as well!

You wouldn't use chauffeurs or pilot who couldn't tell red from green, would you? Why, then, in this critical matter affecting our nation's existence, listen to pleas for Aid to Communist governments from men who apparently can't tell Communist Slavery's red from Freedom's green? Why give them discretionary power to comfort Communism? Wouldn't you better ban all Aid to Communist governments...

SHOW THE WORLD YOU IN CONGRESS ARE NOT COLOR BLIND ABOUT COMMUNISM!

Yours sincerely
William H. Smyth

THE PENTAGON CASE

A NOVEL OF THE COLD WAR

By Col. Victor J. Fox

This is one of the most controversial novels ever published. It is NOT a detective story, yet it is supercharged with suspense.

Told in plain, unembellished journalese, it describes what happens to an ex-marine and his wife when he tries to expose an enemy underground cell which he uncovers during the course of his assigned duties as Special Assistant to a high Pentagon official.

Unlike Emile Zola's famed non-fiction documentary "J'ACCUSE!" which rocked France with its exposure of government corruption in the notorious Dreyfuss case, THE PENTAGON CASE is fiction. Yet it portrays in merciless detail a far more dangerous situation—a shocking national disgrace which discerning readers will quickly recognize as having foundations in fact; anyone who reads this book can find ample evidence of its basic truths simply by scanning the magazines sold openly in his own neighborhood. For all its guise of fiction this book cannot hide the terrifying helplessness of this country in opposing the insidious saturation of its magazines, books, entertainment media, and educational system with subversive propaganda!

In effect, this story is a powerful endorsement of the Congressional Investigating Committees which have been hamstrung by recent decisions of the U.S. Supreme Court. It is also a scathing indictment of the naive stupidity with which our Armed Forces all too frequently cooperate with magazines, movies and TV programs aimed at undermining our military morale and destroying our nation's will to resist!

Zionist Israel The Source Of Arab Trouble In Middle-East!

With the landing of U.S. Marines in Lebanon against the advice of the U.N. and with America on the brink of World War III, we will attempt in this issue to open the eyes of the public to the **REAL** instigators and pressure groups behind the unrest and tensions throughout the Middle-East.

A terrific amount of propaganda has been built up against the Arab world and in particular President Nasser of the United Arab Republic. The Zionists and Zionist controlled organizations here and in all important Capitols of the world control practically all the news outlets and continually feed "hate Nasser" propaganda to the gullible Christians, just as they fed "hate Germany" propaganda before World War II.

President Nasser and his United Arab Republic are constantly being accused of trying to swallow-up the smaller Arab Nations and of making unwarranted attacks on that "tiny outpost of democracy," ISRAEL! What could be more natural than the Arab world consolidating? The U.S. is very active in organizing the NATO countries made up of many different nationalities.

We do agree Nasser and the Arab leaders are guilty of protecting the Middle-East from further Jewish expansion, which ISRAEL has already shown in the Gaza Strip; guilty of trying to keep the entire Arab world from going over to the communist side, lock, stock and barrel! Nasser has outlawed the Communist Party in Egypt, while in Israel the communist party is to this very day a part of the Knesset!!

President Nasser is also quite guilty of attempting to get back the land, homes and business ISRAEL has stolen from them through sheer robbery and murder! If these are crimes—then Nasser is guilty.

The average person will say: "But the United Nations voted on the partition of Palestine giving it to the Jewish people." There is no bigger lie concerning this statement! The so-called Jews in Israel today are at least 80% Khazars from Asia who

Two Men With A Purpose!

Ben Gurion wants more Arab land even if he has to involve the U.S. in a third World War to get it! And if our politicians do not wake up we will be up to our necks in a war that all mankind will lose!

speaking not Hebrew, but Yiddish, not one of their ancestors ever set foot in the Holy Land.

The first Cabinet of the State of Israel, set up in 1948, consisted of 14 members, 11 of whom, including President Chaim Weizmann, were Khazars from Eurasia. They are followers of the TALMUD, a filthy set of books of "laws" condemned by 16 Popes, Martin Luther, and many other Christian leaders!

They call themselves "Jews" to create pity in the eyes of Christians and are constantly crying "anti-Semitism," "prejudice" and using any other word they can coin so as to create sympathy for themselves.

ISRAEL, the powder keg that may touch off World War III, was illegally created by the United Nations in 1948, during Harry Solomon Truman's Administration. The final vote, after much pressure by Eleanor of the Roosevelt clan, and the threat of losing U.S. dollars, forced the smaller countries opposed to partition to vote for partition, resulting in ISRAEL winning by one vote!

In May 1948, without warning, the Jews brought machine guns from basements where they were hidden and slaughtered the unarmed Arab women and children. At the same time ISRAEL burned or desecrated Christian Churches and Holy places throughout the Holy Land.

The United Nations sent Count Folke Bernadotte of Sweden to mediate the Arab-Israeli war, but he was promptly murdered by the Jews because he was about to render an unfavorable decision towards ISRAEL!

ISRAEL was not satisfied with the ground allotted to them illegally by the United Nations, so she created incident after incident to provoke the Arabs into

President Nasser is trying desperately to unite the Arabs in a common cause—the protection of the Middle-East from further Zionist expansion! For this the Zionists are smearing him.

attacking her. The Arabs, knowing the evil intentions of Ben Gurion refused to be drawn into a war which the Jews would win with the help of the United States and England.

In 1956, while the United States was in the process of electing a President, and no politician in his right mind would dare oppose ISRAEL for fear of losing the Jewish vote, ISRAEL, with the help of England and France blatantly attacked Egypt along the Gaza Strip! Ben Gurion with a straight face claimed it was done to destroy Egyptian bases from which attacks on ISRAEL were supposedly originating. With the overwhelming power of world opinion against the Israeli invasion of Egypt, the Jews were forced to halt and finally withdrew. Up to the present time however, ISRAEL defies the United Nations when unfavorable decisions are rendered against her.

If the illegal State of ISRAEL had never been created there would be millions of Arabs and the whole Moslem world friendly to the Western world. Our politicians knowing it to be morally wrong, but under constant pressure by Zionist groups still cooperate with the government of ISRAEL, thus driving the Arab world further and further into the communist camp.

President Nasser is trying to unite his people in one common cause so as to cope with the vast power ISRAEL has behind her.

The tip-off of the real culprit in the Middle-East came when Sen. Jacob Javits (Zionist) in a communique only a few hours after the Marines had landed in Lebanon stated "the borders of ISRAEL must be made secure."

Newspapers are crowded with news or propaganda on the Middle-East situation,

—o— (Continued from Page 2) —o—

Israel Wants Land

—o— (Continued from Page 1) —o—

but informed people note the absence of two key words:—"JEW" and "ISRAEL."

The Jewish State of Israel, in connection with Lebanon, only appear in newspapers located in areas with heavy Jewish population, and only at the outset when Zionist pressure groups were crowding the White House to send soldiers to occupy Lebanon.

The Newark Evening News, July 15th, in an article from Jerusalem stated:

"Israel appealed today for quick and firm action" by the United States to prevent the rest of the Arab world from falling to President Nasser's United Arab Republic. The Israeli government made no attempt to hide its concern over the seizure of power in Iraq."

The N.Y. Journal American, July 15th, in an article by their Washington reporter (a Zionist) headed "'Annihilate Israel' Aim of Nasser Bloc" stated: "Unless something is done now, the Arabs will gang up to jump on Israel and then we will be in it up to our necks. This summed up the official feeling today of the grim world crisis."

Yes, we may be in war up to our necks again just as we were when the Zionists pressured us into WW II to save the Jews. The White House occupant at that time said it was a war for the "four freedoms." Forty-five million people killed or missing in that war—and here we go again!

The Jew, George Sokolsky, in his column, July 19th, in the N.Y. Journal American says: "Israel faces a life and death struggle." There it is! We are to protect Israel even if we go up to our necks in debt and blood. But the propaganda is to convince us we are fighting communism. You are not told that Nasser will not allow the communist party to exist in his country and that the Arabs are violently anti-communist, while in ISRAEL the communist party has functioned in the open as a power in the government since it was created May 15, 1948.

John Swinton, former editor of the N.Y. Tribune, to the N.Y. Press Association, talking on "The Business of The N.Y. Journalist," on Feb. 26, 1936 stated:

"There is no such thing as an independent press in America, unless it is in the country towns. You know it, and I know it.

"There is not one of you who dares express an honest opinion. If you express an honest opinion, you know beforehand, it would never appear in print.

"I am paid \$150 a week for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for doing similar things. If I should permit honest opinions to be printed in one issue of my paper, like Othello, before 24 hours, my occupation would be gone.

"The business is to destroy the truth, to lie outright, to pervert, to villify, to faun at the feet of Mammon; to sell his race and his country for his daily bread.

"We are the tools and vessels of rich men behind the scenes. We are intellectual prostitutes."

Leading newspapers exist on advertising placed by Jews, hence, for fear of powerful Zionist pressure groups, they DARE not publish the facts.

The Arabs do not own the department stores here in the U.S. which place page ads, therefore it's easy to see how the news can be slanted against them. Harry S. Truman said at the time he recognized Israel in May 1948, "The Zionists have a heavy vote and the Arabs a light vote."

The N.Y. News, which attempts to be fair, stated in an editorial on July 17th:

"It is generally agreed that Pan Arabism is at the bottom of all the unrest in the Mideast and North Africa. Pan Arabism means essentially Arab patriotism. We don't see how you can blame anybody for being patriotic. The Western big 3 are committed to the survival of Israel!"

Harry S. Truman

With great Zionist pressure on the politicians here in the U.S. and with the United Nations stacked in her favor, Harry Truman recognized the illegal State of Israel.

He is the darling of the Zionists in the U.S. and never hesitates to make a speech anywhere or any time on behalf of Israel!

On Feb. 15, 1957, Common Sense ran a double-page, bold-face article exposing the Eisenhower Agreement for the Middle-East, (S.J. Resolution 19) which we quote in part:

"Eisenhower asks Congress to remain dormant and give him power to act in the Middle-East. He asks sole authority to spend our money and the blood of our sons." Ike's proposal "To give military aid to any nation resisting aggression from a nation controlled by international communism."

When the Zionists (invisible government) forced the White House and congress to pass the Eisenhower Agreement, it was planned then to twist the meaning around so U.S. troops could be maneuvered into the Mideast for a war which would end with Israel taking all of the Arab countries, and incidentally, much of the mineral wealth of the world.

The N.Y. Post of July 15th states: "President Chamoun who has been fighting off a pro-Nasser rebellion for 67 days asked for U.S. intervention". Rebellion is from within and Washington had no business risking a world war by sending our troops into Lebanon to stop the Arabs who are enraged at Israel for good reason. The head of the Lebanon Army threatened to resign if the Zionist stooge, Chamoun, allowed invasion by U.S. troops. The President of the Lebanese Parliament protested and demanded U.S. troops leave their country, but our troops still remain as we must protect not Lebanon, but ISRAEL, the Middle-East powder keg—ISRAEL, which should never have existed!

Galo Plaza, chief United Nations representative in Lebanon charged that the American landings wrecked his efforts to bring peace to that strife-torn land!

Iraq and Jordan are undergoing an inside revolt by Arabs who want to eliminate Israel which has brought nothing but trouble to the whole Middle-East.

If the inmates from an insane asylum had been running Washington since 1932, they could not have produced more blunders and put us under more debt and fear. In WW II, we crushed Germany, the only country that could stop communism. We built the Soviet Union into a world threat, lost millions of our boys, the cost—450 billion, and billions more since, to buy off greedy countries. Washington fired Gen. MacArthur, lost the war in Korea after refusing to allow Chiang Kai Shek's 600,000 armed men to fight—better to let our boys go across the world and die! We sent troops to Little Rock at a cost of 5 million dollars to force nine Negro children into a school less modern than their own.

When the communists inside Spain and communist volunteer armies from twenty two nations attacked and took over Spain, Zionist controlled Washington did not even

protest! Why? It was Jews directing the attack on Spain, with Soviet Ambassador Rosenberg as leader.

Washington also remained silent while N.Y. communist Jews, comprising the George Washington and Abraham Lincoln brigades went to Spain where they slaughtered and burned countless numbers of Christians alive. Bernard Baruch gave \$10,000 to bring these communist murderers back to the U.S. from Spain!

During an internal revolt in Cuba, where 45 American citizens were kidnapped, Washington did nothing and this was at our own back door! Military authorities say 450 American boys from the Korean war are still in Red Chinese prisons, Washington just is not interested!

During the revolt against communism in Hungary, in Oct. 1956, over 75,000 Christians were shipped in box-cars to Siberia, 47,000 of whom were boys between the ages of 12 and 20. Another 40,000 are in Hungarian prison camps as of this date! Five thousand are now known to be working in mines in Red China! At least 6200 communist Jews were first to reach the U.S. as "refugees" from the Hungarian revolt, and will now be accepted as citizens in spite of protests by the un-American Activities Committee.

Some Hungarian Christians escaped to the U.S., they even pleaded in the U.S. Senate and at the U.N. for help in fighting the communists in Hungary. There wasn't a shadow of doubt that this was an attack from an outside communist dominated country, for the Soviet Union sent in thousands of tanks and an Army—but once again Washington was not interested! This was a case where Christians were in peril, not Jews!

Washington has, and is, sending billions of taxpayers dollars to Yugoslavia, a communist nation. Since 1945, Washington has given to communist Poland \$513,678,000 in taxpayers money. Last year 95 million and now this year 98 million.

Our unwarranted invasion of the Middle East to save the Jews is the top blunder of this century! On one hand we give billions to foreign countries to build communism, but where the Jews are in danger, we use the "communist take-over" excuse to protect them. Was Lenin right when he said "We will make the U.S. spend itself into bankruptcy?"

The gullible public can now expect to be bombarded by the press and radio in an effort to convince them President Nasser is a demon. Watch for the "Hate Arab" program!

Eleanor Roosevelt

She carries a lot of blame for the establishment of ISRAEL. It was her constant phoning of U.N. delegates warning them to vote in favor of partition.

The Zionists use her to this very day for mouthing their hand-written speeches.

Old as she is, she still can do the U.S. great harm with her twaddling.

Straight From The Horses Mouth!

For centuries there was peace throughout the Middle-East until the Jews smuggled arms into Palestine and suddenly opened fire on the surprised and unprotected Arabs and Egyptians, driving at least a million men, women and children out into the desert where to this day they barely exist on \$2.00 each per month supplied by the U.N.

Zionists here in America pressured Harry S. Truman into acknowledging Israel as a nation on May 15, 1948. For 10 years now the Jews have occupied the homes and farms of these people, bringing in Jews from all over the world, while they continually harass the Egyptians and are engaged in a gigantic scheme to steal more Arab land for the settlement of 11 million Jews!

To help the reader to understand the motives behind this ruthless, lawless move by the Jews, we republish here part of a speech made in May 31, 1947, before the Canadian Jewish Congress by Dr. Nahum Goldmann, Pres. of the World Jewish Congress. (The new Pres. of American Jewish Congress, Rabbi Joachim Prinz, engaged the Editor of COMMON SENSE in Court, and through Jewish political pressure secured a judgment of \$30,000). This is the Zionist group responsible for setting up the illegal State of Israel!

The following speech was published in the Congress Bulletin, a Zionist publication. The Pres. of the Canadian Jewish Congress, is Samuel Braufman who practically controls the liquor industry of Canada and the United States.

"Twenty-five years ago Palestine didn't have a tenth the importance in world political action it has today. This world has become one global world and there are a great many strategists who believe that the most important strategic area in the world is the Middle-East. There are great historians of the Second World War who

THE FOLLOWING ARTICLE IS A REPRINT FROM A PREVIOUS ISSUE. IT SEEMS APPROPRIATE AT THE PRESENT TIME WITH THE ZIONISTS DOING THEIR UTMOST TO INFLAME THE AMERICAN PUBLIC AGAINST THE ARAB WORLD—PRESIDENT NASSER IN PARTICULAR.

Notre Dame Convent

The Jews completely ransacked and looted the Church and Convent of Notre Dame. They took special precaution to break open the Holy Tabernacles and stole the gold and silver chalices. Crosses were smashed down and trampled on, sacred Altars were desecrated, and the Holy Sanctuary used as a dance hall for Jewish soldiers and their girls.

believe that the decisive battle of the Second World War was the battle of El Alamein, because if the Nazis had broken into the Middle-East they would have won the war. This may be exaggeration or it may not be. But they are convinced that if there are any future wars that they will be global wars and they will concentrate in this part of the world. The Middle-East, between the three Continents, the link between Europe and Asia and Africa, is perhaps the most strategic area in the world.

"In one of the talks I had last summer with Mr. Bevin where he spoke up very

frankly, he said to me, 'You know, doctor what you want me to do by establishing a Jewish State? You want me to deliver into your hands the keys to the most important strategic area in the world. You will allow me to think once and twice before I give you this key.' There was something in this remark.

"In addition to this, oil has been found in the Middle-East. I remember Mr. Ickes, who was in charge of oil administration in America during the war, told me that experts report that there is more oil in the Middle-East than in all of North and Central America together, ten to twenty times as much. And you know what oil means in this world. Once we have established a Jewish State in Palestine all this will be in our favor. But until we do establish it this is an obstacle, because people are very reluctant to allow Jews, with their zeal and intelligence, to establish themselves in an area of such importance.

"If we would have wanted to establish Jews on Madagascar we could have done so already. Nobody cares what is being done on Madagascar. It is outside of world politics. But Palestine is today the center of strategy and of world power politics, and statesmen who approach Zionism today think in those terms. I would like Zionists to understand it. It is not always the things that appeal to justice and fairness that count in the world. The countries and the governments of the world will determine their positions from the viewpoint of their realistic interests. These will be the decisive considerations. All the humanitarian aspects of the problem, which may play a certain role, will not be decisive and we have to adjust our policies to such a realistic approach to the problem."

No Right At All

The following was not written by an Arab as one might suppose but by Yehoshu Benjamin, in an article which appeared Dec. 1955 in NER, an organ of the Ihud Party in Israel, of which he is the editor.

"In the end we must come out publicly with the truth: that we have no moral right whatever to oppose the return of the Arab refugees to their land... that until we have begun to redeem our sin against the Arab refugees, we have no right to continue the Ingathering of the Exiles. We have no right to demand that American Jews leave their country to which they have become attached, and settle in a land that has been stolen from others, while the owners of it are homeless and miserable.

"We had no right to occupy the house of an Arab if we had not paid for it at its value. The same goes for fields, gardens, stores, and workshops. We had no right to build a settlement and to realize the ideal of Zionism with other people's property. To do this is robbery. I am surprised that Rabbi Herzog and all those who speak in the name of Jewish ethics and always quote the Ten Commandments should consent to such a state of affairs. Political conquest cannot abolish private property.

"We have raised a great deal of money and used it for various purposes. Instead of doing this, we should have brought in less immigrants and used the money to help the refugees. In the end we must speak the truth. We are faced with this choice: to listen to the voice of truth for the sake of our own good and of genuine peace, or not listen to it, and to bring evil and misfortune upon us and the future generations."

Ben Franklin Knew The Score

The following is from the writings of Benjamin Franklin, Vol. 8, The MacMillan Co., page 332. We quote: Nov. 26, 1781

"It seems to me that it is principally with Mr. Neufville we have to do; and tho' I believe him to be as much a Jew as any in Jerusalem, I did not expect that with so many and such constant professions of friendship for the United States with which he loads all his letters, he would have attempted to enforce his demands (which I doubt not will be extravagant enough) by a proceeding so abominable." Dec. 14, 1781

"By this time, I fancy, your excellency is satisfy'd that I was wrong in supposing J. de Neufville as much a Jew as any in Jerusalem since Jacob, was not content with any percents but took the whole of Esau's Birthright, and his posterity did the same to the Canaanites, and cut their throats into the bargain; which in my conscience, I do not think Mr. J. de Neufville has the least inclination to do by us—while he can yet get anything by our being alive." Shades Of McCarthy!

What has happened to U.S. Senator Ralph Flanders? Could it be that he has at last opened his eyes to the truth?

In an article appearing in the Newark Star Ledger of July 19, 1958, Sen. Flanders says he will ask Congress to "face up to the heart of unrest in the Arab Middle East" by discouraging U.S. aid and gifts to ISRAEL!

As one of his final acts in the U.S. Senate, Flanders is introducing a resolution which states, among other things, that "the unrest in the Arab world is caused primarily by the forcible occupation of Arab land by the government of Israel."

At a news conference, Flanders stated he was convinced there is little pro-communist or anti-communist feeling in the Arab world, adding: "What they fear is the expansion of Israel and further dispossession of Arabs."

Flanders said there are people who believe any politician facing up to the truth in the Middle East would meet political ruin. "I do not share this because I have no political ambitions anyway," he asserted.

He proposes a Treasury investigation of tax-free contributions by U.S. citizens to the United Jewish Appeal and similar efforts to aid Israel. He said this probe should determine whether such contributions "tend to exacerbate Middle East turmoil rather than relieve unavoidable distress."

A Letter To J. Edgar Hoover

Mr. J. Edgar Hoover
Federal Bureau of Investigation
U. S. Department of Justice Bldg.
Washington, D.C.

Dear Mr. Hoover:

In your "Master of Deceit" articles as recently published in the Seattle Post-Intelligencer, you gave the people quite an interesting picture of Communism in America, and how it works. But in one of your concluding articles you took occasion to completely whitewash the undercover element that is actually sponsoring the thing you are presuming to fight, all of which makes us wonder whether that was not the real purpose of your articles in the first place, that is, to whitewash the real activity of the Jews.

This naturally leads us to one of two conclusions; namely, that you are either grossly ignorant of the behind-the-scenes operation of the thing about which you write, or that you have been basely cowed by the very people you would protect and who are actually promoting what you appear to condemn, thus coercing you to give a clean bill of health to the Real masters of deceit, who are actually striving, through the mechanics of Communism, to attain to complete world domination.

You of course know that over the years the people of America have come to entertain a very high regard for J. Edgar Hoover and the integrity of the Department he heads. They have come to feel that the Federal Bureau of Investigation, headed by yourself, was the last effective bulwark against the inroads of subversive activity designed to overthrow the government of the United States. You were their champion. But when you come to give the Jews an absolutely clean bill of health in the face of the overwhelming evidence of their undercover complicity in the Communist movement, it seems clearly evident that something is wrong somewhere. It is either one thing or the other. Either tremendous pressure has been brought to bear by the very people you would exonerate, or, in plain words, J. Edgar Hoover has slipped. But in either respect, your published book may prove to be the Trojan Horse that operates to destroy the American Fortress.

Very sincerely yours,
(Signed) Stanley MacDonald

"These Jewish strategists are not known as Communists. They are known as ZIONISTS. They even mouth anti-Moscow sentiments, as the pressure grows. But do NOT be fooled: they and the scores of Jewish organizations across the nation which they influence (whose vote and propaganda power throughout the press and radio give them backing) condemn the House Committee on un-American Activities, condemn loyalty oaths, condemn as anti-Semites and reactionaries and hate-spreaders all those of us who, like Senator McCarthy, attempt to expose Communism. Zionism with its international finance constitutes the real power behind the world revolution.

"This does not mean that all the Jews in this and other Western countries are willfully bent on destroying their respective host countries. It seems that it is principally THEIR LEADERS, the master minds, who are reaching for complete power."

PSALM OF THE WELFARE STATE

The government is my shepherd, I need not work. It alloweth me to lie down on good jobs: it leadeth me beside the still factories. It destroyeth my initiative: it leadeth me in the paths of the parasite for politics' sake. Yea, though I walk through the valley of laziness and deficit spending, I shall fear no evil; for its doles and its vote-getters, they comfort me. It prepareth an economic utopia for me by appropriating the earnings of my grandchildren. It filleth my head with bologna: my inefficiency runneth over. Surely the government shall care for me all the days of my life and I shall dwell in a fool's paradise forever.

Why, Really?

By Scythian

The question of why Hiroshima and Nagasaki, the two most Christian populated cities were used as the targets for the first A-bombs is once more aired by the world press.

The Japanese bitterly accuse Mr. Truman of this monstrous crime, and Mr. Truman, with his usual self-assurance and arrogance, insists that he was perfectly justified in ordering this mass-murder of the civilian population, because it could save—and, according to Mr. Truman, saved—many American lives.

Naturally enough, Mr. Truman conveniently forgets that: 1- on July 25th, 1945 the Japanese Government already agreed to surrender on the terms of the Atlantic Charter; (the first bomb was dropped on Aug. 6th); 2- in order to intimidate Japan it was not at all necessary to drop the bombs on the inhabited places; and, 3- the second A-bomb hit Nagasaki on Aug. 8th when the stunned Japanese Government had not yet time to react to the first!

Now a certain Jew, Mr. Robert Jungk, published a book "*Plus Clair Que Mille Soleils*"—(More Brilliant Than Thousand Suns)—in which he says that this wholesale extermination of mankind was, so-to-speak, a purely financial affair, and was absolutely unnecessary. And that the U.S. Government knew this well enough. Mr. Jungk explains that Mr. Truman & Co. simply wished to justify the wasting of 2 billion dollars on this weapon by using those bombs, or, speaking plainly, 200 thousand lives were sacrificed for balancing the books of the American Treasury Dept, with the red ink of human blood!

Some time ago we expressed a similar idea that this bombing of the civilian population was nothing but a wanton murder, a crime committed by an ex-haberdasher with a super-inflated ego who wished to "play God,"—and did it!

But the Jewish origin of the above mentioned book makes its content somewhat suspicious: is it not a kind of rather plausible camouflage to cover other, more sinister reasons why this weapon was then used against the already defeated Japan?

Let us remember the very beginning of this story: two Hungarians Jews, Teller and Szilard, persuaded another Jew, Einstein, to write a letter to Roosevelt about the possibility of making nuclear weapons. From this moment and up to the present time all the nuclear research and development work in the U.S. was firmly in Jewish hands. It would be incredible to assume therefore; that the bombing of the two Japanese cities had been executed without their knowledge and full approval!

Was it not, consequently, a kind of gigantic demonstration of the newly acquired Jewish might, staged for the benefit of ALL gentiles, who, henceforth, had to bow their heads before the "Herrenvolk," the masters of the world?

Is it not possible that Truman was later made the willing scapegoat on which the sins of the "Chosen People" were laid when the world events took a sudden and entirely unexpected turn? (We refer to the collapse in the Soviet Union of Beria's Jewish clique to which the Rosenbergs delivered the design of America's first A-bomb).

How do you think Mr. Jungk?

ZIONISTS CONTROL NAACP

THE NAACP, SUPPOSEDLY A NEGRO ORGANIZATION, IS CONTROLLED BY ASIATIC MARXIST JEWS WHO DO NOT HAVE THE WELFARE OF THE NEGRO AT HEART! THEY USE THE NEGRO TO CREATE STRIFE AND DISORDER—THE OLDEST TRICK IN THE BOOK—DIVIDE AND CONQUER!!

How Red Is The NAACP & Leaders?

Some people in Northern States are under the impression the Negro people want to abolish segregation and that it is the colored people who are pushing for integration.

After interviewing people of both the Black and White race in 20 States we can truthfully say that approximately 90% of

the colored people throughout the South WANT separate schools for their children.

Why shouldn't they? Most people like to be with their own kind. We saw Negro schools which appeared equal, and in many cities the Negro schools were better than those for whites!

The two races have been living in harmony in the South for a long time, and

they understand each other. Clever Jewish Communist organizers from New York have been agitating young Negroes in the South, using false promises just as they did with the Hungarian workmen to secure their support in Communizing Hungary. Later when Jewish Communism had gained full control of Hungary, the workers asked for recognition and were mercilessly

slaughtered. We now state that the National Association for the Advancement of Colored People is positively a Communist dominated, agitating group which has never had a Negro as head of the organization since it was founded and financed by the Communist Garland Fund. A JEW has always headed the National Association for the Agitation of Colored People (A more ap-

propriate name for the NAACP).

The NAACP derives its real power from the Anti-Defamation League of B'nai B'rith which is the Jewish F.B.I. Twenty-four years study of the Marxist conspiracy enables us to state that the United States is in the process of being brain-washed and slowly but surely being prepared to give up its freedom.

Since the Supreme Court Decision on segregation has focused attention on the NAACP, and they have been exposed time and again as a Communist-front, at important public meetings they cleverly state that they must be careful to screen out all Communist influence. Then, why don't they start with themselves? All the important officers in the NAACP we know of, have been tied up with Communism for years. When the Communists are put on the spot or in a corner they conveniently take the "FIFTH AMENDMENT" or "don't remember," or like Alger Hiss, who in an effort to deceive the public, sued

Whittaker Chambers for calling him a Communist. Major Jordan's Diary shows conclusive evidence that former Senator Herbert Lehman (Zionist) is a powerful man in the world Communist movement and certainly he is the most powerful man behind the NAACP!

The Jewish-controlled NAACP agitators hand-pick Negroes to force into schools of the South as an opening wedge to break down segregation. The Autherine Lucy case was an outstanding example of this type agitation, the same tactics were used in Little Rock. Anyone who has studied the NAACP and its questionable leaders should

be able to see right through their evil schemes.

The master-minds in New York are directing this attack on segregation, fully realizing that it is going to bring trouble between White and Black—that is the reason they work so feverishly. Few people realize that this is only part of the plan to further weaken and condition our country for Communism!

A great part of the world in which half the population of the world exists, has already been broken down and Marxist rule set up. All kinds of deception was employed to bring this about, camouflaged with high-

sounding purposes. Now these master-minds are bringing pressure on Washington to send troops into the South! Are they trying to bring about a revolution to coincide with the outbreak of war in the Middle-East, when our sons will be called on to again shed Christian blood in an effort to protect the Jews of arrogant ISRAEL?

Jews of the South may join the White Citizens' Councils, but each and every Jewish organization and publication in the U.S. are whole heartedly backing the fight to mongrelize the races through integration!! If the Jewish brains and Jewish influence were withdrawn from the desegregation

movement, it would die a sudden death!

Careful research has been done on the NAACP and the activities of each of its leaders, Jewish and Negro alike, and this publication is giving out the unvarnished facts, regardless of where the chips may fall. With this information, it is hoped the subject of integration will be approached with a better understanding of exactly who controls the NAACP, and who controls the Supreme Court of the United States!

He gave a "BOYCOTT AMERICANS" speech in the House of Representatives on Aug. 28, 1957, which appears in the Congressional Record of Sept. 11, 1957, on page A-7475. It seems he is more concerned with the welfare of ISRAEL than that of the U.S.

scribed by the California Un-American Activities Committee as "heavily infiltrated and effectively dominated by the Communist Party." The House Un-American Activities Committee in its 1951 Guide to Subversive Organizations and Publications described the American Youth For A Free

World as "a Communist clearing house."

A report made at a meeting of the Communist Party of the United States on July 16, 1946, showed the NAACP was one of a group of left-wing organizations invited by the National Committee of the Communist Party, to a meeting held in

Chicago to form a "third party." That report, as detailed on pages 150-51 of the 1947 Report of the House Un-American Activities Committee, lists the NAACP as an active participant in the Conference at which the Progressive Citizens of America was formed.

ANNA ROSENBERG VISITING TROOPS

Anna Rosenberg, while Asst. Secretary of Defense in charge of all manpower, supervised the hiring of more than a million employees of 115 government agencies. She packed the Defense Dept. with Reds and Communists.

When the late Sen. McCarthy began digging into the Defense Dept. and demanded to know who promoted Peress, the Reds and liberals screamed for McCarthy's scalp.

It was Anna Rosenberg's influence that caused the removal of crosses from foreign military cemeteries and the placing of thousands of Negro troops in Germany where they had close associations with the girls.

Today she is a power behind Nelson Rockefeller for Governor of N.Y.

LEADING NEGROES AGAINST RACE-MIXING

WITH THE ZIONIST JEWS CONTROLLING PRACTICALLY ALL THE NEWS OUTLETS, YOU WILL SELDOM READ OR HEAR ABOUT THE NEGRO LEADERS WHO ARE PROUD OF THEIR RACE AND WANT TO KEEP SEGREGATION OF THE RACES. HERE ARE JUST A FEW AND YOU CAN BET THERE ARE MANY MORE WHO ARE NOT BEING FOOLED BY THE NAACP!

Below are a group of distinguished Negro leaders who are REALLY concerned with the welfare and advancement of their race. These people are rarely heard of in the controlled press and they are despised by the Jewish controlled NAACP. They are proud of America and their race—and oppose desegregation in any form whatsoever. They believe the Negro was created by God with a culture all of

his own and should remain as such.

They are shocked and appalled at the harm and unrest the NAACP has brought to their people here in the U.S. as well as abroad.

These sterling Christian Negro leaders are well aware, as are most level headed Americans that the Negro is being used by the NAACP to confuse and divide our people and create strife and turmoil, and

in the end mongrelize BOTH races!

The Southern people, Black and White, have lived in harmony all these years until Marxist agitators out of N.Y. upset the South in their program to condition our country for Communism.

Time and again it has been proven the NAACP, with trouble in mind, has picked certain Southern schools as their

opening target for agitation and had hand-picked "students" enroll at the opening classes knowing full well the trouble that would result.

To create trouble between races is one of the oldest communist tricks in the book. The NAACP which is supposedly organized to HELP the Negro has been dutifully following the Reds to the letter!

Only the whole-hearted support of the type of Christian Negro leaders such as are pictured herein can bring back the harmony and respect of White for Negro and Negro for White. To be proud of your race is not a crime—to mongrelize what the good Lord created most certainly IS!

Force The Races To Mix At Any Cost-The NAACP'S Goal!

In considering the problem of race segregation, it must be approached from the standpoint of the greatest good both to Negro and White. Sentimentality or prejudice cannot properly enter into the merits of segregation.

The only logical method to determine the best situation is to depend on well authenticated facts as to results when conditions have been in effect long enough to have produced a definite pattern.

Free, indiscriminate, intermingling of the races is the Jewish controlled NAACP'S goal. It is a sinister plot by the Marxist masterminds out of New York as well as Washington, D.C., to weaken and degenerate the entire Christian white race, which no specious argument of "RACIAL EQUALITY" or "BROTHERLY LOVE" can conceal, justify or condone!

The Negro should be proud of his OWN heritage and NOT let the Jewish controlled NAACP force him into seeking the unnatural associations of the whites!

Some people will argue that racial discrimination is un-Christian. BUT IS IT? If intermarriage is desirable, or normal, why do we instinctively shrink from it? Why do we involuntarily gravitate only to our own?

Is it that "STILL SMALL VOICE" speaking to our consciousness, reminding us that we must perpetuate only in kind—that LIKE MUST PRODUCE LIKE?

If our Creator intended only one race, a mulatto race, he would have so created it in the beginning and NOT expected the NAACP to finish His work for Him. Our Lord gave each race its own character, individuality and charm. It is obvious He intended they should remain so. The Jewish organizations and the NAACP intend to change the wishes of our Creator come what may.

If the Communist policy of conquest by absorption can be fulfilled through racial intimacy and the inevitable intermarriage of Whites and Blacks, then this ancient Marxist philosophy will prove the downfall, if not the actual disappearance of the entire White Race!!

The North, like the South is not without its share of the segregation problem in its schools as well as its public housing projects.

In the latter part of 1957, deep in Brooklyn's Bedford-Stuyvesant area, which has a predominantly Negro population, public school 258 incurred the wrath of the Jewish controlled NAACP!

P.S. 258, a new junior high school with 1,500 Negro students and less than 5 or 6 white students was not integrated enough to suit the NAACP.

The white families, trying to protect their children had moved out of the neighborhood as fast as the Negro families had moved in, thus making the Bedford-Stuyvesant section all Negro. Disregarding this fact, the NAACP, always on the offensive when there is a chance to agitate, contended that if the school was "not good for whites it is not good enough for Negroes" and went into their usual tactics. They created such a disturbance and pressured the school board to such an extent that the Negro children are now being transported by bus several miles out of their way to schools in all-white districts at taxpayers expense! All this just to pacify the NAACP and forcefully integrate the races.

A great majority of New York schools are being FORCEFULLY integrated in this

manner. The white students are being transported or "reassigned" to previously all-Negro school districts, despite their parents disapproval!

As a direct result of this NAACP inspired FORCED integration the teaching standards of New York schools have dropped far below par due to the loss of many qualified teachers quietly leaving the profession in disgust. Crime is rampant throughout the school corridors to such extent that school authorities cannot cope with it and many schools require police protection for its students as well as its faculty members.

The only safe alternative for many white families is to move out of the city and into the suburbs, or as a last resort, out of New York State itself! This very same pattern of forced integration is being enacted in many large metropolitan areas throughout the North with the inevitable happening—the cities automatically become segregated.

In Washington, D.C. with the forced integration of previously all-white schools, the wholesale muggings, stabbings and rapings of decent girls has forced the white families to send their children to private schools across the line to Arlington, Va., where the NAACP is now agitating in the Courts for immediate integration of all Virginia schools.

One member of the D.C. school board, who has consistently voted for compulsory and speedy integration (but who does not submit his own children to these conditions) was asked by a reporter if he did not feel that some relief should be afforded the white children, was given the reply: "they are not captive children; they can move."

That is exactly what a great percentage of the Whites in the District of Columbia are doing. The mass exodus of White families to the outlying suburbs of Virginia and Maryland is seriously affecting the property values in this nations capital!

INFLUENCING OUR CHILDREN

The "Committee Of 100"

The reader will get a more accurate understanding of the background of the NAACP from the letterhead of the "Committee of 100" which is "in support of the NAACP Legal Defense and Educational Fund, Inc.," located at 10 Columbus Circle, N.Y., New York. Its letterhead contains

names of 97 sponsors, 65 of whom have a total of 861 Red-front citations by the Dept. of Justice and the Un-American Activities Committee.

"ISLAND IN THE SUN" Race-Mixing Picture

Space does not permit a complete outline of the Communist background of the NAACP (National Association for the Advancement of Communism?). A 46-page booklet, COMMUNISM AND THE NAACP, it contains irrefutable data including Communist affiliations of many officers and directors, and will convince even the most naive.

Darryl F. Zanuck has spent three million dollars producing this picture as part of the Marxist plot to abolish segregation and FORCE white and black children into close relationships in school. Zanuck was the first to produce an inter-racial film several years ago. Remember "Pinky?"

IS THIS WHAT YOU WANT?

Here is the inevitable result of integration. The young child in school can come under the influence of the increasing crop of one-world minded teachers. Lenin's theory was to capture the young minds of the children at school, indoctrinate them, and the parents would lose them forever.

This is the same type of philosophy the Jewish controlled NAACP thrives on.

The seating of a Negro child beside a White child in school is just the opening wedge!

MONGRELIZATION IS THE GOAL

Why Do "Masters At Deceit" Change Their Names?

By Sam Crockett

Having had so many inquiries with reference to the identity of people identified with the liberal movement, we have prepared a list which only partially covers those who have changed their names

Many people are curious as to why such a large number of self-styled JEWS change their names. This is not true of any other group, for instance, Polish—many have long names, difficult to pronounce or spell, but they do not change their names.

When the Jews were plotting from the "inside" of Germany to deliver that country to the communist Soviet Union, the changing of names became a serious problem. To meet this situation, provisions were adopted so that JEWS could be identified.

Obviously, changing Bromberger to Bromberg or Moroz to Morros is not an attempt to hide Jewishness. Also, a Lauren Bacall can claim quite reasonably that Betty Bernstein is not a fit name for a "glamorous" motion picture star. But this is not the point. The following list of well-known persons who are all JEWS and who did change their names is appended so as to inform the reader of their Jewishness, particularly when the name deliberately obscures the person's origin for no apparent reason (Ed. of the Daily Worker John Gates is Israel Regenstreif). It is

of these people's Jewish racial origin, achieved by name changing, we must ferret out and publicize such changes.

O

Sylvia Sidney (Sophie Koskow)

This Hollywood actress was cited in 1949 by the FBI as a Red.

When people fail to resist tyranny and usurpation, they only await the plow shares of fate to bury them. Said Thomas Jefferson: "If they (the people) remain quiet under such misconceptions, it is a lethargy, the forerunner of death to public liberty... What country can preserve its liberties if their rulers are not warned from time to time that the people preserve the spirit of resistance... The Tree of Liberty must be refreshed from time to time with the blood of Patriots and Tyrants. It is its natural manure."

HELP SPREAD TRUTH

Conde McGinley

Through trial and error we have proved our publication. Always handicapped for want of sufficient funds, COMMON SENSE has been reaching more people year after year until now more people read this patriotic publication than

any similar paper in history.

But this is not enough to turn the tide. What success we have attained is at the cost of long hours, prayers and self-denial by our group and the wonderful cooperation of real patriots all over America.

Thirteen years of publication and five years in court equips us with the know-how and understanding of the enemy. Now is the time for us to reach out and give the facts to the thousands who are still in the dark and do not understand the conspiracy which threatens our country.

COMMON SENSE needs several pieces of equipment so as to be able to handle this increased volume. One very important machine costs \$2,900, another \$400 and another \$250.

We pray some patriots financially able will read this appeal and help put us in a better position for larger and faster distribution of this vital eye-opening information.

Conde McGinley

IS THE UNITED STATES

TRAVELING THE SAME ROAD?

Edward Gibbon, in his book, "THE DECLINE AND FALL OF THE ROMAN EMPIRE," cited as the five primary causes for the deterioration of this historic society:

- 1.- The rapid increase of divorce and the undermining of the sanctity of the home.
- 2.- The spiralling rise of taxes and extravagant spending.
- 3.- The mounting craze for pleasure and the brutalization of sports.
- 4.- The building of gigantic armaments and the failure to realize that the real enemy lay within the gates of the empire in the moral decay of its people.
- 5.- The decay of religion and the fading of faith into a mere form, leaving the people without any guide.

RATHER SOBERING ISN'T IT?

We must not lose any more time in our fight against communism. The separated and dispersed Christians must show action against the forces of the Godless communism!

The Supreme Court and Its Attack
On American Liberties
By Rosalie M. Gordon

It is the thesis of this book that the recent "liberal" decisions of the Supreme Court have been handed down by politicians rather than jurists; that the members of the present Court are almost wholly without judicial background and experience; that many of their decisions, made with an eye to "minority" votes have in fact usurped the legislative function and menaced our fundamental liberties.

Starting with 1937, Miss Gordon shows how the makeup of the Court has gradually but noticeably been changing. She shows how and why the Court has been "packed," and the shocking results that have followed. She discusses the further decline of the Court during the Eisenhower administration. The present Court, she says, is usurping the function of Congress by passing laws rather than interpreting them!

WHAT DO YOU THINK?

By Mrs. M. Conan

"Destruction of private ownership" and "Complete social and racial equality" are two of the objectives of the Communist program to take over the world. One of the best tools they are using to obtain their objective is Public Housing.

The Government is building housing units all over our land. Through Slum Clearance poor and middle-class people are made to sell their property to the Government at whatever figure it offers, and Public Housing projects are built.

There is not now, and there never will be, any discrimination as to tenants of these projects. Whether they are black or white makes no difference; whether they are drunks, dope-fiends or other low characters, makes no difference either. Just so long as they do not have an income greater than the specified amount they will be acceptable. It is bad enough when children are forced to attend mixed schools, but it will be many times worse when they are forced to live and associate with blacks as they will be in these government housing units.

All America was shocked and disgusted at what happened in Little Rock, Arkansas, September 24, 1957. But what is going to happen in the future all over our land will make that incident appear as nothing in comparison. Our paratroopers are going to be busy day and night at many points trying to quell race-riots due to Public Housing.

We fight race-mixing and "mongrelization". It would be a better and more effective way to avoid it if we did away with the breeding ground, and the worst of which is Public Housing.

Pharisaic Press Quotes

Differences have arisen between the United Religious party and the Ben-Gurion cabinet over the question who should be considered a Jew in the new identity cards being issued by the government. The chief rabbinate's council stated that the new identity card regulations are in opposition to the laws of the Torah. (National Jewish Post & Opinion, July 11, 1958, p. 1.)

The conflict sprang from the Interior Ministry's inclusion in new identity card applications the right of each applicant to be listed as a Jew, if he chose. Religious authorities, from the Chief Rabbinate down, oppose this move, insisting there are certain religious tests which must be met before one may be listed as a Jew. (California Jewish Voice, July 4, 1958, p. 1).

American Jewish groups warmly welcomed the arrival in the U.S. of the Shah of Iran, a staunch friend of the Western Powers whose liberal treatment of the Jews of Iran is indicative of his PROGRESSIVE (code word for pro-Pharisaic!) inclinations. (CJV, July 4, 1958, p. 1).

Every Israeli knows that if a pro-Nasser government takes in Jordan, Israel's position will become well-nigh untenable. Therefore, the prevention of such an eventuality in neighboring Lebanon by the moving in of U.S. Marines is a step in the right direction. (National Jewish Post, July 18, 1958, p. 1.). Are you prepared for YOUR sons to die for Israel?

Few people are aware that British oil

to Israel was PAID FOR BY GERMANY. Under an arrangement between Israel and Germany, the latter agreed to cover Israel's oil bill in Britain from reparations which the German Government is now paying to Israel. (CJV, Aug. 9, 1957, p. 4).

The Jewish Community Council of Shanghai is issuing "ghetto certificates" to Central European Jews who were imprisoned in Shanghai during the Japanese occupation. These certificates will enable the Jewish recipients to apply for restitution from Austria and West Germany. (American Examiner, Jan. 30, 1958). This is INTERNATIONALISM with a vengeance!

Bonn Justice Minister Fritz Schaeffer charged that West German compensation to Jewish victims of the Nazis was endangering the stability of the deutchemark. He reiterated his estimate that, if the present pace of the reparations program is maintained, West Germany will have paid out the equivalent of 6 billion dollars in compensation. (CJV, March 7, 1958, p. 1).

West Germany's payment of restitution to Jewish victims of Nazism will not be curtailed, said Chancellor Konrad Adenauer. (NJPO, Jan. 17, 1958, p. 16).

"If I waited for more Christian colleagues to take the initiative, our community would never experience any inter-

"Can We Legislate Brotherhood?" will be the topic of discussion at the annual "Brotherhood Night" meeting set by Los Angeles Lodge B'nai B'rith. (CJV, of February 14, 1958, p. 7).

Your article states Rabbi (Joel) Dobin (of Alexandria, La.) was "too Jewish." He was pro-Jewish, pro-Negro, but anti-Gentile! (Joseph Moros, NJPO, Dec. 27, 1957, p. 11).

An agency collects \$1,000 per week from Jane Russell on her Howard Hughes contract with 17 years to go! (Dot Meyberg in CJV, Dec. 6, 1957, p. 8). And we stupid goyim work for ours!

Special screenings all over the world are being set up for Jewish leaders, for educators, civic and service organizations, and other key groups likely to have wide influence on public opinion. (NJPO, of March 21, 1958, p. 9).

"MENTAL HEALTH" A Sinister Marxist Weapon!

Republished from Economic Council Letter
No. 437—National Economic Council Inc.,
Empire State Bldg. New York, N.Y.

In the ideological war being waged for the minds of free men, a technique for compelling conformity in an individual's political beliefs, social attitudes and personal tastes has been worked out by the social scientists and "human engineers" and is already in operation. It masquerades under the misnomer "MENTAL HEALTH"—not "MENTAL ILLNESS" which is a more demonstrable term. A significant number of its proponents have extreme radical records (records of subversive affiliations as defined in government reports), or have taken the Fifth Amendment rather than discuss their Communist Party membership.

This Marxist apparatus is now entrenched in every State of the Union with separate units in many counties and even municipalities (some 400 separate entities at this writing). It is backed by powerful influences in the U.S. Dept. of Health, Education and Welfare and the latter's National Institute of Mental Health at Bethesda, Md. It is supplemented by an impressive array of national and international anthropologists, psychologists, psychiatrists and social planners in general, cooperating with a world-wide organization within which other dedicated Marxists are at work.

As with so many groups which have lent themselves in the past to propaganda activities of doubtful value or even of detriment to U.S. citizens, the mental health movement has drawn in dozens of big names in the advertising and business fields. By using such names, the mental

health groups proceed to run State and national campaigns for financial support from the average unsuspecting contributor. With this money the mental health elite then proceed to press for the State and Federal legislation necessary for the accomplishment of their goals.

What indeed is the definition of "mental health"? Edith M. Stern, writing in *Mental Illness—A Guide for the Family* makes this admission: "The legal definition of 'insanity' does not accord with modern medical conceptions of mental illness. . . . Scientifically there is no such thing as absolute mental health; there are degrees of physical health and physical illness."

Or as Henry A. Bowman says in *The*

Channing Tobias (Negro)

Tobias is an Asst. Treasurer of the NAACP with at least 50 Communist-front listings. He too was one of the "birds-of-a-feather" at the Scientific and Cultural Conference for World Peace at the Waldorf-Astoria applauding Dr. Schreiber.

Nature of Mental Health: "Mental Health is also a matter of degree. There is no hard and fast line between health and illness."

In other words, mental health is a moving target. As used today by professional propagandists, the definition is loosely designed so that they may extend their field to limitless operations. In fact one large, expensive brochure on *The Meaning of Mental Health* actually lists the aims of the organization which publishes it as: "To improve mental health of the people including treatment, rehabilitation, preven-

Patriots Observe U.S. Day October 23rd

United States Day stands for all that is good in our nation's history and can be opposed by none except the enemies of America.

It is an opportune time to reawaken our people to the fundamental principles underlying our nation's greatness and to the influences that are working as termites to undermine the very foundations of our inherent, God-given rights.

Our Constitutional form of government and our Christian ideals are being deliberately undermined and alien ideologies pressed upon the American people. A great many of the principles of Socialism and Communism have already been adopted in this country, by Acts of Congress, by the Supreme Court, and the Executive branch of government; and many more are being promoted by leading personalities. There is a strong possibility that many more will become law unless checked. Do we want this? Study the history of every nation,

past and present, that has adopted Socialism, Communism, or any other form of Statism, and see the tragic end! Who among our leaders today are favoring Socialistic laws or are soft toward Communism and other forms of subversion? Will Americans continue to follow such

leadership?

The federal government now controls over 40% of the land of the United States and is engaged in over 700 enterprises in competition with free enterprise. The number is constantly increasing. Do the American people know the extent to which the federal government now interferes with their personal, social, domestic, and economic life? United States Day programs throughout the nation could help to inform them and perhaps cause a return to the form of government established by our Constitution.

By Executive agreements and treaties with other nations, many of the rights and privileges of the American citizen have been surrendered contrary to the intent of the Founding Fathers. Under present practices and judicial interpretations our most basic rights could be given away with

cluding treatment, rehabilitation, prevention and education."

In establishing the norms for "mental health," what kind of persons are in key positions? The names appearing on letterheads and publications of some of the leading mental health organizations provide a clue. They range from persons involved in Communist Party activities to leaders in the United World Federalists and Americans for Democratic Action. For example, the letterhead of the National Mental Health Committee, 1129 Vermont Ave., N.W., Washington 5, D.C., carries a paragraph:

"Through a broad educational campaign, to create understanding and support of the 10-point Bill of Rights for the mentally ill adopted by the 1954 National Governors' Conference on Mental Health. To convince the American people to actively support federal, state and local preventive mental health programs emphasizing research, training and expanded clinic and community services designed to treat and cure mental illness in its early stages."

Obviously the intent is not to prevent mental health but to prevent mental illness. But behind the confusion in terms it may well be suspected is a powerful transmission belt by which dedicated Marxists are already feeding their propaganda to the Governors of all our States. As to Marxist influences at work, the letterhead lists the name of Dr. Julius Schreiber. Dr. Schreiber was questioned before the Senate Internal Security Subcommittee in 1954 during its investigation into Subversive Influences in Government to explain his role as Chief of the Army T1 and E program (Troop Information and Education) during WW II. He refused to state whether he was a communist and took the Fifth Amendment more than 10 times. However, he admitted he was born in Gordok, Russia, and stated under oath that he had set up the Institute for Social Relations which was underwritten by the American Jewish Committee. An Examination of the material recommended in *Talk It Over*, published by his National Institute for Social Relations, revealed numerous communists as the authors of this material.

Dr. Schreiber also said he was then head of the Washington Mental Health Association and hoped to affiliate with the National Association for Mental Health. He admitted he had given a talk on mental health and social environment at the Scientific and Cultural Conference for World Peace at the Waldorf-Astoria. This meeting was the subject of a detailed study by the House Committee on Un-American Activities, dated April 19, 1949.

Associated with Dr. Schreiber's Institute of Social Relations, according to the Washington Sunday Star, Aug. 31, 1947, were Dr. George S. Stevenson, consultant to the National Association for Mental Health and the following who have one to twenty-eight citations in reports of the House Committee on Un-American Activities: Manchester Boddy, Evans F. Carlson, Dr. Everett R. Clinchy of the National Conference of Christians and Jews; Dr. Donald DuShane, Dr. Frank P. Graham, Dr. Modest W. Johnson, Miss Katherine Lenroot, Philip Murray, Bishop G. Bromley Oxnam, Channing H. Tobias and Walter Wanger. Then there are Mrs. Max Ascoli, whose husband publishes the radical Reporter magazine; Barry Bingham and John Gunther of Americans for Democratic Action and Albert Deutsch, another sponsor of the Cultural Conference at the Waldorf.

To show how the web is interwoven among the various leading mental health groups, Dr. George S. Stevenson (on the letterhead of the National Mental Health Committee and on Schreiber's Institute of Social Relations) was treasurer of the World Federation for Mental Health and is consultant to the National Association for Mental Health, which includes on its 1957 revised reading list *Durham Decision—A Beacon in the Dark* by Dr. Schreiber.

Dr. Robert H. Felix

Dr. Felix, director of the National Institute of Mental Health, which is a branch of the U.S. Public Health Service.

The National Association for Mental Health also includes in its reading list such authors as Dr. Roma Gans, Ashley Montagu, Justine Wise Polier, Franz Alexander and Sidonie M. Gruenberg. Mrs. Gruenberg was a founder and for 30 years head of the Child Study Association of America. She also helped found the Congress of American Women, which is on the Attorney General's list of subversive organizations and which is described as the leading communist women's front in this country. In addition Mrs. Gruenberg was a sponsor of the Cultural Conference at the Waldorf described in the House study as a "supermobilization of the inveterate wheelhorses and supporters of the Communist Party and its auxiliary organizations."

Then there is another publication of the National Association for Mental Health, *Mental Health and the World Today*, by the late Dr. Thomas A.C. Rennie, who came to this country at the age of 7 from Scotland and seemed not to value our form of government too highly. He says in this pamphlet that "if our free enterprise system is to function adequately" we must have guaranteed employment. And he chides nations as being motivated by considerations of their sovereignty. He refers frequently and deferentially to Dr. Julius Schreiber and the latter's articles on the "interdependence of democracy and mental health." Specifically he quotes from Schreiber's "interesting series of pamphlets," the same *Talk It Over* articles which were the subject of the Senate investigation. Dr. Rennie also recommends Dr. Goodwin Watson, one of the 3 men dropped from government service by a special Act of Congress which stopped the appropriations for their salaries.

The National Association for Mental Health recommends *The Mentally Ill* in introduction to the second edition by Dr. Robert H. Felix of the National Institute of Mental Health at Bethesda.

In the 1957 film list published by the National Association for Mental Health, "A Child Went Forth" is described as a poetic expression of a child's day. The information is not given that the musical score to this film was written by Hanns Eisler (brother of Gerhardt Eisler of communist fame, who is now Minister of Information in the communist government of East Germany) and that the film was produced by Brandon Films, which used to advertise in *The Daily Worker*. Another film recommended is "The High Wall," produced by the Anti-Defamation League and narrated by Irving Pichel who has 8 citations in the 1948 Report of the California Legislature on subversive activities.

Plays on mental Health themes are recommended by the National Association for Mental Health in arrangement with the American Theatre Wing in which such prominent World Federalists as Oscar Hammerstein II and Russell Crouse are active.

If further proof of leftist orientation is

necessary, there are the numerous pamphlets of the Public Affairs Committee which are recommended by the National Association for Mental Health. Maxwell S. Stewart, editor of these pamphlets, has one of the longest records of subversive activities in government annals, in addition to his record revealed in the investigation of the Institute of Pacific Relations by the Senate Internal Security Subcommittee. This insensitivity to radical influence in mental health circles may be accounted for by the viewpoint expressed, for instance, by Dr. George S. Stevenson in his little booklet, *Education for Mental Health*. There he describes a person as mentally ill who is "suspicious of others and sees an enemy, perhaps a communist, lurking behind every acquaintance, etc."

The most important publication in which the concealed purpose of the mental health movement is subtly outlined is *Mental Health and World Citizenship*, distributed by the National Association for Mental Health. This document says: "Principles of mental health cannot be successfully furthered in any society unless there is progressive acceptance of the concept of world citizenship." The Saturday Evening Post in an editorial dated January 11, 1958 caught the implications of this statement. Under such an assumption, the Post said, skepticism on foreign aid, for example, is supposed by the sociological fringe on the psychiatric sector to suggest "basic insecurity." And the Post continued that until the One-Worlders take over, we might as well stay crazy.

What the Post failed to detect and what makes the affair less humorous is the fact that the statement was not made by a sociological fringe but was the considered opinion of the world's leading exponents of mental health, drafted for the international conference on mental health held in London in 1948. If accepted, this "norm for mental health" could establish international socialism.

The statement that mental health is based upon an acceptance of world citizenship was drafted by Dr. George S. Stevenson, Dr. Otto Klineberg, Dr. Margaret Mead and Lawrence K. Frank, among others. Additional confirmation of the orientation of the mental health movement is found in the association of Dr. Mead and Lawrence K. Frank with Mark Zborowski whom Dr. Mead in fact placed in the Dept. of Anthropology at Columbia University. Dr. Zborowski's activities made headlines when Mrs. David Dallin testified about him before the Senate Internal Security Subcommittee during its probe of the Scope of Soviet Activity in the U.S. Mrs. Dallin identified Zborowski as an NKVD agent involved in the kidnapping of Trotsky's son. She mentioned seeing him at parties with Dr. Mead. In the spring of 1958, Zborowski was picked up by the FBI as a member of the Soviet espionage system in this country!

Zborowski himself testified that he was born in Russia; had worked at a veteran's hospital in this country on a "project on pain" under a grant by the U.S. Public Health Administration; and had previously worked for the American Jewish Committee and Yivo Scientific Institute. As late as July 1955, *Commentary*, a monthly magazine underwritten by the American Jewish Committee, ran an announcement of a symposium on Majority-Minority Interaction in America, which included an article by Zborowski.

At the top of the mental health pyramid in this country is the National Institute of Mental Health at Bethesda, Md. Its film list includes "Passion for Life," distributed by Brandon Films which has been widely recommended by the AJC. Its Reference Guide 6, revised as late as March 1958, recommends *Mental Hygiene in Review* by Albert Deutsch; Reference Guide 2 recommends a Public Affairs pamphlet by Justine Wise Polier; and material of the N.Y. State Dept. of Mental Hygiene whose deputy commissioner, Hyman Forstener was named in sworn testimony as a com-

munist by Dr. Bella Dodd on Dec. 31, 1956.

There are some weird practitioners of mental health, as items in the metropolitan press reveal: The 33-year-old assistant to Dr. Rennie at Cornell-Medical Center who robbed a summer home of antiques with which to furnish his apartment for his impending second marriage (and to whose defense Dr. Rennie came); the Vienna-born psychologist, 31 years of age, who was jailed for molesting young girls in Flushing, Queens; the psychiatrist in New Jersey whose wife claims he sat on her chest and then would run to barricade himself in his "shock" room; the head of the psychology department at Roosevelt University in Chicago who hanged himself; the N.Y. psychiatrist who left a million dollars to the woman with whom he lived and who was not his wife; and the more recent story of the doctor who went under two names because he had been confined in a mental institution himself and who was tripped up by a traffic violation. Surely such obviously unbalanced persons should not have a hand in determining the definition of "mental health." And it is anyone's guess how many psychiatrists have managed to conceal their own symptoms.

Successful as the psychiatric elite have been in securing the passage of enabling legislation that has brought their goals almost within reach, yet a growing awareness and resistance on the part of the public may block the full accomplishment of the mental health movement. A proposed Act which established the direction of the mental health movement, has been widely publicized. It was revised in Sept. 1952, with introductory remarks by Dr. George S. Stevenson. The Act provided for quicker commitment procedures upon the application of a friend, relative, spouse, guardian, public welfare officer or a health officer—thus "avoiding undesirable publicity." The patient would not have to appear in court; no jury would be necessary and the court would not be bound by the rules of evidence. These provisions have aroused some intelligent opposition and criticism.

Subsequently the Alaska Mental Health Act has been enacted into law, providing that persons can be transported out of their home states and put in insane asylums in remote areas of the U.S. Only 35 members were present in the House when this bill was passed by voice vote; only 15 members of the Senate when again it passed by voice vote, June 7, 1956. It is now Public Law 830, 84th Congress, 2nd Session. Numerous states were then maneuvered into passing laws to "modernize" their mental health procedures. But the patriotic societies began to analyze the full meaning of this legislation and to urge caution all along the line. It now remains to be seen if the mental health movement can be checked, challenged and corrected.

Opposition to the widening power of the mental health elite is based on several factors. The definition of mental health is unsatisfactory so long as it has political implications. The techniques for handling mental cases are becoming brutal (shock treatment was introduced into the U.S. by Dr. Joseph Wortis, a pupil of Sigmund Freud's, and a documented communist according to Counterattack, April 8, 1955). Drug therapy is compulsive and an invasion of the person. Psychosurgery, such as lobotomies, can create permanent docility. Drug therapy and shock treatment have been used on political prisoners of communist regimes in Europe and in Asia where they are already an accepted technique to be used on persons of "unreconstructed" attitudes. Charges of "mental instability" are increasingly being made in cases where the victim disagrees with a policy in which he becomes involved.

Thus Fletcher Bartholomew, an American citizen, was put under observation in a psychiatric ward in Germany after having revealed shocking conditions in Radio Free Europe, and was sent, practically as a prisoner, to the U.S. Not too long ago Povl Bang-Jensen, who refused to turn over to the UN confidential information given him by some Hungarian refugees in strict confi-

dence, was accused of "psychotic conduct" by a UN investigating committee, and was dismissed.

"Mental Health" is an inaccurate label for what is really a weapon being skillfully used by communist propagandists to bring about conformity to the Marxist ideology. The aim is unmistakable: non-conformists will be in actual peril of being adjudged insane!

Fantastic? Yes. But if the American people value their freedom of thought and expression, they will do well to regard as suspect every legislative proposal bearing the "MENTAL HEALTH" label.

To resist this enveloping "mental health" threat is vital to American liberty. To delay invites disaster.

It Could be So

If you can keep your head when all about you
UNESCO seeks to muddle and deceive; ---
If you can trust yourself when "pinkies" doubt you
Because you love your Country and believe
Its Constitution is the best that ever
Was drawn to guard the liberties of man,
And that Americans must all endeavor
To keep it safe and solid if they can. . . .
If you won't let the UN be your master,
If you won't make World Government your aim;
If you can fight the sinister disaster
Of letting spies and traitors win the game—
If you are loyal to the land that gave you
Your freedom and the chance to fight and win,
And count upon its Bill of Rights to save you
From tyranny and slavery and sin. . . .
If you respect your Flag and love your Maker
And pray that He will guide you to do right,
And do not let the first high-sounding faker
Convince you white is black and black is white—
If you stand up and say you love Old Glory
And show that you're an American with guts. . . .
Friend, you'd better get yourself a lawyer,
For "MENTAL HEALTH" is out to prove you're NUTS!!!

Sen. Flanders Blasts Israel

Senator Ralph Flanders

CONGRESSIONAL RECORD

July 30, 1958

By Sen. Ralph Flanders (Rep.) Vermont

Mr. President, this one of the series of talks on the Middle-East situation will be very brief. Its text is to be found in yesterday's news of the nearly successful endeavor to assassinate the Premier of Lebanon, Sami es-Solh, who was strongly pro-western. Since the Western world refuses to recognize the paramount concern of the Arab world with the problems posed by Israel, any pro-western statesman is a target for assassination. It was Nuri es-Said, Iraqi Premier, and his King, King Faisal, the day before yesterday and Premier es-Solh yesterday. Who will it be today or tomorrow? This situation will continue so long as the Western nations appear as the champions of Zionism. Any foreign policy which subjects our friends to assassination needs revision. Why do we not revise?

I call attention at this time to the fifth and sixth "whereases" in my resolution, Senate Concurrent Resolution 106, of July 18. These read as follows:

Whereas the expansion of the population of Israel threatens an added seizure of Arab territory; and

Whereas the overpopulation of Israel is largely financed by tax-free contributions from American citizens.

The Government of Israel will deny that it threatens added seizure of Arab territory. It is, however, established at present on seized lands. In Arab eyes that government, therefore, has no moral compunction about seizing territory. It has a record of seizure. What can be expected for the future except added seizure?

The critical element in the situation is the present and proposed population of Israel compared with the territory and resources which it occupies. I have been told by Zionists that the aim is to pack 3 million inhabitants into territory of 7,984 sq. miles, which is smaller than my own State of Vermont. Were the land rich and well-watered like our Mississippi Valley States, it would still be quite a proposition to pack them in and provide food for them. The Jews have done marvels in Palestine in the way of getting the most of agricultural product out of an unpromising terrain; but even with the best they can do with a population of 3 million that country will be bursting at its seams. When to this is added the natural increase in population, generation after generation, Israel becomes a loaded time bomb.

A direct responsibility lies at our own door for the development of this dangerous situation. When the immigration policies of Israel were directed toward making a home for refugees, it was proper to have those activities supported by tax-free American contributions. The present poli-

The approval of the President and only two of the ninety-eight Senators. A horrible thought? Yes, but it could happen!

If the American people knew this, perhaps they would demand an Amendment requiring at least a two-thirds vote of the entire membership of the Senate before any treaty or Executive agreement could become law.

A FEW ILLUSTRATIONS OF FREEDOMS LOST

1.- Private citizens may be committed to insane asylums by federal judges for political reasons and without just cause or trial by jury.

2.- The interests of American manufacturers and laborers who work in their factories have been jeopardized by GATT, an agency entered into by the State Dept. affecting the tariff laws. Many factories have been injured or closed, putting many workmen out of employment as a result of this agency, because they could not compete with nations that pay 21¢ an hour as against \$1.82 paid American workmen.

3.- The States are being deprived of their Constitutional rights by federal courts. By a decision, Pennsylvania vs. Steve Nelson, the States were deprived of their right to protect themselves against subversives. This in spite of the specific reservations to the States or the people, all rights not specifically delegated to the federal government. If this right can be merely taken from the States, what rights can they hope to retain?

4.- The U.S. has lost the right to win a war. We furnished 90% of all the allied men fighting in the Korean War, yet the UN refused us the victory. For the first time in history, we not only lost a war, we lost face with the peoples of the world.

5.- The federal government has usurped the right to tax our people to support foreign governments and to draft our citizens to serve in foreign armies—even under the direction of our enemies. The federal government not only taxes us to carry on the legitimate costs of our own government but through taxation forces us to contribute to a world-wide "give-away program." Millions of us feel that much of this so-called "foreign-aid" is not helpful to either the peoples or the governments to which it is given. Yet we are forced to contribute to it.

6.- Every citizen, including the farmer, has lost the right to direct his own business affairs. Behold the farmer who planted 6 acres more of grain than the government told him to. He is being punished even though he fed it all to stock on his own farm. No longer is "a man's home his castle" or is the soil he has earned by the sweat of his brow really his own!

The above illustrations are only a few of the many that could be given to show how the individual, the State and the Nation are losing their Constitutional rights, either to the federal government or to Internationalism.

DO SOMETHING ABOUT IT!

THE PASSING OF TWO PATRIOTS

The same mail brought sad news to Common Sense in the passing of two fine patriots: Arthur Case of Los Angeles, known and loved by many, who died suddenly Sept. 10th, and Mr. E.M. Biggers who, with his wife, was hit by a car driven by a young girl. His wife is expected to recover. Our sincerest sympathies to the families of both these patriots.

It is difficult for me to realize that I have lost my true and loyal friend, Mr. E.M. Biggers of Houston, Texas. He was one of those fine Texans, strong in body, mind and character, the type that made Texas possible in history. The Creator gave Texas inherent riches but it took men of the Biggers strength and character to develop them.

It was men of his breed who conceived and organized our Republic. Today the nation is drifting to the left because a very different type of citizen is coming from the melting pot. They don't speak our language, they know little or nothing of our history, and they care less as they say they believe in our Constitution but plan to recast it in keeping with their foreign ideologies.

For years, Mr. Biggers foresaw and studied the oncoming tragedy. He has helped in the battle in so many ways including the financial support of countless patriotic efforts. His recent letters have shown his great disappointment at the present state of the Union, especially the failure of the 85th Congress to face the facts and act.

He closed his last letter with the words—"IS THERE ANY POLITICIAN WE CAN TRUST?"

Sincerely

Whether they are oppressed or not, whether they are needy or not, matters not so long as they are Jews—bring them into the new Zion no matter what injustices are perpetrated on the former owners of the land. Not one penny of tax-free American money should go into this project. In fairness to American taxpayers, the Treasury must re-examine the tax-free status of contributions to the United Jewish Appeal.

I am aware, Mr President, that the opinions and conclusions which I am expressing will be classed by the Zionists as rabidly anti-Semitic. That is far from being the case. I am not anti-Semitic. The Jews of this country owe me a debt of gratitude for my humble part in stemming a wave of fascism which was gathering momentum a few years ago. I am not anti-Semitic.

Mr. President, I am pro-Semitic; but if they successfully persist in their present plans for an ingathering of the Jews of the world in an area too small to contain them; if they continue to ignore the injustices to the Arab landowners which are involved in their actions and policies so far; and if for the future they apply superheat to the pot already boiling in the Middle-East, such a wave of anti-Semitism as the Jewish race has never faced will sweep, not only this country, but the world.

Major Jewish organizations and civic groups voiced opposition to the original plan to include such a question (What is your religion?) in the census. They insisted it violated the Constitutional American principle of separation of church and state. The Census Bureau announced several months ago that because of opposition it would not ask such a question in the 1960 census. (California Jewish Voice, February 7, 1958, page 1).

The real test for those who urge proselytization by Jews among non-Jews would be to ask that this proselytization campaign be conducted among Negroes. (Editor Gabriel Cohen, NJPO, December 13, 1958, p. 14).

THE KEY TO FREEDOM

DO YOU KNOW WHAT THIS IS? IT IS THE "KEY TO FREEDOM." An informative sheet—NOTHING LIKE IT IN EXISTENCE. A patriot writes "it is beyond description." Much time and research has gone into the preparation of this startling and revealing brochure.

Many enthusiastic patriots are helping to give this highly informative sheet wide circulation. If you haven't ordered the KEY yet, do so immediately. Doctors, lawyers, businessmen, civic leaders as well as the Clergy should have in their possession the "KEY TO FREEDOM."

Little Rock--Proving Ground For Commies & Red-Fronters

Grace Lorch is a nice girl, you will see from the following report. She lives at 2722 Cross St., Little Rock, just across the street from Daisy Bates, president of the NAACP in Little Rock. This woman, with Daisy Bates, was very active at Central High School coaching the 9 Negro children who were taken from a new, more modern school and forced into Central High,—typical communist tactics to stir up trouble.

The Senate Internal Security Sub-Committee held hearings in Memphis, Tenn. on Oct. 29, 1957 and Grace Lorch was subpoenaed as a witness.

The U.S. Senators wanted to give her an opportunity to show she was not a communist. She screamed and attacked the Committee and refused to answer questions.

Sen. Wm. Jenner addressed her: "You wanted to create a scene, and you have accomplished your purpose. You are trying to hide the fact you are a communist." She was a member of the board of trustees of the Samuel Adams School for Social Studies in Massachusetts. This is the Communist Party's training school, like the one in Monteagle, Tenn. She was also a very active communist organizer in the New England states for years.

As a reward for her activity in the Little Rock affair, the Communist Party brought her to New York City to be honored at a dinner.

The Emergency Civil Liberties Committee (a Jewish front) was used as a cover-up for this affair.

The Southern School News of Nashville, Tenn., in its issue of September 3rd, 1954, revealed that Mrs. Lorch and her husband tried to force their 3 children into a Negro school, and when refused, threatened to sue. Here again we have the communist race mixers in action.

The **DAILY WORKER**, official communist newspaper, of May 2, 1941, stated that Mrs. Lorch signed a petition demanding release of Earl Browder, head of the Communist Party U.S.A. During 1943, Mrs.

Lorch was vice president of the Teachers Union which was run by communists.

The Communist Training School at Monteagle, Tenn., known as Highlander Folk School, was set up in 1932 by Don West and James Dombrowski. Both have long communist records.

Below are listed several who were active during the communist training period with Grace Lorch in September, 1957.

Daisy Lee Bates (alias Daisy Lee Gatson). President of the NAACP for Little Rock

Daisy Bates Of The NAACP

For a period of 23 years Daisy Bates has been arrested and jailed 5 times—a chronic troublemaker. Among the charges was "gaming" defined in Arkansas courts as gambling such as running a crap game or dice game.

New York papers recently pictured this NAACP representative with Governor and Mrs. Harriman in New York City, as the fountain-head of pressure on the Supreme Court and Little Rock.

The 48 states are gradually being run from New York by the Marxist pressure groups. This will continue until communism finally takes over, unless a sufficient number of strong courageous men and women with character stand up, name the enemy, and defy them.

The Restoration Of Russian Monarchy Only Answer To Communism In USSR

By Boris Brasol

1841 Broadway, N.Y. 23, New York

The remnants of the "free world" look upon America as the citadel of freedom and a trusty stronghold against the threat of universal communist slavery confronting mankind.

In fact, year after year the U.S. has been spending not millions but billions of dollars for the prosecution of the "cold war"—which would be more appropriate to denote as "tepid friendship"—with the "masters of deceit," aptly so nicknamed by J. Edgar Hoover; the cynical atheists, the political sharpers and professional executioners entrenched in the Red Kremlin which has already engulfed into its lethal orbit a good half of the world's population.

Immense sums are being squandered on alleged anti-communist propaganda which, however, has suffered a glaring fiasco evincing utter incompetence of its cumbersome apparatus not only within the boundaries of the Soviet Union and its satellites but in equal measure in the countries not yet crushed under the bolshevik heel. At the same time the international prestige of the U.S. has visibly begun to decline.

The reverses of the "Eisenhower doctrine" in the Near East; the pillage, burning and bombing of the American "information agencies" and consulates in Tripoli, Beirut and Algiers, and more particularly, the insulting demonstrations against the Vice President of the U.S. Mr. Nixon are proof of the tragic ineptitude of the course adopted, and stubbornly pursued, by Washington in the field of its international policies, and above all—in its approach to the Russian problem.

The diplomatic recognition of the Soviet gang by President Roosevelt was the first unmerited and unpardonable insult of the Russian people who were then enduring the mad rage of the Stalin terror.

The multi-billion "lend-lease" gifts bestowed upon the Soviet Union revealed the astounding unprincipledness of the democratic politicians who had apparently embraced Lloyd George's ugly motto: "One can trade with the cannibals."

The infamous forcible "repatriation" after World War II—with the express approval of the U.S. Supreme Command—of tens of thousands of anti-Soviet Russians who sought protection of the democratic West, and all of whom were butchered by the NKVD of "dear old Joe"—these and many other facts constituted irrefutable proof that the U.S., was waging the war not against the communists but against their deadly enemies—the Russian people.

And shall we forget the sweet "Geneva smiles" and the chummy handshakings of the American leaders with Khrushchev and Bulganin whose dirty paws are besmeared with Russian blood? And is it not strange that now, after 25 years of consistent hostile and treacherous policy of the USSR vis-a-vis the U.S., its spokesmen are again talking about "peaceful coexistence" with the murderers of the Russian people, and getting ready for a new "summit" conference with them?

Why, then, should we be surprised that both this country and elsewhere there grows wide distrust in the sincerity of American officialdom of its determination to combat the epidemical spread of the communist plague?

But the whole picture of the American would-be "anti-Soviet" propaganda appears even gloomier.

When the Voice of America, or the American Committee for Liberation, or Radio Free Europe, or any other venture subsidized by Washington, broadcast to the

Tsar Nicholas and family—murdered by the Bolsheviks (Jewish communists) USSR

population of the Soviet Union about its forthcoming "liberation" by means of the dismemberment of Russia converting her into a number of fictitious mushroom republics, thereby bitter resentment against such "liberators" is being artificially fostered among the Russian people who, forgetting their hatred of the cursed Soviet regime, are ready in the face of such a threat to sacrifice their lives for the defense of the fatherland.

When the American propaganda machine, day in and day out, is pouring calumnies and slops on the thousand-year-old historical past of Russia; when responsible American statesmen, aping irresponsible newspaper scribblers, seek to persuade the Russian people that the hideous communist aggression is but the continuation of the genuinely disinterested foreign policies of Imperial Russia; when the American Administration is persistently assuring the Russians that the Soviet terror, unheard of by reason of its gigantic scale and sadistic ferocity, is merely the concluding episode of "bloody czarism;" when in order to buttress American-born propagandists, Washington hires common-law criminals sentenced to prison terms for the assassination of Russian government officials; inept aliens trained at the expense of American taxpayers in bigotry and fanatical Russophobia separatism; the solidarist outfit impregnated with Soviet spies and secret agents, and when on top of all these—the widow of Trotsky, one of the most notorious and brutal murderers; when all these things transpire in broad daylight and in the sight of the whole free world, the latter in despair loses faith in the salutary role of America.

Yet, if this country has a chance to win be it the "cold" or the "shooting" war with the Soviet Union, it is only on condition that it will have the Russian people as its ally. But after the sad experience of WW II, the Russian people will extend their hand to the West not otherwise than after being convinced that the war is being waged for the overthrow of the Soviet tyranny, and not for the Balkanization of Russia; for the liberation of Russia's entire population, and not for inciting this or that tribe or national group against the Russian people as a whole.

This program of straightforward and real liberation must be openly proclaimed and faithfully adhered to by the U.S.

We venture to assure you that without such an honestly and vigorously pursued political course the U.S. will inevitably suffer a catastrophic Waterloo, in its ulti-

mate battle with the communist bloc.

Indeed, is it not time for the U.S. government to realize that the policy of concessions, compromises, fruitless conferences and humiliating coquetting with the Soviet barbarians has resulted in the fact that in one short decade the Soviet Union has grown into a terrific destructive force threatening to crush those few countries, including the U.S., which are still capable of opposing it?

If along the entire front of the ideological struggle America has sustained one checkmate after another, the major part of the responsibility therefore must be attributed to the silly anti-Russian propaganda allegedly conducted against the Soviets under the American Flag.

This is all the more incomprehensible as the American Administration is fully aware of the fact that practically in all the lands of the free world there dwells a numerically considerable Russian emigration which refused to submit to the Soviet hoodlums and which opposed them, first, in a fierce Civil War, and 25 years later—during World War II.

Nor is it a secret that among these Russians, who are absolutely loyal to the countries in which they have settled, there are many enlightened men and skillful specialists in all the fields of human knowledge.

Finally, the U.S. Government is well informed that thousands and thousands of Russian emigrants are heart and soul in favor of the restoration of the Russian historical statehood, i.e., the Lawful Monarchy—not because they are "reactionaries," or seeking to retrieve their property, but because they clearly comprehend that **ONLY THE RESTORATION OF ENLIGHTENED AND PEACEFUL IMPERIAL RUSSIA CAN AND WILL LIBERATE THE RUSSIAN PEOPLE FROM THE SATANIC YOKE, WILL RESTORE UNIVERSAL PEACE, AND WILL BRING ABOUT THE DISARMAMENT OF THE NATIONS WHICH AS EARLY AS 1899, WAS MAGNANIMOUSLY PROPOSED BY HIS MAJESTY EMPEROR NICHOLAS II.**

The Executive bureau of the All-Russian Monarchist Front deems it its duty to remind both the American policymakers and all the governments of the still free states that:

- 1.- the restoration of Imperial Russia will serve as a guarantee of the faithful compliance with all international treaties;
- 2.- the restoration of the lawful Mon-

archy in Russia will assure normal trade relations with all foreign countries, will open up new rich markets, and will eliminate the necessity of spending billions of dollars on armaments which fosters universal inflation and eventually must result in universal bankruptcy;

3.- the restoration of Monarchy in Russia will thus ease the intolerable burden of taxation in the U.S. as well as in other countries;

4.- the overthrow of the Soviets and the restoration of a National Russia will liberate the satellites and will automatically eradicate communist espionage;

5.- the restoration of Imperial Russia will be a death blow to Red China which, being deprived of technical and economic aid, now provided by the Soviet Union, will be compelled to abandon her aggressive industrialization ambitions that are directed against the countries of the free world.

Such, then, are the theses which should be developed in the American anti-communist propaganda, and these are precisely the salient points that are being consistently stressed in the political work of the Russian national emigration.

Furthermore, the American Administration is cognizant of the fact that the Russian anti-Soviet emigration, through its local organizations in various countries, presents now a united All-Russian Monarchist Front which recognizes GRAND DUKE WLADIMIR, the Senior member of the Romanov Dynasty, as the legitimate Heir of the Russian Throne who, in 1952, addressed an "Appeal to the Free World."

Even though all these facts are known to the American Administration, and not withstanding the communist propaganda has proved hopelessly and utterly ineffective, Washington does not deem it necessary to turn to the trusted Russian anti-Soviet emigration, old and new, which would, no doubt, address the Russian people in a language that would be understood by them, and which would fill their hearts with the hope of genuine liberation and with forgiveness of those who, during decades, have been cruelly denying them every aid to their resistance to the bloody Soviet tyranny and insulting their national dignity.

WILL USSR TAKE U.S. INTERNALLY?

By K.S. Karpus

The Soviets will not attack the U.S. merely for the sake of attacking—it would mean suicide for Russia. The Kremlin's moves are carefully calculated and executed, as proved by the 40 years of their existence. Prior to 1940, Russia's only satellite was Outer Mongolia. The Kremlin then ruled over some 200 million people of the old Muscovite empire. Today—it holds sway over 1,200 million people. While the U.S. expended hundreds of billions on foreign aid and for defense to stop the Kremlin and to fight communism—it marches on!

The Kremlin's ultimate goal is world communism, and Moscow will manage to force the U.S. to surrender without blasting the country and killing some 30 million people as some strategists predict.

But the Kremlin rulers will decide to move only when our native Reds are fully prepared to take the government over from within. In that event, Italy, Turkey, Greece, France, England, West Germany and all the weaker nations will then fall under communism.

They expect to take the U.S. in one piece. Following the Kremlin's long-range program, Russia will resort to blackmailing to force the U.S. to abandon its foreign bases, and to install Reds in Cabinet posts as an indication of our good faith—a plot that helped Russia win without resorting to wars.

Anti-Semitism In Soviet Union

Many times during publication, COMMON SENSE has published facts and figures which cannot be denied, showing that the Jews set up communism in Russia in 1917 and directed it entirely up to 1953 (36 years). Then the Zionist Jews began to transfer their activities from the Soviet Union to Israel, which had been set up and recognized by President Harry S. Truman on May 15th, 1948.

In 1953 the Russian communists were tiring of Jewish rule and began trying to maneuver them out of complete control. At first they were only aggressive against Zionists and actually hung a number of them in Czechoslovakia, and Beria and his crowd in Russia.

Many Jews are in the communist party at the present time in the Soviet Union, Hungary and East Germany, such as Hilda Benjamin who is a top judge, and Gerhardt Eisler who was in charge of espionage here in the U.S. for 12 years and is now propaganda Minister for East Germany.

Jews are still a force in the Secret Police in the Soviet Union as well as its satellites, hence it is easy to understand the Russian and all other suppressed people's hatred for Jews as is disclosed in the following article by a well-known Jewish author.

The Jewish World, London—June 29th, 1922—page 5

"Not only in revolutionary circles, but even in the Red Army, anti-Semitism is so strong that only the iron discipline imposed by the Bolsheviks and the fear of capital punishment restrains the Red soldiers and the women from starting pogroms everywhere... Everyone in Russia, peasants, soldiers, women, citizens of the town, hate the Jews... All Jews in Russia are of the same opinion—that the fall of the Soviet government and the transfer of power into other hands would be the greatest calamity imaginable for the Jews. The flame of anti-Semitism burns stronger today in Russia than ever before. And the slightest quiver of the Bolshevik regime will mean death to the Jews."

Ben Hecht (Zionist)

The advertisement in the N.Y. Journal American of Sept. 16th is headed NO HOLDS BARRED which we hope is a challenge to Common Sense.

Christians need to know something of this Zionist who calls for Christian blood then sneaks into your home via TV to corrupt the minds of your children. Following we give a few notes from our file on this anti-Christian brainwasher who should be driven off the air waves.

In Ben Hecht's book, A JEW IN LOVE, you find on page 120: "One of the finest things ever done by the mob was the Crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of executing Christ I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a Savior out of mincemeat."

During the time the Jews were forcing England to withdraw from Palestine, and the Israeli terrorists bombed the King David Hotel with 66 dead, 43 missing and 47 injured, Ben Hecht had this to say in an advertisement addressed "to the terrorists of Palestine" as published in the N.Y. Herald Tribune of May 15, 1947: "Every time you blow up a British arsenal, or wreck a British jail, or send a British railroad sky high, or rob a British bank or let go with guns and bombs at the British betrayers and invaders of your homeland, the Jews of America make a holiday in their hearts."

The N.Y. Journal American, Sept. 24, 1948, reported a statement of Ben Hecht in connection with the assassination of Count Folke Bernadotte who was selected by the U.N. as arbitrator between Israel and the Arabs, as "that of an ass who was not worthy of so fine a death." The article also stated Hecht was "guiding force" in inciting Jewish terrorism as the author of paid advertisements urging violence in the Holy Land.

Fred Whitbeck, V.P. in charge of advertising at MGM studios declared in a speech before 300 members of the Publicists Guild in the Hollywood Roosevelt Hotel that Ben Hecht, author, has been dishing out "rotten, shameful, bitter slop."

This is the individual who is coming into your home via TV. He was run off the air in California. How long will he last in New York? It's up to you. Protest to the sponsors.

J. Edgar Hoover & Masters Of Deceit

The following letter commenting on Mr. Hoover's book **MASTERS OF DECEIT** was received by us anonymously and we publish it for what it is worth:

"...The whitewash was not originally his work. It was interpolated by someone else in the process of either proof reading or reviewing and was not detected until either the work was ready for publication or was actually off the press.

When called to his attention he was faced with the task of repudiating it or letting it stand in the hope that no one would notice it.

At first he was for repudiating it but pressure was brought upon him and he was threatened with all sorts of consequences. Being appointive he could easily be fired, deprived of pension rights etc. and so, a la Lawton Collins, Zwicker etc., he just 'clammed up' and I just suppose he will remain 'clammed up.' Obviously, that makes the whole book worthless as well as anything further he should publish and certainly reflects unfavorably upon him and the Department hitherto so highly regarded.

Scripture at this time could well be repeated in the query to Our Lord "Wilt Thou at this time restore the kingdom to Israel?" and addressed to **IKE**. When Hungarian Catholics and Protestants were slaughtered he ignored the appeals of Cardinal Mindzenty but he acted on the jump upon appeal from the Pharisees."

What Price Integration?

Here is an authoritative book which deals with the known effect of racial integration in the schools and in social life. The author has interviewed some 50,000 Negroes in the course of his daily work and has acquired a rather intimate knowledge of the race.

Without emotion,, he piles up his evidence taken from science, from history, from statistics, and from his own experience, and then proceeds with inescapable logic to his conclusions. Nowhere else will you find as many hard facts about the social and biological aspects of the racial problem as you will find here.

FROM A NEGRO WHO KNOWS THE TRUTH ABOUT THE NAACP

Sept. 29, 1958

Dear Mr. McGinley:

The American people are going to feel pretty silly when, and if, they wake up to the fact that they have been hood-winked and flimflammed into believing that the NAACP is a NEGRO organization.

It is amazing, and certainly no credit to the intelligence of the people, that a small bunch of foreign-born and communists have so successfully deceived one hundred and fifty million Americans as to the REAL identity of the NAACP, which is the source of most of our domestic troubles today.

If you think the NAACP is a Negro organization, you should have your skull bored to let the saw-dust out.

Sept. 23, 1958

Gentlemen:

You are doing a wonderful work. Keep it up! The seed you have sown over the years will eventually sprout in a revival of patriotism which will sweep the traitors into the ocean.

When the rest of us start matching your example with deeds instead of words, with concrete action instead of viewing with dismay, the nemesis of the anti-Christ will arrive wielding a club which will not be stuffed.

Faithfully yours,

F.D.

FROM A WASHINGTON, D.C. OFFICIAL

Aug. 2, 1958

Dear Conde McGinley:

You wage a fine fight—better every year as means and experience are afforded you. I enclose contribution.

Government inhibitions prevent me writing all I think in your praise and for your encouragement.

Americans MAY NOT wake up until some untoward tragedy kicks them in the face. They are so busy with **The Job, The Home, The Church, The Family, The Few Hours Of Leisure And Rest From Work.**

Roosevelt's New Dealers and thousands of queers still infiltrate our Government Offices by virtue of Civil Service protections. The New Order takes advantage of the Old Order. It was strange to Americans—who are not yet awake.

PUBLICATION is the main means to expose, to reveal, to clarify, to inform and educate. YOU of many thousands of editors are the ONLY ONE TO PINPOINT THE CRUEL CRAFTY CORRUPT JEWS (not all of course) IN THE CRIMES, GOD BLESS YOU FOR THAT—and for the data you alone provide.

Senator Eastland last week reported his survey of Supreme Court decisions mostly ANTI-Commie till 1942 and mostly PRO-Commie AFTER Roosevelt's pets, Black, Douglas, Frankfurter got going and Warren came in.

Sincerely,

E.D.

Dedicated-Directed To Women Of America

YOU SHALL KNOW THE TRUTH AND THE TRUTH SHALL SET YOU FREE!

**Written by Women and Directed to
The Women of America**

TO THE WOMEN OF AMERICA

This is the appeal of a great nation for help from its women. Less than two hundred years ago the American patriot Tom Paine wrote a little book called "Common Sense." It became the text book of the American Revolution.

Throughout the thirteen colonies people gathered in their homes, and by lamplight or by firelight they read "Common Sense." The people rallied to the truth about human freedom and found the inspiration and courage to fight for their liberty and the liberty of coming generations.

May this paper, named for its famous ancestor, render today the same service. May it inspire the same courage and determination to fight for the freedom and liberty of the people of America in our time.

DANGER TODAY

American freedom is in grave danger today. It is almost too late. The enemy is hidden, and insidious, and wears the effective disguise of an angel of light and brotherhood. The danger is more difficult to identify than it was in the days when Betsy Ross designed and made Old Glory with her own hands. We are about to be taken over by a merciless and terrible enemy.

It is not only defeat that menaces us today but enslavement of body, mind, and soul. The free way of life in America is so undermined that we could wake up tomorrow and find ourselves no longer free Americans. The enemy congratulates himself that we are blind and unaware. Who is the enemy? What are his weapons? How does he work? What are his aims? What can we do about it? These are the questions you want answered.

WOMEN AND HISTORY

The male mind can spot and destroy the enemy who can be seen and dealt with by physical action and force, but always the male mind has been baffled and confused by the hidden enemy that destroys civilizations. Every civilization which the male mind has built has been destroyed by hidden, unseen and insidious foes.

It is the feminine mind that is best constituted to nurture and preserve civilization, as the woman nurtures and preserves the child. It is a woman's eyes that can penetrate beyond appearances and discover the hidden danger. Men lack this subtlety of insight and understanding. In the past, civilizations have fallen because the insight of women was not applied to government and the preserving of civilization.

WOMAN'S NEW DESTINY

For the first time in history the women of a great nation—the greatest nation on earth—have the political freedom, the education, the right, and the power, to act as a political and moral force. For the first time in history a great nation may, therefore, avoid the debacle and destruction that has always and inevitably overtaken the civilizations that the male mind has built but has been unable to preserve.

Today the women of America must save America! The men have failed. Our Congress has steadily legislated themselves out of every right given them by the Constitution. They have passed treaties that already make the Constitution null and void. The only reason the enemy hasn't moved in is

that they fear revolt. **OUR CONSTITUTION IS NO LONGER THE LAW OF THE LAND!** The time is short.

Who Is The Enemy

If you were the enemy looking with greedy eyes at the wealth of a nation of free people; if you were the enemy desiring power over these free people that you might enslave them; if you were the enemy who has for centuries been parasites on all other nations and races, sucking their wealth and their life blood; if you were the enemy who for thousands of years had refused to integrate or intermarry with other nations or races; if you were the enemy always maintaining your own secret and invisible government above the governments of the nations in which you lived; if you were the enemy plotting through the centuries to make your invisible government the one power in the world; **IF YOU WERE THIS ENEMY** how would you take over the last great nation of free people? By war? But you have always been cowards when it comes to physical combat, so you would instigate wars and see that your victim nations fought them while you sold arms and equipment to both sides. You would bankrupt, divide, and confuse the nations of the world until they cried for peace. Then you would be ready for your great moment. You would bring forth your Invisible Government, set up and ready, and you would call it "The United Nations." You would put out literature dripping with the sentiments of Christian Brotherhood while you outlawed the very word 'Christ' from the schools and textbooks, and you would gloat on having thoroughly duped and deceived the free people. Having found 'Brotherhood' is a magic word, you keep using it while you rape a nation from its people.

MONEY

If you were the enemy, you would gain control of the money and the banking system. (This happened in 1913 with the Federal Reserve Act.) You would gradually tie their banks to the International Bank of The United Nations. (This is the most sensational bank robbery in history.) This would make the money of the nation belong to everybody but the people of the nation. They wouldn't even know it had happened until you were ready to take over

the country. You would systematically bankrupt the nation through higher and higher income tax. You would force small businesses into bankruptcy and have your own racial group ready to buy out these businesses. You would 'up' or 'lower' the "Discount Rate," since you have control of all banking, and make depressions when you choose. And you would win—**UNLESS the WOMEN WAKE UP in TIME.**

JUSTICE

If you were the enemy you would stack the Supreme Court of the land with a powerful and brilliant member of your own race, and with dupes of your race. You would see that the court made such judgments as the "Mallory Decision" so that crime could not be punished in the national capitol. You would release enemy spies and traitors to continue their work in the nation.

And finally, when you were close to taking over the country, you would pass rulings carefully calculated to stir up civil strife between good Americans—white and negro. You would have trained agitators ready to promote and push these riots. This would enable you to quickly take control on the pretext of restoring law and order. **UNLESS the WOMEN WAKE UP in TIME.**

THE PRESS

If you were the enemy you would, early in your plan, gain control of the press through its two or three national news agencies. After all, does anyone ask who owns the national news agencies or whether the owners belong to the group that always insists on its own separateness and non-integration?

Through the press you would slant news to your own advantage. You would smear any patriot who raised his voice. You would omit important news and see that only the news in your favor was published. After all, the local newspapers are dependent upon your news agencies for their news! Most Americans don't know this or never stop to think what it means—if they do—so you are safe in your treachery. **UNLESS the WOMEN WAKE UP in TIME.**

THE POWER OF WOMEN

You are the enemy. For years you've been doing everything you could to degrade womanhood. It's been a planned and systematic campaign. You're wonderful opportunists. You can turn almost any situation to your purposes. Progressive Education was a Godsend to you. You've used it to the full to produce half illiterate citizens, to undermine the home and weaken the authority of parents, until they cringe and ask themselves, "Am I fit to be a parent?" You've actually put parents on the defensive. But women are waking up!

You've degraded womanhood through the movies, TV and radio (which for the most part you own); through the schools (which you control); through obscene and pornographic literature (which you instigated). You've pretty thoroughly dragged the whole creative process of life in the mud.

The women of America have sworn in the presence of Almighty God to expose you, to turn the light of fact and truth upon you, and the light of truth will destroy you.

OUR CHILDREN ROBBED OF THEIR HERITAGE

America is a Christian nation, so declared at its birth. It was founded by Christian patriots. For years there has been a persistent campaign by the enemy, financed in part by the American Jewish Committee (see their confidential budget reports for 1953 and 1954), to prevent the celebration of Christmas in our schools. Throughout America vast amounts of money have been spent to influence state and local governments to pass rulings that there can be no Christmas plays in our public schools. Today most of the schools in our country are forbidden to put on the Christmas plays that have been a great American tradition. The children cannot even be told why we celebrate Christmas.

One hundred and sixty million Americans are being told by twelve million residents in their country that they cannot tell their children that Christmas is the birthday of Christ. Where are our American Freedoms?

Rise up women of America, demand that city and local governments change these insidious laws and rulings. The Enemy has spent millions on the campaigns to get these laws passed.

In the beauty of the lilies,

Christ was born across the sea
With a glory in his bosom
That transfigures you and me.
As he died to make men holy,
Let us die to make men free
While God goes marching on.

(Battle Hymn of the Republic)

THE POWER OF ONE WORD

At this point we must pause and prepare ourselves for a startling discovery. We have been blinded, silenced and bullied by a WORD. This one WORD has practically paralyzed our mental processes and made it impossible for us to think straight much less discover the truth about what is going on in our country.

We might almost say our nation is being betrayed and stolen from us by the use of one WORD. This WORD has been given a special meaning by our enemies. They have made it a dirty WORD and anybody who tries to discover the truth about what is happening to our country is immediately smeared with this WORD. Most good Americans are cowards when this word is mentioned.

This WORD is "Anti-Semitic." The enemy can be as anti-Gentile, as anti-Christian, as anti-White Race as they like and we say nothing; but we allow ourselves to be bullied into abject cringing stupidity by that little WORD "anti-semitic." Our anti-Christian population in America get away with being anti-Christian and we fear that WORD "anti-semitic." The Republic of Israel, written in 1950, by Joseph Dunner, Zionist writer, states on page 10: "To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century on, Jesus became the symbol of anti-Semitism, of libel, of cruelty, of violent death."

It is time that red blooded Americans rose up and wore the WORD "anti-semitic" as a badge of patriotism and a badge of honor. Anti-Semitic means that you are against having God outlawed from our country. Anti-semitic means you are against the One Jewish World. Anti-semitic means you are against the Zionist international Bankers making depressions and then buying out all Gentile businesses as they go bankrupt. Anti-semitic means you are FOR Christianity. Anti-semitic means you are FOR the American Constitution. Anti-semitic means you are FOR a cut in taxes.

Let's begin thinking again in America!

THE WORLD'S GREATEST DETECTIVE STORY

There is unfolding upon the stage of history in our time the most dramatic mystery story of the ages. No melodrama that was ever written can equal it. Because we are actors in the story it has been difficult to get a perspective. The stage is the world. The final act of the drama at present being played, is set in the United States of America. The villain of the story is very well disguised. The end of the play is not yet determined. The villain thinks it is, but he has reckoned without the women of America.

In hundreds of books and documents you will find the clues to this colossal detective story but all that you will find can be summed up in one short paragraph of four sentences written by the enemy himself. Here it is:

Klatzin, Jew Zionist says in Der Jude, "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them (Mr. Goldfine). We form in ourselves a closed juridical and business corporation. A strong Wall built by us separates us from the people of the land in which we live—and behind the wall is a Jewish State."

This "Jewish State Behind the Wall" in every nation is about to emerge as the One World State, which is known to idealistic and brainwashed Americans as "THE UNITED NATIONS." This is a secret that has been so jealously guarded that billions have been spent to own, muzzle, and control our Press, TV, and radio. Powerful Jewish organizations have collected money for years to muzzle all avenues of communication to the people. The Anti-Defamation League (Gestapo of the JEWISH STATE BEHIND THE WALL) in America, is said to have more complete files for patriots than FBI has on our enemies.

Every American patriot who has raised his voice against the United Nations to warn us has been smeared, or blackmailed or effectively silenced in some other way. This is where control of the Press by the JEWISH STATE BEHIND THE WALL IN EVERY NATION has paid off.

The very secret Financial Report of the American Jewish Committee, for two succeeding years reveals the whole plot. These two reports were photostated by patriots and are available to the American public. This revelation is considered by the Zionists (Jews) the most serious blow their world plot has received in fifty years of its careful work. This is why they have speeded up their plan for take over of our nation.

The Jew Maurice Samuel in his book "YOU GENTILES" page 155 says: "WE JEWS, WE THE DESTROYERS, WILL REMAIN THE DESTROYERS FOREVER. NOTHING THAT YOU CAN DO WILL MEET OUR NEEDS AND DEMANDS. WE WILL DESTROY BECAUSE WE NEED A WORLD OF OUR OWN."

Not just a nation, not just a place in the sun. The Jews want the WORLD. And they almost have it.

The largest percentage of these are Zionist Jews, purveyors of their own One World Government and One World Bank. The "Federal" Reserve Bank is no more Federal than your "Federal" Laundry is government owned. Our government printing press prints money, hands it over to the privately owned "Federal Reserve Bank" and then borrows it back at a high rate of interest which the Zionist bankers collect. We continue to do this so that we never even catch up with the interest which constantly increases. The present interest on the national debt is almost eight billion dollars a year. This is the "Money Changer Method" of bankrupting an individual or a nation. Christ cast the Money Changers out of the temple for bankrupting their own people in the same way. This time it is a nation which is being bankrupted and a whole world. Demand that the Federal Reserve Act be repealed. Go on demanding it until it is done. Write your Congressmen, your Senators, the President. Write every week until you get results.

This control of our money makes it possible for these International Zionist Bankers to create or stop a depression whenever they like. The '29 depression was deliberately brought on by these same Zionist bankers. There was nothing wrong with our productive ability as a nation. This our Enemy knows—that people who are hungry are easily beaten down and enslaved.

MORE CLUES

You've been wondering why all the confusion in the world and in our country. There is a fabulous book, another secret document, which was discovered at the beginning of the century which gives the whole plan for the take over of the world. Henry Ford said in the 1920's that the authenticity of this document was indicated by how faithfully it had been carried out up to that time. In 1958 we find that it is

being carried out on schedule. More than a million copies of this book have been sold in Europe and England. It is the handbook or blueprint for the Drama of World take over. This is one book you must not miss.

BENJAMIN FRANKLIN'S PREDICTION
Excerpt: From the Journal of Charles Pickney of South Carolina of the proceedings of the CONSTITUTIONAL CONVENTION of 1789.

Benjamin Franklin's Statement regarding Jewish Immigration: "There is a great danger for the United States of America. This great danger is the Jew. Gentlemen, in every land which the Jews have settled they have depressed the moral level and lowered the degree of commercial honesty. They have remained apart and unassimilated — they have created a state within a state, and when they are oppressed they attempt to strangle the nation financially, as in the case of Portugal and Spain.

"For more than seventeen hundred years they have lamented their sorrowful fate—namely, that they were driven out of their motherland but, gentlemen, if the civilized world today should give them back Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires — cannot live on other vampires — they cannot live among themselves. They must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States by the Constitution, within less than two hundred years they will stream into this country in such numbers that they will rule and destroy and change our form of government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded, within two hundred years our children will be working in the fields to feed the Jews, while they remain in the counting house gleefully rubbing their hands.

"I warn you, gentlemen, if you do not exclude the Jew forever, your children and your children's children will curse you in your grave. Their ideals are not those of Americans, even when they have lived among us for ten generations. The leopard cannot change his spots. The Jews are a danger to this land, and if they are allowed to enter they will imperil our institutions — they should be excluded by the Constitution."

The original of this copy has been stolen from the Franklin Institute of Philadelphia, Pennsylvania. The editor interviewed a party who copied this while it was in the institute and signed an affidavit to that effect.

THIS IS THE ENEMY THAT BENJAMIN FRANKLIN WAS NOT AFRAID TO NAME. Less than two hundred years later the Zionist Jews in our Country are destroying our Declaration of Independence, our Constitution, our Bill of Rights. They are destroying our Economy, our Culture, and our Traditions, as set forth in their master blueprint "The Protocols of The Learned Elders of Zion."

"SEMITIC" PSYCHOLOGY

"Semitic" psychology is devious and involved and almost impossible for the Gentile mind to understand. The Jew is a coward when it comes to any kind of physical violence to his person. Consequently he hides behind other people and other names, 'isms' and ideologies. He even has his nose altered. He has an almost pathological fear of exposure of his scheming and his perfidy. His third characteristic, which is important to remember, is his amazing and unquenchable thirst for Revenge. He will visit revenge upon the second and third generations of those who have been his expositors.

This devious quality of hiding behind at least three other people in the carrying out of his schemes baffles and confuses the Gentile. The Jew always points at one of his Gentile victims or dupes as the guilty party. Sherman Adams must be very confused. Did he cease to be useful to those who had duped him? He was expendable.

OUR PRESS BLACKOUT

You are going to ask why our newspapers and magazines, our radio and our television haven't told us these things. There is a very good reason. In the Blue Print for "take over" the press and how to control it is thoroughly discussed and arranged.

It is simpler than we think when we know the story. All the newspapers throughout the country depend upon the three great NEWS AGENCIES for all their news. Find out who owns these AGENCIES and an amazing plot will be clear. And be sure you discover that third man back from the front. You will have to make the same inquiry about the radio stations and TV channels.

If an editor of a local newspaper gets out of line and accidentally or intentionally exposes even a little of the Zionist Plot in our country, he is immediately smeared as anti-semitic. And even more effective, the Jewish advertisers and anyone they can "influence" by withholding business, withdraw their advertising. The paper goes bankrupt before it even had a chance to alert its readers. Ask what has happened to any number of radio announcers who have tried to tell us the truth. It is so simple that we don't even know we no longer have a free press and that our communications are controlled.

THE INCOMPARABLE BABYLONIAN TALMUD

Since you will not likely see a copy of the Talmud we will quote a few passages from this "Divine Law" of the Jews.

"Marriages taking place among Gentiles have no binding strength, i.e. their cohabitation is as the coupling of horses therefore their children do not stand as humanly related to their parents." (law 88)

Does it surprise you that everything possible is being done to degrade human relationships through the movies and the magazines? Does it surprise you that our teen age children are being encouraged to every kind of sex promiscuity?

"The robbing of a Gentile is allowable as they are not our brothers." (Baba mezia 61)

Is it not readily apparent what has happened to honesty and the business ethics of our country? Remember, Dr. Wise says, "The modern Jew is the product of the Talmud."

"A Jew is permitted to rape, cheat, perjure himself, but he must take care that he is not found out, so that Israel may not suffer." (Schul Aruch Jore D)

This is the moral attitude of those who control the emerging "World Government"—the United Nations.

WATCH THE CIVIL RIGHTS LAW

"If a Goy (Gentile) kills a Goy or a Jew he is responsible; but if a Jew kills a Goy he is not responsible." (Tosefta Aboda Zara 8:5)

The emerging World Government will dispense this kind of justice. Remember Justice Frankfurter is one of the products of the Talmud, one of its most honored products. Remember also that Chief Justice Warren has donned a skull cap and studied this law of the Talmud and pronounces it superb.

WATCH FOR THE

"ANTI-SEMITIC" LEGISLATION

"It is permitted to kill a Jew denunciator everywhere. It is permitted to kill him even before he has denounced." (Schulchan Aruch Choszen Hamispat 339)

And we cower and cringe when we are accused of being "anti-semitic"! Remember, the modern Jew is a product of the Talmud.

DID EARL WARREN KNOW THIS?

"A Jew may violate but not marry a non Jewish girl." (Shas 2:2)

"A Gentile girl that is three years old can be violated." (Aboda Shara 37) A

"A Jew may do to a non Jewess what he can do. He may treat her as he treats a piece of meat." (Nadarine 20 B; Shulchan Aruch Choszen Hamispat 348)

If this is "Semiticism" then let us proudly proclaim to the world that we are anti-semitic.

MORALITY AND JUSTICE

"A thing lost by a Goy (Gentile) may not only be kept by the man who found it but it is even forbidden to give it back to him." (Schulchan Aruch Choszen Hamispat 266, 1)

Is it any wonder that the whole fabric of American business has been corrupted? There was a time when a man's word was his bond; but with Jews like Goldfine saying cotton is wool, with Talmudic license, honesty is disappearing from American business.

THE TALMUD — JEWISH LAW

A set of the TALMUD less 5 books missing when photographed. People who accept the 50¢ edition as the COMPLETE Talmud are being cleverly deceived.

WHAT HAS HAPPENED TO OUR SCHOOLS

Education is the bulwark of a free people. Naturally the enemy aims at the corruption of Education long before it plans to actually take over a nation. Remember the Jews boast that for centuries they have been a separate state within each nation.

Progressive Education was a Godsend to the Jews. It became a watchword which they have picked up and used to the full. Let us investigate the beginnings of Progressive Education.

"Fitchie laid it down that education should aim at destroying free will, so that after leaving school they should be incapable . . . throughout the rest of their lives . . . of thinking or acting otherwise than their schoolmasters would have wished . . . failure is not likely to occur where there is dictatorship." (Age of Treason 179)

This is "Progressive Education."

John Dewey, who was the father of modern "Progressive Education," at Columbia University taught and laid down the following basic principles:

1. "There are no absolute or eternal truths."
2. "There is no such thing as a human soul or a human mind in the Christian Sense."
3. There are no fixed moral laws."

This is "Progressive Education."

FLUORIDATION ANOTHER CLUE

The concepts of Dewey were based on those of Lenin, Jewish Bolshevik leader, who taught that "love between man and woman was only a physiological process and should be made common and trivial, like taking a glass of water." This theory has had much influence in the development of modern sex education in our schools.

This is "Progressive Education."

When we sent Charles Elliot Perkins, biochemist, physiologist and pathologist, to Germany to help take charge of the I. G. Farben Chemical plants in Germany at the end of the second world war, certain facts came to light which have been carefully withheld from the American people.

Mr. Perkins wrote a book entitled, "The Truth About Fluoridation." The idea of Fluoridation was brought to England before the war by the Russian Communist Kreminoff.

In Europe the use of Sodium Fluoride occupied a prominent place. It was discovered through the research of chemists that in the "rear occiput of the left lobe of the brain there is a small area of brain tissue that is responsible for the individual's power to resist domination by slowly poisoning and narcotizing this area of the brain tissue and make him submissive to the will of those who want to govern him . . ."

" . . . the German Staff and the Russian General Staff exchanged scientific and mili-

tary ideas . . . the scheme of mass control through water medication was siezed upon by the Russian Communists . . ."

Perkins was told of the whole plan by a German Chemist of the Farben Chemical Industries. He further states that "any person who drinks artificially fluoridated water for the period of one year or more will never again be the same person mentally or physically."

The finding that a certain group of people in our country showed exceptionally good teeth was the signal and opportunity for the perpetration of one of the most dangerous hoaxes in history. Don't blame your dentist or your doctor—he has been the victim of this hoax too. And the doctors who know the truth and could warn the people have the Press closed to them.

Fluoridation is one of the most dangerous and diabolical methods of the enemy. They weaken our will to resist through the medication of our water. Washington, D.C. has fluoridated water. Is this what is wrong with our Congressmen?

MENTAL HEALTH

"Mental Health and World Citizenship" is the title under which the Zionist One World Government, that "Jewish state behind the wall in every nation," is seeking to destroy all intelligent leadership. Some one is paying millions of dollars for radio time, day and night to assure us that we, the stupid Goyim, are mentally ill.

Who can be behind this tremendous drive? Of course lots of brainwashed Gentiles are out collecting money for "Mental Health" without the least comprehension of what is behind it.

The general definition in the legislation being passed is that "anyone who does not agree with the majority is mentally ill." What a dangerous definition! According to this definition every American patriot who signed the Declaration of Independence was "mentally ill."

Twenty-two states now have laws which make it possible for an individual upon the accusation of any person to be picked up and confined to a mental home. This can be done without the consent of his family, without the consent of his doctor and without the consent of his lawyer. Furthermore his property can be put under the guardianship of a county official and disposed of to pay for his confinement and treatment in a mental institution.

He can be given shock treatment or a lobotomy or any other treatment without the consent of his family and without a judge or any responsible person on his side deciding that he actually is insane.

AMERICA WAKE UP, THIS IS ONE OF THE ENEMIES MOST DEADLY WEAPONS. FIND OUT ABOUT YOUR STATE LAWS. DEMAND THAT THESE DANGEROUS LAWS BE REPEALED. THE MENTAL HEALTH LAWS ARE CAREFULLY PLANNED AND DESIGNED TO DESTROY ANY AMERICAN PATRIOT WHO DISCOVERS THE GREAT PLOT AND RESISTS IT.

Read and pass on!

Women

—o— (Continued from Page 3) —o—

WHAT CAN YOU DO

There is a plan for saving America. It requires the help of every American woman. This is the eleventh hour.

A list of books and publications will be found at the end of this page. Form groups of six or eight or ten women. Let each one buy one of the books and subscribe to one of the newspapers. Then pass these around within your group. In this way thousands of small circulating patriotic libraries can be formed over night. Get your facts. Remember the truth has power.

Order extra copies of any newspaper or pamphlet which you find especially enlightening. Mail these copies to friends all over the country. If necessary mail them anonymously. Use the printed word.

GET ORGANIZED

Organize small groups of women to fight one particular problem. Organize mother groups to visit the classes in the public schools. If one mother does this her child will be discriminated against. But if ten mothers or twenty-five mothers visit the school classes day after day, two at the time, there will be power in numbers. Organize discussion groups and information groups. Let a wave of patriotic meetings and groups sweep this country as never before in its history. Work in small groups everywhere and all over the country. One suggestion is that triangles of three women work together to form larger groups. Be well armed with literature.

Organize letter writing groups to deluge Congress and the senate with demands for the action which is necessary. Keep on and on writing until you get results. The Communist can get fifty thousand letters to Congress day after day. They are organized!

BE COURAGEOUS

At first you are going to be so shocked, so horrified, and so dumbfounded that you will be overwhelmed. It will seem incredible to you that so much evil could go on right here in "Free" America. You will think you know the whole story and then you will uncover some new treachery. You will feel that you are surrounded that the enemy has already won. Be assured he hasn't. Remember he is at heart a coward. Expose him and go on Exposing him. Like cockroaches surprised when the light goes on at night he will run in all directions. Be courageous. Keep fighting. Turn the light of truth on The Enemy.

DID YOU KNOW

Did you know our atomic energy program has been under the command of Jews from the start.

Did you know the NAACP has had for its president all along a Zionist Jew.

The reason for the whole "Civil Rights" controversy is not to help or protect the negroes. The negroes are simply an excuse and are being used as a catspaw to pave the way for Anti-semitic legislation. Such legislation would make it a criminal offense to say anything against a Jew no matter how true it might be. This was one of the first things done in Russia when the Jew Bolsheviks took the country. Tens of thousands of Christians were sent to Siberian slave labor under the Russian Anti-semitic law.

Did you know that Walter Reuther said, "We do not believe in God but that man is God." He said this in a speech at the Masonic temple in Flint, Michigan in response to a question about religion in Russia where he and his brother had been attending college.

Did you know that even after money has been appropriated by Congress for our Defense projects it can be held up indefinitely by the bureau of the Budget and the Secretary of Defense? It was held up long enough for Russia to get a sputnik first. It can be held up long enough for Russia to have over five hundred submarines deployed off our coasts while we have just over a hundred submarines.

Even after congress has appropriated ample funds we can be left in the lurch and found wanting even in basic defense because the hidden influences are slow to turn over the money and make action possible. Did you know this?

Did you know that Treaty Law supercedes the Constitution in all states and local governments? Did you know that a treaty becomes the law of the land according to article six of the Constitution and operates over and above the Constitution and that this is a fatal loophole in our Constitution?

Did you know that a treaty can be ratified and become the supreme law of the land if it is passed by two-thirds of those present in the Senate?

Did you know that by Treaty law the Charter of the United Nations is now the supreme law of the land in these United States?

Did you know that the only reason the "Hidden Jewish state behind the wall in every nation" hasn't yet taken over, is that they are cowards? They want to be sure we are completely tied hand and foot by "sneak" legislation such as the Mental Health laws.

First on the agenda of the new Congress must be action to get the United States out of the United Nations and the United Nations out of the United States. Write. Storm the Senate. Hold protest meetings.

Did you know here in America the Zionist are dividing our nation over "segregation" and planning to set up a "Black Soviet Republic" in the South? The plan for this "Black Soviet Republic" is recorded

in the Congressional Record.

Did you know that in "Free" America today a farmer cannot raise wheat and feed it to his cattle if he has a "zero quota." It is against the law and he has no appeal. He can be fined and lose his farm and agricultural equipment and be made a pauper in paying the fine. It is happening all over the country. He must let his land lie idle. He must buy wheat or oats or what ever it may be to feed his cattle.

THE BIGGEST BRAINWASH OF ALL

For hundreds of years the Christians of Europe and of America have been taught in their churches that the Old Testament is the Holy Book of the Jews. We conclude and are taught that therefore the beliefs of the Jews differ very little from ours. We accept both the Old and the New Testaments and the Jews accept only the Old Testament, but it doesn't matter too much we have been told.

THE OLD TESTAMENT IS NOT THE HOLY BOOK OF THE JEWS. THE BABYLONIAN TALMUD IS THE HOLY BOOK OF THE JEWS. The Babylonian Talmud is taught in the synagogues. It is the book by which the Jews direct all their actions.

Here is another surprise for the average Christian American. This same Talmud is kept very secret and the Soncino (English edition) can be secured only with difficulty. Don't be misled by the abridged and cleaned up editions now being put out. The Talmud formerly consisted of 63 books, but has since been condensed to 35.

Dr. Isaac Wise states in the English authorized edition of the Talmud, in the introduction: "It (the Babylonian Talmud) still dominates the minds of a whole people, who venerate its contents as divine truth." He states further, "and now it is flourishing to such a degree as cannot be found in its history." On another occasion Dr. Isaac M. Wise says, "The Modern Jew is the product of the Talmud."

Dedicated-Directed To Women Of America

YOU SHALL KNOW THE TRUTH AND THE TRUTH SHALL SET YOU FREE!

Written by Women and Directed to
The Women of America

TO THE WOMEN OF AMERICA

This is the appeal of a great nation for help from its women. Less than two hundred years ago the American patriot Tom Paine wrote a little book called "Common Sense." It became the text book of the American Revolution.

Throughout the thirteen colonies people gathered in their homes, and by lamplight or by firelight they read "Common Sense." The people rallied to the truth about human freedom and found the inspiration and courage to fight for their liberty and the liberty of coming generations.

May this paper, named for its famous ancestor, render today the same service. May it inspire the same courage and determination to fight for the freedom and liberty of the people of America in our time.

DANGER TODAY

American freedom is in grave danger today. It is almost too late. The enemy is hidden, and insidious, and wears the effective disguise of an angel of light and brotherhood. The danger is more difficult to identify than it was in the days when Betsy Ross designed and made Old Glory with her own hands. We are about to be taken over by a merciless and terrible enemy.

It is not only defeat that menaces us today but enslavement of body, mind, and soul. The free way of life in America is so undermined that we could wake up tomorrow and find ourselves no longer free Americans. The enemy congratulates himself that we are blind and unaware. Who is the enemy? What are his weapons? How does he work? What are his aims? What can we do about it? These are the questions you want answered.

WOMEN AND HISTORY

The male mind can spot and destroy the enemy who can be seen and dealt with by physical action and force, but always the male mind has been baffled and confused by the hidden enemy that destroys civilizations. Every civilization which the male mind has built has been destroyed by hidden, unseen and insidious foes.

It is the feminine mind that is best constituted to nurture and preserve civilization, as the woman nurtures and preserves the child. It is a woman's eyes that can penetrate beyond appearances and discover the hidden danger. Men lack this subtlety of insight and understanding. In the past, civilizations have fallen because the insight of women was not applied to government and the preserving of civilization.

WOMAN'S NEW DESTINY

For the first time in history the women of a great nation—the greatest nation on earth—have the political freedom, the education, the right, and the power, to act as a political and moral force. For the first time in history a great nation may, therefore, avoid the debacle and destruction that has always and inevitably overtaken the civilizations that the male mind has built but has been unable to preserve.

Today the women of America must save America! The men have failed. Our Congress has steadily legislated themselves out of every right given them by the Constitution. They have passed treaties that already make the Constitution null and void. The only reason the enemy hasn't moved in is that they fear revolt. OUR CONSTITU-

There is NO LONGER THE LAW OF THE LAND! The time is short.

Who Is The Enemy

If you were the enemy looking with greedy eyes at the wealth of a nation of free people; if you were the enemy desiring power over these free people that you might enslave them; if you were the enemy who has for centuries been parasites on all other nations and races, sucking their wealth and their life blood; if you were the enemy who for thousands of years had refused to integrate or intermarry with other nations or races; if you were the enemy always maintaining your own secret and invisible government above the governments of the nations in which you lived; if you were the enemy plotting through the centuries to make your invisible government the one power in the world; **IF YOU WERE THIS ENEMY** how would you take over the last great nation of free people? By war? But you have always been cowards when it comes to physical combat, so you would instigate wars and see that your victim nations fought them while you sold arms and equipment to both sides. You would bankrupt, divide, and confuse the nations of the world until they cried for peace. Then you would be ready for your great moment. You would bring forth your Invisible Government, set up and ready, and you would call it "The United Nations." You would put out literature dripping with the sentiments of Christian Brotherhood while you outlawed the very word 'Christ' from the schools and textbooks, and you would gloat on having thoroughly duped and deceived the free people. Having found 'Brotherhood' is a magic word, you keep using it while you rape a nation from its people.

MONEY

If you were the enemy, you would gain control of the money and the banking system. (This happened in 1913 with the Federal Reserve Act.) You would gradually tie their banks to the International Bank of The United Nations. (This is the most sensational bank robbery in history.) This would make the money of the nation

belong to everybody but the people of the nation. They wouldn't even know it had happened until you were ready to take over the country. You would systematically bankrupt the nation through higher and higher income tax. You would force small businesses into bankruptcy and have your own racial group ready to buy out these businesses. You would 'up' or 'lower' the "Discount Rate," since you have control of all banking, and make depressions when you choose. And you would win—**UNLESS the WOMEN WAKE UP in TIME.**

JUSTICE

If you were the enemy you would stack the Supreme Court of the land with a powerful and brilliant member of your own race, and with dupes of your race. You would see that the court made such judgments as the "Mallory Decision" so that crime could not be punished in the national capitol. You would release enemy spies and traitors to continue their work in the nation.

And finally, when you were close to taking over the country, you would pass rulings carefully calculated to stir up civil strife between good Americans—white and negro. You would have trained agitators ready to promote and push these riots. This would enable you to quickly take control on the pretext of restoring law and order. **UNLESS the WOMEN WAKE UP in TIME.**

THE PRESS

If you were the enemy you would, early in your plan, gain control of the press through its two or three national news agencies. After all, does anyone ask who owns the national news agencies or whether the owners belong to the group that always insists on its own separateness and non-integration?

Through the press you would slant news to your own advantage. You would smear any patriot who raised his voice. You would omit important news and see that only the news in your favor was published. After all, the local newspapers are dependent upon your news agencies for their news! Most Americans don't know this or never stop to think what it means—if they do—so you are safe in your treachery. **UNLESS the WOMEN WAKE UP in TIME.**

THE POWER OF WOMEN

You are the enemy. For years you've been doing everything you could to degrade womanhood. It's been a planned and systematic campaign. You're wonderful opportunists. You can turn almost any situation to your purposes. Progressive Education was a Godsend to you. You've used it to the full to produce half illiterate citizens, to undermine the home and weaken the authority of parents, until they cringe and ask themselves, "Am I fit to be a parent?" You've actually put parents on the defensive. But women are waking up!

You've degraded womanhood through the movies, TV and radio (which for the most part you own); through the schools (which you control); through obscene and pornographic literature (which you instigated). You've pretty thoroughly dragged the whole creative process of life in the mud.

The women of America have sworn in the presence of Almighty God to expose you, to turn the light of fact and truth upon you, and the light of truth will destroy you.

IN GOD WE TRUST

"In God we trust!" When our nation was founded nearly two hundred years ago these words on the great seal of the United States of America set the keynote for our Republic. On our new dollar bills we find these same words, "In God We Trust." Yet Pat Brown, out in the great state of California has ruled that the name of God cannot be mentioned in the public schools of that state. Pat Brown and Walter Reuther think that Pat Brown can be elected as governor of California when he proudly and boldly announces that he will eliminate God from the schools.

If the people of California want God outlawed from their state then they will elect Pat Brown as governor. The logical outcome of outlawing God is that Communism moves in. Are the Communists about to capture the state of California?

GOD GETS KICKED OUT OF SCHOOL LIBRARY

After the ruling of State Attorney General, Pat Brown, had been made, one school eager to obey the ruling, instructed its librarian to examine all books in the school library and remove those that mentioned God. Rumor has it that the school is very low on books!

There is no doubt that Communist Groups all over the country will be donating books. This school library will bear examining by parents and patriotic citizens. It is time that the women organized investigation groups to examine school libraries and find out what our children are being given to read.

This kind of thing is happening in every other state in the Union. Michigan has a godless Walter Reuther Governor. Are the public schools of that state also becoming Godless?

OUR CHILDREN ROBBED OF THEIR HERITAGE

America is a Christian nation, so declared at its birth. It was founded by Christian patriots. For years there has been a persistent campaign by the enemy, financed in part by the American Jewish Committee (see their confidential budget reports for 1953 and 1954), to prevent the celebration of Christmas in our schools. Throughout America vast amounts of money have been spent to influence state and local governments to pass rulings that there can be no Christmas plays in our public schools. Today most of the schools in our country are forbidden to put on the Christmas plays that have been a great American tradition. The children cannot even be told why we celebrate Christmas.

One hundred and sixty million Americans are being told by twelve million residents in their country that they cannot tell their children that Christmas is the birthday of Christ. Where are our American Freedoms?

Rise up women of America, demand that city and local governments change these insidious laws and rulings. The Enemy has spent millions on the campaigns to get these laws passed.

In the beauty of the lilies,

Christ was born across the sea
With a glory in his bosom
That transfigures you and me.
As he died to make men holy,
Let us die to make men free
While God goes marching on.

(Battle Hymn of the Republic)

THE POWER OF ONE WORD

At this point we must pause and prepare ourselves for a startling discovery. We have been blinded, silenced and bullied by a WORD. This one WORD has practically paralyzed our mental processes and made it impossible for us to think straight much less discover the truth about what is going on in our country.

We might almost say our nation is being betrayed and stolen from us by the use of one WORD. This WORD has been given a special meaning by our enemies. They have made it a dirty WORD and anybody who tries to discover the truth about what is happening to our country is immediately smeared with this WORD. Most good Americans are cowards when this word is mentioned.

This WORD is "Anti-Semitic." The enemy can be as anti-Gentile, as anti-Christian, as anti-White Race as they like and we say nothing; but we allow ourselves to be

bullied into abject cringing stupidity by that little WORD "anti-semitic." Our anti-Christian population in America get away with being anti-Christian and we fear that WORD "anti-semitic." The Republic of Israel, written in 1950, by Joseph Dunner, Zionist writer, states on page 10: "To Christians of all denominations Jesus is the symbol of all that is pure, sacred, and lovely. To Jews from the fourth century on, Jesus became the symbol of anti-Semitism, of libel, of cruelty, of violent death."

It is time that red blooded Americans rose up and wore the WORD "anti-semitic" as a badge of patriotism and a badge of honor. Anti-Semitic means that you are against having God outlawed from our country. Anti-semitic means you are against the One Jewish World. Anti-semitic means you are against the Zionist international Bankers making depressions and then buying out all Gentile businesses as they go bankrupt. Anti-semitic means you are FOR Christianity. Anti-semitic means you are FOR the American Constitution. Anti-semitic means you are FOR a cut in taxes.

Let's begin thinking again in America!

THE WORLD'S GREATEST DETECTIVE STORY

There is unfolding upon the stage of history in our time the most dramatic mystery story of the ages. No melodrama that was ever written can equal it. Because we are actors in the story it has been difficult to get a perspective. The stage is the world. The final act of the drama at present being played, is set in the United States of America. The villain of the story is very well disguised. The end of the play is not yet determined. The villain thinks it is, but he has reckoned without the women of America.

In hundreds of books and documents you will find the clues to this colossal detective story but all that you will find can be summed up in one short paragraph of four sentences written by the enemy himself. Here it is:

Klatzin, Jew Zionist says in Der Jude, "Only the Jewish Code rules our life. Whenever other laws are forced upon us, we regard them as dire oppression and constantly dodge them (Mr. Goldfine). We form in ourselves a closed juridical and business corporation. A strong Wall built by us separates us from the people of the land in which we live—and behind the wall is a Jewish State."

This "Jewish State Behind the Wall" in every nation is about to emerge as the One World State, which is known to idealistic and brainwashed Americans as "THE UNITED NATIONS." This is a secret that has been so jealously guarded that billions have been spent to own, muzzle, and control our Press, TV, and radio. Powerful Jewish organizations have collected money for years to muzzle all avenues of communication to the people. The Anti-Defamation League (Gestapo of the JEWISH STATE BEHIND THE WALL) in America, is said to have more complete files for patriots than FBI has on our enemies.

Every American patriot who has raised his voice against the United Nations to warn us has been smeared, or blackmailed or effectively silenced in some other way. This is where control of the Press by the JEWISH STATE BEHIND THE WALL IN EVERY NATION has paid off.

The very secret Financial Report of the American Jewish Committee, for two succeeding years reveals the whole plot. These two reports were photostated by patriots and are available to the American public. This revelation is considered by the Zionists (Jews) the most serious blow their world plot has received in fifty years of its careful work. This is why they have speeded up their plan for take over of our nation.

The Jew Maurice Samuel in his book "YOU GENTILES" page 155 says: "WE JEWS, WE THE DESTROYERS, WILL REMAIN THE DESTROYERS FOREVER. NOTHING THAT YOU CAN DO WILL MEET OUR NEEDS AND DEMANDS. WE WILL DESTROY BECAUSE WE NEED A WORLD OF OUR OWN."

Not just a nation, not just a place in the sun. The Jews want the WORLD. And they almost have it.

The largest percentage of these are Zionist Jews, purveyors of their own One World

Government and One World Bank. The "Federal" Reserve Bank is no more Federal than your "Federal" Laundry is government owned. Our government printing press prints money, hands it over to the privately owned "Federal Reserve Bank" and then borrows it back at a high rate of interest which the Zionist bankers collect. We continue to do this so that we never even catch up with the interest which constantly increases. The present interest on the national debt is almost eight billion dollars a year. This is the "Money Changer Method" of bankrupting an individual or a nation. Christ cast the Money Changers out of the temple for bankrupting their own people in the same way. This time it is a nation which is being bankrupted and a whole world. Demand that the Federal Reserve Act be repealed. Go on demanding it until it is done. Write your Congressmen, your Senators, the President. Write every week until you get results.

This control of our money makes it possible for these International Zionist Bankers to create or stop a depression whenever they like. The '29 depression was deliberately brought on by these same Zionist bankers. There was nothing wrong with our productive ability as a nation. This our Enemy knows—that people who are hungry are easily beaten down and enslaved.

MORE CLUES

You've been wondering why all the confusion in the world and in our country. There is a fabulous book, another secret document, which was discovered at the beginning of the century which gives the whole plan for the take over of the world. Henry Ford said in the 1920's that the authenticity of this document was indicated by how faithfully it had been carried out up to that time. In 1958 we find that it is being carried out on schedule. More than a million copies of this book have been sold in Europe and England. It is the handbook or blueprint for the Drama of World take over. This is one book you must not miss.

BENJAMIN FRANKLIN'S PREDICTION
Excerpt: From the Journal of Charles Pickney of South Carolina of the proceedings of the **CONSTITUTIONAL CONVENTION of 1789.**

Benjamin Franklin's Statement regarding Jewish Immigration: "There is a great danger for the United States of America. This great danger is the Jew. Gentlemen, in every land which the Jews have settled they have depressed the moral level and lowered the degree of commercial honesty. They have remained apart and unassimilated — they have created a state within a state, and when they are oppressed they attempt to strangle the nation financially, as in the case of Portugal and Spain.

"For more than seventeen hundred years they have lamented their sorrowful fate—namely, that they were driven out of their motherland but, gentlemen, if the civilized world today should give them back Palestine and their property, they would immediately find pressing reasons for not returning there. Why? Because they are vampires — cannot live on other vampires — they cannot live among themselves. They must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States by the Constitution, within less than one hundred years they will stream into this country in such numbers that they will rule and destroy and change our form of government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded, within two hundred years our children will be working in the fields to feed the Jews, while they remain in the counting house gleefully rubbing their hands.

"I warn you, gentlemen, if you do not exclude the Jew forever, your children and your children's children will curse you in your grave. Their ideals are not those of Americans, even when they have lived among us for ten generations. The leopard cannot change his spots. The Jews are a danger to this land, and if they are allowed to enter they will imperil our institutions — they should be excluded by the Constitution."

The original of this copy has been stolen from the Franklin Institute of Philadelphia, Pennsylvania. The editor interviewed a party who copied this while it was in the institute, and signed an affidavit to that effect.

THIS IS THE ENEMY THAT BENJAMIN FRANKLIN WAS NOT AFRAID TO NAME. Less than two hundred years later the Zionist Jews in our Country are destroying our Declaration of Independence, our Constitution, our Bill of Rights. They are destroying our Economy, our Culture, and our Traditions, as set forth in their master blueprint "The Protocols of The Learned Elders of Zion."

"SEMITIC" PSYCHOLOGY

"Semitic" psychology is devious and involved and almost impossible for the Gentile mind to understand. The Jew is a coward when it comes to any kind of physical violence to his person. Consequently he hides behind other people and other names, 'isms' and ideologies. He even has his nose altered. He has an almost pathological fear of exposure of his scheming and his perfidy. His third characteristic, which is important to remember, is his amazing and unquenchable thirst for Revenge. He will visit revenge upon the second and third generations of those who have been his expositors.

This devious quality of hiding behind at least three other people in the carrying out of his schemes baffles and confuses the Gentile. The Jew always points at one of his Gentile victims or dupes as the guilty party. Sherman Adams must be very confused. Did he cease to be useful to those who had duped him? He was expendable.

OUR PRESS BLACKOUT

You are going to ask why our newspapers and magazines, our radio and our television haven't told us these things. There is a very good reason. In the Blue Print for "take over" the press and how to control it is thoroughly discussed and arranged.

It is simpler than we think when we know the story. All the newspapers throughout the country depend upon the three great NEWS AGENCIES for all their news. Find out who owns these AGENCIES and an amazing plot will be clear. And be sure you discover that third man back from the front. You will have to make the same inquiry about the radio stations and TV channels.

If an editor of a local newspaper gets out of line and accidentally or intentionally exposes even a little of the Zionist Plot in our country, he is immediately smeared as anti-semitic. And even more effective, the Jewish advertisers and anyone they can "influence" by withholding business, withdraw their advertising. The paper goes bankrupt before it even had a chance to alert its readers. Ask what has happened to any number of radio announcers who have tried to tell us the truth. It is so simple that we don't even know we no longer have a free press and that our communications are controlled.

THE INCOMPARABLE BABYLONIAN TALMUD

Since you will not likely see a copy of the Talmud we will quote a few passages from this "Divine Law" of the Jews.

"Marriages taking place among Gentiles have no binding strength, i.e. their cohabitation is as the coupling of horses therefore their children do not stand as humanly related to their parents." (law 88)

Does it surprise you that everything possible is being done to degrade human relationships through the movies and the magazines? Does it surprise you that our teen age children are being encouraged to every kind of sex promiscuity?

"The robbing of a Gentile is allowable as they are not our brothers." (Baba mezia 61)

Is it not readily apparent what has happened to honesty and the business ethics of our country? Remember, Dr. Wise says, "The modern Jew is the product of the Talmud."

"A Jew is permitted to rape, cheat, perjure himself, but he must take care that he is not found out, so that Israel may not suffer." (Schul Aruch Jore D)

This is the moral attitude of those who control the emerging "World Government"—the United Nations.

WATCH THE CIVIL RIGHTS LAW

"If a Goy (Gentile) kills a Goy or a Jew he is responsible; but if a Jew kills a Goy he is not responsible." (Tosefta Aboda Zara 8:5)

The emerging World Government will dispense this kind of justice. Remember

THE TALMUD — JEWISH LAW

A set of the TALMUD less 5 books missing when photographed. People who accept the 50¢ edition as the COMPLETE Talmud are being cleverly deceived.

Justice Frankfurter is one of the products of the Talmud, one of its most honored products. Remember also that Chief Justice Warren has donned a skull cap and studied this law of the Talmud and pronounces it superb.

WATCH FOR THE

"ANTI-SEMITIC" LEGISLATION

"It is permitted to kill a Jew denunciator everywhere. It is permitted to kill him even before he has denounced." (Schulchan Aruch Choszen Hamispat 339)

And we cower and cringe when we are accused of being "anti-semitic"! Remember, the modern Jew is a product of the Talmud.

DID EARL WARREN KNOW THIS?

"A Jew may violate but not marry a non Jewish girl." (Shas 2:2)

"A Gentile girl that is three years old can be violated." (Aboda Shara 37A)

"A Jew may do to a non Jewess what he can do. He may treat her as he treats a piece of meat." (Nadarine 20 B; Schulchan Aruch Choszen Hamispat 348)

If this is "Semiticism" then let us proudly proclaim to the world that we are anti-semitic.

MORALITY AND JUSTICE

"A thing lost by a Goy (Gentile) may not only be kept by the man who found it but it is even forbidden to give it back to him." (Schulchan Aruch Choszen Hamispat 266, 1)

Is it any wonder that the whole fabric of American business has been corrupted? There was a time when a man's word was his bond; but with Jews like Goldfine saying cotton is wool, with Talmudic license, honesty is disappearing from American business.

WHAT HAS HAPPENED TO OUR SCHOOLS

Education is the bulwark of a free people. Naturally the enemy aims at the corruption of Education long before it plans to actually take over a nation. Remember the Jews boast that for centuries they have been a separate state within each nation.

Progressive Education was a Godsend to the Jews. It became a watchword which they have picked up and used to the full. Let us investigate the beginnings of Progressive Education.

"Fitchie laid it down that education should aim at destroying free will, so that after leaving school they should be incapable . . . throughout the rest of their lives . . . of thinking or acting otherwise than their schoolmasters would have wished . . . failure is not likely to occur where there is dictatorship." (Age of Treason 179)

This is "Progressive Education."

John Dewey, who was the father of modern "Progressive Education," at Columbia University taught and laid down the following basic principles:

1. "There are no absolute or eternal truths."

2. "There is no such thing as a human soul or a human mind in the Christian Sense."

3. There are no fixed moral laws."

This is "Progressive Education."

FLUORIDATION ANOTHER CLUE

The concepts of Dewey were based on those of Lenin, Jewish Bolshevik leader, who taught that "love between man and woman was only a physiological process and should be made common and trivial, like taking a glass of water." This theory has had much influence in the development of modern sex education in our schools.

This is "Progressive Education."

When we sent Charles Elliot Perkins, biochemist, physiologist and pathologist, to Germany to help take charge of the I. G. Farben Chemical plants in Germany at the end of the second world war, certain facts came to light which have been carefully withheld from the American people.

Mr. Perkins wrote a book entitled, "The Truth About Fluoridation." The idea of Fluoridation was brought to England before the war by the Russian Communist Kreminoff.

In Europe the use of Sodium Fluoride occupied a prominent place. It was discovered through the research of chemists that in the "rear occiput of the left lobe of the brain there is a small area of brain tissue that is responsible for the individual's power to resist domination by slowly poisoning and narcotizing this area of the brain tissue and make him submissive to the will of those who want to govern him . . ."

" . . . the German Staff and the Russian General Staff exchanged scientific and military ideas . . . the scheme of mass control through water medication was seized upon by the Russian Communists . . ."

Perkins was told of the whole plan by a German Chemist of the Farben Chemical Industries. He further states that "any person who drinks artificially fluoridated water for the period of one year or more will never again be the same person mentally or physically."

The finding that a certain group of people in our country showed exceptionally good teeth was the signal and opportunity for the perpetration of one of the most dangerous hoaxes in history. Don't blame your dentist or your doctor—he has been the victim of this hoax too. And the doctors who know the truth and could warn the people have the Press closed to them.

Fluoridation is one of the most dangerous and diabolical methods of the enemy. They weaken our will to resist through the medication of our water. Washington, D.C. has fluoridated water. Is this what is wrong with our Congressmen?

MENTAL HEALTH

"Mental Health and World Citizenship" is the title under which the Zionist One World Government, that "Jewish state behind the wall in every nation," is seeking to destroy all intelligent leadership.

Some one is paying millions of dollars for radio time, day and night to assure us that we, the stupid Goyim, are mentally ill.

Who can be behind this tremendous drive? Of course lots of brainwashed Gentiles are out collecting money for "Mental Health" without the least comprehension of what is behind it.

The general definition in the legislation being passed is that "anyone who does not agree with the majority is mentally ill." What a dangerous definition! According to this definition every American patriot who signed the Declaration of Independence was "mentally ill."

Twenty-two states now have laws which make it possible for an individual upon the accusation of any person to be picked up and confined to a mental home. This can be done without the consent of his family, without the consent of his doctor and without the consent of his lawyer. Furthermore his property can be put under the guardianship of a county official and disposed of to pay for his confinement and treatment in a mental institution.

He can be given shock treatment or a lobotomy or any other treatment without the consent of his family and without a judge or any responsible person on his side deciding that he actually is insane.

AMERICA WAKE UP, THIS IS ONE OF THE ENEMIES MOST DEADLY WEAPONS. FIND OUT ABOUT YOUR STATE LAWS. DEMAND THAT THESE DANGEROUS LAWS BE REPEALED. THE MENTAL HEALTH LAWS ARE CAREFULLY PLANNED AND DESIGNED TO DESTROY ANY AMERICAN PATRIOT WHO DISCOVERS THE GREAT PLOT AND RESISTS IT.

WHAT CAN YOU DO

There is a plan for saving America. It requires the help of every American woman. This is the eleventh hour.

A list of books and publications will be found at the end of this page. Form groups of six or eight or ten women. Let each one buy one of the books and subscribe to one of the newspapers. Then pass these around within your group. In this way thousands of small circulating patriotic libraries can be formed over night. Get your facts. Remember the truth has power.

Order extra copies of any newspaper or pamphlet which you find especially enlightening. Mail these copies to friends all over the country. If necessary mail them anonymously. Use the printed word.

DID YOU KNOW

Did you know our atomic energy program has been under the command of Jews from the start.

Did you know the NAACP has had for its president all along a Zionist Jew.

The reason for the whole "Civil Rights" controversy is not to help or protect the negroes. The negroes are simply an excuse and are being used as a catspaw to pave the way for Anti-semitic legislation. Such legislation would make it a criminal offense to say anything against a Jew no matter how true it might be. This was one of the first things done in Russia when the Jew Bolsheviks took the country. Tens of thousands of Christians were sent to Siberian slave labor under the Russian Anti-semitic law.

Did you know that Walter Reuther said, "We do not believe in God but that man is God." He said this in a speech at the Masonic temple in Flint, Michigan in response to a question about religion in Russia where he and his brother had been attending college.

Did you know that even after money has been appropriated by Congress for our Defense projects it can be held up indefinitely by the bureau of the Budget and the Secretary of Defense? It was held up long enough for Russia to get a sputnik first. It can be held up long enough for Russia to have over five hundred submarines deployed off our coasts while we have just over a hundred submarines.

Even after congress has appropriated ample funds we can be left in the lurch and found wanting even in basic defense because the hidden influences are slow to turn over the money and make action possible. Did you know this?

Did you know that Treaty Law supercedes the Constitution in all states and local governments? Did you know that a treaty becomes the law of the land according to article six of the Constitution and operates over and above the Constitution and that this is a fatal loophole in our Constitution?

Did you know that a treaty can be ratified and become the supreme law of the land if it is passed by two-thirds of those present in the Senate?

Did you know that by Treaty law the Charter of the United Nations is now the supreme law of the land in these United States?

Did you know that the only reason the "Hidden Jewish state behind the wall in every nation" hasn't yet taken over, is that they are cowards? They want to be sure we are completely tied hand and foot by "sneak" legislation such as the Mental Health laws.

First on the agenda of the new Congress must be action to get the United States out of the United Nations and the United Nations out of the United States. Write. Storm the Senate. Hold protest meetings.

Did you know here in America the Zionist are dividing our nation over "segregation" and planning to set up a "Black Soviet Republic" in the South? The plan for this "Black Soviet Republic" is recorded

in the Congressional Record.

Did you know that in "Free" America today a farmer cannot raise wheat and feed it to his cattle if he has a "zero quota." It is against the law and he has no appeal. He can be fined and lose his farm and agricultural equipment and be made a pauper in paying the fine. It is happening all over the country. He must let his land lie idle. He must buy wheat or oats or what ever it may be to feed his cattle.

THE BIGGEST BRAINWASH OF ALL

For hundreds of years the Christians of Europe and of America have been taught in their churches that the Old Testament is the Holy Book of the Jews. We conclude and are taught that therefore the beliefs of the Jews differ very little from ours. We accept both the Old and the New Testaments and the Jews accept only the Old Testament, but it doesn't matter too much we have been told.

The OLD TESTAMENT IS NOT THE HOLY BOOK OF THE JEWS. THE BABYLONIAN TALMUD IS THE HOLY BOOK OF THE JEWS. The Babylonian Talmud is taught in the synagogues. It is the book by which the Jews direct all their actions.

Here is another surprise for the average Christian American. This same Talmud is kept very secret and the Soncino (English edition) can be secured only with difficulty. Don't be misled by the abridged and cleaned up editions now being put out. The Talmud formerly consisted of 63 books, but has since been condensed to 35.

Dr. Isaac Wise states in the English authorized edition of the Talmud, in the introduction: "It (the Babylonian Talmud) still dominates the minds of a whole people, who venerate its contents as divine truth." He states further, "and now it is flourishing to such a degree as cannot be found in its history." On another occasion Dr. Isaac M. Wise says, "The Modern Jew is the product of the Talmud."

The Anti-Defamation League Tries For Knockout But Fails

RESULTS OF A BOMB SET BY JEWISH TERRORISTS

Conde McGinley

You Zionists are to be congratulated on the scheme you cooked up. For a long time you have been trying to stop all patriotic publications from exposing your Marxist activities just as was done in the Soviet Union when communism took

over and made it a crime to criticize you self-styled Jews.

Could it be that you and the Reds worked out the plan for the synagogue bombing? (\$700,000 in contributions besides the insurance so far).

It is common knowledge that Zionist one-man bomb squads were experts at bombing and blowing up trains in taking over Palestine.

Down through the years your leaders have hid behind "religious persecution." There was no religious persecution in the U.S. to hide behind while you directed the Marxist plot, so you created it!

You know full well how many people would react if they thought religion was being attacked. You have screamed "persecution" while you were driven out of all principal countries of the world. The whole world is wrong! You Pharisees are always right, always "persecuted!" You Zionists promote "persecution" for it drives the rank and file Jews into the 300 Jewish organizations plus opening up their check books. There's no contributor like a frightened Zionist.

As long as you can keep people thinking you are the persecuted, they will not fully suspect you are behind the subversive movements down through the years.

**For Many Years The Jews Have
Cried Persecution — WHY?**

You power-hungry political Zionists are leading other Jews into trouble. You swarm into the U.S. like locusts including the 6,000,000 "killed" in Germany, now you are trying to take over. Why does the American Council for Judaism, with 20,000 members, oppose you Zionists? **WHY?** Quit being devils and you won't have to spend 10 million dollars a year to promote tolerance.

It is highly probable and quite possible that you Zionists arranged the phony bomb scares and phone threats in the New York and New Jersey area so as to bring on **HYSTERIA** to surround Common Sense, a lone, unsubsidized, patriotic voice for TRUE Americans—and thus make it appear we were responsible for the Atlanta bombing.

You showed good teamwork too, coaching writers and maneuvering articles into newspapers to sweep people off their feet and prevent publications from exposing the Red records of many Zionists and officers in the NAACP. You are doing such good timing too, waiting for these false news

"In the early afternoon of July 22, 1946, Jewish terrorists blew up the greater part of the Government offices in the south wing of the King David Hotel, Jerusalem. For this "brutal and murderous crime" and "insane act of terrorism," to use Mr. Attlee's words in the House of Commons, the Jewish Irgun Zvai Leumi have publicly proclaimed themselves responsible. This body, some of whose terrorist acts have been detailed in the White Paper of July 24, which also proved its connection with the Hagana, is a strong military organization, now once more associated with the notorious Stern Gang; and a reward of two thousand pounds is offered for the capture of its leader, the former corporal in the Polish Army, Menachem Beigin. At the date of writing, the casualties in this atrocity are 66 dead, 43 missing, and 47 injured."

(Illustrated London News, Aug. 3, 1946)

items to be effective, then having men speak before veterans groups, always using that nasty word "hate" but you do not state what we hate.

But when you tell groups that I fight Catholics, that doesn't go over so well, for as you well know, I am a practical Catholic. The Jewish Examiner once said I was a Presbyterian Minister, remember? When **YOUR** hate merchants say that we fight Negroes, this may have registered with some, but those who read **COMMON SENSE** know in 13 years of publishing we have never said one word against the Negro as such. Many Negroes are for us, including 9 Negro ministers. Just recently we received a letter from one of the best known Negroes in the U.S. enclosing a request for a subscription for one of his friends. Many Negroes know and tell us the NAACP is a Jewish controlled trouble making organization. You are forever try-

ing to make people in the North believe all Negroes of the South want "integration" whereas, at least 80% want their own schools and teachers.

When your representatives display our Issue No. 305 in newspapers or while speaking, why don't they read the captions under each picture of the NAACP leaders so that the audience may learn how many communist-fronts they belong to, such as Thurgood Marshall, Chief Council with 5 Red fronts; Roy Wilkins, 9 fronts; Adam Clayton Powell, 66 fronts; W.E.B. DuBois, 72 Red fronts.

All these smears the Zionist Anti-Defamation League engineered in many newspapers, radio, TV and public speakers brought many people to our office; investigators, newsmen, photographers, TV technicians, detectives and constables—the net result being we have more friends!

The campaign you put on to have Zionists and innocent people phone, write and wire the County Prosecutor and Attorney General to call me before a Grand Jury was a dud. Intelligent officials want evidence and there is no such evidence against a man who has devoted 13 years full time, without salary, exposing groups who are conditioning our wonderful country for communism.

COMMON SENSE prints facts which papers influenced by advertisers dare not publish.

We heartily thank your hate spreaders for this rush of subscriptions.

For booklets with communist listings of officers of the NAACP send 10¢ in stamps to cover postage. Anyone wishing further proof that communism was set up entirely by self-styled Jews, ask for COMMON SENSE issue No. 219. We also have a limited supply of issue 222 listing names of 200 Rabbis and their communist-front citations.

Why Do Zionists Hate Us?

Have we during 13 years published any lies against you? If so, tell us where! You never accuse us of lying—you just try to stop us! Do you hate us because we expose your theft and wholesale murder throughout Palestine where millions of Arabs still barely exist in the desert after fleeing their homes which the Zionists now occupy?

Do you hate us because we prove without a doubt that you financed and set up communism in Russia in 1917? Do you hate us because we have shown you pushed the U.S. into World War II? Do you hate us because we expose your powerful control in Washington? Do you hate us for exposing your unmerciful attacks on the late Senator McCarthy and other patriots who expose communism?

We have exposed your crusade to abolish the House Committee on Un-American Activities and the Immigration Law to keep out Eastern European Reds. We have exposed the Anti-Defamation League which is the mastermind of all Marxist movements. We exposed the integration plot by which you plan to divide and disrupt our country and further condition us for communism.

Do you hate us because we publish parts of your anti-Christian Talmud? We don't hate anyone—we just expose anti-Christian, anti-American activities.

NOTRE DAME CONVENT BOMBED BY ZIONISTS

Zionists ransacked and looted the Church and Convent of Notre Dame. They broke open the Holy Tabernacles and stole the gold and silver chalices. Crosses were smashed and trampled on, sacred altars were desecrated, and the Holy Sanctuary used as a dance hall for Jewish soldiers and their girls.

OPEN LETTER TO PROFESSOR

NATHANIEL PEFER

Dear Professor:

Since, together with Messrs. White, Seligman, Warburg, Kestenbaum, Sulzberger, etc.,—you are one of the most persistent and ardent champions of the Red China cause, and you always tell that for the lofty sake of **WORLD PEACE** our off-shore islands, so important to our morale and defense, shall be given without fighting to communists, I take now the liberty to submit to your kind attention such a counter-proposal.

As everybody knows, not those islands alone are the potential powder kegs out of which a new global war may erupt at any moment; there is also another spot, quite far from us, called "**ISRAEL**" which is more dangerous to world security than we here. As you should remember, only two years ago a major war was barely avoided when this small country attacked Egypt; and somewhat earlier a group of Jewish terrorists of the same breed which dastardly assassinated Count Folke Bernadotte, Lord Moyne, scores of British "Tommyes" and thousands of innocent Arabs, had the intention to blow up the Soviet Embassy for the purpose of starting a war between the United States and the Soviet Union, as they openly declared. Such an expert on Middle East affairs as Sir Pasha Glubb said more than once that all the troubles in this region can be traced directly to the creation of the State of Israel.

Most of your strategists agree that Formosa, together with her island complex, have a certain value for the defense of the American shores against communism; even Mr. Harry S. Truman recently declared, that Formosa is the **FIRST BASTION** of the States in the Far East. But can you honestly say, that Israel has any military importance for the protection of the so-called "**FREE WORLD**"? Actually it is just to the contrary: Israel may be the cause of a war which America and her allies will be forced to fight against a "**WRONG ENEMY**" (Arab Nationalists) at a "**WRONG PLACE**" to the great delight of the communist bloc nations.

Consequently, if your sincere and earnest desire is only to avert the 3rd World War and nothing else, let us start a campaign to urge the American Government to abandon **BOTH** Israel and our islands with a hope, that the world will be nearer the peaceful solution of its numerous problems when those **TWO** troublesome spots are liquidated.

Do you agree with me?

Sincerely yours,

A FORMOSAN

Be Sure You Are Right Then Go Ahead

We made sure we were right years ago. We are careful to print only facts. A number of times in our issues we have offered our opponents the opportunity to show us we are wrong. We have offered, and offer again, a full page in COMMON SENSE for them to disprove our charges. The one sure way to stop us is to discredit COMMON SENSE by proof. Do this, Marxist smear groups, and we will close up our paper.

Your silly ravings, calling us bigots, or hate groups is getting you nowhere. For 13 years we have published facts the controlled press dares not print and you Marxists have not attempted to disprove one charge.

All of the Marxist pressure groups such as the ADL receive this paper and scrutinize every word. If you are sincere why do you use the influence of Jewish advertising to maneuver smears in the press. If you plotters are not hypocrites just arrange a public debate on TV, or otherwise, pick your four smartest men to meet four of our group—a Protestant, a Jew, a Negro Minister and myself a Catholic. Discredit us on the air. No, you prefer having your stooges on Radio and TV tell lies. After four men from CBS TV spent 3 hours in our office setting up TV cameras and interviewing me, you must have gotten cold feet because the film never appeared on TV. Why? Didn't I look fanatical enough or are you afraid of the truth?

When you furnish material to the dupes who write those smear articles in the press, you should not keep telling the lie that the Un-American Activities Committee criticized us. They have never said a word against us. Why should they? We have supported them while the ADL, the American(?) Jewish Congress and the American Jewish Committee and the NAACP demand that this Congressional Committee be abolished. Why?

The ADL wrote the smear on us and had the Zionist, Robert Kunzig, on the staff of the Un-American Activities Committee conveniently leak the report to the press while Cong. Velde, the Chairman was in Mexico on a honeymoon. The present Chairman, Congressman Francis Walters condemned this!

VIENNA, Jan. 10 (INS)—Herbert A. Friedman, executive head of the United Jewish Appeal, says that "Europe in the eyes of Jews is finished for them."

Friedman's statement was made in Vienna when he announced that a campaign is under way to raise an extra \$100,000,000 to meet the special needs of Jewish refugees from Egypt, North Africa and Hungary.

Explaining the plight of the Hungarian Jew, Friedman said 14 per cent of the nation's Jewish population had fled the revolt-torn country. The exact number who have fled is 16,007, or double Austria's total Jewish population of about 8,000.

Our Mail Was Stopped

As part of the overall attack to knock COMMON SENSE out, the Zionists and the NAACP brought political pressure on the highest authority in Washington causing them to arrange for a sneak attack by some one in the Washington Post Office Dept.

On Oct. 23rd, the Union Post Office notified us they had received orders from the General Counsel, Washington not to dispatch our Second Class Mail, books, literature, or anything but First Class Letters.

On Thursday, Nov. 6th, in answer to our wire, the General Counsel wired us that they had instructed the Union Post Office on Monday Nov. 3rd, to release our mail. The Union Postmaster advised us they had received no such notice. A few hours later on Nov. 6th, they did receive authority from Washington to release our mail.

As evidenced by the reproduction of the letter from the General Counsel, Nov. 5, they deny our mail was ever held up. It was stopped for 15 days while communist and indecent publications enjoy uninterrupted mail privileges for years. What goes on in the General Counsel of the Post Office?

Following are only a few of the current communist publications that enjoy full mail privileges for years, and this does not include Socialist, Atheist, Anti-Catholic and filthy literature: Morning Freiheit, New World Review, Political Affairs, Mainstream, Jewish Life, Militant, National Lawyers Guild Review, New York Teachers News, National Guardian, Peoples World, and The Worker.

Pharisee Police State Has Barred Common Sense

By Elizabeth Dilling
Box 659, Chicago 90, Ill.

By press, radio and TV, we are witnessing another of those expert Balaban and Katz propaganda barages calculated to convince the people the country is in imminent danger because of synagogue bombings, and that drastic measures are required. One Big Shot after another is interviewed and his warnings carried in the press. The News Reel theatre in Chicago carried the televised press conference of Ike expressing his "HORROR" over these alleged anti-Jewish acts.

Elizabeth Dilling

What is it all about? We remember the same technique, the insistent propaganda barrage that put our reluctant people into two bloody World Wars to extend the same Red dictatorship which now poses as "anti-communist," "Fascist," or as Socialism-communism. DICTATORSHIP is the goal. And the same cabal sponsors all of these LIES. Millions of sincere people are lured into their own enslavement. And so the RED BEAST marches on, as foretold in Scripture.

If a few fanatics actually bombed 2 or 3 well-insured synagogues, it was a foolish act. No act could better play into the hands of the synagoguers who wish to set up OGPU law in the U.S. under their own "Civil Rights Act of 1957." It is not

strange, in view of past history, however, that so many people one meets express the view that the Jews bombed their own synagogues for a PURPOSE.

As will be shown, the so-called "Civil Rights Act of 1957" knowingly carries out the UN decision that Criminal UN Courts, for the present, must not be set up as such, but that the Genocide and other Conventions of the UN be punished through "national law," as stated in the UN official publication, "Everyman's United Nations" (pp. 314-18).

The Nuremberg Code

The intelligent world was horrified to see the bloody Soviet Union sitting on the Nuremberg Judges' bench ordering the hanging of defeated Germans as "War Criminals." The proceeding was typified by the Katyn murders, committed by the Soviet Union and ascribed, with American and British cooperation, to Germany. The defeated were sadistically executed for carrying out orders of their own government, setting a horrifying precedent, as a few brave souls stated. Intent to commit crimes against "humanity" was the essence of the Nuremberg Code. It is the essence of the Civil Rights Act code, the 1957 Act being but the "first step," as Jewish B'nai B'rith gleefully announced at their Celebration Dinner March 3, 1958 (ADL Bulletin, March 1958, p. 4).

Not for nothing was the whole Congress "AWARDED" and given a free dinner at the swank Mayflower Hotel, Washington, D.C. by the authors of the Act, the infamous OGPU-like Anti-Defamation League of B'nai B'rith. Why? Because they

passed their Act!

A Gleeeful Picture

Before me is a gleeeful picture of 6 men. Only one of them has merely a calculating smile: Congressman Emanuel Celler, author of the Administration's Civil Rights Bill. The central figure, Senator William Knowland, leader of Ike's administration forces. Sen. Humphrey's picture would make a good tooth paste ad. Next to him, Rep. Keating. Henry E. Schultz, head of the OGPU-like ADL of B'nai B'rith is personally handing to Knowland the box with the ADL awards plaque. And on the other side of their beaming hero stands two more Zionists, Celler and Philip Klutznick. Klutznick is the international head of B'nai B'rith and Ike's appointee as delegate to the UN.

Celler

And who is Celler,—grand patron of "Civil Rights" which rob its victims of a jury trial, and provide that anyone who reveals its secret session testimony may be fined \$1,000 and jailed a year—for the sake of a "free press"?

In case reading about the 10 communist-front affiliations of Celler's, listed in the 1944 Dies Committee Appendix XI Report, fails to interest you, his activities since might brighten your consciousness. They include his sponsorship and aid to the communist Church-burners of Spain, his position on the international board of World Government News, his introduction of the bill to allow wire-tapping by the FBI, his position on the board of the communists'

American Committee for the Protection of Foreign Born—his address to them being featured in the Party press, etc.

The question is, have his views changed from those expressed when he was the dinner speaker in honor of "Three Heroes of the Soviet Union" sponsored by the "Ambijan Committee for Emergency Aid to the Soviet Union" (New Masses, 9/15/42)?

"Dinner With Congress"

Accompanying the picture of triumphant gridders in the ADL Bulletin (3/58) is the above title.

What they said:

"All four Congressmen, Senators Humphrey and Knowland, Representatives Celler and Keating, agreed that the present Civil Rights legislation is but a beginning step..." Under the heading: "The President's Message," is this: "Congressmen and guests at the ADL dinner heard a message from President Eisenhower—relayed by Maxwell M. Rabb (Zionist) Secretary to the Cabinet... The President also said that 'it is fitting that the Congress should be cited for this legislation' by the ADL of B'nai B'rith, which he called 'a pioneer in the field of human rights' ". And under another sub-title is this:

For the Record

"Sen. Humphrey mentioned previous recipients of the ADL awards, including Presidents Truman and Eisenhower, Herbert Lehman, Eleanor Roosevelt and James P. Mitchell, among others." The Oct., 1957 ADL Bulletin featured this: "The New Civil Rights Law: How It Happened." The infamous Bill responsible for the new pressure for denial of all truth-telling about Jews, based supposedly on alleged synagogue bombings (to which will be added imaginary danger to ALL Churches) had been made law Sept. 9, 1957. This October Bulletin exults over those who made it possible. — Sen. Knowland, minority leader, working with Sen. Paul Douglas. — Their slick work is lauded. But the most praise is bestowed upon Lyndon Johnson of Texas. How he herded in the Southerners and got them to agree not to filibuster if a jury trial amendment were tacked on and the "social" and other dictator provisions of Part III other than voting were eliminated (for the time being). Then how he worked!

"This formula" continues the report, "was devised with the aid of a group of Democrats whose names read like a roster of the New Deal brain trust: Benjamin V. Cohen, Abe Fortas, Dean Acheson."

The Anti-Defamation League Extolls Lyndon Johnson's "Eloquent Valedictory"

Despite the efforts of Senators Russell and Strom Thurmond, who argued right through the night for 24 hours against the Act, Talmudism was to triumph. To continue the ADL 10/57 Bulletin:

"Senators Johnson and his colleague Yarborough, Senators Gore and Kefauver of Tennessee, and Smathers of Florida joined the Northerners in voting for the Bill." And, "most Senators probably agreed with Johnson's eloquent valedictory that closed 121 hours and 31 minutes of Senate debate: 'I shall vote for the Bill. It is effective legislation. It is enforceable legislation... It is national rather than sectional.' Indeed, national it is!

Masked as a humanitarian measure in behalf of Negroes, the Senate was pressured by Vice President Nixon, Sen. Javits and the present Atty. Gen. Rogers, under the ADL thumb, that the Bill must be passed in 1957, then and there! The small concessions, granted to push the Bill through, are to be eliminated in the coming Congress

Supreme Court Bills & The Police State Act

The 9/58 ADL Bulletin cites: "the celebrated parliamentary skill of the Senate Majority Leader Lyndon Johnson of Texas for the burial of all these bills" (to limit the powers of the Supreme Court in its flouting of the former law of this land—the Constitution). "Indeed, Sen. Johnson was a towering figure in cloakroom efforts to muster support... to table the offensive

bills...

"The new factor in the defeat of the Supreme Court drive was the coming-of-age of the liberal bloc in the Senate..." And, the boast continues, that the Southern conservative bloc no longer exists. The next Congress promises to be a golden one for the Talmudists, is the gist of the report headed "85th Congress Passes Into History," 9/58.

Genocide Bill To Be Enforced

Already: "in the 2nd session, bills were introduced in the House and Senate (by Sen. Douglas and 15 others) to restore Title III of the Civil Rights Act that was knocked out by the Senate last year. This would authorize the Attorney General to enforce by CIVIL INJUNCTION PROCEEDINGS Civil Rights generally, including school desegregation." And that phrase "Civil Rights generally" means all the Nero-like powers of the Genocide Convention, which provides that causing any person, or his group, "mental harm" warrants imprisonment or worse. For, secretly, the Genocide act is here!

This country has been deliberately fooled, by employees of the Talmudic Cabal, into thinking the Genocide Convention had not been sneaked in upon us, along with the theft of our Sovereignty and our Constitution. It became the "supreme law" of this land when the 20th Member Nation of the UN had ratified it (in accordance with the 13th article of the Genocide Convention). And this event took place Jan. 12th, 1951, says the UN calendar, as cited on page 880 of the Senate Document 87, Review of the United Nations Charter" (\$2.50 from U.S. Printing Office).

Anti-Semitism

When the Talmudists raised an uproar and made a conspiracy to jail all anti-Talmudists as "Nazis" in 1954, I issued a printed pamphlet (send 10¢ and I will mail you one). I begged to be heard by the House Comm. on Un-American Activities which presumably had issued the scurrilous report labeling Conde McGinley, Mrs. Van Hynning, Elizabeth Dilling and all of their associates or persons of like mind—the late Col. E.N. Sanctuary, Robt. E. Edmondson, etc. as subversive "Fascists."

Once Conde McGinley or any other truth-teller has been finally silenced by the Talmudists' "Civil Rights Act of 1957," life, liberty, free speech, trial by jury—all the rights once guaranteed by our heritage and its Constitution, are gone forever. Our people have been so lulled by lies they do not realize that when the Senate in July 1945 ratified the UN Charter as a treaty, it automatically became "the supreme law of the land, anything in the Constitution or laws of any State to the contrary notwith-

standing." They go on prattling as though nothing had happened.

The legal loophole by which our Constitution was stolen rests upon the above in Article 6 of the Constitution. There is no legal escape. Only the voice of an informed and awakened people is FEARED!

That is why Conde McGinley's newspaper, COMMON SENSE was barred from the mail. His envelope supply has been intimidated by the ADL. Under a siege of threats, and rocks, he awaits the Talmudic axe provided under the Civil Rights Act of 1957—soon to be extended. Whereas the Act now limits imprisonment and fine without jury to 45 days and \$300, what will the restored Act provide?

The DAILY WORKER, now issued weekly and called The WORKER, bears on its masthead, Oct. 12, 1958, as usual: "Re-entered as second class matter, Oct. 23, 1947 at the post office at New York, N.Y. under the Act of March 3, 1879." Is it a coincidence that on every point urged by organized Pharisaism, the Communist Party's WORKER echoes their demand?

The ADL is fighting for the whole Soviet-like Civil Rights Act: "Write Ike, Senate on Civil Rights, Chicago NAACP asks," headlines the Worker, July 28, 1957, screaming for opposition to any jury trials and for any "attempts to weaken it with amendments... and to eliminate Part III," in the pending Civil Rights Act of 1957.

"Chicago AJC Council Defends The NAACP," headlines the Oct. 27, 1957 Worker which states: "The Chicago Council of the American Jewish Congress came to the defense of the NAACP, particularly in the South... The Civil Rights Commission authorized by the recently-passed Civil Rights Bill is called upon to investigate this situation in the South... The Council urged all organizations and individuals to come to the aid of the NAACP." (the NAACP now, as from its beginning is run by Jews: Joel Spingarn until his death and now Arthur, his brother).

"Nine Governors Given Proof of Resort Bias" is the ribbon headline, of the Worker Aug. 11, 1957, backing up organized Jewry's determination to make it a criminal offense for a resort owner to bar or choose his guests. The rest of the front page is an article on the Civil Rights Act progress.

Now Comes The Silencer

Presumably our boys are being drafted and sent all over the world to "Contain Communism." Yet, the official organ of the Communist Party, dedicated to supplanting our Government with a Soviet one, is enjoying second class mailing privileges while patriot McGinley's COMMON SENSE was barred from the mails for 15 days.

WHAT THANKSGIVING MEANS

Freedom to worship the God they loved
Drove Pilgrims across the sea;
Their first act, upon reaching shore
Was to fall upon bended knee.
Worship and toil was the daily lot
Of the few the Grim Reaper left;
In sorrow, but hopeful, they labored on
With hearts sadly bereft.
The Indians came, and remained, their friends,
Many lessons were taught to each;
A Thanksgiving Day was then proclaimed
An example they sought to teach.
America, founded on freedom's rock
Will ever be strong and free;
The snake on the Colony's first Flag said,
(Remember?) "Don't tread on me."
Our country is great—there is room for all,
But live and LET LIVE they must;
The blood that was shed for freedom's sake
Is a living, sacred trust.

What Of The United States?

By Stanley MacDonald, Seattle, Wash.

How long will America stand,
How long will her bulwarks keep;
How long will her coffers remain,
How long will her patriots sleep—

These are the thoughts that concern us now and, strange to say, it begins to look as though the staunch determination that was evidenced by a handful of Senators from the Southern States in 1865, is the same staunch determination that is being manifested by their sons of today, in this more critical hour of the Nation's life—a determination that may one day operate to save the Nation, instead of destroy it.

Generally speaking, the Senators from the Northern States have long since thrown away their birthright and sold the independent existence of their respective States for a mess of political pottage that will forever mark them as the outstanding political bootlickers of all time.

Those acts of stupid self-abnegation the Senators from the South simply refuse to perform. Unless this writer is very greatly mistaken, the Senators from the freedom-loving South propose to put up a fight to save the Southern States from such obsequious slavery, and thereby save the South and maybe save the Union, in the event it can be saved. And if and when the scallawags are finally thrown out of Washington, we will no doubt find the solid South in the forefront of the melee, whether it be a fight with logic and common sense in the halls of the U.S. Congress, or a fight with guns and bayonets.

If the rank and file of the Senators

A Judge Replies To Sokolsky Smear Of Common Sense

Sir:

Your syndicated column in the Oct. 27th 1958, issue of various newspapers published around the U.S. which you devoted to attacking the August 1, 1958, issue of COMMON SENSE, reminds me of an answer drafted by a shyster lawyer to a Bill of Complaint where the shyster, wishing to evade meeting the issues starts screaming that the complainant and his attorney are "racists," "hate mongers" and "anti-Semites"—at the same time choosing to ignore the well established fact that Jews are the bitterest racists, the most vindictive hate mongers, and the most vicious anti-Semites in the world!

Sokolsky, you know the average Jew has no Semitic blood because he is a descendant of the tribe of Mongolian Khazars who never lived within a thousand miles of Palestine at any time. These Khazars chose Judaism as offering the greatest outlet for lust and loot. They were chased out of Russia and Poland, where they lived for centuries, and on being forced to flee those countries, infiltrated into Germany and the Balkan countries, and when kicked out of those countries, foisted themselves on the U.S. to its sorrow. If you look in your JEWISH ENCYCLOPEDIA under the word "Khazars" you will find this statement verified, and you can even see there a map showing the original site of the Khazar Kingdom,

George Sokolsky

Sokolsky never hesitates to defend Israel or Zionist aims.

but you already know that Sokolsky.

So when you say Americans are anti-Semitic, you are telling the "big lie," Sokolsky. Far from the Jews being Semitic they are anti-Semitic. You are just calling other people what you are yourself. You Zionists are descendants of those Mongol-

ian Khazars who, using the "big lie," said your "Jewish religion" entitled you to possess Palestine, so with the aid of international English and American Khazar Jews you slaughtered hundreds of REAL Semites—the Arab inhabitants who had been living in Palestine for over 1500 years, and you Khazar Jews put a million Palestine Arabs out of their homes into the desert to be supported mostly by the American taxpayers. So truly you are the ones who are "anti-Semitic" and not the Americans.

Sokolsky, you know the Jews grabbed Palestine mainly because of the potential wealth of the minerals and chemicals of the Dead Sea in Palestine, and of the surrounding territory valued by Jewish estimates in the trillions—I said trillions, not billions of dollars. Let me refresh your memory that a trillion is a thousand billion—so the wealth of Palestine is fabulous and that's why you are stealing it. You say Zionists are not communists—show me a Zionist that didn't take the Fifth Amendment when asked if he was a communist in the various Congressional investigations of communism.

In your slanderous attack on the Aug. 1st, issue of COMMON SENSE you have the unmitigated gall to claim, despite news releases from the various national news services, that Justice (?) Warren is

Zionists Have Done It Before!

By Rabbi Elmer Berger
Executive Vice President of The
American Council For Judaism
From His Book
WHO KNOWS BETTER MUST SAY SO

But by mid-1949, the big propaganda guns were already going off in the United States. American dollars were going to save the Iraqi Jews—whether Iraqi Jews needed saving or not. There were daily "pogroms" in the N.Y. TIMES and under datelines which few noticed were from Tel Aviv (pg. 34).

Zionist agents began to appear in Iraq. Several caches of arms were "discovered" in synagogues. Some local Jews suspect the arms were "planted" by Zionist agents. "What did we want with them?" the Rabbi (Chief Rabbi Sassoon Kheddoury) said. "Were we going to fight all of Iraq—even if our loyalties were with Israel, which they were not?" (pg. 34, 35).

Then a new phenomenon began to appear. Instead of the quiet, individualized emigration, there began to appear public demands to legalize the emigration of Jews—en masse. Both the Jews and the Government were embarrassed and efforts were made to stop the hue and cry in Iraq. But in the U.S. the "pogroms" were already under way and the Iraqi Government was being accused of holding the Jews against their will (pg. 35).

Meanwhile, reports of vast sums of

Rabbi Elmer Berger

American money "for Iraqi Jews"—really for the State of Israel—kept spreading and with the legalizing of emigration, campaigning among Jews increased. The Government was whip-sawed. Zionist propaganda accused it of pogroms and violent action against Jews. In reply, the Government issued a calm and deliberate law offering free choice to the Jews to leave. But if the Government attempted to suppress Zionist agitation attempting to stampede the Iraqi Jews, it was again accused of discrimination (pg. 35).

By the end of 1950, some 60,000 Jews had registered for emigration. Open agitation for more recruits was at a peak in the closing months of the year (pg. 36).

THEN A SYNAGOGUE WAS BOMB-ED. Who was responsible has never been finally determined, but the Iraqi Jews be-

lieve **IT WAS ALSO THE WORK OF ZIONIST AGENTS.** And the incident set off a fresh wave of registrants (pg. 36).

But the tragedy of this Iraqi story is not yet all history. These people here receive word now and then from their friends and relatives in Israel. This is managed via London, Paris and other centers with the help of mutual friends or relatives who emigrated—but not to Israel. And here they know that "Oriental Jews," as they describe themselves here, are among the most tragic people in Israel. They suffer discrimination of all kinds—not the least because they are largely "white collar" folks, with dark skins and Arab culture and the Western (Eastern European) Jews resent their presence (pg. 37).

It was a kind of delayed reaction which made me realize suddenly that after all the "pogroms," the "terror," the "bombings" and other "outrages" WE had experienced in the American press, I was sitting in a lovely office, talking to a representative group of 5,000 Jews still here and doing nicely by their own willing admission. And I suddenly realized that I, too—and you, and all of us had been duped. I realized I had been sitting as witness to one of the historic examples of Jews' inhumanities to Jews, motivated by the surge of national power. Zionism (is) "a fanatical political organization" (pages 37 and 38).

Israeli Leaders Spout War, Hatred

Mr. and Mrs. American citizen, Mr. Senator, and you Mr. Congressman!

Who disturbs the peace in the **NEAR EAST?** Who wants to steal whose country? Who wants to murder whom and why?

HERE THE ZIONIST PRESS AND ISRAELI POLITICIANS HAND YOU THE STRAIGHT ANSWER TO WHAT YOU WANTED TO KNOW!!

"War entices us—it calls to us from the headlines of our papers—it can be with us any moment. Nothing extraordinary will occur—only a bell will ring at the door of every one of our young people—rifles will be issued, machine guns and army boots. Tanks will roll out and the piercing whistle of jet planes will fill the air. In the morning, when fathers and mothers turn on the radio news and open their newspaper they shall know that their sons and daughters are out there with all the glory of the military bands and the show of our might.

"We must accustom our youths to this thought, because if all this is not realized in our days then it must surely be fulfilled in their time."

Editorial article in an Israeli paper "Ha Ollam Hazza," Nov. 24, 1955.

"Israel must prepare itself for a short war, a war which must be decided in one or two battles. Israel must create a plan for this quick war which it must undertake against its enemies and we must summon all our resources for such a war, because it is understood that such a war would be very much in our interest."

From Moshe Dayan, Israeli Chief of Staff, in "Ha'aretz," Oct. 6, 1956.

"You Israelis should not grow soft while killing your enemy and should have no compassion with them until we shall have destroyed this so-called Arab culture and upon its ruins have erected our own kind of civilization."

"We shall drive the Arabs out of Palestine and East Jordan into their barren deserts. We shall erect a Jewish State on both sides of the river Jordan, which in the end shall extend far beyond the borders of present Palestine."

Wladimir Jabotinsky, Zionist leader, in a speech at Haifa, Feb. 21, 1956.

"We look into our North and behold there the fruitful plains of Syria and Lebanon—to the East are the waters of Jordan and the rich valleys of the Tigris and Euphrates, the oil of Iraq.

"To the West of us—the land of Egypt. We are surrounded by a sea of hate. There is no security nor developing for us unless we dictate a settlement with the strength of our arms. We must force the Arabs into

complete submission or face constant restriction."

Menachem Beigin in a speech at Tel Aviv, Jan. 3, 1956.

"The Knesset of Israel should declare war against Egypt now. International conditions are very favorable to us, as such a step would be welcomed by Zionists the world over who would give us their full support."

Declaration by Jacob Moridor in the Knesset, Oct. 12, 1956.

"The start of united military operations of Israel and the West would finish Nasser within a few days. Russia would not interfere in a Suez conflict and the Arabs would not destroy the pipelines because they need the income from the oil."

—o— (Continued from Page 1) —o—

within the boundaries of what is now the United States of America, but under the domination of a bunch of alien connivers down in the City of Washington!

All this is plainly evidenced by the things that have taken place in the political life of the Nation over the past more than 20 years—in fact, ever since the advent of Franklin D. Roosevelt in 1933.

It will be remembered that one of the first pieces of legislation to be proposed and passed by the Congress during the Roosevelt Administration, was the National Recovery Act, commonly known as the NRA, but which, in reality, was nothing more nor less than an outright attempt on the part of Roosevelt and his gang to Sovietize the U.S. right then and there, and to do it in one fell swoop!

Fortunately, however, the Supreme Court of the United States had not yet been stacked against us, and that abominable piece of corrupt legislation, with its regulatory mandates and its pig-killing and crop-destroying measures, was promptly held to be unconstitutional and figuratively thrown out of the national window.

Then followed the recognition of communist Russia in the same year, contrary to and against the pattern of the 3 prior Administrations, and the consequent influx of the very people who had murdered the Tsar and his family and caused the ruthless liquidation of some 30 million of the Russian intelligentsia in cold blood, until the various departments of the Government were thoroughly infiltrated and literally taken over by members of the Soviet murder regime.

Baffled in his attempt to thus side-step and wreck the Constitution by direct legislative enactment, Roosevelt now resolved to pack the Supreme Court with subservient men of his own political stripe, regardless of their judicial experience or ability, and thus accomplish the same

efficacious result through the slower but equally effective process of unlawful and twisted judicial decisions.

And so, since a number of the Justices were now approaching or had already reached their threescore years and ten, the age of normal retirement, Roosevelt at once began a vicious campaign of smear and vilification designed to virtually compel the elderly and more sensitive members of the Court to resign from the Bench and take their ease on the full allotment of salary that had been provided them, thus leaving the way wide open for the packing process to begin, that is to say, for the appointment of inexperienced and spineless tools to do the President's bidding, all of which soon began to reflect itself in the extremely liberal character of the rulings that were thereafter handed down, thus pioneering the attack upon the Nation's final bulwark of defense against the inroads of atheistic communism in the U.S.

In this connection it might be well to note that of all the Supreme Court Justices that have been appointed over the past 20 or more years by our 3 ultra liberal Presidents, namely, Roosevelt, Truman, and Ike, only three of the lot ever had any judicial experience prior to their appointment, and many of them had no experience even as practicing lawyers! And so we have the amazing spectacle of men with little or no legal training or experience posing as the Supreme Court of the United States and passing upon and overruling the decisions of experienced and well-seasoned Judges of the lower State and Federal Courts.

In fact, one has only to review the activities of the Congress of the United States and the decisions of the 9 unqualified, inept, and unscrupulous men who, from time to time in recent years have constituted the Supreme Court, to realize exactly where we stand today, and the enormity of the trend to destroy the Union and the sovereignty of the individual States in favor of the gang in Washington, and replace it with a so-called Government of

the World, with headquarters in some foreign market, and with the U.S. controlling but a single vote in local and world affairs, as against a similar vote for the smallest and most insignificant Hottentot nation in darkest Africa!

Meanwhile, in keeping with this dastardly policy, the wrecking process goes on, until the Government at last sends a crack regiment of U.S. soldiers into the State of Arkansas (at an admitted cost of \$5,000,000) to actually compel the White and Negro children to fraternize in the public schools in Little Rock in the interest of racial integration, all in contravention of law and morals and ordinary common decency. Still the squanderbust goes merrily on and continues to pour its billions of the taxpayers' money across the communist world.

But notwithstanding all the evil monstrosities that have befallen the American Nation over the past few years through the incapacity and stupidity of the Court, and the faithlessness and treachery of some of her would-be leaders, we can nevertheless rest assured that America was not set up in vain—that mankind has not been brought thus far on a wearying journey to be roughly cast aside for the so-called Prince of Darkness. And though some may perish, and Truth and Right be temporarily trampled in the ground, yet they can never be wholly lost. Sooner or later all will be changed.

Sooner or later a Man will appear upon the American horizon—a Tall, Sun-crowned, Righteous Man—one who will possess the divinely gifted power to arouse and unite all rightist factions in one gigantic array, and lead their tired footsteps to a glorious reinstatement of the exalted principles that made our Nation great. Though the entire world may stand against us, and the thunder of the Evil One proclaim our end, yet we cannot—will not fail. No matter what may come or go, America will keep her tryst with fate. **IT IS HER DESTINY!**

—o—

Who Creates Trouble?

Who, people are asking, stands behind Eisenhower, using the Negroes as pawns to stir up racial tension and promote mongrelization of the races—all of which fits right into the communist plan for weakening and destroying America from within? Dr. John Slawson, Executive Vice President of the American Jewish Committee, on pages 631 and 632 of the American Jewish Yearbook 1956, supplies the answer, when he reports:

"Earlier, I said that the desegregation decision of the Supreme Court was one of the major events of the year affecting OUR work. This historic ruling is a significant highwater mark in America's battle against discrimination on racial, religious and ancestral grounds... a battle in which the AMERICAN JEWISH COMMITTEE has long been among those leading the assault. It was most fitting, therefore, that WE were closely involved with the Supreme Court decision. Not only were WE active, along with other organizations, in the filing of an amicus brief, but WE contributed materially to the SOCIAL THEORY upon which the desegregation decision was BASED."

Lenin said that America would be rotted from within until it fell into the Red's lap like an overripe fruit. Until Americans realize their nation IS under attack, and understand something of the nature of that attack, no sound action can be taken. Little Rock, if it has shaken Americans out of their sleep, has made some contribution to the preservation of freedom.

sponsible for all the trouble we are having in the matter of segregation and integration? In order to effectively deal with the situation, you must realize that the whole thing is the result of planning and plotting which started 50 years ago and that the part of the Negro in the plot is only a means to an end.

Most people have been led to believe the NAACP is a Negro organization but this is NOT so! The NAACP is a JEWISH organization formed about 50 years ago by Jews and has been sponsored, aided and abetted by Jews ever since. Today the head of the NAACP is ARTHUR SPINGARN, a Zionist Jew!

What are YOU going to do about it?

RABBI SAYS 36 JEWS RULE JEWISH WORLD

A single sentence near the end of a long, rambling column in the Los Angeles B'nai B'rith Messenger of Oct. 25, 1957, is more thought provoking than many a book. The columnist, "Rabbi Charles W. Steckel, Ph. D., Temple Beth Israel, Sierra Madre, Calif." writes:

According to Jewish tradition the universe, our world, survives because of the 36 righteous men (Lamed-Vovenic) who are hidden so that no one knows about them."

Rabbi Steckel added that he was "deeply convinced" that a certain Swedish Jew, Raoul Wallenberg, now dead, was one of them. Wallenberg may have been a communist, as he was taken to the Soviet Union after the war and never was heard of again, till 10 years later, the Soviets said he had died in 1947.

Atlanta Bombing!

Naturally our readers would like accurate information regarding the 5 young men who are to be tried in this connection. The reports in the daily press have been slanted and misleading. Appreciating our responsibility in reporting on this, we have been slow and careful until we could give you something reliable. Here it is in brief.

There is not a shred of reliable information showing that these 5 men had the slightest connection with setting off the bomb. Columns would be necessary to report the interest the N.Y. Office of the Anti-Defamation League of B'nai B'rith, has been taking in the persecution of these patriots. Their only "crime" is that, about a month previous, they picketed an Atlanta newspaper because of its pro-Israel policy! They were immediately arrested while peacefully picketing.

As this article is written, pickets have been marching for 19 days in front of the 9 daily newspapers in N.Y. City—4500 drivers on strike, (only 877 voting to stay out) throwing 20,000 out of work, with a total loss of millions in salaries; no newspapers published—with a loss to the papers so far, of \$25,000,000. **WAS ANYONE ARRESTED FOR PICKETING? NO!**

Sam Feldman, the president of the strikers, and Asher Schwartz, their attorney said they will bring the newspaper publishers to their knees in order to meet the strikers demands.

Those who set the bomb at the Synagogue in Atlanta (shortly after a campaign had been launched to rebuild it) apparently had a reason, but that reason was NOT to help the ANTI-ZIONIST efforts!

Extreme Zionist pressure is being exerted on politicians, to railroad these young men who do not understand the nature of the ruthless group which is demanding conviction.

Congressman Walter (Dem., Penn.) said that the first 6,200 "refugees" from Hungary, during the 1956 Revolution, were communist street fighters, and COMMON SENSE happens to know they were Jews—and so do the Immigration Authorities.

Were a few of these so-called "refugees" picked to set off the bomb? It has been done before.

Defense attorneys James R. Venable and Essley Burdine are capable and honest, but it takes money, lots of it, to defend these 5 men. Good Americans cannot stand by and see this travesty of justice carried out against Christian men of good background.

Make Check Or Money-Order Payable To JUSTICE

Mr. William Stephenson, editor of the VIRGINIAN, will handle the defense funds; he has given much time and work in helping with the defense of these men—all without pay. Those who do not know Mr. Stephenson can rely on Common Sense vouching for his honesty and careful handling of the funds.

Some of our "handmaidens for communism" in the U.S. Senate are proudly boasting that they checked the rise of Fascism when they crucified McCarthy. What they really mean is, and they know it as well as everyone else, that they subjected themselves to the will of the Jews and checked the enlightenment of Christianity. However what they didn't know then, but realize now, is that they only delayed the enlightenment of Christianity.

studying the TALMUD under Rabbi Finkelstein, and despite their pictures being taken together and published with those news stories, that Warren is incapable of studying the TALMUD because, you say, it would take him the rest of his life to learn the languages (Hebrew and Aramaic) in which the TALMUD is written. Why don't you tell the truth? That being about thirty years ago a Jewish publishing firm in London, England, issued an English translation of the 63 books of the Talmud. I have consulted them 4 or 5 times to check what purported to be citations from the TALMUD. I don't know a word of Hebrew, but I had no trouble verifying citations in the ENGLISH EDITION of the Talmud.

So you are just throwing sand in the eyes of your readers when you imply Warren would have to know either Hebrew or Aramaic in order to read the Talmud—even the Eisenhower family had a Talmud in their Abilene home, and I never heard they spoke Hebrew or Aramaic.

Furthermore, COMMON SENSE HAS A SET OF THE TALMUD, Elizabeth Dilling of Chicago, whom you know well, has sold many photostatic copies of pages of the English Edition of the Talmud to show just how some of the pages contained expressions of hatred and contempt for non-Jews (including of course citizens of the U.S.) as well as filth and obscenities taught to your Jewish children in the synagogues and Jewish schools, including the Kol Nidre or Jewish oath. And you try to have the Americans believe the language barrier prevented Warren from studying the Talmud!

You object because COMMON SENSE did not list every subversive organization to which the black and white members of the NAACP belong, ignoring the fact that in the very article you criticize it tells in a conspicuous boxed-in notice, and I quote: "Space does not permit a complete outline of the communist background of the NAACP. A 46-page booklet 'COMMUNISM AND THE NAACP' contains irrefutable data including communist affiliations of many officers and directors, and will convince even the most naive. Send 10¢ in stamps to cover cost of handling and postage. Order from Christian Educational Assn., Union, New Jersey." Why did you not mention that in your diatribe?

JUDAISM—the only written religion in the world that teaches hatred of CHRISTIANITY! I call to your attention what Christ said about the Jews (The Gospel according to St. John, Chap. 8, Verse 44): "Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning and abode not in the truth, because there is no truth in him..."

The Pentagon Case

A NOVEL OF THE COLD WAR

By Col. Victor J. Fox

This is one of the most controversial novels ever published. It is NOT a detective story, yet it is supercharged with suspense.

Told in plain, unembellished journalese, it describes what happens to an ex-marine and his wife when he tries to expose an enemy underground cell which he uncovers during the course of his assigned duties as Special Assistant to a high Pentagon official.

Unlike Emile Zola's famed non-fiction documentary "J'ACCUSE!" which rocked France with its exposure of government corruption in the notorious Dreyfuss case, THE PENTAGON CASE is fiction. Yet it portrays in merciless detail a far more dangerous situation—a shocking national disgrace which discerning readers will quickly recognize as having foundations in fact; anyone who reads this book can find ample evidence of its basic truths simply by scanning the magazines sold openly in his own neighborhood. For all its guise of fiction this book cannot hide the terrifying helplessness of this country in opposing the insidious saturation of its magazines, books, entertainment media, and educational system with subversive propaganda!

In effect, this story is a powerful endorsement of the Congressional Investigating Committees which have been hamstrung by recent decisions of the U.S. Supreme Court. It is also a scathing indictment of the naive stupidity with which our Armed Forces all too frequently cooperate with magazines, movies and TV programs aimed at undermining our military morale and destroying our nation's will to resist!
